SUBJECT: *NEW* Maxxum Price Book

Attached is a new revision of the Case IH Maxxum tractor price book (PL-100 MA Rev.23). This revision includes the updated pricing for all Maxxum models and transmissions. Below is a chart showing the model year 2020 Maxxum tractor lineup.

For Model Year 2020 ActiveDrive 8 models, Case IH has introduced a new advanced transmission feature called APM (Automatic Productivity Management). This feature can be unlocked from the factory or at the dealership by purchasing an unlock code. When APM is activated, it will automatically control the engine RPM and transmission gear to achieve the most efficient operation at the ground speed the operator chooses. APM requires the basic transmission features and an AFS PRO700 to operate.

To continue to simplify the ordering process for Maxxum ActiveDrive 4 series tractors, we are introducing Package options and Incentives. Below is a screen shot from the model Maxxum price book. You have the ability to order a Maxxum tractor by selecting each option in the price book individually or by selecting a package.

The packages are a way for dealers to bundle some of our most popular options. This new option will offer dealer several advantages. Some of these advantages include:

- Less time to place orders.
  - Example: if a dealer orders a Maxxum ActiveDrive 4 tractor, the dealer is required to make 44 choices or clicks. By choosing “Standard” package, the dealer will only have to make 14 choices or clicks. **This is a reduction of 68%**.

- Ease in transferring equipment. Dealers will be able to look at an invoice and see what package was selected. Dealers have the ability to search for these tractors in eQuipment. The packages will assist in the ability to transfer tractors that have similar option codes.

- Package Incentive
  - Note the -$500 LIST incentive when ordering the Maxxum Standard package, -$1,000 LIST incentive when ordering the Maxxum Deluxe package and a -$1,500 LIST incentive when ordering the Maxxum Luxury package. ***Use this to your best advantage!***

These improvements to the Maxxum ActiveDrive 4 series price book were made with one goal in mind, to make it easier for you to do business with Case IH. Thank you for your business and good luck selling. Please use this price list when ordering this popular tractor series under the applicable Maxxum ordering programs.

Good Selling,
