FORM-D: OFFERED ITEMS PRICING **NEW REVISED EFFECTIVE DATE: 11/03/23**

Invitation No. RH08-20: Refuse Handling Equipment

Note: Offeror shall not modify this form in any way other than inputting company name(s) and pricing. All products listed below are to be considered as Base Units for purposes of this Invitation and any subsequent contract. Unless otherwise noted herein, this equipment shall include standard factory equipment. Offeror shall determine which models to bid and fill in the H-GAC bid price in the appropriate cell. Additionally, Offeror shall bid a comprehensive list of manufacturer options on Form-E. Unless shown otherwise on this or any other H-GAC specification document, all models and systems shall be priced herein to include the manufacturer standard components and be functional as priced (less chassis on commercial chassis-mounted designs). **NOTE: All refuse bodies designed for mounting on commercial cab-chassis shall be priced on this form as inclusive of mounting costs, but exclusive of cab-chassis. By submittal of pricing on this form, Offeror attests to this. For each line item priced below, Offeror shall include, with bid response, a specific quote sheet, or similar document, detailing the standard components, dimensions, and capabilities of the Base Unit priced. Offeror shall refer to Section-B for more details.**

Offeror: **Pak-Mor, LTD**

For joint bids, insert the company names of all parties (use attachment if needed)
