Subject: Farmall 100A Series complete price list revision

We are pleased to announce model year 2020 pricing for the Farmall 100A series tractors. The Farmall 100A series consists of the Farmall 110A/120A/130A & 140A models. A 3% economic price increase has been implemented for MY2020 produced tractors.

For MY 2020, Farmall 100A series tractors have upgraded the digital display with a new standard speedometer. In addition, a new radio is now standard on all models. Lastly, a heavier and more robust front axle is included on the Farmall 110A & Farmall 120A models, matching the front axle offering on the 130A & 140A models.

Please use this price list when ordering this popular tractor series under the applicable Farmall ordering programs.
