

Updated Dealer Support Manual and Dealer Price Files Available for May Price Changes

Effective today, May 1, 2024, select STIHL units have price changes.

An updated version of the Dealer Support Manual (Price Book) and individual Dealer Price Files are now available for download on Storefront (<https://sca.cdcstihl.biz>). Please download your new price file to update your business system.

A quick link to the full Price Book is also available below.
