

Important: 3M Price Adjustments Coming – Effective April 1, 2024

Dear Valued Customer,

3M will be adjusting prices on selected products effective April 1st, 2024. This action includes:

- General Line Price Adjustment
- Deviated Price Adjustment

The overall impact will vary depending on product mix, and you may see price changes for some materials that differ from the average percentage of the product category. Please download your price file to see the price impact by portfolio.

We have teams across 3M that are ready to support your business needs. We thank you for your business and continued support.
