Emergency Medical and Rescue Equipment (EE08-19)

Dear Valued Manufacture Partner:

We want to bring to your notice and announce that our company, Alex Air Apparatus Inc., is being transferred to the new owner, Mark Skindeliën. The company was owned by Kyle Wieberdink, President/Owner of Alex Air Apparatus Inc. The change in the ownership will be effective May 1st, 2023. The company will operate under a new business name, Alex Air Apparatus 2 LLC.

We intend to notify you, through this letter, that there is no change in the management and policies of the company. We make certain that we are going to sustain the reputation and standing that we have managed to build for over the past 36 years, by assuring you that the company plans to expand our sales force in the 6 states we cover along with expanding into different markets such as Law Enforcement and Industrial sales. We are currently working on catalogs for each of those markets and hope to have those available in the next few months to expand those markets.

Kyle Wieberdink decided he wanted to retire but also wanted to see the legacy of the company continue for years to come. With Mark Skindeliën, Vice President of the company having interest in the business they were able to work out a deal that could allow that to happen. Mark has been with Alex Air Apparatus since 2010, starting out as a Sales Representative and being promoted to Sales Manager in 2015, and in 2018 being promoted to Vice President/General Manager. Mark was a big part of the growth that Alex Air has had over the last several years.

As stated, the business will be operated under the name of Alex Air Apparatus 2 LLC. Attached to this letter you will find our new W-9 that you will need for your records. The business does plan on moving our operations to a new location sometime this summer. The new address is provided below but this transition will take a few months so we will update each of you as we officially get moved.

Alex Air Apparatus 2 LLC.

310 Oak Street South

New London, MN 56273

Please let us know if there is anything else you need from us for this transition. We are excited about this change and THANK YOU for the business partnership over the years and years to come.

Yours Truly,

Past Owner/President – Kyle Wieberdink

New Owner/President – Mark Skindelen

Alex Air Apparatus 2 LLC
