Current Situation

This contract is a continuation of an existing contract in our portfolio, consisting of sewer/pipeline cleaners, jet rodders, hydro-excavators, portable pipeline inspection equipment and other related equipment. There are no new manufacturers. All bid responses have been evaluated by H-GAC staff. Twenty-four bids (consisting of forty-one vendors) are being recommended for award. Request authorization for contracts representing the lowest responsible bidder providing best value for product items as summarized in the Award Recommendation Table, and, if applicable, to extend contract assignments to other authorized entities during the contract period. If an awarded

bidder fails to execute a contract within forty-five days, fails to maintain required licenses, or is determined to be ineligible, authorization is requested to contract with the next lowest responsible bidder.

Funding Source: Participating local government purchasers

Budgeted: NA

Action Requested

Request authorization of contracts with respondents for Sewer Cleaning, Hydro-Excavating, Inspection Equipment and Miscellaneous Services.
