

► The Starlite Transit Series | **STARCRAFT BUS**

a division of Forest River, Inc.

► Value-Packed with Superior Fuel Economy, Narrow-Body Bus

The Starlite Transit is the perfect solution for those in the market for a smaller shuttle bus or an alternative to a van. The Starlite Transit, with its narrow body and long list of standard features, can accommodate a variety of needs. Drivers will appreciate the improved visibility the Starlite Transit offers with super starview window and the well-designed driver's area.

Passengers will be able to enter and exit the Starlite with ease due to the 10" ground to first step, wide entry door, and the deep entry steps. Once on board, the passengers can comfortably move throughout the bus with its 20" aisle and 76" of interior head room. When passengers are seated, they will have an appreciable view through the 36" x 36" windows. This, combined with the previously mentioned features, make the Starlite Transit the most spacious shuttle bus in its class.

► Starlite Transit Features | Features to Meet Your Specific Needs

Comfortable and easily-accessible driver's area

Spacious interior with high-back seats and overhead luggage rack

Attractive and convenient driver control panel

► The Starlite Transit Series

STARCRAFT BUS
