Mohawk Lifts is pleased to present our proposal in response to the current Solicitation. Founded in 1981, Mohawk Lifts has established itself as a leader in the vehicle lift industry, known for manufacturing the highest quality and most durable lifts available. As the second oldest member of the Automotive Lift Institute (ALI), we are proud to offer products that meet rigorous safety and performance standards.

### Key Qualifications:

- **Extensive Experience:** With over 40 years in the industry, Mohawk Lifts has a proven track record of delivering reliable and effective lift solutions to a diverse range of clients, including many public sector entities.
- **Nationwide Network:** We retain a comprehensive network of distributors, installers, and inspectors across the United States and Canada, ensuring that we can meet the needs of HGACBuy members wherever they are located. This network is essential for providing timely and efficient delivery, installation, and maintenance services.
- **ALI Certification:** Our popular lifts are ALI certified, ensuring they meet the highest safety standards. Our commitment to quality is underpinned by rigorous third-party testing and regular inspections.
- **Innovative Solutions:** Mohawk Lifts continuously innovates to stay at the forefront of the industry. We have expanded our offerings to act as a distributor for fleet management-related products, further enhancing our ability to provide comprehensive solutions to our clients.

**Commitment to Service:** Mohawk Lifts is committed to the HGAC-Buy program and its members. We guarantee that all statements and information provided in our proposal are current, complete, and accurate. Our proposed solutions are designed to fully meet the requirements of this Solicitation, including offering a robust product line that caters to the specific needs of HGAC members. Our team is dedicated to upholding the highest standards of service and support, ensuring that every HGAC member gains maximum benefit from our products.

**Conclusion:** Mohawk Lifts is dedicated to providing HGACBuy members with not only products but also full support through our extensive dealer network. By choosing Mohawk Lifts, HGAC members are partnering with a seasoned provider who understands the nuances of governmental procurement and the critical nature of reliable, high-quality equipment. We are enthusiastic about continuing to serve HGAC members and are prepared to deliver the exceptional quality and service that our reputation is built on.
