Agreement Terms & Conditions

- Before initiating a **service agreement**, the **existing system must be inspected** by WET personnel using a **24-point checklist**. This is done as a **scheduled service call at the standard labor rate**.
- Once activated, the agreement includes **monthly preventative maintenance** and **routine service checks**.

- **Service calls for equipment failure** during normal working hours are included **(excluding parts)**. Any **replacement parts will be an additional charge** if they are **outside of the warranty**.
 - Equipment **over 10 years old is not eligible** for this contract and will only be serviced **on a time & material basis**.
 - The service **does not cover acts of nature, vandalism, or preventable damage due to user error**.
 - **Customers must submit a 30-day written notice** to cancel the contract.
 - **WET is the sole supplier of parts under this agreement**.
-

Payment Terms

- Payments are **due within 10 days of invoice** and are considered **past due after 30 days**.
- **Past due invoices will accrue 1.5% interest per month**.
- In cases of **non-payment requiring legal enforcement**, the customer will be responsible for **attorney fees and collection costs**.
