Effective: February 1, 2025

Description	Model Number	Suggested List Price
TANDEM SURFLINE BASE MACHINE		
Tandem Surflines		
Tandem Surflines® 208/230V/575V/460V w/pre-loaded e-chain	09010091	139,945
<i>Includes: Front Bridge, Back Bridge, Offboard Low Pressure Pump Panel with one tank fed inlet and one pressure fed inlet, Dual Side Brush, Top Brush, Text Based Center In-Bay Wash Operation Sign with Audio, Standard Bay Width SST Wall Mounts, Anodized Aluminum Main Machine Rails, Fixed Side Arches with Side Sensors, Fully Loaded Front and Back Bridge E-Chains with Bulkhead, Low Pressure Top Applicator/Rinse Manifold for Back Bridge, Full Bridge Cover Kit, Bay Box with Machine Controller, System Stop Button, Remote control for maintenance/diagnostic troubleshooting, Web Browser interface for configuration and setup, Email/SMS/Text messaging capabilities, and ICS entry unit integration (ICS unit required).</i>		
Extended Warranty		
Tandem Surflines Drive Train Extended Limited Warranty	09280013	3,470
High Pressure Pump Option, 21 GPM (208/230/460/575V)- (Make ONE Selection)		
<i>*Includes Gravity Fed Tank and High Pressure Top Blaster Manifold on Back Bridge</i>		
High Pressure Pump Module with General Emperor Pump	09070204/210/206/208	17,320
High Pressure Pump Module with CAT Pump	09070205/211/207/209	18,185
High Pressure Pump Inlets - (Make ONE Selection)		
Pressure Feed Option (adds 1 pressure feed)	09171455	940
Dual Pressure Feed Option (adds 2 pressure feeds)	09171456	1,660
Base Low Pressure Inlet Options (See Site Planning Document for details)		
Single Base Pump Pressure Feed	N/A	Included
Second Base Pump Pressure Feed	09170188	875
Cover Options		
In-Bay Cover for Wall Mounted Standard Pump Panel	11260145	520
In-Bay Cover for Wall Mounted Productivity Pump Panel (Required when Overglow, 3X, or High Volume Rinse Manifold is ordered)	11260146	520
In-Bay High Pressure Pump Module Cover	11260147	3,465
Side Cleaning Options		
Profiling Side Arch (Includes Low Pressure Applications, Vehicle Profiling, and Covers)	09190018	24,935
High Pressure Side Arch Blasters (Requires High Pressure Pump Option and Profiling Side Arch Part #09190018)	09190019	3,040
Wheel Cleaning Options		
High Pressure Wheel Blaster (TouchFree) (Requires HP Pump Option and Profiling Side Arch Part #09190018)	09080025	5,530
High Pressure Wheel Scrubber (Requires HP Pump Option and Profiling Side Arch Part #09190018)	09080023	8,030
Low Pressure Wheel Scrubber (Requires Profiling Side Arch Part #09190018)	09080024	9,130
Chemical Tire Applicator (Requires Profiling Side Arch PN#09190018)	09170215	1,425
Vehicle Loading Options		
Precision Loading - Includes photo eye system for precise loading. Recommended for bays without doors possible high through wind.	09160035	4,150
MACHINE MOUNTING OPTIONS		
Machine Mounting (Make ONE Selection)		
Wall Mount for Bays 13'-6" to 14'-4", Stainless Steel (Narrow Bay)	09050049	2,200
Wall Mount for Bays 14'-4" to 16'-1", Stainless Steel (Standard Bay)	09050048	Included
Wall Mount for Bays 16'-1" to 18'-1", Stainless Steel (Wide Bay)	09050047	4,300
Free-Standing Frame (15'-0" Bay Width Minimum)	09050045	9,695
