

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
Commercial Chassis Changes	VM8 PMPR IH	Change base VM8 commercial pumper to International MV607 chassis	\$ 2,509.00
Commercial Chassis Changes	PMPR IH	Change Base Commercial Puper to International MV607 chassis	\$ 7,350.00
Commercial Chassis Changes	PMPR KW	Change Base Commercial Puper to Kenworth T480 chassis	\$ 66,720.00
Commercial Chassis Changes	VM8-2 TNKR IH	Change Base VM8 Commercial 2000 gallon Tanker to International HV607 chassis	\$ 3,451.00
Commercial Chassis Changes	VM8-3 TNKR IH	Change Base VM8 Commercial 3000 gallon Tanker to International HV607 chassis	\$ 1,870.00
Commercial Chassis Changes	TNKR IH	Change base commercial Tanker to International HV607 chassis	\$ 17,096.00
Commercial Chassis Changes	TNKR KW	Change base commercial Tanker to Kenworth T480 chassis	\$ 52,394.00
Commercial Chassis Changes	NWI Rescue IH	Change base commercial Non-Walk In Rescue to International MV607 chassis	\$ 4,725.00
Commercial Chassis Changes	NWI Rescue KW	Change base commercial Non-Walk In Rescue to Kenworth T480 chassis	\$ 39,815.00
Commercial Chassis Changes	WI Rescue IH	Change base commercial Walk In Rescue to International MV607 chassis	\$ 4,725.00
Commercial Chassis Changes	WI Rescue KW	Change base commercial Walk In Rescue to Kenworth T480 chassis	\$ 40,658.00
Commercial Chassis Changes	M2 4-Door	Upgrade base Freightliner chassis to 4-door	\$ 12,441.00
Commercial Chassis Changes	IH 4-Door	Upgrade base International chassis to 4-door	\$ 12,766.00
ADAPTERS	4440-0063	Intake 6" Elkhart Elk-O-Lite 9786 Piston Valve. Ship Loose.	\$ 4,169.00
ADAPTERS	7000-0010	Williams Pressure Reducing Valve. Model WPRV/4P-1-11-234.	\$ 8,791.00
ADAPTERS	7000-0013	Adapter Black Max piston intake valve. 6" FNST x 5" MNST.	\$ 2,374.00
ADAPTERS	7000-0014	ADAPTER CHROME 2.5FNST X 1.5MNST 30 DEGREE DROOP	\$ 300.00
ADAPTERS	7000-0022	Task Force Tips piping adapter for the Crossfire monitor.	\$ 638.00
ADAPTERS	7200-0000	Adapter Chrome 3"MNST x 2.5"FNST with Plug	\$ 422.00
ADAPTERS	7200-0001	Adapter Chrome 3"FNST x 2.5"MNST with Cap.	\$ 489.00
ADAPTERS	7200-0002	Swivel Chrome Connector 4.5"FNST x 2.5" FNST Long Handle	\$ 490.00
ADAPTERS	7200-0003	Chrome Swivel Connection 5"FNST x 2.5"FNST Long Handle	\$ 673.00
ADAPTERS	7200-0004	Chrome Swivel Connector 5"FNST x 4.5"FNST Long Handle	\$ 723.00
ADAPTERS	7200-0005	Chrome Swivel Connector 6"FNST x 4.5"FNST Long Handle	\$ 915.00
ADAPTERS	7200-0006	Discharge Adapter 2.5"FNST x 2.5"MNST Spec with Cap - Special adapter with specified thread.	\$ 302.00
ADAPTERS	7200-0007	Adapter 2.5"MNST x 2.5"FNST Spec with Plug - Special adapter with specified thread.	\$ 373.00
ADAPTERS	7200-0008	Adapter Wye 2.5"FNST x 1.5"MNST.	\$ 1,155.00
ADAPTERS	7200-0009	Adapter Wye 4"FNST x (2) 2.5" FNST	\$ 1,475.00
ADAPTERS	7200-0010	Adapter 2.5" FNST x 2.5" F British Instantaneous.	\$ 422.00
ADAPTERS	7200-0011	Adapter 2.5" MSNT x 2.5" M British Instantaneous.	\$ 322.00
ADAPTERS	7200-0012	Adapter Collector 5"FNST x (3) 2.5"M British Instantaneous.	\$ 1,615.00
ADAPTERS	7200-0013	Adapter Collector 6"FNST x (3) 2.5"M British Instantaneous	\$ 1,873.00
ADAPTERS	7200-0014	Adapter 2.5"FNST x 4" Storz	\$ 710.00
ADAPTERS	7200-0015	Adapter 3"FNST x 4" Storz with cap.	\$ 748.00
ADAPTERS	7200-0016	Adapter 3"FNST x 5" Storz and insert cap.	\$ 912.00
ADAPTERS	7200-0017	Swivel connector 5"FNST x 4" Storz with tethered Cap.	\$ 872.00
ADAPTERS	7200-0018	Swivel Connector 4" FNST x 4" Storz with Tethered Cap.	\$ 659.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
ADAPTERS	7200-0019	Swivel connector 4"FNST x 5" Storz with tethered cap.	\$ 829.00
ADAPTERS	7200-0021	Swivel Connector 6" FNST x 4" Storz with Tethered Cap.	\$ 955.00
ADAPTERS	7200-0022	Swivel Connector 6" FNST x 5" Storz with Tethered Cap.	\$ 1,029.00
ADAPTERS	7200-0023	Swivel Connector 3" FNST x 4" Storz 30 Degree Elbow with Tethered Cap.	\$ 1,006.00
ADAPTERS	7200-0024	Swivel Connector 3"FNST x 5" Storz 30 Deg Elbow with Tethered Cap.	\$ 1,258.00
ADAPTERS	7200-0025	Swivel Connector 4"FNST x 4" Storz 30 Deg Elbow with Tethered Cap.	\$ 690.00
ADAPTERS	7200-0026	Swivel Connector 4" FNST x 5" Storz 30 Deg Elbow with Tethered Cap.	\$ 844.00
ADAPTERS	7200-0027	Adapter 2.5"MNST x 2.5" Storz with 30 degree droop and insert cap.	\$ 327.00
ADAPTERS	7200-0028	Adapter 5" FNST x 5" Storz 30 degree with tethered cap.	\$ 564.00
ADAPTERS	7200-0029	Adapter Wye 5"FNST x (2) 2.5" FNST	\$ 1,640.00
ADAPTERS	7200-0030	Adapter, 5" FNPT X 6" MNST Chrome.	\$ 514.00
ADAPTERS	7200-0031	1.5" Chrome Cap w/Chain.	\$ 45.00
ADAPTERS	7200-0032	Adapter 2.5"FNST x 2.5" Storz. Includes cap and connector.	\$ 323.00
ADAPTERS	7200-0033	Adapter 4.5 Inch FNST x 4 Storz	\$ 485.00
ADAPTERS	7200-0034	Adapter Wye 4.5"FNST x (2) 2.5" MNST	\$ 1,546.00
ADAPTERS	7200-0035	Adaptor 30 degree for rear 2.5" discharge. To be 2.5" FNST x 2.5" MNST. Ship loose.	\$ 411.00
ADAPTERS	7200-0036	Intake 6" Elkhart Elk-O-Lite 9786 Piston Valve. Ship Loose.	\$ 4,169.00
ADAPTERS	7200-0037	Adapter 4 Inch FBSS x 4 Inch FNST	\$ 581.00
ADAPTERS	7200-0038	Adapter Storz 1.5 Inch x 1.5 inch MNST.	\$ 156.00
ADAPTERS	7200-0039	Adapter 1.5 Inch MBSS x 1.5 Inch MNST	\$ 118.00
ADAPTERS	7200-0040	Chrome adapter for 2.5" discharge. Includes 2.5" FNST x 1.5" IPT thread with cap.	\$ 147.00
ADAPTERS	7200-0041	Adapter 2.5FNST x 2.5M Alberta Mutual Aid Threads (AMA 2.99x8Tip) with Cap	\$ 389.00
ADAPTERS	7200-0042	Adapter 2.5MNST x 2.5F Swivel Alberta Mutual Aid Threads (AMA 2.99x8Tip) with Plug	\$ 407.00
ADAPTERS	7200-0043	Intake 6" Northline FSGR Piston Valve with intake Relief. ship loose	\$ 2,427.00
ADAPTERS	7200-0044	Adapter.75 FGHT (garden hose) x 1.5" Storz	\$ 185.00
ADAPTERS	7200-0045	Intake gated relief valve. 6"FNST x 6"MNST.	\$ 2,113.00
ADAPTERS	7200-0046	Swivel Pyrolite connector 2.5"FNST x 2.5" FNST locker lug.	\$ 212.00
ADAPTERS	7200-0047	Adapter Pyrolite 2.5"MNST x 2.5"MNST.	\$ 121.00
ADAPTERS	7200-0048	Chrome Swivel Connector 6"MNST x 4"FNST	\$ 1,306.00
ADAPTERS	7200-0049	Adapter 1.5" FNPT x 2.5"F British Instantaneous.	\$ 311.00
ADAPTERS	7200-0050	Adapter 5" Storz x (2) 2.5" FNST swivels gated wye	\$ 1,139.00
ADAPTERS	7200-0051	Adapter 1.5" FNST x 2.5" FBSS	\$ 307.00
ADAPTERS	7200-0052	Adapter 5" FNST x 4" MBSS thread	\$ 452.00
ADAPTERS	7200-0053	Adapter Pyrolite 2.5"FNST x 2.5"FNST Swivel	\$ 202.00
ADAPTERS	7200-0054	Adapter wye suction 6"FNST x (3) 2.5" FNST	\$ 3,598.00
ADAPTERS	7200-0055	Adapter 2.5" MNST x 2.5" FBritish Instantaneous	\$ 244.00
ADAPTERS	7200-0056	Adapter 2.5FNST x 2.5M (3.031x7Tip) with Cap	\$ 393.00
ADAPTERS	7200-0057	Adapter 2.5MNST x 2.5F Swivel X (3.031X7TPI) with Plug	\$ 407.00
ADAPTERS	7200-0058	Adapter 2.5FNST x 2.5M (3.232x5Tip) with Cap	\$ 393.00
ADAPTERS	7200-0059	Adapter 2.5MNST x 2.5F Swivel (3.232x5Tip) with Plug	\$ 407.00
ADAPTERS	7200-0060	Adapter 2.5MNST x 2.5F (3.230x5Tip) with Cap	\$ 393.00
ADAPTERS	7200-0061	Adapter 2.5MNST x 2.5F Swivel (3.230x7TPI) with Plug	\$ 407.00
ADAPTERS	7200-0062	Adapter 4.5" FNST x 5" Storz.	\$ 489.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
ADAPTERS	7200-0063	Chrome adaptor for 2.5" discharge. Includes 2.5" FCSA x 1.5" NPSH threads with caps.	\$ 221.00
ADAPTERS	7200-0064	Swivel Connector 4"FNST x 4" Storz 30Deg Elbow with Tethered Cap	\$ 1,020.00
ADAPTERS	7200-0065	Adapter Connector 3"MNST x 4" Storz with Tethered Cap	\$ 726.00
ADAPTERS	7200-0066	Adapter Gated Wye Akron Model 1480 with 1.5"FNST x (2) 1.5"MNST.	\$ 1,986.00
ADAPTERS	7200-0067	An adapter 5" FNST x 5" Storz rigid with no elbow	\$ 236.00
ADAPTERS	7200-0068	A 2.5" MNST x 2.5" FAMA with Plug Adapter	\$ 156.00
ADAPTERS	7200-0069	A 2.5" FNST x 2.5" MAMA With Cap adapter shall be provided.	\$ 225.00
ADAPTERS	7200-0070	A 4" FNST x 4" Storz Adapter shall be provided.	\$ 386.00
ADAPTERS	7200-0071	Adapter 1.5" FNST X 1.0" MNST w/Cap.	\$ 183.00
ADAPTERS	7200-0072	A 2.5" FNST x 2.5" M2.962x8TPI With Cap adapter shall be provided.	\$ 271.00
ADAPTERS	7200-0073	A 4" MNST x 2.5" FNST adapter shall be provided.	\$ 367.00
ADAPTERS	7200-0074	Swivel Connector 6"FNST x 5" Storz with 30 degree elbow and Tethered Cap	\$ 1,036.00
ADAPTERS	7200-0076	A 5" FNST x 4" Storz adapter with a 30 degree droop shall be shipped loose.	\$ 374.00
ADAPTERS	7200-0077	Adapter 2.5 Storz X 2.5 FNST with a 30 degree droop.	\$ 323.00
ADAPTERS	7200-0078	Adapter 1.5 FNST x 1.5 Storz for foam fills.	\$ 231.00
ADAPTERS	7200-0079	Swivel Chrome Connector 4"FNST x 2.5" FNST Long Handle	\$ 327.00
ADAPTERS	7200-0080	Swivel Rocker Lug Connector 6"FNST x 5" Storz with Tethered Cap	\$ 1,036.00
ADAPTERS	7200-0081	Swivel Connector 4"FNST x 4" Storz 30Deg Elbow without Tethered Cap	\$ 702.00
ADAPTERS	7200-0082	Adapter 2.5"MBCT w/cap x 4" Storz	\$ 603.00
ADAPTERS	7200-0083	Adapter 2.5"FBCT w/plug x 4" Storz	\$ 630.00
ADAPTERS	7200-0084	Adapter 1.5" FNST x 1.5" MNST.	\$ 118.00
ADAPTERS	7200-0085	Swivel Connector 3"MNST x 5" Storz 30Deg Elbow with Tethered Cap	\$ 1,080.00
ADAPTERS	7200-0086	Adapter Chrome 3"FNST x 2.5"MNST	\$ 466.00
ADAPTERS	7200-0087	Swivel Connector 6"FNST x 5" Storz 30 deg Elbow with Tethered Cap. (Task Force Tip Adapt)	\$ 1,189.00
ADAPTERS	7200-0088	Chrome Swivel Connector 6"FNST x 4"FNST Long Handle	\$ 915.00
ADAPTERS	7200-0089	Swivel Connector 3"MNST x 4" Storz 30Deg Elbow with Tethered Cap	\$ 682.00
ADAPTERS	7200-0090	Adapter 2.5" female NST x 2.5" male British Instantaneous with cap	\$ 236.00
ADAPTERS	7200-0091	Adapter 2.5" female NST x 2.5" Male Detroit standard threads.	\$ 225.00
ADAPTERS	7200-0092	Cap 2.5" Detroit Standard Threads.	\$ 168.00
ADAPTERS	7200-0093	A 2.5" MNST x 2.5" FDetroit Standard with Plug Adapter.	\$ 329.00
ADAPTERS	7200-0094	Adapter 1.5" Female NST x 1" Male Mass Forestry Threads. (1.429 OD-11 threads per inch)	\$ 132.00
ADAPTERS	7200-0095	Akron 7980 Piston Intake Valve with 5" Storz outlet with cap.	\$ 4,583.00
ADAPTERS	7200-0096	Akron 7980 Piston Intake Valve with 4" Storz outlet with cap.	\$ 3,624.00
ADAPTERS	7200-0097	Adapter 4.5" MNST X 5" Storz angled 30 degrees.	\$ 359.00
ADAPTERS	7200-0098	A 2.5" MNST x 5" FNST with 5" Plug Adapter.	\$ 1,044.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
ADAPTERS	7200-0099	Adapter 2 1/2 M X 3.09-8 thread FM for Roswell, New Mexico.	\$ 601.00
ADAPTERS	7200-0100	Intake 6" Elkhart Elk-O-Lite 9786 Piston Valve. Ship Loose. The valve shall have an 6" female NST inlet and 5" swivel with a locking Storz inlet	\$ 4,169.00
ADAPTERS	7200-0101	Adapter 2.5FNST x 2.5M British Columbia Threads (BCT 3.00x8TPI) with Cap.	\$ 381.00
ADAPTERS	7200-0102	Adapter 2.5MNST x 2.5F Swivel British Columbia Threads (BCT 3.00x8TPI) with Plug	\$ 750.00
ADAPTERS	7200-0104	Adapter 5" FNST x 4" MNST with cap.	\$ 581.00
ADAPTERS	7200-0105	Elkhart 18" Pipe Extender 8298EXw/8298.	\$ 1,091.00
ADAPTERS	7200-0106	Adapter 1.5 FNST x 1.5 Storz.	\$ 231.00
ADAPTERS	7200-0107	Adapter aluminum 3"FNST x 2.5"MNST with Cap.	\$ 489.00
ADAPTERS	7200-0108	Adapter 4" FNST x 5" Storz.	\$ 489.00
ADAPTERS	7200-0109	Adapter, 4.5" FNST X 4.5" MNST Chrome.	\$ 706.00
ADAPTERS	7200-0110	Adapter 2.5" female NST x 2.5" male 3.187 x 6 thread per inch with cap	\$ 314.00
ADAPTERS	7200-0111	Adapter 2.5" female NST x 2.5" male Cleveland 3.078 x 8TPI with cap.	\$ 383.00
ADAPTERS	7200-0112	Adapter 2.5MNST x 2.5F Swivel (Cleveland 3.078 x 8TPI) with Plug	\$ 780.00
ADAPTERS	7200-0113	Adapter Connector 3" FNST x 4" Storz x 4" Storz x 2.5" MNST x 2.5" FNST X 1.5" MNST with cap.	\$ 1,408.00
ADAPTERS	7200-0114	Chrome adapter for 2.5" discharge. Includes 2.5" FNST x 1.5" NH thread without cap.	\$ 117.00
ADAPTERS	7200-0115	Swivel Connector 6"FNST x 4" Storz with 30 degree elbow and Tethered Cap	\$ 1,036.00
ADAPTERS	7200-0116	Adapter 2.5FNST x 2.5M Alberta Mutual Aid Threads (AMA 2.99x8Tip)	\$ 233.00
ADAPTERS	7200-0117	Swivel Connector 4"FNST x 6" MNST with 30 degree elbow and Cap. (Task Force Tip AH5NP)	\$ 1,337.00
ADAPTERS	7200-0118	A 3" MNST x 2.5" FAMA adapter W/Plug.	\$ 687.00
ADAPTERS	7200-0119	Adapter Gated Wye with 2.5"FNST x (2) 1.5"MNPSH.	\$ 2,341.00
ADAPTERS	7200-0120	Adapter, 4" FNST X 3.5" MNST Chrome with cap.	\$ 706.00
ADAPTERS	7200-0121	Chrome adapter for 2.5" discharge. Includes 2.5" FNST x 1.5" NPSH thread with cap.	\$ 193.00
ADAPTERS	7200-0122	Adapter 2.5" MNST x 5" Storz with cap.	\$ 726.00
ADAPTERS	7200-0123	TFT model # AA5NT-NX adapter 5" FNST x 6" MNST with Tethered Cap.	\$ 915.00
ADAPTERS	7200-0124	Adapter 2.5FNST x 2.5M British Columbia Threads (BCT 3.00x8TPI) without Cap.	\$ 247.00
ADAPTERS	7200-0125	Adapter 2.5" (BCT)3.00x8TPI x 1.5" NPSH with Cap.	\$ 305.00
ADAPTERS	7200-0126	Adapter 5" Storz X 2.5" MNST with 2.5" cap.	\$ 890.00
ADAPTERS	7200-0127	Swivel Connector 6"FNST x 5" Storz with 30 degree elbow and Black Tethered Cap	\$ 1,036.00
ADAPTERS	7200-0128	Chrome adaptor for 2.5" discharge. Includes 2.5" FNST x 1.5" NPSH threads with caps.	\$ 221.00
ADAPTERS	7200-0131	Swivel Double 4"FNST x 4" FNST.	\$ 1,337.00
ADAPTERS	7200-0132	Adapter Chrome 4"MNST x 4"MNST.	\$ 374.00
ADAPTERS	7200-0133	Chrome adapter for 2.5" discharge. Includes 2.5" FNST x 1.5" MNST thread with cap.	\$ 147.00
ADAPTERS	7200-0134	Adapter 4" FNST x 4.5" MNST swivel with a 30 degree droop and cap.	\$ 898.00
ADAPTERS	7200-0135	Adapter 5"FNST x 4" Storz with cap.	\$ 748.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
ADAPTERS	7200-0136	Adapter 4" FNST x 5" MNST swivel with a 30 degree droop and cap.	\$ 898.00
ADAPTERS	7200-0137	Adapter 5" MNST x 4" Storz.	\$ 489.00
ADAPTERS	7200-0138	Adapter Louisville 3.12x6 X 2.5 FNST	\$ 231.00
ADAPTERS	7200-0139	Adapter Louisville 3.12x6 X 2.5 MNST	\$ 238.00
ADAPTERS	7200-0140	Akron handwheel Intake Valve with 4" Storz outlet with cap.	\$ 3,624.00
ADAPTERS	7200-0141	A 5" FNST x 5" Storz adapter with a 30 degree droop shall be shipped loose.	\$ 374.00
ADAPTERS	7200-0142	Adapter 3" MNST x 2.5FNST 30 Degree swivel adaptor	\$ 407.00
ADAPTERS	7200-0143	Adapter 4" MNST x 4" Storz.	\$ 489.00
ADAPTERS	7200-0144	Adapter Chrome 3"FNST x 2.5"AMA with Cap.	\$ 489.00
ADAPTERS	7200-0145	Adapter Chrome 3"MNST x 2.5"AMA with Plug	\$ 422.00
ADAPTERS	7200-0146	Adapter 2.5"MNST x 2.5" Storz. Includes cap and connector.	\$ 323.00
ADAPTERS	7200-0147	Adapter 4" FNST x 3.5" MNST swivel with a 30 degree droop and cap.	\$ 898.00
ADAPTERS	7200-0148	3" MNST x 3" MNST Adapter shall be provided.	\$ 386.00
ADAPTERS	7200-0149	Adapter 2.5"MNST x 2.5" FNST with 30 degree droop and insert cap.	\$ 327.00
ADAPTERS	7200-0150	Adapter 4" FNST x 5" MNST w/ cap.	\$ 898.00
ADAPTERS	7200-0151	Adapter 5" STORZ x 2.5"FNST w/plug	\$ 673.00
ADAPTERS	7200-0152	Adaptor 3" FNST x 4" FNST	\$ 1,006.00
ADAPTERS	7200-0153	Adapter wye suction 6"FNST x (1) 2.5" FNST x (1) 2.5" MNST	\$ 3,598.00
ADAPTERS	7200-0154	A 3" FNST x 2.5" M3.075x6TPI adapter with cap shall be provided.	\$ 416.00
ADAPTERS	7200-0155	Swivel Connector 6" FNST x 4.5" Storz with Tethered Cap.	\$ 1,029.00
ADAPTERS	7200-0156	Adapter, 4.5" FNST X 4.5" MNST Black w/30 degree elbow and cap.	\$ 706.00
ADAPTERS	7200-0157	Adapter 2.5" MNST x 4" Storz with cap.	\$ 726.00
ADAPTERS	7200-0158	Adapter 2.5MNST x 2.5F Swivel 3.31x8Tip) with Plug	\$ 407.00
ADAPTERS	7200-0160	Swivel Connector 6"FNST x 6" Storz 30 deg Elbow with Tethered Cap. (Task Force Tip)	\$ 1,753.00
AERIAL BODY	3060-0001	Body aerial HR100 / LTH100 / 110 tandem SideStacker for use with 300 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2 compartments, extended hosebed (to rear), individual rear side compartments, left rear staircase with pocket style drop down step and 34" wide ladder tunnel. Requires separate pump module option.	\$ 134,060.00
AERIAL BODY	3060-0002	Body aerial HR100 / LTH100 / 110 tandem SideStacker for use with 500 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2 compartments, extended hosebed (to rear), individual rear side compartments, left rear staircase with pocket style drop down step and 34" wide ladder tunnel. Requires separate pump module option.	\$ 134,060.00
AERIAL BODY	3060-0003	Body aerial HR100 / LTH100 / 110 tandem with center hosebed for use with 300 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2/R3 compts, individual rear side compartments, double beavertails w/ rear turntable access steps and 18" tailboard. Requires separate pump module option.	\$ 127,302.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY	3060-0004	Body aerial HR100 / LTH100 / 110 tandem with center hosebed for use with 500 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2/R3 compts, individual rear side compartments, double beavertails w/ rear turntable access steps and 18" tailboard. Requires separate pump module option and tank with sleeve for long ladder (4010-0501).	\$ 127,302.00
AERIAL BODY	3060-0005	Body aerial HR100 / LTH100 / 110 tandem without pump (172 C/A) (230" WB medium cab / 240" WB long cab). Includes driver and officer side full height compartments, extended height front side compartments, individual rear side compts, dual rear side staircases with pocket style drop down step and 42" wide ladder tunnel (requires 6100-0127). 65" high body for 11'-7 +/-1" OAH.	\$ 120,101.00
AERIAL BODY	3060-0006	Body aerial HP75 / HP78 with center hose bed. Includes driver and officer side 60" wide combined extended height front side compartment, enhanced extended rear side compartments, driver and officer side ladder tunnels, hose chutes extended rearward flush with rear of body and center rear turntable access staircase. The rear turntable access door to match the rear body finish. For use with single rear axle and 400-500 gallon tank. Requires separate pump module option.	\$ 95,612.00
AERIAL BODY	3060-0007	Body aerial HP75 / HP78 SideStacker. Includes driver side full height compartments, officer side full length hose bed and pocket style drop down step at left rear staircase. The rear access doors to match the rear body finish. For use with single rear axle. Requires separate pump module option.	\$ 84,788.00
AERIAL BODY	3060-0008	Body aerial HP75 / HP78 SideStacker. Includes driver side full height compartments, tall R1 compartment and pocket style drop down step at left rear staircase. The rear access doors to match the rear body finish. For use with single rear axle. Requires separate pump module option.	\$ 84,788.00
AERIAL BODY	3060-0009	Body aerial single axle Metro 100 without pump for use with HR100 ladder. 100" wide. Includes driver and officer side full height compartments, extended height front side compartments, combined rear side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front transverse body module.	\$ 107,313.00
AERIAL BODY	3060-0010	Body aerial single axle Metro 100 without pump for use with HR100 ladder. 100" wide. Includes driver and officer low side compartments with recess above for horizontal ladder storage, combined rear side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front transverse body module.	\$ 104,742.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY	3060-0011	Body aerial CR100/137/95-Platform without pump (187" C/A) (245" WB medium cab). Includes driver and officer side full height compartments, extended height front side compartments, individual rear side compartments, dual 18" wide rear side staircases with pocket style drop down step and 42" wide ladder tunnel (requires 6100-0127). 61" high body for 11'-10 +/-1" OAH.	\$ 120,101.00
AERIAL BODY	3060-0012	Body aerial HP100 Platform without pump (192" C/A) (250" WB medium cab / 260" WB long cab). Includes driver and officer side full height compartments, extended height front side compartments, combined rear side compartments, dual 18" wide rear side staircases with pocket style drop down step and 34" wide ladder tunnel.	\$ 131,599.00
AERIAL BODY	3060-0013	Body aerial HP100 Platform without pump (192" C/A) (250" WB medium cab / 260" WB long cab). Includes driver and officer side full height compartments, extended height front side compartments, combined rear side compartments, dual 18" wide rear side staircases with pocket style drop down step and 42" wide ladder tunnel (requires 6100-0127).	\$ 131,599.00
AERIAL BODY	3060-0014	Body aerial HR100 / LTH100 / 110 tandem without pump (172 C/A) (230" WB medium cab / 240" WB long cab). Includes driver side full height compartments w/extended height front side compartments, officer side low compartments with recess above for horizontal ladder storage, individual rear side compts, dual rear side staircases with pocket style drop down step and 42" wide ladder tunnel (requires 6100-0127). 65" high body for 11'-7 +/-1" OAH.	\$ 118,816.00
AERIAL BODY	3060-0015	Body aerial Metro 100 Quint SideStacker. Includes extended height L2 compartment, full length hosebed (low R2), combined rear driver side compartments, left rear staircase with pocket style drop down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front tank module. Note: Can also be used with LTH/110 ladders with 40.25" TT height.	\$ 123,413.00
AERIAL BODY	3060-0016	Body aerial Metro 100 Quint SideStacker. Includes extended height L2/R2 compartments, combined rear driver side compartments, left rear staircase with pocket style drop down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front tank module. Note: Can also be used with LTH/110 ladders with 40.25" TT height.	\$ 123,413.00
AERIAL BODY	3060-0017	Body aerial HR100 / LTH100 / 110 tandem without pump (172 C/A) (230" WB medium cab / 240" WB long cab). Includes driver and officer side full height compartments, extended height front side compartments, individual rear side compts, dual rear side staircases with pocket style drop down step and 34" wide ladder tunnel. 65" high body for 11'-7 +/-1" OAH.	\$ 120,101.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY	3060-0018	Body aerial single axle Metro 100 without pump for use with HR100 ladder. 100" wide. Includes driver low side compartments with recess above for horizontal ladder storage, officer side full height compartments w/ extended height front side compartments, combined rear side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front transverse body module.	\$ 106,028.00
AERIAL BODY	3060-0019	Body aerial CR100/137/95-Platform without pump (187" C/A) (245" WB medium cab). Includes driver and officer side full height compartments, extended height front side compartments, individual rear side compartments, dual 18" wide rear side staircases with pocket style drop down step and 34" wide ladder tunnel. 61" high body for 11'-10 +/-1" OAH.	\$ 120,101.00
AERIAL BODY	3060-0020	Body aerial single axle Metro 100 without pump for use with LTH100 and 110 ladders and horizontal aftertreatment (162 C/A) (220" WB medium cab / 230" WB long cab). 100" wide. Includes driver and officer side full height compartments, extended height front side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 61" high body (36.25" turntable height w/o wway - requires LTH aerial cab).	\$ 116,041.00
AERIAL BODY	3060-0021	Body aerial single axle Metro 100 without pump for use with LTH100 and 110 ladders and vertical aftertreatment (162 C/A) (220" WB medium cab / 230" WB long cab). 100" wide. Includes driver and officer side full height compartments, extended height front side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 61" high body (36.25" turntable height w/o wway - requires LTH aerial cab).	\$ 116,041.00
AERIAL BODY	3060-0022	Body aerial HR100 / LTH100 / 110 tandem SideStacker for use with 300 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2 compartments, extended hosebed (to rear), individual rear side compartments, left rear staircase with pocket style drop down step and 42" wide ladder tunnel. Requires 6100-0127 and separate pump module option.	\$ 134,060.00
AERIAL BODY	3060-0023	Body aerial HP100 Platform SideStacker for use with 300 tank and 58-62K rear (252" WB). Includes driver and officer side full height compartments, extended height L1/L2 and R1/R2 compartments, extended hosebed (to rear), individual rear side compartments, left rear 18" wide staircase with pocket style drop down step and 34" wide ladder tunnel. Requires separate pump module option.	\$ 145,493.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY	3060-0024	Body aerial HP100 Platform SideStacker for use with 300 tank and 54K rear (192 C/A) (250" WB medium cab / 260" WB long cab). Includes driver and officer side full height compartments, extended height L1/L2 and R1/R2 compartments, extended hosebed (to rear), combined rear driver side compartments, left rear 18" wide staircase with pocket style drop down step and 34" wide ladder tunnel. Requires separate pump module option.	\$ 141,356.00
AERIAL BODY	3060-0025	Body aerial HP100 Platform SideStacker for use with 500 tank and 58-62K rear (252" WB). Includes driver and officer side full height compartments, extended height L1/L2 and R1/R2 compartments, extended hosebed (to rear), individual rear side compartments, left rear 18" wide staircase with pocket style drop down step and 34" wide ladder tunnel. Requires separate pump module option.	\$ 145,493.00
AERIAL BODY	3060-0026	Body aerial HP100 Platform with center hosebed for use with 300 tank and 58-62K rear (252" WB). Includes driver and officer side full height compartments, extended height L1/L2 and R1/R2 compts, individual rear side compartments, driver and officer rear side facing recess for fold-out turntable access ladders. Requires separate access ladders and pump module option.	\$ 155,400.00
AERIAL BODY	3060-0027	Body aerial CR100/137/95-Platform SideStacker for use with 300 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2 compartments, extended hosebed (to rear), individual rear side compartments, left rear staircase with pocket style drop down step and 34" wide ladder tunnel. Requires separate pump module option.	\$ 134,060.00
AERIAL BODY	3060-0028	Body aerial CR100/137/95-Platform SideStacker for use with 500 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2 compartments, extended hosebed (to rear), individual rear side compartments, left rear staircase with pocket style drop down step and 34" wide ladder tunnel. Requires separate pump module option.	\$ 134,060.00
AERIAL BODY	3060-0029	Body aerial single axle Metro 100 without pump for use with HR100 ladder. 100" wide. Includes driver side full height compartments w/ extended height front side compartments, officer low side compartments with recess above for horizontal ladder storage, combined rear side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front transverse body module.	\$ 106,028.00
AERIAL BODY	3060-0030	Body aerial CR100/137/95-Platform with center hosebed for use with 300 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2/R3 compts, individual rear side compartments, double beavertails w/ rear turntable access steps and 18" tailboard. 63" high body for 12'-1" OAH (+/-). Requires separate pump module option.	\$ 127,302.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY	3060-0031	Body aerial CR100/137/95-Platform with center hosebed for use with 500 tank. Includes driver and officer side full height compartments, extended height L1/L2/L3 and R1/R2/R3 compts, individual rear side compartments, double beavertails w/ rear turntable access steps and 18" tailboard. 63" high body for 12'-1" OAH (+/-). Requires separate pump module option.	\$ 127,302.00
AERIAL BODY	3060-0032	Body aerial single axle Metro 100 without pump for use with HR100 ladder. 100" wide. Includes driver low side compartments with recess above for horizontal ladder storage, officer side full height compartments w/ extended height front side compartments, combined rear side compartments, rear side staircases with pocket style drop-down step, 42" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires 6100-0127 and front transverse body module.	\$ 106,028.00
AERIAL BODY	3060-0033	Body aerial single axle Metro 100 without pump for use with LTH100 and 110 ladders and horizontal aftertreatment (162 C/A) (220" WB medium cab / 230" WB long cab). 100" wide. Includes driver side low side compartments with recess above for horizontal ladder storage, officer side full height compartments w/extended height front side compartments, combined rear side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 61" high body (36.25" turntable height w/o wway - requires LTH aerial cab).	\$ 117,723.00
AERIAL BODY	3060-0034	Body aerial single axle Metro 100 without pump for use with HR100 ladder. 100" wide. Includes driver and officer side full height compartments, extended height front side compartments, combined rear side compartments, rear side staircases with pocket style drop-down step, 42" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front transverse body module.	\$ 107,313.00
AERIAL BODY	3060-0035	Body aerial HP95 4-jack Mid-mount Platform SideStacker for use with 300 tank and 62K rear axle (255" WB medium cab / 265" WB long cab). Includes three piece body (front, middle and rear), left rear side platform access staircase, 44" wide ladder tunnel and 5" raised rear perimeter aft of rear jack legs for improved angle of departure. For use with 10'11" (+/-1) OAH aerial with -11 degree range of motion.	\$ 129,922.00
AERIAL BODY	3060-0036	Body aerial HP95 4-jack Mid-mount Platform SideStacker for use with 500 tank and 62K rear axle (255" WB medium cab / 265" WB long cab). Includes three piece body (front, middle and rear), left rear side platform access staircase, 44" wide ladder tunnel and 5" raised rear perimeter aft of rear jack legs for improved angle of departure. For use with 10'11" (+/-1) OAH aerial with -11 degree range of motion.	\$ 129,922.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY	3060-0037	Body aerial HP95 4-jack Mid-mount Platform without pump for use with 54K rear axle (255" WB medium cab / 265" WB long cab). Includes three piece body (front, middle and rear), left rear side platform access staircase, 44" wide ladder tunnel and 5" raised rear perimeter aft of rear jack legs for improved angle of departure. For use with 10'11" (+/-1) OAH aerial with -11 degree range of motion.	\$ 120,950.00
AERIAL BODY	3060-0038	Body aerial HP95 4-jack Mid-mount Platform without pump for use with 54K rear axle (255" WB medium cab / 265" WB long cab). Includes three piece body (front, middle and rear), left rear side platform access staircase, 50" wide ladder tunnel and 5" raised rear perimeter aft of rear jack legs for improved angle of departure. For use with 10'11" (+/-1) OAH aerial with -11 degree range of motion.	\$ 120,950.00
AERIAL BODY	3060-0039	Body aerial single axle Metro 100 without pump for use with LTH100 and 110 ladders and vertical aftertreatment (220" WB medium cab / 230" WB long cab). 100" wide. Includes driver and officer side full height compartments, extended height front side compartments, combined rear side compartments, rear side staircases with pocket style drop-down step, 34" wide ladder tunnel and 3" raised rear perimeter aft of rear jack legs for improved angle of departure. 61" high body (36.25" turntable height w/o wway - requires LTH aerial cab).	\$ 117,723.00
AERIAL BODY MODIFIERS	3065-0001	Body modification - Combine left rear side compartments. This modification affects compartment dimensions and numbering in specs. Includes short compartment down low behind the rear stabilizer (if rear perimeter is not raised).	\$ 1,780.00
AERIAL BODY MODIFIERS	3065-0002	Body modification - Combine right rear side compartments. This modification affects compartment dimensions and numbering in specs. Includes short compartment down low behind the rear stabilizer (if rear perimeter is not raised). For use with turntable access steps or inset rear body with corner steps.	\$ 1,780.00
AERIAL BODY MODIFIERS	3065-0003	Body modification - Add extended height compartment over right forward tandem axle. SideStacker only. Will shorten hosebed. Requires door option.	\$ 2,590.00
AERIAL BODY MODIFIERS	3065-0004	Body modification - Add upper compartment over right side tandem axle. SideStacker only. Will shorten hosebed. Requires door option.	\$ 2,182.00
AERIAL BODY MODIFIERS	3065-0005	Body modification - Provide compartment IPO staircase at rear of body on driver side. Requires door option. HP95MM only.	\$ 1,090.00
AERIAL BODY MODIFIERS	3065-0006	Body modification - Driver side rear of body to have 45 degree corner steps IPO standard turntable access.	\$ 1,801.00
AERIAL BODY MODIFIERS	3065-0007	Body modification - Driver and officer side rear of body to have 45 degree corner steps IPO standard turntable access. N/A with SideStacker hosebed.	\$ 3,601.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY MODIFIERS	3065-0008	Body modification - Officer side rear of body to have 45 degree corner steps IPO standard. SideStacker only. Reduces length (and capacity) of hosebed. Requires 3330-0435 pull-out step. Note: For access to top of body add folding step(s) 3330-0278 and recessed mounting box(es) 3330-0035.	\$ 2,185.00
AERIAL BODY MODIFIERS	3065-0009	Body modification - Raise the rear perimeter aft of rear jack legs 4" for improved angle of departure. Reduces height of rear side compartments and may eliminate the small lower storage area with combined rear side compartment option.	\$ 692.00
AERIAL BODY MODIFIERS	3065-0010	Body modification - Increased depth SideStacker hosebed. Includes stepped up hosebed floor over jack tower. (HR100 tandem). Option alters placement of the pike poles. Requires engineering review and approval.	\$ 3,335.00
AERIAL BODY MODIFIERS	3065-0011	Body modification - Extend height of driver side front side compartments to top of body.	\$ 1,142.00
AERIAL BODY MODIFIERS	3065-0012	Body modification - Extend height of officer side front side compartments to top of body.	\$ 1,142.00
AERIAL BODY MODIFIERS	3065-0013	Body modification - Split driver side front compartment into two separate compartments. Requires additional door. This modification affects compartment dimensions and numbering in specs. See approval drawing for opening dimensions.	\$ 2,026.00
AERIAL BODY MODIFIERS	3065-0014	Body modification - Move the pike poles into the ladder tunnel IPO the standard location(s). Requires additional pike pole code with tube quantity and lengths. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 1,409.00
AERIAL BODY MODIFIERS	3065-0015	Body modification - Dual rear side staircases include 1" flex joint separating it from the main body. Rear corners pinched in for better turning clearance, also keeping handrails within the extents of the body width. Requires P-Rubber option (3136-0011).	\$ 7,322.00
AERIAL BODY MODIFIERS	3065-0016	Body modification - Provide corner notches in rear body section to reduce tail swing. (HP95 platform). This modification combines the right side rear compartments, alters placement of the electrical lighting and jack leg controls and affects compartment dimensions and numbering in spec.	\$ 6,117.00
AERIAL BODY MODIFIERS	3065-0017	Body modification - Extend and square off rear of center hose bed 4-jack body. Includes Zico fold-out ladders on each side. This modification affects compartment dimensions in spec.	\$ 10,810.00
AERIAL BODY MODIFIERS	3065-0018	Body modification - Remove one hose chute and increase upper compartment depth (center hose bed 4-jack aerials). This modification affects compartment dimensions in spec.	\$ 6,956.00
AERIAL BODY MODIFIERS	3065-0019	Body modification - Recess center top area of body over L2/R2 transverse compartment as required to fit a hydraulic generator below the aerial. Modification will also lower center ceiling of transverse compartment. This modification affects compartment dimensions in spec. 4-Jack HP95MM NPNT only.	\$ 1,461.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY MODIFIERS	3065-0020	Body modification - Reduce width of the L1/R1 transverse compartment 12" for extended cab (80" C/A) IPO medium cab (58" C/A) (240" or 260" WB).	\$ 2,213.00
AERIAL BODY MODIFIERS	3065-0021	Body modification - Increased depth in compartment over left forward tandem axle. Applies to trucks with a 42" wide ladder tunnel. Requires driver side outboard ladder tunnel to contain ladder or equipment that ends short of the compartment. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 707.00
AERIAL BODY MODIFIERS	3065-0022	Body modification - Add narrow hosebed with shallow rescue style officer's side compartments. This modification affects compartment dimensions in specs. See layout for compartment dimensions. SideStacker only. Note upper compartment depth may not accommodate a rollup door.	\$ 7,932.00
AERIAL BODY MODIFIERS	3065-0023	Body modification - Single upper forward body storage compartment and removed upper inner body angled side walls with lowered height R3. Includes full width transverse compartment at front of body, opening each side to rear of transverse compartment and drop down diamond plate doors with D-Rings. Includes hinged diamond plate lid over upper transverse storage at top of body over L2/R2 with two (2) D-Ring latches, stainless steel hinge along forward edge, gas shock hold open and door ajar switches tied to system in cab. Lid to be reinforced with welded on structure on underside to allow for lid to be a walking surface. Note: lid to extend as much as practical over transverse storage for stokes basket or miscellaneous tool removal (if applicable).	\$ 15,305.00
AERIAL BODY MODIFIERS	3065-0024	Body modification - Increased depth SideStacker hosebed. Option alters placement of the pike poles. Requires engineering review and approval.	\$ 1,801.00
AERIAL BODY MODIFIERS	3065-0025	Body modification - Upper forward body storage compartments. Includes two full width transverse compartments at front of main body. The forward transverse to be accessed through upper area of L2/R2. The rearward transverse compartment to have lift-up doors with thumb latches and gas shocks. Doors on second transverse to be diamond plate unless otherwise specified. Metro HR100 only.	\$ 31,763.00
AERIAL BODY MODIFIERS	3065-0026	Body modification - 4" body raise through compartments above wheel well. This modification affects compartment dimensions in specs. See sales drawing for compartment dimensions. HP95MM only.	\$ 19,908.00
AERIAL BODY MODIFIERS	3065-0027	Body modification - Remove the officer side turntable access and add a compartment in its place. This modification affects compartment dimensions and numbering in specs. See layout for compartment dimensions.	\$ 9,093.00
AERIAL BODY MODIFIERS	3065-0028	Body modification - Reduce width of the L1/R1 transverse compartment 10" for long cab (67.5" C/A) IPO medium cab (58" C/A).	\$ 2,213.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY MODIFIERS	3065-0029	Body modification - Reduce height of compartment over left forward tandem axle or L1 on HP75/78 center hose bed.	\$ 644.00
AERIAL BODY MODIFIERS	3065-0030	Body modification - Reduce height of compartment over right forward tandem axle or R1 on HP75/78 center hose bed.	\$ 644.00
AERIAL BODY MODIFIERS	3065-0031	Body modification - Remove upper inner body angled side walls to rear of extended high compartments.	\$ 772.00
AERIAL BODY MODIFIERS	3065-0032	Body modification - The upper deck rearward of the extended high compartments are to be Gator Grip IPOS embossed diamond plate.	\$ 1,107.00
AERIAL BODY MODIFIERS	3065-0033	Body modification - Modify compartment to create a transverse storage area above the forward outriggers. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 4,798.00
AERIAL BODY MODIFIERS	3065-0034	Body modification - Modify upper deck to create a hinged access door to the transverse compartment.	\$ 1,961.00
AERIAL BODY MODIFIERS	3065-0036	Body modification - Reduce width of the L1/R1 transverse compartment 17" for extended cab (80" C/A) IPO medium cab (58" C/A) (250" WB).	\$ 2,213.00
AERIAL BODY MODIFIERS	3065-0037	Body modification - Modify the lower L1 transverse compartment structure to accomodate the pump panel for a hydraulically driven water pump. This modification affects compartment dimensions in specs. Requires engineering approval dependent on panel options.	\$ 7,988.00
AERIAL BODY MODIFIERS	3065-0038	Body modification - Add the structure and modify the compartments for providing a water tank on a NPNT body. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 4,708.00
AERIAL BODY MODIFIERS	3065-0039	Body modification - Add upper compartment over right rear single axle. SideStacker only. Will shorten hosebed. Requires door option.	\$ 2,182.00
AERIAL BODY MODIFIERS	3065-0040	Body modification - Modify the forward compartments to provide a larger than standard water tank. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 4,200.00
AERIAL BODY MODIFIERS	3065-0041	Body modification - Notch compartment ahead of right side rear axle for vertical exhaust. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 3,490.00
AERIAL BODY MODIFIERS	3065-0042	Body modification - Body to be 96" wide IPOS. This modification affects the compartment dimensions in specs (will be 2" shallower). For use with LTH100/HR100/110 only. N/A with X15 or 42" wide ladder tunnel. Requires engineering review and approval.	\$ 7,995.00
AERIAL BODY MODIFIERS	3065-0043	Body modification - Front of body offset rearward for clearance, to allow SCBA seat back enclosure box(es) to extend thru back wall of cab. Includes diamond plate filler panel to help conceal boom support. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 3,351.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY MODIFIERS	3065-0044	Body modification - Upper forward body storage compartments. Includes (2) two compartments at front of body, one each side with hinged lift-up lid (hinged outboard), (2) chrome handles per lid with gas shock hold opens and drop down diamond plate door with (2) D-Rings on officer side only. Note lift-up lids to open while aerial is in cradle. Metro HR100 only.	\$ 9,636.00
AERIAL BODY MODIFIERS	3065-0045	Body modification - Lower the body 3". This modification affects the water tank (if applicable) and the compartment dimensions in specs. See sales drawing for compartment dimensions. NOTE: Requires separate aerial section modifier.	\$ 5,530.00
AERIAL BODY MODIFIERS	3065-0046	Body modification - Lower the body 6". This modification affects the water tank (if applicable) and the compartment dimensions in specs. See sales drawing for compartment dimensions. NOTE: Requires separate aerial section modifier.	\$ 6,637.00
AERIAL BODY MODIFIERS	3065-0047	Body modification - Reduce width of the L1/R1 transverse compartment 5" for long cab (67.5" C/A) IPO medium cab (58" C/A) with a 250 WB or to shorten WB from 245" to 240" with a medium cab. (For use with NPNT CR100/137/95-P only).	\$ 2,213.00
AERIAL BODY MODIFIERS	3065-0048	Body modification - Modify the rear body to provide double beavertail staircases. This modification affects compartment dimensions in specs. See layout for compartment dimensions.	\$ 5,690.00
AERIAL BODY MODIFIERS	3065-0049	Body modification - Reduce width of the L1/R1 transverse compartment 16" for a stretched cab (74" C/A) IPO medium cab (58" C/A) (230" WB).	\$ 2,213.00
AERIAL BODY MODIFIERS	3065-0050	Body modification - Shorten rear of body 8" due to an OAL restriction or for improved cornering. This modification affects compartment dimensions in specs. See approval drawing for opening dimensions.	\$ 3,483.00
AERIAL BODY MODIFIERS	3065-0051	Body modification - Shorten rear of body 16" due to an OAL restriction or for improved cornering. This modification affects compartment dimension and numbering (if applicable) in specs. See approval drawing for opening dimensions.	\$ 4,710.00
AERIAL BODY MODIFIERS	3065-0052	Body modification - Provide a side recess for horizontal ladder / equipment storage IPO upper compartments. This modification affects compartment dimensions and numbering (if applicable) in specs. See approval drawing for opening dimensions.	\$ 3,846.00
AERIAL BODY MODIFIERS	3065-0053	Body modification - Lower the extrusion above the driver side wheel well to increase storage. NOTE: SCBA bottle storage not available. This modification affects compartment dimensions in specs. See approval drawing for compartment dimensions.	\$ 2,638.00
AERIAL BODY MODIFIERS	3065-0054	Body modification - Lower the extrusion above the officer side wheel well to increase storage. NOTE: SCBA bottle storage not available. This modification affects compartment dimensions in specs. See approval drawing for compartment dimensions.	\$ 2,638.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY MODIFIERS	3065-0055	Body modification - Lower floor of rear side compartment(s) rearward of outrigger. For use with combined rear side compartments. Option replaces separate short compartment included with combined modification (Filler plate to be smooth / flush). Specify side(s):	\$ 2,975.00
AERIAL BODY MODIFIERS	3065-0056	Body modification - Add upper compartment adjacent to the side recessed ladder storage. See reference drawing for dimensions. Requires door option.	\$ 5,688.00
AERIAL BODY MODIFIERS	3065-0058	Body modification - Provide a recess for a fold-out turntable access ladder IPO fixed steps. This modification affects the width of the rear side compartment in specs. See approval drawing for adjusted compartment width. Requires separate step option (3330-0531 for E-ONE ladder, 3330-0363 for Zico).	\$ 1,742.00
AERIAL BODY MODIFIERS	3065-0059	Body modification - Provide a recess for a fold-out platform access ladder IPO fixed steps (HP95MM only). This modification affects the widths of the driver and officer rear side compartments in specs. See approval drawing for adjusted compartment widths. Requires separate step option (3330-053).	\$ 4,580.00
AERIAL BODY MODIFIERS	3065-0060	Body modification - Raise outward portion of forward compartments 4" (The center body area will not be raised to maintain clearance for the aerial when bedded). This modification affects compartment dimensions in specs. See sales drawing for compartment dimensions.	\$ 5,193.00
AERIAL BODY MODIFIERS	3065-0061	Body modification - Split driver side rear compartment into three separate compartments. (HP100 Platform). Requires additional doors. This modification affects compartment dimensions and numbering in specs. See approval drawing for opening dimensions.	\$ 4,985.00
AERIAL BODY MODIFIERS	3065-0062	Body modification - Compartment at right rear of body to hold (5) 28" high traffic cones with a 12" x 12" base. Cones to store horizontally. Compartment will extend behind turntable access staircase and below floor of combined rear side compartments. Includes vertically hinged double pan door with D-Ring latch (door to match rear body finish).	\$ 3,912.00
AERIAL BODY MODIFIERS	3065-0063	Body modification - Split officer side rear compartment into three separate compartments. (HP100 Platform). Requires additional doors. This modification affects compartment dimensions and numbering in specs. See approval drawing for opening dimensions.	\$ 4,985.00
AERIAL BODY MODIFIERS	3065-0064	Body modification - Support structure in transverse compartment to hold breathing air bottles off floor. Includes side wall mods as required to allow for bracing. Requires top access door to install bottles.	\$ 2,608.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY MODIFIERS	3065-0065	Body modification - Upper forward body storage compartments. Includes one compartment each side at front of body above L1/R1 with drop down diamond plate doors and D-Rings, 28.5" wide transverse compartment above L2/R2 with drop down diamond plate doors and D-Rings, compartments each side to rear of transverse approx 84" long x 22" wide with top access doors (hinged outward) and transverse wall to rear of open storage area between compartments. Metro 100/110 only.	\$ 18,455.00
AERIAL BODY MODIFIERS	3065-0066	Body modification - Lower the body 2". HP100 Platform only. This modification affects the water tank (if applicable) and the compartment dimensions in specs. See sales drawing for compartment dimensions. NOTE: Requires LTH cab and separate aerial section modifier.	\$ 5,530.00
AERIAL BODY MODIFIERS	3065-0067	Body Modification - Remove upper compartments on one side of the body to allow for pumper style ground ladders. Only available on HP75/78 with center hose bed. Specifiy side(s):	\$ 3,680.00
AERIAL BODY MODIFIERS	3065-0068	Body modification - Modify L1/R1 compartment to create a transverse storage area above the forward outriggers to rear of the aerial hydraulic reservoir. Includes box-out around front of ground ladders stored in rear tunnel (if applicable). This modification affects compartment dimensions in specs. See sales drawing for compartment dimensions.	\$ 3,033.00
AERIAL BODY MODIFIERS	3065-0069	Body modification - Upper forward body storage compartments. Includes 28.5" wide transverse compartment above L2/R2 with drop down diamond plate doors and D-Rings and compartments each side to rear of transverse approx 84" long x 22" wide with top access doors (hinged outward). Metro 100/110 only.	\$ 16,529.00
AERIAL BODY MODIFIERS	3065-0070	Body modification - Remove the hosebed and add compartments in its place (does not include staircase). Compartments to mirror driver side (as applicable). Requires additional doors. This modification affects compartment dimensions and numbering in specs. See approval drawing for opening dimensions.	\$ 9,124.00
AERIAL BODY MODIFIERS	3065-0071	Body modification - Remove the hosebed and add compartments and staircase in its place. Compartments to mirror driver side (as applicable). Requires additional doors. This modification affects compartment dimensions and numbering in specs. See approval drawing for opening dimensions.	\$ 12,574.00
AERIAL BODY MODIFIERS	3065-0072	Body modification - Remove water tank and increase compartment depths to match other side compartments. This modification affects compartment dimensions and numbering in specs. See approval drawing for opening dimensions.	\$ 5,104.00
AERIAL BODY OPTIONS	1550-0336	3M paint protection film trim on bottom edge of the exterior body compartment openings. (as applicable).	\$ 382.00
AERIAL BODY OPTIONS	3310-0000	Compartments driver side tandem axle HP SideStacker. Includes rescue style compartments.	\$ 78,643.00
AERIAL BODY OPTIONS	3310-0001	Compartments driver side tandem axle HP SideStacker. Includes rescue style extended height compartments.	\$ 83,689.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0002	Compartments driver side CR100/95 platform SideStacker with 300g tank. Includes rescue style compartments.	\$ 76,846.00
AERIAL BODY OPTIONS	3310-0003	Compartments driver side CR100/CR137/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments.	\$ 82,446.00
AERIAL BODY OPTIONS	3310-0004	Compartments officer side tandem axle HP SideStacker. Includes low side compartments with full length extended hosebed. Decreases height of compartments R1 and R2.	\$ 48,187.00
AERIAL BODY OPTIONS	3310-0005	Compartments officer side tandem axle HP SideStacker. Includes low side compartments with full length hosebed. Decreases height of compartments R1 and R2.	\$ 45,382.00
AERIAL BODY OPTIONS	3310-0006	Compartments officer side tandem axle HP SideStacker. Includes rescue style compartments ahead of wheel well, with extended hosebed.	\$ 56,506.00
AERIAL BODY OPTIONS	3310-0007	Compartments officer side tandem axle HP SideStacker. Includes rescue style compartments ahead of wheel well with standard hosebed.	\$ 53,703.00
AERIAL BODY OPTIONS	3310-0008	Compartments officer side tandem axle HP SideStacker. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 60,789.00
AERIAL BODY OPTIONS	3310-0009	Compartments officer side tandem axle HP SideStacker. Includes rescue style extended height compartments ahead of wheel well with standard hosebed.	\$ 63,635.00
AERIAL BODY OPTIONS	3310-0010	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes low side compartments with full length extended hosebed. Decreases height of compartments R1 and R2.	\$ 47,535.00
AERIAL BODY OPTIONS	3310-0011	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes low side compartments with full length hosebed. Decreases height of compartments R1 and R2.	\$ 45,075.00
AERIAL BODY OPTIONS	3310-0012	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes rescue style compartments ahead of wheel well, with extended hosebed.	\$ 54,380.00
AERIAL BODY OPTIONS	3310-0013	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes rescue style compartments ahead of wheel wells with standard hosebed.	\$ 51,909.00
AERIAL BODY OPTIONS	3310-0014	Compartments officer side CR100/CR137/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 58,910.00
AERIAL BODY OPTIONS	3310-0015	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well with standard hosebed.	\$ 56,447.00
AERIAL BODY OPTIONS	3310-0017	Auxiliary jack pad 24X24 (PR) with side mounted handle. Includes mounting brackets.	\$ 2,312.00
AERIAL BODY OPTIONS	3310-0018	Auxiliary jack pads 24X24 (4). Includes pads with side mounted handle and mounting brackets to store (2) each side of the body next to front drop down jacks.	\$ 3,298.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0019	Auxiliary jack pads 30X30 (4). Pads to have side mounted handles. Includes (4) mounting brackets.	\$ 4,999.00
AERIAL BODY OPTIONS	3310-0026	Contoured beavertail compartments. Door opening raised for warning light.	\$ 7,382.00
AERIAL BODY OPTIONS	3310-0027	SCBA bottle storage with flat plate door (PR). Locate above forward outriggers.	\$ 1,850.00
AERIAL BODY OPTIONS	3310-0028	Auxiliary jack pad 26X26 (4) with side mounted handle. Includes (4) mounting brackets.	\$ 3,954.00
AERIAL BODY OPTIONS	3310-0029	Auxiliary jack pad 26X26 (4) with side mounted handle. Includes (2) double mounting brackets.	\$ 3,954.00
AERIAL BODY OPTIONS	3310-0032	Recessed tubes for (6) pike poles. Not available on HP75 SideStacker.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-0033	Pike pole/ladder storage. Available on HP75 SideStacker only. The access door to match the rear body finish.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-0035	Roll-up door with satin finish for rear ladder tunnel.	\$ 2,367.00
AERIAL BODY OPTIONS	3310-0036	Rollup rear ladder compartment door with satin finish for SideStacker and NPNT aerial with side staircases (N/A on HP100P). Includes hinged ladder retention plate.	\$ 3,587.00
AERIAL BODY OPTIONS	3310-0037	Rear ladder tunnel doors. Vertically hinged diamond plate.	\$ 1,381.00
AERIAL BODY OPTIONS	3310-0038	Rear ladder tunnel door. Diamond plate lift up door to open 20 degrees past horizontal.	\$ 1,463.00
AERIAL BODY OPTIONS	3310-0040	Notch compartment R2 in deep area above jack leg to allow for routing of hydraulic generator hoses.	\$ 650.00
AERIAL BODY OPTIONS	3310-0041	Compartments driver side CR100/95 platform SideStacker with 500g tank. Includes rescue style compartments.	\$ 76,846.00
AERIAL BODY OPTIONS	3310-0042	Compartments driver side CR100/95 platform SideStacker with 500g tank. Includes rescue style extended height compartments.	\$ 82,446.00
AERIAL BODY OPTIONS	3310-0043	Compartments officer side CR100/95 platform SideStacker with 500g tank. Includes low side compartments with full length extended hosebed. Decreases height of compartments R1 and R2.	\$ 47,535.00
AERIAL BODY OPTIONS	3310-0044	Compartments officer side CR100/95 platform SideStacker with 500g tank. Includes low side compartments with full length hosebed. Decreases height of compartments R1 and R2.	\$ 45,075.00
AERIAL BODY OPTIONS	3310-0045	Compartments officer side CR100/95 platform SideStacker with 500g tank. Includes rescue style compartments ahead of wheel well, with extended hosebed.	\$ 54,380.00
AERIAL BODY OPTIONS	3310-0046	Compartments officer side CR100/95 platform SideStacker with 500g tank. Includes rescue style compartments ahead of wheel wells with standard hosebed.	\$ 51,909.00
AERIAL BODY OPTIONS	3310-0047	Compartments officer side CR100/95 platform SideStacker with 500g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 58,910.00
AERIAL BODY OPTIONS	3310-0048	Compartments officer side CR100/95 platform SideStacker with 500g tank. Includes rescue style extended height compartments ahead of wheel well with standard hosebed.	\$ 56,447.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0049	Auxiliary jack pad 24X24 (4) with side mounted handles. Includes welded mounting brackets.	\$ 4,613.00
AERIAL BODY OPTIONS	3310-0050	Crosslay triple 5.5" wide single stack to hold up to 200' of 2.0" DJ (each) or 150'-200' 2.5" DJ (each). Includes storage pan to rear of crosslays	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0051	Crosslay double to hold up to 200' of 2.0" DJ (each). Includes storage pan to rear of crosslays (if applicable).	\$ 5,307.00
AERIAL BODY OPTIONS	3310-0052	Crosslay double 5.5" wide single stack to hold up to 200' of 2.0" DJ (each) or 150'-200' 2.5" DJ (each). Includes storage pan to rear of crosslays (if applicable).	\$ 5,307.00
AERIAL BODY OPTIONS	3310-0053	Crosslay double to hold up to 400' of 2.0" DJ (each). Includes storage pan to rear of crosslays.	\$ 6,222.00
AERIAL BODY OPTIONS	3310-0054	Crosslay triple double stacked to hold up to 200' of 2.0" DJ (each). Includes storage pan to rear of crosslays.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0055	Crosslay double w/dry lay. Includes (2) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ (each) and (1) 11" wide dry lay for up to 300' of 3.0" DJ. Includes storage pan to rear of crosslays.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0056	Crosslay Double (1) Single (1) Double Stacked Midmount. Forward lay 5.5"W x 18"D to hold up to 200' of 2" DJ. Rearward lay 11.25"W x 18"D to hold up to 600' of 1.75" or 350' of 2.5" DJ. Midmount only.	\$ 5,341.00
AERIAL BODY OPTIONS	3310-0057	Crosslay double to hold up to 400' of 2.0" DJ (each).	\$ 5,341.00
AERIAL BODY OPTIONS	3310-0058	Crosslay triple 5.5" wide single stack to hold up to (2) 200' of 2.0" DJ (each) and up to 200' 2.5" DJ.	\$ 5,703.00
AERIAL BODY OPTIONS	3310-0059	Storage box at rear of body for handheld jack control 12W x 13H x 8D. Locate below extended top step. Material to be the same as rear body surface.	\$ 685.00
AERIAL BODY OPTIONS	3310-0060	Boxed out rear ladder tunnel doors. Vertically hinged diamond plate.	\$ 2,165.00
AERIAL BODY OPTIONS	3310-0061	Crosslay triple (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each) and (1) 5.5" wide to hold up to 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0062	Rectangular beavertail compartments with double pan door opening to outside. Door opening raised for warning light.	\$ 7,390.00
AERIAL BODY OPTIONS	3310-0063	Jack leg covers diamond plate. Includes (4) diamond plate extension covers and (4) diamond plate fixed covers. Access doors on covers to match the outrigger covers.	\$ 4,383.00
AERIAL BODY OPTIONS	3310-0064	Jack leg covers painted job color. Includes (4) painted extension covers and (4) painted fixed covers. Access doors on covers to match the outrigger covers.	\$ 6,581.00
AERIAL BODY OPTIONS	3310-0065	Jack leg covers. Includes (4) polished stainless steel extension covers and (4) painted fixed covers. Access doors on fixed covers to match the fixed outrigger cover material finish.	\$ 7,222.00
AERIAL BODY OPTIONS	3310-0066	Cover plate over hydraulic generator lines located towards front of compartment below generator.	\$ 504.00
AERIAL BODY OPTIONS	3310-0067	Roll-up door for rear ladder tunnel painted job color.	\$ 3,516.00
AERIAL BODY OPTIONS	3310-0068	Rollup rear ladder compartment door for SideStacker and NPNT aerial with side staircases (N/A on HP100P) painted job color. Includes hinged ladder retention plate.	\$ 4,735.00
AERIAL BODY OPTIONS	3310-0069	Rear ladder tunnel doors. Vertically hinged smooth plate to match rear body finish.	\$ 1,738.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0070	Rear ladder tunnel door with 1/4-turn D-ring latch. Lift-up door to open 20 degrees past horizontal (degrees may be reduced due to other options). Door will match rear body finish.	\$ 1,823.00
AERIAL BODY OPTIONS	3310-0071	Boxed out rear ladder tunnel doors. Vertically hinged smooth plate. Doors and exterior surfaces of extension to match rear body finish.	\$ 2,646.00
AERIAL BODY OPTIONS	3310-0072	Compartments driver side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$ 82,446.00
AERIAL BODY OPTIONS	3310-0073	Compartments officer side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 58,910.00
AERIAL BODY OPTIONS	3310-0074	Compartments officer side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well, compartment over forward tandem and extended hosebed.	\$ 61,308.00
AERIAL BODY OPTIONS	3310-0075	Upper dunnage area extension 34 x 58 diamond plate.	\$ 1,099.00
AERIAL BODY OPTIONS	3310-0076	Body wheelwell compartments (4) approx 24" W x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$ 2,790.00
AERIAL BODY OPTIONS	3310-0079	Stainless steel trim on bottom edge of rear ladder tunnels, turntable access and pike pole compartment openings.	\$ 986.00
AERIAL BODY OPTIONS	3310-0080	Crosslay triple (2) 5.5" wide single stack to hold up to 200' of 2.0" DJ (each) and (1) 10.5" wide to hold up to 300'-400' of 2.5" DJ. Includes storage pan to rear of crosslays (if applicable).	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0081	Jack leg opening cover diamond plate (4). Includes diamond plate outrigger cover and diamond plate filler panel.	\$ 1,653.00
AERIAL BODY OPTIONS	3310-0082	Wall at rear of open storage area bolt-in 3/16 Dia Plt. with diamonds facing rear. May require notching for lift cylinder clearance if applicable.	\$ 753.00
AERIAL BODY OPTIONS	3310-0083	Rear double beavertail handrails (outer handrail only) to be extended up and wrap up over top of body approx 10".	\$ 421.00
AERIAL BODY OPTIONS	3310-0084	All tags on body to be mechanically attached with S/S screws and nuts.	\$ 1,601.00
AERIAL BODY OPTIONS	3310-0085	Compartment at right rear of body for storage of tethered horn control. Locate above pike pole compartment.	\$ 742.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0086	Label package for Memphis aerial - Includes the following: Labeling of items behind removable / hinged panels (including relays); Labels on driver and officer seat risers stating: "NO ELECTRICAL COMPONENTS INSTALLED IN THIS AREA"; Label on electrical cover at center of dash stating: PC BOARD, LOAD MANAGER & FUSE FOR RADIO BEHIND THIS ACCESS COVER"; Special cab tilt tags to read: "CHECK LOOSE ITEMS IN CAB. CHECK QUARTZ LIGHTS AND MOVE AERIAL BEFORE TILTING CAB (if equipped). THIS IS A TWO PERSON OPERATION" located on cab tilt door and on officer's side dash; Tag in cab listing front GAWR, rear GAWR and total GVWR; Tag in cab listing OAL, OAH and OAW; Tag next to hyd oil fill stating: HYDRAULIC OIL"; Tags on rear wall next to each light and driver's side dash stating: "LOWER POLE COMPLETELY DOWN PRIOR TO TILTING CAB" (if equipped). Tags to be mechanically fastened.	\$ 2,854.00
AERIAL BODY OPTIONS	3310-0087	Boxed out rear ladder tunnel doors. Vertically hinged diamond plate with lowered D-rings and gas shocks. Includes recess above doors for directional light.	\$ 3,287.00
AERIAL BODY OPTIONS	3310-0089	Compartments officer side CR100/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed and optional R3 compartment above forward tandem.	\$ 61,308.00
AERIAL BODY OPTIONS	3310-0095	Rear ladder tunnel doors. Vertically hinged diamond plate with slam latch style d-ring assemblies.	\$ 1,525.00
AERIAL BODY OPTIONS	3310-0096	Doors for rear master and jack control controls. Doors will match rear body finish.	\$ 799.00
AERIAL BODY OPTIONS	3310-0099	Jack leg covers painted job color. Includes (2) painted extension covers and (2) painted fixed covers.	\$ 3,299.00
AERIAL BODY OPTIONS	3310-0100	Enclosed pump panels. Upper door opening stepped up to allow crosslays to be accessed from inside compartment. Includes hinged diamond plate crosslay cover.	\$ 16,645.00
AERIAL BODY OPTIONS	3310-0101	Smooth plate fixed panels rear of tandem axle painted job color.	\$ 378.00
AERIAL BODY OPTIONS	3310-0102	Recessed storage for (6) pike poles. Box to be dia plt approx 12" wide x 88" long x 16" deep with divider offset 50" from forward wall to separate hose storage side from electric ladder pipe storage side. Includes gas spring hold-opens, chrome grab handle and (2) butterfly latches. Hose storage side (38" long) floor to have extruded alum slats. Locate as specified.	\$ 3,716.00
AERIAL BODY OPTIONS	3310-0320	Body exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color as follows: upper side facing and rear facing panels driver and officer side above compartments and fuel fill hinged door and fixed panel below door each side to rear of tandem axle.	\$ 1,087.00
AERIAL BODY OPTIONS	3310-0321	Access panels on upper back wall of L4/R3 for access to inside of ladder tunnel for periodic cleaning. Requires corresponding access panels on ladder tunnel plate work. Aerial bodies with center ladder tunnel only.	\$ 650.00
AERIAL BODY OPTIONS	3310-0322	Compartments officer side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments and rescue style compartments IPO hosebed (Note officer side compartments to match driver side). The door on small compt next to rear outrigger to match wheelwell.	\$ 83,995.00
AERIAL BODY OPTIONS	3310-0323	Compartments driver side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments and separate rear side compartment ahead of 18"W rear side staircase. The door on small compt next to rear outrigger to match wheelwell.	\$ 83,995.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0324	Crosslay double w/dry lay 26" deep. Includes (1) 4.25" wide single stack to hold up to 200' of 2.0" DJ, (1) 5.5" wide single stack to hold up to 200' of 2.5" DJ and (1) 11" wide dry lay to hold up to 300' of 3" DJ. Includes storage pan to rear of crosslays (if applicable).	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0325	Storage box w/hinged cover for miscellaneous items. Box to be dia plt approx 16" wide x 60" long x 10" deep. Lid to be bi-fold style and hinged on outboard side with a gas spring hold-open, chrome grab handle and butterfly latch. Floor to have extruded aluminum slats. Locate on top of body on compartment top over L4.	\$ 2,635.00
AERIAL BODY OPTIONS	3310-0326	Compartments driver side CR100/CR137/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments (L1-L3) and rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable.	\$ 85,425.00
AERIAL BODY OPTIONS	3310-0327	Recessed tubes for (8) Fire Hooks Unlimited pike poles. Tubes to be sized for (2) 6', (2) 8', (2) 10', and (2) 12' poles. The access doors to match the rear body finish. Not available on HP75/78 SideStacker.	\$ 1,696.00
AERIAL BODY OPTIONS	3310-0328	Compartments officer side CR100/CR137/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments (R1-R3) and rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable IPO hosebed.	\$ 88,440.00
AERIAL BODY OPTIONS	3310-0329	Double crosslays for use with removable poly trays and dry lay storage offset to rear without tray. Forward tray to be accessible from driver side only and second tray to be accessible from officer side only, each tray to hold 180' of 2" DJ preconnected hose. Rearward for dry lay storage to hold 200' of 3" DJ, accessible from officer side only. Includes storage pan to rear (if applicable).	\$ 6,234.00
AERIAL BODY OPTIONS	3310-0330	Fuel fill hinged door and fixed panel below door each side to rear of rear axle to be brushed S/S. Grain to run horizontal.	\$ 124.00
AERIAL BODY OPTIONS	3310-0334	Stainless steel trim (PR) along sides and top edge of each fuel fill opening on driver and officer side of body.	\$ 693.00
AERIAL BODY OPTIONS	3310-0335	Fabricated aluminum smooth plate enclosure for pump panel to mount to. Located in L1 transverse compartment against rearward wall that extends from inside of L1 door opening to center of transverse compartment to allow plumbing to enter up through floor between frame rails. Includes an access panel with thumb latches on forward wall for plumbing access. Note enclosure to match compartment interior finish.	\$ 2,523.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0336	Crosslay double w/dry lay. Includes (2) 7.5" wide double stacked crosslays to hold up to 200' of 1.75" DJ preconnected hose in each lay and (1) 11.5" w double stack dry lay for 200' of 3" DJ (15" deep to 3x3). Forward lay to be accessible from driver side only with second lay and third dry lay accessible from officer side only. Remaining space to rear of crosslays for long handle tool storage with vertically hinged diamond plate door and thumb latch on driver side only. For use with hose connection above crosslay floor only.	\$ 7,961.00
AERIAL BODY OPTIONS	3310-0337	Crosslay single w/dry storage. Includes (1) 5.5" wide single stack to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ and (1) 14.25" wide for dry storage. Includes storage pan to rear of crosslays.	\$ 7,436.00
AERIAL BODY OPTIONS	3310-0338	Crosslay quad (4) 4.75" wide single stack to hold up to 200' of 2.0" DJ (each) or 150-200' of 2.5" DJ (each). Includes storage pan to rear of crosslays.	\$ 9,092.00
AERIAL BODY OPTIONS	3310-0339	Crosslay single w/dry lay. Includes (1) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ and (1) 11" wide dry lay for up to 300' of 3.0" DJ. Includes storage pan to rear of crosslays.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0341	Compartments officer side CR100/95 platform/CR137 SideStacker with 500g tank. Includes rescue style compartments ahead of wheel well, optional R3/R4 above tandem, with extended hosebed with single lay extending behind R4. Rear of body raised 4" for improved angle of departure.	\$ 64,087.00
AERIAL BODY OPTIONS	3310-0342	Compartments driver side CR100/95 platform/CR137 SideStacker, 250" w/b with 500g tank. Includes rescue style extended height compartments on L1-L3. Rear of body raised 4" for improved angle of departure.	\$ 84,709.00
AERIAL BODY OPTIONS	3310-0343	Compartments driver side HP100 Platform SideStacker for medium cab, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well and raised rear perimeter. The door on small compt next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$ 84,512.00
AERIAL BODY OPTIONS	3310-0344	Compartments driver side HP100 Platform SideStacker for long cab, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well and raised rear perimeter. The door on small compt next to rear outrigger to match wheelwell. Requires aerial envelope controls.	\$ 84,512.00
AERIAL BODY OPTIONS	3310-0345	Compartments officer side HP100 Platform SideStacker, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well, extended hosebed and raised rear perimeter. Requires aerial envelope controls.	\$ 60,981.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0346	Compartments officer side HP100 Platform SideStacker, 400-500 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well, optional R3 compartment above forward tandem, extended hosebed and raised rear perimeter. Requires aerial envelope controls.	\$ 62,009.00
AERIAL BODY OPTIONS	3310-0347	Body exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color as follows: upper side facing and rear facing panels, driver and officer side above compartments.	\$ 687.00
AERIAL BODY OPTIONS	3310-0348	Auxiliary jack pad 24X24 (4) with 20 degree formed handle. Includes (1) double mounting bracket for driver side and (2) single mounting brackets for officer side. Applies to L2 lower aerial hydraulic reservoir location.	\$ 4,217.00
AERIAL BODY OPTIONS	3310-0349	Body wheelwell compartments (2), one each side above forward tandem wheel approx 24" W x 4" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$ 1,564.00
AERIAL BODY OPTIONS	3310-0350	Storage shall be provided for two (2) customer installed Junkin JSA-200 stokes baskets and four (4) 6' pike poles in L2/R2 transverse compartment. Includes the transverse floor extended out to door opening on each side, one horizontal fixed shelf offset approximately 8.5" above transverse floor and four 6' aluminum tubes. Four 6' pike pole tubes located, one at each lower corner of the two storage bins that will store the stokes baskets, pike pole tubes to be bolted in. Note pike poles to exit out L2 to be mounted ahead of stokes and pike poles to exit out R2 to mount to rearward of stokes baskets.	\$ 1,201.00
AERIAL BODY OPTIONS	3310-0351	Two storage boxes (PR) for dealer supplied 6' Dragon Slayer hooks with D-Handles. Approx. box size: 8" wide x 74" long x 3" high. Boxes to be fabricated from .125" diamond plate with drop down hinged door and butterfly latches on each box end. Locate over horizontal ladder storage offset forward bolted to ceiling positioned approximately at 15 degree angle out to rear.	\$ 1,849.00
AERIAL BODY OPTIONS	3310-0352	Long handle tool storage box w/lift-up hinged cover. Special design box to allow cover to open with storage box extending below bottom rail of aerial base section. Box to be diamond plate approx 26" wide x 74" long x 14" tall. Lid hinged on outboard side with 1.5" lip all sides, chrome grab handle, (2) thumb latches, (3) EON LED lights mounted to lid to illuminate interior when open and gas spring hold-opens. Locate on top of body driver side just to rear of L2 extended high side.	\$ 2,882.00
AERIAL BODY OPTIONS	3310-0354	Auxiliary jack pad 24X24 (4) with 20 degree formed handle. Includes (2) double mounting brackets.	\$ 3,824.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0355	Body wheelwell compartments for total of (4) shall be as follows: driver side (2) approx 24" W and officer side (2) approx 20" W both sides x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$ 2,790.00
AERIAL BODY OPTIONS	3310-0356	Upper dunnage area extension 34 x 46 diamond plate. Includes offset for generator cover clearance.	\$ 1,193.00
AERIAL BODY OPTIONS	3310-0357	Body modification to R3 compartment for mounting diesel generator. Includes support bracing, diamond plate cover raised approx 4" with lift-up hinged access door on top, gas shock hold open and thumb latches. Diamond plate liftup door with expanded metal cutout for side access IPO double pan door, includes gas shock hold open and thumb latches. Fixed diamond plate panel w/expanded metal cutout offset ahead of lift-up door with partition wall to prevent air flow recirculation.	\$ 5,795.00
AERIAL BODY OPTIONS	3310-0358	Hinged smooth plate cover for the aerial hydraulic reservoir for use in top side mounting applications. Includes flush access door with thumb latch to inspect or fill hydraulic reservoir.	\$ 748.00
AERIAL BODY OPTIONS	3310-0359	Crosslay triple extra deep. All to be 30" deep (to 3x3). Includes (2) 4.25" wide single stack crosslays to hold 250' of 1.75" DJ (each), (1) 5.5" wide single stack crosslays to hold 200' of 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$ 8,091.00
AERIAL BODY OPTIONS	3310-0360	Ladder tunnel opening to have a S/S chain to retain ladders.	\$ 689.00
AERIAL BODY OPTIONS	3310-0361	Crosslay double (1) 7.5" wide double stack for 200' of 2.0" DJ and (1) 10.5" wide double stack for 200' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$ 6,222.00
AERIAL BODY OPTIONS	3310-0362	Diamond plate liftup door with expanded metal cutout for side access to diesel/APU generator. Includes hinged lift-up diamond plate access panel w/D-ring latch and (2) gas shocks. Officer side of body over forward outrigger.	\$ 820.00
AERIAL BODY OPTIONS	3310-0363	Compartments driver side HP100 Platform SideStacker with pump, no tank. Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$ 82,446.00
AERIAL BODY OPTIONS	3310-0364	Compartments officer side HP100 Platform SideStacker with pump, no tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 58,910.00
AERIAL BODY OPTIONS	3310-0365	Compartments officer side HP100 Platform SideStacker with 150g tank. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 58,910.00
AERIAL BODY OPTIONS	3310-0366	Compartments driver side HP100 Platform SideStacker with 150g tank. Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$ 82,446.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

AERIAL BODY OPTIONS	3310-0367	Crosslay quad w/dry lay. Includes (2) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ, (1) 10.5" wide double stack to hold up to 200' of 2.5" DJ and (1) 11" wide dry lay for up to 300' of 3.0" DJ. Does NOT include a storage pan rearward of crosslays.	\$ 7,791.00
AERIAL BODY OPTIONS	3310-0368	Crosslay quad with (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each), (1) 10.5" wide to hold 200' 2.5" DJ and (1) 16.5" wide dry lay for up to 450' of 3" DJ. Does NOT include storage pan to rear of crosslays.	\$ 9,092.00
AERIAL BODY OPTIONS	3310-0369	Rear under-body splash shield(s) to mitigate road debris from getting on components up in chassis at rear of body. Available only HP100 platform and aerial bodies with side saddle style fuel tanks. Locate rearward of jacks. Shield(s) must be removable (bolt-on) for periodic cleaning.	\$ 1,908.00
AERIAL BODY OPTIONS	3310-0370	Recessed tubes for (6) NY Hook pike poles. Not available on HP75 SideStacker.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-0371	Pike pole/Attic ladder storage at rear of body each side of ladder tunnel. Shall hold (2) 8' and (2) 10' pike poles w/Fire Hooks Unlimited all purpose heads on driver side and (2) 10' Duo-Safety attic ladders (585-A) on officer side. Available on rear mount platform only. The access doors to match the rear body finish.	\$ 3,544.00
AERIAL BODY OPTIONS	3310-0372	Rear beavertail access staircase's top step on both sides to extend to and align with hose chute floor.	\$ 285.00
AERIAL BODY OPTIONS	3310-0373	Body wheelwell compartments (4) approx 24" W x 4" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$ 2,352.00
AERIAL BODY OPTIONS	3310-0374	Crosslay single (1) 10.5" wide double stack to hold up to 200' of 2.5" DJ. Includes storage pan to rear of crosslays (if applicable).	\$ 2,910.00
AERIAL BODY OPTIONS	3310-0375	Compartments officer side CR100/95 platform SideStacker with 500g tank and extended hosebed. Includes rescue style extended height compartments R1-R2 ahead of wheel well extended higher to match enclosed pump panel compartment height, followed by optional R3 over forward tandem wheel stepped down to standard extended height with hosebed behind for additional hose storage, making R3 shallow compartment.	\$ 70,065.00
AERIAL BODY OPTIONS	3310-0376	Compartments driver side CR100/CR137/95 platform SideStacker, 250" WB with 500g tank. Includes rescue style extended height compartments L1-L2 ahead of wheel well extended higher to match enclosed pump panel compartment height, followed by L3 stepped down to standard extended high.	\$ 80,924.00
AERIAL BODY OPTIONS	3310-0377	Doors for rear master and jack control controls. Doors for jack controls to be drop down door. Doors to match rear body finish.	\$ 799.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0378	Diamond plate hose storage box on officer side of open storage area below aerial device behind generator. Includes open top area with (3) seatbelt style hold downs and decking. Size box to fit 150' of 3" hose. (hose not included)	\$ 1,811.00
AERIAL BODY OPTIONS	3310-0379	Compartments L3 & L4 modified into one continuous compartment on the inside, without wall between. Note will maintain original compartment depths.	\$ 644.00
AERIAL BODY OPTIONS	3310-0380	Doors for rear master and jack control controls. Doors for jack controls, to hinged on inboard side for clearance when operating controls. Door for master control to be drop down door. Doors will match rear body finish.	\$ 799.00
AERIAL BODY OPTIONS	3310-0381	Pikepole/Ladder storage. Recessed tubes for (5) Fire Hooks Unlimited pike poles w/straight fiberglass poles and (1) 10' attic with shoes. Available on rear mount platform only. The access doors to match the rear body finish.	\$ 1,498.00
AERIAL BODY OPTIONS	3310-0382	Jack leg opening covers smooth plate painted job color (2) sets. Includes painted plate outrigger covers and fixed painted plate filler panels. HP95 MM only.	\$ 1,741.00
AERIAL BODY OPTIONS	3310-0383	Auxiliary jack pad 26X26x1.5 poly (4) with textured finish and rope handles. Includes mounting brackets (welded on).	\$ 6,293.00
AERIAL BODY OPTIONS	3310-0384	Storage boxes above officer side recessed side mount ladder offset rearward. Provide (2) diamond plate storage boxes with drop down doors and D-ring latches. Boxes to be approx 72" wide each	\$ 4,862.00
AERIAL BODY OPTIONS	3310-0385	Recessed fuel fills IPOS for dual fuel fill application, (1) each side recessed in panel behind body wheel wells. Aerial application only.	\$ 1,306.00
AERIAL BODY OPTIONS	3310-0386	Attic ladder storage at rear of body, above top step, each side of ladder tunnel. Shall hold (2)10' Alco-Lite attic ladders w/shoes, one each side. Available on rear mount platform only. The access doors to match the rear body finish.	\$ 3,544.00
AERIAL BODY OPTIONS	3310-0387	Storage sleeve ceiling mounted in L1/R1 compartment in transverse area horizontally mounted. Sleeve to hold pike poles and quartz lights. Sleeve to be approximately 24" wide x 12" high x 72" long, centered side to side between compartment openings. Sleeve shall have four total openings. Upper opening to be approximately 23.5" wide x 6" high x 72" long. Three lower openings equally spaced, approximately 7.75" wide x 6" high x 72" long. Below each equally spaced compartment shall be (1) 6' pike pole tube. (2) tubes to be accessible from officer side, (1) from the driver side. See photo on file.	\$ 4,078.00
AERIAL BODY OPTIONS	3310-0390	Compartments driver side CR100/CR137/95 platform SideStacker with 270g tank. Includes rescue style height compartments. 58" high body for low OAH. Requires troughed cab.	\$ 80,878.00
AERIAL BODY OPTIONS	3310-0391	Compartments officer side CR100/CR137/95 platform SideStacker with 270g tank. Includes rescue style height compartments ahead of wheel well with standard hosebed. 58" high body for low OAH.	\$ 58,400.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0392	Contoured beavertail compartments. Door opening raised for warning light. Includes special mount painted job color for upper rear warning light and rear facing scene (if applicable).	\$ 7,382.00
AERIAL BODY OPTIONS	3310-0393	Rollup rear ladder compartment door for SideStacker and NPNT aerial with side staircases (N/A on HP100P) painted upper two-tone job color. Includes hinged ladder retention plate.	\$ 4,735.00
AERIAL BODY OPTIONS	3310-0394	Jack leg opening covers brushed finish S/S (4) sets. Includes outrigger covers and fixed filler panels. Panels made of 12ga material.	\$ 1,459.00
AERIAL BODY OPTIONS	3310-0396	Recessed tubes for (4) pike poles. Not available on HP75 SideStacker.	\$ 1,026.00
AERIAL BODY OPTIONS	3310-0397	Compartments officer side HP100 Platform SideStacker with 300g tank (lowered 2"). Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 63,235.00
AERIAL BODY OPTIONS	3310-0398	Auxiliary jack pad 24X24 (4) with 20 degree formed handle. Includes (4) mounting brackets. Brackets to be mounted so the formed handles are flush with edge of rubrail.	\$ 5,581.00
AERIAL BODY OPTIONS	3310-0399	Hose storage box w/hinged cover to outside. Box to be diamond plate approximately 10.25" wide x 62" long x 12" deep. Includes gas spring hold-opens, chrome grab handle and (2) butterfly latches. Floor to have extruded alum slats. Locate on top of body right side offset forward.	\$ 2,249.00
AERIAL BODY OPTIONS	3310-0400	Compartments driver side CR100/95 platform/CR137 SideStacker with 500g tank, long cab, 250 WB. Includes rescue style extended height compartments.	\$ 83,412.00
AERIAL BODY OPTIONS	3310-0401	Recessed storage box at driver side rear of body for handheld jack control 10W x 13H x 10D. Locate below extended top step. Door material to be the same as rear body surface.	\$ 986.00
AERIAL BODY OPTIONS	3310-0403	Storage pan. Locate in forward area of ladder tunnel in center body section on officer side ahead of ladders for generator storage. Applies to 95 mid-mount only.	\$ 1,518.00
AERIAL BODY OPTIONS	3310-0405	Crosslay quad with (3) 4.75" wide single stack to hold up to 200' of 2.0" DJ (each) and (1) 5.5" wide to hold up to 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays.	\$ 9,563.00
AERIAL BODY OPTIONS	3310-0406	Boxed out rear ladder tunnel doors. Vertically hinged smooth plate aluminum. Doors to hinge on outboard sides and latch in the middle. D-ring to be on right hand "primary" door. Doors and exterior surfaces of extension to match rear body finish.	\$ 2,320.00
AERIAL BODY OPTIONS	3310-0407	Compartment door drip rail provided over each wheel well cribbage storage compartment(s). Only available with tandem axle wheel well storage compartment option.	\$ 405.00
AERIAL BODY OPTIONS	3310-0408	Upgrade the aerial turntable access steps to include cutouts with Grip Strut inserts, IPO Gator Grip.	\$ 1,070.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0409	Body wheelwell compartments for a total of (4) shall be as follows: (1) each side centered over forward wheel approx 20" W and (1) each side centered over rearward wheel approx 24" W both sides x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$ 2,790.00
AERIAL BODY OPTIONS	3310-0410	Relocate fuel fill as high as possible at rear of body.	\$ 949.00
AERIAL BODY OPTIONS	3310-0411	Crosslay triple (3) 6.00" wide single stack to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0412	Jack leg opening covers polished stainless steel (4) sets. Includes outrigger covers and fixed filler panels.	\$ 2,532.00
AERIAL BODY OPTIONS	3310-0413	Storage shall be provided for one (1) customer installed Junkin JSA-200 stokes basket in L2/R2 transverse compartment. Includes the transverse floor extended out to door opening on each side and one horizontal fixed shelf offset approximately 8.5" above transverse floor.	\$ 780.00
AERIAL BODY OPTIONS	3310-0414	Long handle tool storage box w/lift-up hinged cover. Box to be diamond plate approx 18" wide x 74" long x 14" tall. Lid hinged on outboard side with 1.5" lip all sides, chrome grab handle, (2) thumb latches, (3) EON LED lights mounted to lid to illuminate interior when open and gas spring hold-opens (Note lid to open up to 90 degrees). Locate on top of body officer side just to rear of R2 extended high side.	\$ 2,882.00
AERIAL BODY OPTIONS	3310-0415	Compartments driver side HP100 Platform SideStacker with 300g tank. Includes rescue style extended height compartments and separate rear side compartments. The door on small compt next to rear outrigger to match wheelwell.	\$ 83,995.00
AERIAL BODY OPTIONS	3310-0416	Recessed tubes for (5) pike poles and (1) NY Hook. Not available on HP75 SideStacker.	\$ 1,561.00
AERIAL BODY OPTIONS	3310-0417	Crosslay double (1)4.25"/(1)5.50" wide single stack to hold up to 200' of 2.0" DJ/150'-200' 2.5" DJ. Includes storage pan to rear of crosslays.	\$ 5,307.00
AERIAL BODY OPTIONS	3310-0418	Compartments driver side HP100 Platform SideStacker with pump (No tank). Includes extended height compartments ahead of wheel well. The door on small compts next to rear outrigger to match wheelwell.	\$ 82,446.00
AERIAL BODY OPTIONS	3310-0419	Compartments officer side HP100 Platform rescue body with pump (No tank). Includes extended height compartments ahead of wheel well and rescue style compartments IPO hosebed. The door on small compts next to rear outrigger to match wheelwell.	\$ 82,446.00
AERIAL BODY OPTIONS	3310-0420	Storage box w/hinged cover for customer installed rescue jacks. Box to be .187" diamond plate approx 60" wide x 8" high x 22" deep. Lid to be hinged on inboard side with a gas spring hold-opens, Nylatron floor overlay, (2) EON LED lights mounted to lid to illuminate interior when open and D-ring latch. Note front face and top are one piece hinged lift-up lid. Located on top of the body over L7 offset forward.	\$ 2,722.00

AERIAL BODY OPTIONS	3310-0826	Pikepole/Ladder storage. Holds (2)6' pikes, (2)10' pikes, (1)6' drywall hook with D handle and (1) FL-10 attic ladder. Available on HP75 SideStacker only. The access door to match the rear body finish.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-0827	Rear ladder tunnel doors. Vertically hinged smooth aluminum plate painted job color.	\$ 1,860.00
AERIAL BODY OPTIONS	3310-0828	Attic ladder storage at rear of body, (Each) or (1) side of ladder tunnel. Shall hold (1)10' Duo Safety attic ladder w/shoes, (1)12' Duo Safety attic ladder w/shoes. Available on rear mount platform only. The access door to be smooth aluminum plate finish with Chevron striping.	\$ 3,625.00
AERIAL BODY OPTIONS	3310-0829	Recessed tubes for (6) NY roof hooks pike poles (2)6', (2)8', 10' and 12'. All tubes to be 12' long. The access door(s) to match the rear body finish (If applicable).	\$ 1,275.00
AERIAL BODY OPTIONS	3310-0830	Compartments driver side HP100 Platform SideStacker for long cab, 400-500 gallon tank, short jack option, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well, combined rear compartment and raised rear perimeter. Requires aerial envelope controls	\$ 84,512.00
AERIAL BODY OPTIONS	3310-0831	Body wheelwell compartments for a total of (4) shall be as follows: (1) each side over forward wheel approx 16"W and (1) each side over rearward wheel approx 18"W both sides x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$ 2,798.00
AERIAL BODY OPTIONS	3310-0832	Crosslay dry storage. Includes 11.25"W storage area and storage pan to rear of crosslay.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-0833	Cord reel observation cutout in pump access door in line with reel. Approximate size of cutout will be 8"W x 6"H. The purpose of cutout is to view cord when rewinding back on reel.	\$ 355.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-0834	Smooth plate aluminum storage box with notched adjustable shelf. Approximate box size: 12"W x 12"H x as deep as possible with handhold cutouts at front and rear face. Storage box finish to match compartment interior finish. Adjustable shelf front lip shall be notched at the rear to allow box removal. There shall be nylatron (or similar) attached to shelf to assist in removal of tray. Location: mounted in R2 compartment. (see sketch in prebuild folder)	\$ 1,415.00
AERIAL BODY OPTIONS	3310-0835	Pike pole/Ladder storage. Holds (4) poles (2)8' & (2)10' NY Roof hooks and (1) attic ladder with shoes. Pike pole tubes to be as long as possible. Available on single axle 100' Quint SideStacker and HR100 Tandem SideStacker. The access door to match the rear body finish.	\$ 1,484.00
AERIAL BODY OPTIONS	3310-0838	Recessed tubes for (4) 12' pike poles and (2) 16' long. Tubes to have locking slots to hold poles in compt.	\$ 1,571.00
AERIAL BODY OPTIONS	3310-0839	Compartments driver side CR100/CR137/95 platform SideStacker with 300g tank. Includes rescue style extended height compartments, combined rear compartment IPO standard seperate rear compartments and rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable. The door on small compt next to rear outrigger to match wheelwell (if applicable).	\$ 83,564.00
AERIAL BODY OPTIONS	3310-0840	Pike pole/ladder storage. Hold (2) 6' pikes, (2) 10' pikes and (1) FL-10 attic ladder. Available on HP75 SideStacker only. The access door to match the rear body finish.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-0842	Storage box w/hinged cover. Box to be dia plt approx. 10" wide x 67" long x 10.5" deep. Lid with 1.5" lip to be hinged on outboard side with (2) thumb latches and slat flooring, gas spring hold-opens and chrome grab handle. Locate on top of left side extended high compartments offset rearward.	\$ 2,860.00
AERIAL BODY OPTIONS	3310-0843	Compartments driver side tandem axle HP eMAX SideStacker, med cab, 240 WB. Includes rescue style extended height compartments. Requires separate eMAX pump module salescode.	\$ 77,324.00
AERIAL BODY OPTIONS	3310-0844	Compartments officer side single axle HR100 SideStacker. Includes rescue style extended height compartments ahead of wheel well and extra deep hosebed. Raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Note: Can also be used with LTH/HM100 ladders with 40.25" TT height.	\$ 56,902.00
AERIAL BODY OPTIONS	3310-0845	Triple crosslays for use with removable poly trays. Forward two trays to hold 250' of 1.75" DJ (each) and 200' of 2.5" DJ in rear tray (18" deep to 3x3). Includes storage pan to rear (if applicable).	\$ 7,029.00
AERIAL BODY OPTIONS	3310-0847	Compartments officer side HP100 Platform SideStacker with 300g tank and short jack option. Includes rescue style extended height compartments ahead of wheel well, optional compartments over forward and rearward tandem wheels and extended hosebed.	\$ 64,676.00

Includes rescue style extended height compartments ahead of wheel well, optional R3 compartment with narrow style single lay hosebed that extends to rear of body with rescue style compartments to outside. Compartments to outside of hose bed not available with roll-up doors and rear perimeter raised 6" for improved angle of departure.	\$ 65,995.00
AERIAL BODY OPTIONS	3310-1037	Pike pole/trash hook storage at rear of body each side of ladder tunnel. Shall hold (3) NY Hooks pike poles on driver side and (2) 6' Trash Hooks with D-Handles on officer side. The access doors to match the rear body finish.	\$ 3,544.00
AERIAL BODY OPTIONS	3310-1038	Additional "Safe Operating Grade Indicator" gauge shall be provided, gauge is in addition to gauge(s) at rear of body. To be located side facing on officer side matching the left side gauge location.	\$ 237.00
AERIAL BODY OPTIONS	3310-1039	Tubes in ladder tunnel for (8) pike poles w/straight fiberglass poles. Tubes to be sized for (2)6', (2)8', (2)12, and (2)14' poles. Tubes to have locking slots to hold poles in tube.	\$ 1,696.00
AERIAL BODY OPTIONS	3310-1040	Tubes in ladder tunnel for (8) pike poles w/straight fiberglass poles. Tubes to be sized for (8) 12' poles. Tubes to have locking slots to hold poles in tube.	\$ 1,696.00
AERIAL BODY OPTIONS	3310-1041	Front body module (96" wide). For use with HR 100 single axle NPNT with Cummins X12 / X15 (vertical after-treatment).	\$ 25,625.00
AERIAL BODY OPTIONS	3310-1042	Crosslay double (1) 5.5" wide single stack to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ and (1) 21.25" wide for 600' of 3" dry storage. Includes storage pan to rear of crosslays (if applicable).	\$ 5,307.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1047	Crosslay triple to hold 300' of 2.0" DJ (7.5"W x 18"D each) in two forward lays and up to 250' of 2.5" DJ in rear lay (10.5"W x 18"D). Includes storage pan to rear of crosslays.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-1048	Pan shallow for miscellaneous electrical components. Locate in open storage area.	\$ 1,262.00
AERIAL BODY OPTIONS	3310-1049	Trim ring for tow eye at rear of body. Material to be polished stainless steel around tow eye at rear of body. Trim ring to overlay as much as practical.	\$ 776.00
AERIAL BODY OPTIONS	3310-1050	Notch compartment L2 in deep area above jack leg to allow for routing of electrical harnesses.	\$ 650.00
AERIAL BODY OPTIONS	3310-1051	Recessed tubes for (5) pike poles. Not available on HP75 SideStacker.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-1052	Boxed out rear ladder tunnel doors. Vertically hinged smooth plate. All side exterior surfaces of extension to be painted job color, door will match rear body finish.	\$ 2,646.00
AERIAL BODY OPTIONS	3310-1053	Recessed tubes for (6) NY Hook pike poles w/straight poles. Not available on HP75 SideStacker.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-1055	Compartments driver side HP100 Platform SideStacker with pump, no tank and transverse L1. Includes rescue style extended height compartments. The door on small compts next to rear outrigger to match wheelwell.	\$ 83,827.00
AERIAL BODY OPTIONS	3310-1056	Compartments officer side HP100 Platform SideStacker with pump, no tank and transverse R1. Includes rescue style extended height compartments ahead of wheel well with extended hosebed.	\$ 60,293.00
AERIAL BODY OPTIONS	3310-1057	Compartments driver side HP100 Industrial Platform SideStacker for short cab with 300 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well and raised rear perimeter. Requires aerial envelope controls.	\$ 84,512.00
AERIAL BODY OPTIONS	3310-1058	Compartments officer side HP100 Platform SideStacker with 300 gallon tank, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well, compartments over forward and rearward tandem, extended hosebed and 4" raised rear perimeter.	\$ 64,169.00
AERIAL BODY OPTIONS	3310-1059	Tubes in ladder tunnel for (2) pike poles. Stored pike poles will be (2) 12' poles but tubes to be sized for (2)16' poles. Tubes to have locking slots to hold poles in tube.	\$ 514.00
AERIAL BODY OPTIONS	3310-1060	Tubes in ladder tunnel for (4) NY Hook Fire Hooks Unlimited pike poles w/straight fiberglass poles. Stored pike poles will be (1)8', (1)10', and (2)12' poles but tubes to be sized for (1)10' and (3)12' poles. Tubes to have locking slots to hold poles in tube.	\$ 1,026.00
AERIAL BODY OPTIONS	3310-1061	Crosslay double w/dry storage. Includes (1) 10.5" wide double stack to hold up to 200' of 2.5" DJ and (1) 10.5" wide dry lay for up to 200' of 2.5" DJ. Includes storage pan to rear of crosslays (as applicable).	\$ 7,436.00
AERIAL BODY OPTIONS	3310-1062	Crosslay double (1) 7.5" wide double stack to hold up to 400' of 1.75" DJ and (1) 10.5" wide double stack to hold up to 300' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$ 6,455.00
AERIAL BODY OPTIONS	3310-1063	Crosslay single (1) 11.25" wide double stack to hold up to 300-400' of 2.5" DJ. Includes storage pan to rear of crosslays.	\$ 2,910.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1064	Enclosed pump panel. Pump module height to match body height. Crosslays will be above enclosed panel and will be 3/4 width of body extending over driver side only. Officer side will remain std.	\$ 21,002.00
AERIAL BODY OPTIONS	3310-1068	Crosslay triple w/dry lay. Includes (2) 7.875" wide double stack crosslays to hold up to 200' of 2.0" DJ (each) and (2) 11" wide dry lay for up to 150'-200' 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$ 8,584.00
AERIAL BODY OPTIONS	3310-1069	Body wheelwell compartments (2), one each side above rearward tandem wheel approx 26" W x 6" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc. A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish.	\$ 1,702.00
AERIAL BODY OPTIONS	3310-1070	Crosslay triple to hold (2) 7" wide double stack crosslays to hold up to 200' of 1.5" DJ (each) and (1) 10" wide double stack crosslay for up to 200' 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-1071	Scorpion coat aerial access staircase overlay(s). Color to be specified by customer.	\$ 2,860.00
AERIAL BODY OPTIONS	3310-1072	Compartments driver side CR100/CR137/95 platform SideStacker with 725g tank, 44.5" cab and 250" WB. Includes rescue style extended height compartments, combined rear compartments and shorten rear of body for reduced OAL.	\$ 83,351.00
AERIAL BODY OPTIONS	3310-1073	Compartments officer side CR100/CR137/95 platform SideStacker with 725g tank, 44.5" cab and 250" WB. Includes rescue style extended height compartments ahead of wheel well, extended hosebed and shorten rear of body for reduced OAL.	\$ 59,817.00
AERIAL BODY OPTIONS	3310-1074	Storage at rear of body in rear tow eye compartment for miscellaneous long handle tools (Approx. 8' long storage). 95' Mid-Mount only.	\$ 1,314.00
AERIAL BODY OPTIONS	3310-1075	Compartment modification to L3 for generator. Includes top of compartment opened and slots to compartment door for generator cooling.	\$ 1,028.00
AERIAL BODY OPTIONS	3310-1076	Recessed tubes for (4) NY Hook pike poles w/straight fiberglass poles. Not available on HP75 SideStacker.	\$ 1,026.00
AERIAL BODY OPTIONS	3310-1077	Compartments officer side tandem axle HR100 SideStacker with 500 gallon tank. Includes rescue style extended height compartments ahead of wheel well and extra deep extended hosebed with left side of hosebed stepped above the jack towers. Includes optional R3/R4 compartments above forward tandem.	\$ 67,909.00
AERIAL BODY OPTIONS	3310-1078	Pan shallow for generator. Locate Top of body between L2/R2.	\$ 1,262.00
AERIAL BODY OPTIONS	3310-1079	Fuel fill hinged door and fixed panel below door each side to rear of rear axle to be polished S/S.	\$ 422.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1080	Compartments driver side tandem axle HR100/110 SideStacker with 500 gallon tank. Includes rescue style extended height compartments (L1-L3), combined rear compartment IPO standard seperate rear compartments and rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable. The door on small compt next to rear outrigger to match wheelwell.	\$ 88,779.00
AERIAL BODY OPTIONS	3310-1081	Compartments officer side tandem axle HR100 SideStacker with 500 gallon tank. Includes rescue style extended height compartments (R1-R3) and extra deep extended hosebed with left side of hosebed stepped above the jack towers.	\$ 67,342.00
AERIAL BODY OPTIONS	3310-1082	Crosslay double to hold up to 200' of 2.5" DJ (each). Includes storage pan to rear of crosslays.	\$ 6,222.00
AERIAL BODY OPTIONS	3310-1083	Storage shall be provided in transverse compartment L1/R1 for customer supplied CMC 726100 Stokes basket, two (2) customer supplied backboards (approx. size: 72"long x 2" thick) accessible from officer side only and a Little Giant Model 17 accessible from the driver side only. Includes fixed shelf with 3/4" lips mounted above an aluminum fabricated storage sleeves with fixed dividers and poly overlay(s) on floor in each storage compartment and nylon strap(s) w/buckle(s) for securing contents at openings (compartments to include poly overlays on walls also). Located against rearward wall with contents positioned vertically in storage sleeves. Material finish to match compartment interior.	\$ 4,871.00
AERIAL BODY OPTIONS	3310-1084	Pike pole/Ladder storage. Holds (4) poles (2) 8' NY Roof hooks and (2) 12' NY Roof hooks and (1) attic ladder with shoes. Pike pole tubes to be as long as possible. Available on single axle 100' Quint SideStacker and HR100 Tandem SideStacker. The access door to match the rear body finish.	\$ 1,484.00
AERIAL BODY OPTIONS	3310-1085	Compartments officer side HP100 Platform SideStacker for long cab with 300 gallon tank, short jack, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well and raised rear perimeter. Requires aerial envelope controls.	\$ 88,659.00
AERIAL BODY OPTIONS	3310-1086	Compartments officer side single axle HR100 SideStacker. Includes half side compartment ahead of wheel well, combined rear compartment, standard hosebed with angled tailboard below the hosebed and raised rear perimeter aft of rear jack legs for improved angle of departure. 65" high body (for 38.25" turntable height). Requires front tank module. Note: Can also be used with LTH/HM100 ladders with 40.25" TT height.	\$ 57,921.00
AERIAL BODY OPTIONS	3310-1087	Compartments driver side HP100 Platform SideStacker for long cab with 300 gallon tank, short jack, 252" WB and 58-62K rear. Includes rescue style extended height compartments ahead of wheel well and raised rear perimeter. Requires aerial envelope controls.	\$ 88,659.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1088	Crosslay double extra deep. All to be 34" deep (to 3x3) with approx 32" high dividers. Includes (2) 5" wide single stack crosslays to hold up to 250'-300' of 1.75" DJ (each) or 250' of 2.0" DJ (each). Includes storage pan to rear of crosslays if applicable.	\$ 7,047.00
AERIAL BODY OPTIONS	3310-1089	Storage box for handheld jack control. Approx size: 14"wide x 8" high x 12" deep. Includes hinged access door with push button latch. Locate in driver side rear staircase above the bottom step recessed in back wall. Door material to match staircase platework finish.	\$ 685.00
AERIAL BODY OPTIONS	3310-1090	Crosslay triple to hold 200' of 2.0" DJ (each) in two forward lays and up to 150'-200' of 2.5" DJ in third lay. Dry lay (lay 4) to hold up to 350' of 3.00 to be deployed from officer side only as not to interrupt gauge panel on driver side.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-1091	Pan shallow for generator. Locate in right side open storage area IPO compartment.	\$ 1,262.00
AERIAL BODY OPTIONS	3310-1092	Triple crosslays for use with removable aluminum trays. Trays to hold up to 150' of 2.0" DJ (each) or 150' of 2.5" DJ (each) (21" deep to 3x3). Includes storage pan to rear of crosslays	\$ 7,720.00
AERIAL BODY OPTIONS	3310-1093	Crosslay for use with poly trays (not included) and total width of 31" wide crosslay area. No divider. To hold up to 200' of 2.0" DJ hose (forward two openings) and 150'-175' of 2.5" DJ hose (rearward opening).	\$ 1,631.00
AERIAL BODY OPTIONS	3310-1094	Tubes in ladder tunnel for (4) pike poles and box for (1) Boston Rake with D-Handle. Tubes to be sized for (2)10' and (2)12' poles and box to be sized for 6' Boston Rake with D-Handle. Tubes to have locking slots to hold poles in tube.	\$ 1,347.00
AERIAL BODY OPTIONS	3310-1096	Tubes in ladder tunnel for (4) pike poles. Stored pike poles will be (2) 12' poles and (2)14' poles. Tubes to have locking slots to hold poles in tube.	\$ 514.00
AERIAL BODY OPTIONS	3310-1097	Body upgrade for Aerial hydraulic reservoir. Location: [#LOC] IPO standard reservoir location.	\$ 1,130.00
AERIAL BODY OPTIONS	3310-1103	Body upgrade for lowering the rear perimeter aft of rear jack legs for additional storage. This modification affects compartment dimensions and may affect number of compartments.	\$ 2,623.00
AERIAL BODY OPTIONS	3310-1104	Body upgrade for rear of body shorten due to an OAL restriction or for improved cornering.	\$ 3,192.00
AERIAL BODY OPTIONS	3310-1105	Modify transverse compartment to accomodate long ground ladder from ladder tunnel. Includes boxed in enclosure over ground ladder. Material finish to match compartment interior finish.	\$ 1,796.00
AERIAL BODY OPTIONS	3310-1112	Recessed tubes for (7) pike poles. Not available on HP75 SideStacker.	\$ 1,275.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1113	Compartments driver side CR100/CR137/95 platform SideStacker, 245" WB with 500g tank. Includes rescue style extended height compartments L1-L2 ahead of wheel well extended higher to match enclosed pump panel compartment height, combined rear compartment, rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable and raised 4" for improved angle of departure.	\$ 83,542.00
AERIAL BODY OPTIONS	3310-1114	Compartments officer side CR100/CR137/95 platform SideStacker with 500g tank and standard hosebed. Includes rescue style extended height compartments R1-R2 ahead of wheel well extended higher to match enclosed pump panel compartment height, rear corner style staircase w/corner access steps to allow 45 degree angle access to turntable and raised 4" for improved angle of departure.	\$ 70,580.00
AERIAL BODY OPTIONS	3310-1115	Notch compartment L2 in deep area to allow for routing of hydraulic generator hoses.	\$ 650.00
AERIAL BODY OPTIONS	3310-1116	Crosslay double w/dry lay. Includes (1) 7.5"w for 200' of 1.75" DJ in forward lay and (1) 10.5"w dry lay for 200-300' of 2.5" DJ (15" deep to 3x3). Includes storage pan to rear of crosslays (if applicable).	\$ 5,253.00
AERIAL BODY OPTIONS	3310-1117	Tubes in ladder tunnel for (2) New Yorker Hook and (4) NY Hook Fire Hooks Unlimited pike poles. Tubes to be sized for (1)10' and (1)12' New Yorker Hook and (2)6', (2)8' NY Hook poles. Tubes to have locking slots to hold poles in tube.	\$ 1,347.00
AERIAL BODY OPTIONS	3310-1118	Body modification for ladder tunnel. Ladders to be raised as high as possible to aid in deployment. See body layout for detail.	\$ 2,130.00
AERIAL BODY OPTIONS	3310-1119	Crosslay triple 5.5" wide single stack to hold up to 200' of 1.5" DJ (each) or up to 150'- 200' 2.5" DJ (each). (4) outrigger 95' Midmount.	\$ 5,703.00
AERIAL BODY OPTIONS	3310-1120	The 45 degree turntable access staircase(s) to utilize smooth plate aluminum IPOS diamond plate to facilitate rear striping. Upper officer side facing surface shall be stainless steel to prevent damage when hose is deployed. Lower officer side facing surface to have striping.	\$ 1,454.00
AERIAL BODY OPTIONS	3310-1121	Tubes in ladder tunnel for (4) NY Hook Fire Hooks Unlimited pike poles and storage boxes for (3) D-handle 6' pike poles with standard heads. Tubes to be sized for (2)6', (1)8' and (1)10' poles. Tubes to have locking slots to hold poles in tube.	\$ 1,922.00
AERIAL BODY OPTIONS	3310-1122	Crosslay triple 28" deep (to 3x3). Includes (2) 4.25" wide single stack to hold up to 250' of 1.75" DJ(each) and (1) 10.5" wide dbl stack to hold 400' of 2.50" DJ. Includes storage pan to rear of crosslays (as applicable).	\$ 9,680.00
AERIAL BODY OPTIONS	3310-1123	Ladder pipe storage box w/hinged cover to outside for Akron Ladder Pipe model #1495 with stacked tips. Includes model 497 mounting bracket. Box to be dia plt approx 16" wide x 71" long x 12" deep. Includes gas spring hold-opens, chrome grab handles and (2) Thumb style latches. Locate on top of body left side offset forward.	\$ 3,927.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1124	Pike pole storage for eight (8) pike poles. Available on HP75/78 SideStacker with tall R1and HM100/110 SideStacker only. The access door to match the rear body finish.	\$ 1,829.00
AERIAL BODY OPTIONS	3310-1125	Recessed tubes for (5) NY Hook pike poles. Not available on HP75 SideStacker.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-1126	Tubes in ladder tunnel for (2) pike poles and storage boxes for (4) D-handle 6' pike poles with standard heads, sized for (2)6' poles and (2)8' poles. Tubes to be sized for (2)12' poles. Tubes to have locking slots to hold poles in tube.	\$ 1,922.00
AERIAL BODY OPTIONS	3310-1127	Additional access panel on L4 compartment back wall/primary access panel. Secondary access panel to be sized specifically for the location of any hydraulic components to prevent removing entire primary access panel.	\$ 306.00
AERIAL BODY OPTIONS	3310-1128	Storage box w/hinged cover. Box to be dia plt approx. 11" wide x 138" long x 6" deep. Lid with 1.5" lip to be hinged on outboard side with (2) thumb latches, louvers and slat flooring, gas spring hold-opens and chrome grab handle(s). Locate on top of right side extended high compartments offset rearward.	\$ 3,395.00
AERIAL BODY OPTIONS	3310-1129	Tubes in ladder tunnel for (4) pike poles. Tubes to be sized for (1)8', (2)10' and (1)12' poles. Tubes to have locking slots to hold poles in tube.	\$ 830.00
AERIAL BODY OPTIONS	3310-1130	Recessed tubes for (4) NY Hook pike poles. Not available on HP75 SideStacker.	\$ 1,026.00
AERIAL BODY OPTIONS	3310-1131	Pike pole/Ladder storage. Holds (4) poles: (1) 10', (1) 8', (2) 6' NY hooks, and (1) attic ladder with shoes. Available on single axle 100' Quint SideStacker and HR100 Tandem SideStacker. (2) thumb latches to be used IPO the 1/4 turn D-ring latch. The access door to match the rear body finish.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-1132	Auxiliary jack pad 28X28 (4) with 20 degree formed handles. Includes (2) double mounting brackets. Note both pads to store in same slot, to reduce profile below body.	\$ 4,613.00
AERIAL BODY OPTIONS	3310-1133	Crosslay double, double stacked, to hold up to 500' of 1.75" (each). (4) outrigger 95' Midmount.	\$ 5,341.00
AERIAL BODY OPTIONS	3310-1134	Cover plate over hydraulic generator lines located for upper deck mounted generator.	\$ 504.00
AERIAL BODY OPTIONS	3310-1135	Transverse hose storage tray with hinged diamond plate lid and cargo net side covers. Includes butterfly latches, gas shock hold-open(s) and chrome grab handle(s). Side covers to be D&S brand red cargo net with airline style buckles at the bottom and twist locks at the top. Slat to be provided at the bottom floor of the box with drain holes. Located top of body rearward of open storage area.	\$ 5,877.00
AERIAL BODY OPTIONS	3310-1136	Boxed out rear ladder tunnel door with D-ring slam latch. Smooth plate lift-up door to open 20 degrees past horizontal (degrees may be reduced due to other options). Door will match rear body finish.	\$ 2,728.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1138	Front body module. For use with HR 100 single axle NPNT with Cummins X12 / X15 (vertical after-treatment) and rear cab wall SCBA storage extensions 1675-0361.	\$ 25,625.00
AERIAL BODY OPTIONS	3310-1139	Storage for stokes basket in L2/R2 upper with transverse enclosure in open storage area. Stokes basket to be accessible from L2 or R2. Only available with vertically hinged double door.	\$ 3,537.00
AERIAL BODY OPTIONS	3310-1140	Tubes in ladder tunnel for (4) pike poles and (2) NY Hook Fire Hooks Unlimited pike poles. Tubes to be sized for (2)8', (1)10' and (1)12' standard head poles and (2)6' NY Hook poles. Tubes to have locking slots to hold poles in tube.	\$ 1,347.00
AERIAL BODY OPTIONS	3310-1141	Jack leg opening covers smooth plate painted job color (4) sets. Includes one-piece painted plate outrigger covers.	\$ 3,480.00
AERIAL BODY OPTIONS	3310-1142	Storage tubes in transverse compartment centered on transverse floor for (6) pike poles. Tubes to be sized for 6' pike poles. Tubes to have locking slots to hold poles in compt. Three poles shall be accessible from L1 and three poles accessible from R1.	\$ 1,347.00
AERIAL BODY OPTIONS	3310-1143	Open storage area beneath the aerial device on top of body to have dual compartment lids for storage (no center channel) with gas shocks and recessed handles and appropriate NFPA LED lights to illuminate the interior when lids are opened.	\$ 9,881.00
AERIAL BODY OPTIONS	3310-1144	Crosslay triple w/dry lay. Includes (2) 11.625" wide triple stack crosslays to hold up to 350'-400' of 2.0" DJ (each) and (1) 7.875" wide dry lay for up to 200'-250' 2.0" DJ. Includes storage pan to rear of crosslays if applicable.	\$ 8,584.00
AERIAL BODY OPTIONS	3310-1145	Body modification for (1) one deck gun. Includes "box style" framed enclosure at front of right side assembly for deck gun piping. Piping to be routed from rear of pump module outboard through enclosure with top of flange with top of body.	\$ 1,490.00
AERIAL BODY OPTIONS	3310-1146	Body wheelwell compartment, officer side above forward tandem wheel approx 46.5" W x 9.5" H x maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc to fit a little giant model 13 ladder. Strips of poly to be placed on the floor for ladder to slide on. A gasketed drop down door shall be installed on the compartment. Door material to match wheelwell finish.	\$ 1,191.00
AERIAL BODY OPTIONS	3310-1147	Recessed tubes for (4) pike poles and (2) NY Hook Fire Hooks Unlimited pike poles. Tubes to be sized for (2)8' and (2)12' standard head poles and (2)12' NY Hook poles. Tubes to have locking slots to hold poles in tube. Not available on HP75 SideStacker.	\$ 1,275.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1148	Storage shall be provided in transverse compartment L1/R1 for customer installed Featherlite 6606-AA 6' step ladder accessible from driver or officer side. Approximate size: 11"W x 28"H x 90"L. Includes aluminum fabricated storage box with poly overlay on floor and D-ring latch on each door. Located against rearward wall with ladder positioned vertically in storage box. Material finish to match compartment interior.	\$ 2,694.00
AERIAL BODY OPTIONS	3310-1149	Crosslay quint. Includes (3) 4.25" wide single stack crosslays to hold up to 150-200' of 1.75" DJ each, (1) 5.5" wide single stack to hold up to 100-150' of 2.5" DJ and (1) 6" wide single stack to hold up to 100-150' of 3" DJ. Includes storage pan to rear of crosslays (if applicable).	\$ 10,988.00
AERIAL BODY OPTIONS	3310-1150	Crosslay double w/dry lay. Includes (2) 5.5" wide single stack crosslays to hold up to 200' of 2.0" DJ or 150'-200' 2.5" DJ (each) and (1) 11" wide dry lay for up to 150' of 3.0" DJ. Includes storage pan to rear of crosslays.	\$ 7,200.00
AERIAL BODY OPTIONS	3310-1151	Pike pole/Ladder storage. Available on HP75/78 SideStacker with tall R1and HM100/110 SideStacker only. The access door to match the rear body finish.	\$ 1,533.00
AERIAL BODY OPTIONS	3310-1152	Recessed tubes for (3) NY Hook pike poles one (1) 6' and two (2) 8' driver side. Not available on HP75 SideStacker.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-1153	Crosslay double (1) 10.5" wide double stack to hold up to 300' of 2.5" DJ and (1) 7.5" wide double stack to hold up to 400' of 1.75" DJ. Includes storage pan to rear of crosslays.	\$ 6,455.00
AERIAL BODY OPTIONS	3310-1154	Storage box w/hinged cover. Box to be dia plt approx 15" wide x 65" long x 15" deep. Lid with 1.5" lip to be hinged on outboard side with (2) thumb latches, (3) EON LED lights mounted to lid to illuminate interior when open , gas spring hold-opens and chrome grab handle. Note: Aerial applications may require raising aerial to open storage lid, if option for ladder storage bracket mounted to side of base is present in order. Locate on top of body left and right side over forward compartment(s).	\$ 2,224.00
AERIAL BODY OPTIONS	3310-1155	Crosslay quad with (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each), (1) 5.5" wide to hold up to 150'-200' 2.5" DJ and (1) 10.5" wide for up to 300' of 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$ 9,594.00
AERIAL BODY OPTIONS	3310-1156	Pike pole/Ladder storage. Available on HP75/78 SideStacker with tall R1and HM100/110 SideStacker only. The access door to match the rear body finish.	\$ 1,533.00
AERIAL BODY OPTIONS	3310-1157	Lower rear storage tunnel with pull-out tray IPOS. HP95 MM only.	\$ 6,417.00
AERIAL BODY OPTIONS	3310-1158	Tubes in ladder tunnel for (2) pike poles and (4) NY Hook Fire Hooks Unlimited pike poles. Tubes to be sized for (2)12' standard head poles and (4)8' NY Hook poles. Tubes to have locking slots to hold poles in tube.	\$ 1,347.00
AERIAL BODY OPTIONS	3310-1159	Recessed tubes for (6) pike poles with NY hook style pike head. Available on single axle 100' Quint SideStacker and HR100 Tandem SideStacker. The access door to match the rear body finish.	\$ 1,275.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1160	Crosslay quad with stainless steel scuff plates IPO rollers on each end, (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each) and (2) 5.5" wide to hold up to 150'-200' 2.5" DJ (each). Includes storage pan to rear of crosslays	\$ 9,092.00
AERIAL BODY OPTIONS	3310-1161	Hose storage tray. Tray to be approx 17" wide x 18" long x 8" deep to hold (2) single stacked lays of 25' of 5" LDH hose. Includes permanent mounted shelf with inverted lips and fixed aluminum divider. Locate L1 compartment forward of transverse area.	\$ 2,213.00
AERIAL BODY OPTIONS	3310-1162	Recessed tubes for (5) NY Hook pike poles and (1) Drywall Hook w/straight fiberglass poles. Not available on HP75 SideStacker.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-1163	Crosslay quad with (2) 4.25" wide single stack to hold up to 200' of 2.0" DJ (each), (1) 5.5" wide to hold up to 150'-200' 2.5" DJ and (1) 7.50" wide dry lay for up to 400' of 1.75" DJ. Includes storage pan to rear of crosslays if applicable.	\$ 9,092.00
AERIAL BODY OPTIONS	3310-1164	Crosslay double (1) 7.5" wide double stack for 300' of 1.75" DJ and (1) 10.5" wide double stack for 200' of 2.5" DJ (26" deep to 3x3). Includes storage pan to rear of crosslays.	\$ 6,823.00
AERIAL BODY OPTIONS	3310-1165	Crosslay quad with (3) 5.5" wide to hold up to 150'-200' 2.5" DJ and (1) 19.25" wide dry lay for up to 400' of 2.5" DJ. Includes storage pan to rear of crosslays if applicable.	\$ 9,400.00
AERIAL BODY OPTIONS	3310-1166	Pikepole/Ladder storage box. Holds (3)8' NY Hook pike poles and (1) 10' attic with shoes. Size box to longest pole/ladder. The access door to match the rear body finish.	\$ 2,330.00
AERIAL BODY OPTIONS	3310-1167	Boxed out rear ladder tunnel doors. Vertically hinged smooth plate. Includes boxed out rear body surfaces (each side of doors) to allow for rear surface options to be at the same planar surface as the ladder tunnel doors. Doors and exterior surfaces of extension to match rear body finish.	\$ 3,246.00
AERIAL BODY OPTIONS	3310-1168	Special hose storage box w/hinged cover to outside. Includes gas spring hold-opens, chrome grab handle(s) and (2) butterfly latches. Floor to have extruded alum slats. Box location and dimensions to be as specified by sales to meet customer requested hose capacity.	\$ 5,000.00
AERIAL BODY OPTIONS	3310-1169	Crosslay triple (1) 4.25" wide single stack to hold up to 200' of 2.0" DJ, (1) 5.5" wide single stack to hold 150'-200' of 2.5" DJ and (1) 6" wide single stack to hold up to 150' of 3" DJ. Includes storage pan to rear of crosslays.	\$ 10,847.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1170	Aluminum storage box in L1/R1 transverse compartment. Includes sleeves for (2) vertically stacked Duo-Safety 701 10' Fresno ladders (at front), (1) CMC S/S stokes basket (stored vertically in center)(stokes is approx 8"W x 23"H x 83"L), (1) 775-A 6' roof ladder (at rear), (2) tubes for broom handles (over roof ladder) and an upper horizontal sleeve for shovels/long handle tools (over stokes and roof ladder / tubes). All storage to be accessible from driver or officer side. Storage sleeves to have poly overlay on floor and cargo netting on each side with velcro straps and footman loops at the bottom and quick release buckles at the top. Buckles to have orange pull-straps.	\$ 7,124.00
AERIAL BODY OPTIONS	3310-1171	Auxiliary jack pad (4) 28X28x1.5 poly with textured finish and rope handles. Includes (1) double mounting bracket and (2) single mounting brackets (welded on). Brackets are to be located per sales drawing.	\$ 9,382.00
AERIAL BODY OPTIONS	3310-1172	Recessed tubes for (6) pike poles w/straight poles. Not available on HP75 SideStacker. Lengths, head style, and location to be as specified.	\$ 1,275.00
AERIAL BODY OPTIONS	3310-1173	Recessed tubes for (4) pike poles w/straight poles. Not available on HP75 SideStacker. Lengths, head style, and location to be as specified.	\$ 1,026.00
AERIAL BODY OPTIONS	3310-1174	Body wheelwell compartment (EA). Compartment(s) at maximum depth permissible without interference with hydraulic line(s) reservoir(s) etc (unless specified otherwise). A gasketed drop down door shall be installed on each compartment. Door material to match wheelwell finish. Location and dimensions to be as specified.	\$ 2,287.00
AERIAL BODY OPTIONS	3310-1175	Recessed tube (EA) w/straight pole. Lengths, head style, and location to be as specified.	\$ 393.00
AERIAL BODY OPTIONS	3310-1176	Aggressive texture cut into one side of poly jack pads (EA).	\$ 100.00
AERIAL BODY OPTIONS	3310-1177	Modification to the jack pad brackets below the body. The brackets shall be extended downward to fit a rollerless slide-out platform between them.	\$ 968.00
AERIAL BODY OPTIONS	3310-1178	Boxed out rear ladder tunnel doors. Vertically hinged smooth plate aluminum. Doors to hinge on outboard sides and latch in the middle. D-ring to be on right hand "primary" door. Doors and exterior surfaces of extension to be painted job color.	\$ 3,107.00
AERIAL BODY OPTIONS	3310-1179	The 45 degree turntable access staircase(s) to utilize smooth plate aluminum IPOS diamond plate to facilitate rear striping on rear facing surface. Side facing surface of turntable access staircase(s) shall be Scorpion job color.	\$ 1,454.00
AERIAL BODY OPTIONS	3310-1180	Akron mounting fixture model# 14950007 for Akron 1494/1495 Ladder Pipe monitor. Locate: On body as specified.	\$ 1,188.00
AERIAL BODY OPTIONS	3310-1181	Crosslay dry storage. Includes 7.875"W storage area and storage pan to rear of crosslay (if applicable).	\$ 7,200.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL BODY OPTIONS	3310-1182	Crosslay quint. Includes (3) 4.25" wide single stack crosslays to hold up to 200' of 1.75" DJ each, (1) 5.5" wide single stack to hold 150'-200' of 2.5" DJ and (1) 11" wide double stack to hold up to 300' of 2.5 or 3" DJ. Includes storage pan to rear of crosslays (if applicable).	\$ 10,988.00
AERIAL BODY OPTIONS	3310-1183	Crosslay triple to hold 200' of 2.0" DJ (each) in two forward lays double stacked and 200' of 2.5" DJ double stacked in rear lay. Includes storage pan to rear of crosslays (if applicable).	\$ 7,200.00
AERIAL BODY OPTIONS	3310-1184	Crosslays with multiple lays. Includes slats and S/S rollers. Refer to sales drawing for number of lays, depth and widths. Includes storage pan to rear of crosslays (if applicable).	\$ 15,159.00
AERIAL CONTROLS	6850-0002	Pump panel control station. HP75 / HP78 and 50' rear mount boom.	\$ 7,240.00
AERIAL CONTROLS	6850-0003	Ladder tip controls.	\$ 21,354.00
AERIAL CONTROLS	6850-0004	Short Jack System HP75 / HP78. Includes cradle alignment light at turntable console.	\$ 16,950.00
AERIAL CONTROLS	6850-0005	Lock for ladder controls. Available on ladders with direct hydraulic controls only.	\$ 550.00
AERIAL CONTROLS	6850-0006	Additional handheld jack controller at rear of body. Locate in rear jack control box. Includes selector switch at aerial master panel.	\$ 4,682.00
AERIAL CONTROLS	6850-0008	Platform leveling system to allow adjustment of platform pivot angle from cab. Includes light on back of platform visible by driver to indicate platform is in alignment with ladder.	\$ 4,945.00
AERIAL CONTROLS	6850-0009	Hinged cover for platform control console. Diamond plate with rubber hood latch to hold closed.	\$ 873.00
AERIAL CONTROLS	6850-0010	Connector for handheld jack control at rear of body. Loc: [#LOC]	\$ 1,058.00
AERIAL CONTROLS	6850-0011	Gas spring for aerial ladder console cover. To hold cover open at 90 degrees to the side.	\$ 355.00
AERIAL CONTROLS	6850-0012	Hinged cover for platform control console. Swirl finish smooth plate with gas spring hold-open.	\$ 1,082.00
AERIAL CONTROLS	6850-0014	Aerial control station (add'l) located at pump operator's panel. Includes upgrade to elect / hyd aerial control system and monitor controls at pump panel.	\$ 27,010.00
AERIAL CONTROLS	6850-0015	Aerial turntable console lowered approx 4" to allow for stations with arched doors.	\$ 1,839.00
AERIAL CONTROLS	6850-0016	**OBS - use 3310-0096** Doors for aerial switch panels at rear of body. Finish to match rear of body.	\$ 958.00
AERIAL CONTROLS	6850-0017	Envelope controls HP100 Platform. Forward extension of aerial to be restricted due to 252/260" wheelbase.	\$ 1,388.00
AERIAL CONTROLS	6850-0019	Vinyl platform console control cover. Color: [#COL].	\$ 521.00
AERIAL CONTROLS	6850-0020	Aerial control stations (add'l) located at pump operator's panel and ladder tip. Includes upgrade to elect / hyd aerial control system and monitor controls at pump panel. Tip controls to be "creep" style.	\$ 32,907.00
AERIAL CONTROLS	6850-0021	Additional handheld jack controller at front of cab. Locate in front bumper officer side tray. Includes selector switch at aerial master panel.	\$ 4,682.00
AERIAL CONTROLS	6850-0023	Retraction stops for ladder. Required to allow for nozzle guard on HP75/78 with 225 WB S/A.	\$ 983.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL CONTROLS	6850-0024	Handheld jack controller at rear of body. Locate in rear jack control box. This is in addition to standard aerial master panel also at rear of body.	\$ 3,894.00
AERIAL CONTROLS	6850-0025	Advanced Aerial Control System - Ladder. Includes monitor stow / deploy, cradle alignment It and 3.2" display with flowmeter.	\$ 28,268.00
AERIAL CONTROLS	6850-0027	Ladder tip controls. For use with AACS only.	\$ 4,028.00
AERIAL CONTROLS	6850-0028	Ladder controls at pump panel. For use with AACS only.	\$ 5,960.00
AERIAL CONTROLS	6850-0029	Short Jack System HP75 / HP78. For use with AACS only.	\$ 9,344.00
AERIAL CONTROLS	6850-0031	Advanced Aerial Control System - Ladder. Includes color display at turntable, body protection, monitor stow / deploy, cradle alignment It.	\$ 53,584.00
AERIAL CONTROLS	6850-0032	Advanced Aerial Control System - Ladder w/o waterway. Includes cradle alignment It and display.	\$ 25,427.00
AERIAL CONTROLS	6850-0033	*OBSOLETE: USE EITHER 6850-0046 OR 6850-0100* Retraction stops for ladder. Required to allow for TFT monitor with VUM on HP100 or HR100 ladder or 240 WB.	\$ 983.00
AERIAL CONTROLS	6850-0034	Graphic aerial display at pump operator's panel. For use with deluxe AACS with pump panel aerial controls only.	\$ 1,594.00
AERIAL CONTROLS	6850-0035	Color aerial display at pump operator's panel. For use with deluxe AACS with pump panel aerial controls only.	\$ 5,509.00
AERIAL CONTROLS	6850-0036	Wireless aerial controls (in addition to standard). For use with deluxe AACS only. N/A on platforms with Akron monitor(s).	\$ 20,678.00
AERIAL CONTROLS	6850-0037	Advanced Aerial Control System - Platform. Includes body protection, cradle alignment It and 3.2" displays with flowmeter at each control console.	\$ 13,659.00
AERIAL CONTROLS	6850-0039	AACS Ramp settings - Special. All three settings to be programmed at the standard .5 second ramp.	\$ 784.00
AERIAL CONTROLS	6850-0040	Color aerial display at pump operator's panel. For use with deluxe AACS without pump panel aerial controls on the panel.	\$ 9,385.00
AERIAL CONTROLS	6850-0044	Multi-level turntable console mounted to tube style pedestal mount. Cover to be 1-piece design that pivots forward. (95-platform and HP/HPS100 Platform only)	\$ 480.00
AERIAL CONTROLS	6850-0045	Retraction stops for ladder. Required on HP75/78 with 230 WB S/A or 220 WB T/A.	\$ 983.00
AERIAL CONTROLS	6850-0046	Retraction stops for ladder to keep monitor or other aerial components ahead of cab. May affect OAL.	\$ 983.00
AERIAL CONTROLS	6850-0047	Ladder tip controls switch panel relocated approx. 14" rearward at second bay on right side of tip. Applies only to HP75/78.	\$ 768.00
AERIAL CONTROLS	6850-0048	Diamond plate storage box with hinged drop down door and push button latch. Approximate size: 12" wide x 10.5" tall x 14" deep. Located below turntable console mounted between tube style pedestal mounts. Available only on HP100 platform with pedestal style turntable console.	\$ 1,002.00
AERIAL CONTROLS	6850-0050	Auto level system for aerial jacks. Includes handheld jack controller (tethered). Requires deluxe AACS on ladders. Controller location: [#LOC].	\$ 2,033.00
AERIAL CONTROLS	6850-0051	Turntable handrails to have covered chains IPOS.	\$ 245.00

AERIAL EQUIPMENT	6500-0147	Belt box on platform for two belts. Box to be mounted on officer side of platform.	\$ 859.00
AERIAL EQUIPMENT	6500-0148	Stokes basket receiver for use with Ferno Washington Model 71 Stokes on 95 RM platforms. Includes brackets to mount stokes to side of base section. The stokes basket shall mount on the right side of the base section to rear of the sign plate (if applicable). Stokes not included.	\$ 2,443.00
AERIAL EQUIPMENT	6500-0149	Stokes basket storage brackets for use with [#COL] Stokes. The stokes basket shall mount to the base section on the [#LOC]. Stokes not included.	\$ 781.00
AERIAL EQUIPMENT	6500-0150	Stokes basket receiver for 95-Platform & HP95 Mid-Mount platforms. Stokes and storage brackets on side of base not included.	\$ 2,661.00
AERIAL EQUIPMENT	6500-0151	Stokes basket receiver for HP/HPS100 Platforms. Stokes and storage brackets on side of base not included.	\$ 2,897.00
AERIAL EQUIPMENT	6500-0152	(2) PAC TRAC postive locking brackets for Halligan tool. Includes fabricated aluminum smooth plate boot for wedge/pick head storage. Location: left side tip of base section.	\$ 1,297.00
AERIAL EQUIPMENT	6500-0153	Stokes basket storage box on aerial base section. The box shall be smooth plate, painted FLNA4145 Black and will have a hinged lid. Locate right side to the rear of sign plate.	\$ 5,062.00
AERIAL EQUIPMENT	6500-0154	Diamond plate storage box with hinged lid to outside for (1) Cutter's Edge saw or (1) chain saw. Box to be approx 38L x 15W x 16D includes butterfly latch, gas shock hold-upen, chrome grab handle & notch to clear extension system components if applicable. Capacity 25lb. with tag attached to lid. Locate right side of base section rearward of sign plate(if applicable).	\$ 2,545.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0155	Stokes basket storage box fabricated from smooth plate aluminum painted job color for Junkin JSA-200 stokes basket. Includes hinged lid with gas springs & notch to clear extension system components. Locate right side on side of base section ahead of sign plate (if equipped). HP100 platform only.	\$ 5,889.00
AERIAL EQUIPMENT	6500-0156	Hose box with hinged lid for 10' of 1.75" DJ hose and nozzle with pistol grip. Box to be approx 10" long x 5.5" wide x 32" deep. Includes flex draw latch and notch on forward facing side of box for pistol grip handle. Locate left side of platform as far rearward as possible. Note hose to be stored as a high rise pack with nozzle grip handle protruding thru notch in hose box with lid closed. See sketch.	\$ 1,837.00
AERIAL EQUIPMENT	6500-0157	PAC TRAC positive locking bracket (PR) for 3' pike pole with D-handle in platform.	\$ 650.00
AERIAL EQUIPMENT	6500-0158	Storage box with hinged lid & butterfly latch for miscellaneous items. Approx size: 6W x 18L x 12D. Box location: right side base of ladder, offset as far rearward as possible for easy access from turntable.	\$ 1,156.00
AERIAL EQUIPMENT	6500-0159	Diamond plate storage box with hinged lid to outside for Cutters Edge saw (PR). Box to be approx 36" long x 16" wide x 16" deep includes butterfly latch, gas shock hold-open and chrome grab handle. Locate right and left sides of base section forward of sign plate.	\$ 3,911.00
AERIAL EQUIPMENT	6500-0160	PAC TRAC positive locking bracket for 6' Trash Hook w/D-ring handle. Includes fabricated aluminum smooth plate boot for trash hook head storage. Location:left side on of base section at tip	\$ 1,201.00
AERIAL EQUIPMENT	6500-0161	Access step at entrance to aerial's base section shall be hinged for available storage. Applies only to HP75/78.	\$ 1,316.00
AERIAL EQUIPMENT	6500-0162	Pike pole tube for 6' NY Hook pike pole on ladder. Location: left side fly section.	\$ 538.00
AERIAL EQUIPMENT	6500-0163	Pike pole tube for 8' pole on ladder. Includes non-locking slot at .875" wide. Location: [#LOC].	\$ 538.00
AERIAL EQUIPMENT	6500-0164	Lifting eyes each side at tip of fly section. Rating is 375 lbs ea, 750 lbs pr. CR100 or HP100 Platform only.	\$ 1,773.00
AERIAL EQUIPMENT	6500-0165	PAC TRAC positive locking brackets (PR) for (1) 6' pike pole. Location: [#LOC].	\$ 697.00
AERIAL EQUIPMENT	6500-0166	PAC TRAC positive locking brackets (PR) for (1) 8' pike pole. Location: [#LOC].	\$ 697.00
AERIAL EQUIPMENT	6500-0168	Diamond plate storage boxes (PR) with hinged lids (lids to open outboard), boxes to be stacked one on top of the other. Lower box to be approx 33l x 12W x 16D located on right side of aerial turntable, upper box to be as long as possible to clear turntable handrail when lower box lid is open x 12W x 8D. Includes cable hold open and butterfly latches. Note both lids not to open pass 90 degrees. HP100L/CR100/137L/92Pltfrm with full T/T only.	\$ 3,168.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

AERIAL EQUIPMENT	6500-0169	Smooth plate storage box swirled finish with hinged lid to outside for (1) Cutter's Edge saw or (1) chain saw. Box to be approx 38L x 15W x 16D includes butterfly latch, gas shock hold-upen, chrome grab handle & notch to clear extension system components if applicable. Capacity 25lb. with tag attached to lid. Locate on officer's side of aerial base at tip.	\$ 2,999.00
AERIAL EQUIPMENT	6500-0170	PAC TRAC positive locking bracket (PR) for storing 10' attic ladder on ladder base includes stop plate to prevent the attic ladder from sliding. Location: left side of base horizontally mounted behind sign plate.	\$ 1,081.00
AERIAL EQUIPMENT	6500-0171	Stokes basket storage box for Ferno Washington model 71 stokes on aerial base section. Includes hinged lid with gas springs & notch to clear extension system components. Locate right side on side of base section behind sign plate (if equipped).	\$ 4,802.00
AERIAL EQUIPMENT	6500-0172	Lifting eyes each side at ladder tip. Rating is 250 lbs ea / 500 lbs pr.	\$ 1,451.00
AERIAL EQUIPMENT	6500-0173	The Left/Right/center turntable handrails to flare outward approx 8" to provide additional working space. The Left & Right handrail's rear upright and both center handrail's uprights to flair out. CR100/137 and 95-platform with full turntable and HM100, LTH100 and HR100 with turntable extension only.	\$ 3,278.00
AERIAL EQUIPMENT	6500-0174	Stokes basket diamond plate storage box on aerial base section. Includes hinged lid with gas springs & notch to clear extension system components. Locate right side on base section rearward of sign plate (if equipped).	\$ 4,802.00
AERIAL EQUIPMENT	6500-0175	Stokes basket storage box fabricated from smooth plate aluminum. Box sized to accommodate stokes basket receiver brackets. Includes hinged lid with gas springs. Box to be notched to clear extension system components if applicable. Exterior of box to be painted specified color. Box location: [#LOC]	\$ 5,466.00
AERIAL EQUIPMENT	6500-0176	Stokes basket storage box fabricated from aluminum diamond plate. Box sized to accommodate stokes basket receiver brackets. Includes hinged lid with gas springs. Box to be notched to clear extension system components if applicable. Box location: [#LOC]	\$ 4,799.00
AERIAL EQUIPMENT	6500-0177	Diamond plate storage box with hinged lid and side access door for miscellaneous items. Box to be approx 23L x 15W x 35H located on right side of aerial turntable. Storage box to be as water tight as possible. LTH100 with full T/T only.	\$ 2,245.00
AERIAL EQUIPMENT	6500-0178	Diamond plate storage box with hinged lid for power cut saw. Box to be approx 39L x 16W x 20H located on right side of aerial turntable. Includes notch(es) as required for turntable handrail clearance. HP100L/CR100/137L/92Pltfm with full T/T only.	\$ 2,243.00
AERIAL EQUIPMENT	6500-0179	PAC TRAC Ironslok-HD mounting bracket model# K5003-HD for PIG Axe. Does not include Axe. Right side fly section.	\$ 1,212.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0180	Smooth plate storage box with hinged lid on officer side aerial ladder behind sign plate. Box to be approx 120L x 14W x 12D includes butterfly latch, gas shock hold-upen, recessed handle. There shall be a divider approximately 60" off forward wall & notch to clear extension system components if applicable. Box shall be painted job color.	\$ 4,255.00
AERIAL EQUIPMENT	6500-0181	Tie off eye on outrigger (2). Includes (2) 1" x 2.5" slots on each tie off eye. Locate on pivot side of outer jack tube only. Rated at 9000lbs. each. For use with criss cross under slung jacks only. Note requires fixed outrigger cover's bottom edge raised to match bottom of body.	\$ 1,632.00
AERIAL EQUIPMENT	6500-0182	Diamond plate storage box with hinged lid to outside for Cutters Edge saw. Box to be approx 36" long x 16" wide x 16" deep includes butterfly latch, gas shock hold-open and chrome grab handle. Locate left side of base section forward of sign plate.	\$ 1,957.00
AERIAL EQUIPMENT	6500-0183	Diamond plate storage box with hinged lid for chain saw. Box to be approx 27L x 14W x 35D located on right side of aerial turntable. WOP aerials only.	\$ 1,474.00
AERIAL EQUIPMENT	6500-0184	Smooth plate storage box painted black with hinged lid to outside. Box to be approx 40L x 12W x 18H includes butterfly latch, gas shock hold-open, chrome grab handle & notch to clear extension system components (if applicable). Capacity 25lb. with tag attached to lid. Locate on officer's side of aerial base at tip.	\$ 2,545.00
AERIAL EQUIPMENT	6500-0185	Stokes basket storage brackets for use with CMC Model 726112-T1 Stokes. The stokes basket shall mount to the base section on the right side toward front. Stokes not included.	\$ 781.00
AERIAL EQUIPMENT	6500-0186	Diamond plate storage box with hinged lid to outside for (1) Cutter's Edge saw or (1) chain saw. Box to be approx 38L x 16W x 16D includes butterfly latch, gas shock hold-upen, chrome grab handle & notch to clear extension system components if applicable. Capacity 25lb. with tag attached to lid. Locate on officer's side of aerial base to rear of sign plate.	\$ 2,545.00
AERIAL EQUIPMENT	6500-0187	Axe bracket mounted on aerial for TNT Axe/Sledge. For use with a 6 lb. axe only. Location: right side fly section.	\$ 889.00
AERIAL EQUIPMENT	6500-0188	Pig Axe bracket mounted on aerial. For use with a 8 lb. Pig Axe only. Location: [#LOC].	\$ 1,212.00
AERIAL EQUIPMENT	6500-0189	Additional inclinometer to rear of ladder within view of pedestal mounted next to our standard indicator or a location to be determined by production.	\$ 357.00
AERIAL EQUIPMENT	6500-0190	Additional inclinometer to be mounted as far back on base to clear ladder support on upper section, There are to be nothing blocking chart.	\$ 357.00
AERIAL EQUIPMENT	6500-0191	PAC TRAC postive locking bracket (PR) for 10' Nupla style pike pole on ladder includes stop plate to prevent the pole from sliding. location: inboard on left side of fly section.	\$ 712.00
AERIAL EQUIPMENT	6500-0192	(2) PAC TRAC postive locking brackets for Halligan tool. Location: left and right side of platform against rear wall.	\$ 562.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0193	Two chain saw mounting scabbards (pr) shall be provided in platform. Located one each side to rear of each access door. Permanent mounted equipment not to exceed 10 lbs. Dealer/Customer to provide size of chain saw bar at pre-construction meeting.	\$ 1,582.00
AERIAL EQUIPMENT	6500-0194	Saw scabbard mounting bracket for chain saw. Mounting bracket for use only at scene not for permanent storage. Includes an adjustable bracket for securing saw while mounted at platform. Located outside to rear of platform on driver side.	\$ 1,730.00
AERIAL EQUIPMENT	6500-0195	PAC TRAC positive locking brackets (PR) for (1) 10' pike pole. Location: [#LOC].	\$ 697.00
AERIAL EQUIPMENT	6500-0196	Stokes basket diamond plate storage box on aerial base section for Junkin model JSA-300PCW stokes basket. Includes hinged lid with gas shock hold-open device. Locate right side forward of sign plate on base section.	\$ 5,062.00
AERIAL EQUIPMENT	6500-0197	Pike pole tube for 12' NY Roof Hook on ladder. Location: [#LOC].	\$ 538.00
AERIAL EQUIPMENT	6500-0198	Cover for FLIR camera at tip of aerial. Cover to be alum and easily removable before using camera.	\$ 915.00
AERIAL EQUIPMENT	6500-0199	Flag pole mount for 48" flag pole w/1.25" outside diameter pole. Locate on driver's side rail of rear center turntable handrail. Note this will not be centered on truck.	\$ 469.00
AERIAL EQUIPMENT	6500-0201	Pike pole tube for 10' NY Roof Hook on ladder. Location: [#LOC].	\$ 538.00
AERIAL EQUIPMENT	6500-0202	Diamond plate storage box with hinged lid to outside for Cutters Edge saw. Box to be approx 43" long x 16" wide x 16" deep includes butterfly latch, gas shock hold-open and chrome grab handle. Locate right side of turntable.	\$ 1,957.00
AERIAL EQUIPMENT	6500-0203	Smooth plate aluminum storage box with hinged lid for Stihl MS460 chain saw. Saw to store with bar extended thru dealer supplied slot in sub floor. Located outside to right rear of platform.	\$ 3,555.00
AERIAL EQUIPMENT	6500-0204	Stokes basket storage brackets for use with Junkin JSA-300CS Stokes. The stokes basket shall mount to the base section on the left side towards front. Stokes not included.	\$ 781.00
AERIAL EQUIPMENT	6500-0205	Safety belt eyes (PR) shall be provided on front walls of platform. Applies only to HP100 platform. Note: Adds .5" to OAH of vehicle.	\$ 343.00
AERIAL EQUIPMENT	6500-0206	Saw scabbard mounting bracket for chain saw. Mounting bracket for use only at scene not for permanent storage. Includes an adjustable bracket for securing saw while mounted. Located at tip of aerial device.	\$ 1,730.00
AERIAL EQUIPMENT	6500-0208	Stokes basket storage brackets for use with CMC Model 726101-T1 Stokes. The stokes basket shall mount to the base section on the right side toward rear. Stokes not included.	\$ 781.00
AERIAL EQUIPMENT	6500-0209	Light shield at tip of aerial for aerial lighting protection. Location(s): [#LOC].	\$ 553.00

Storage area below the rescue saw shall have an access door for miscellaneous storage. Requires turntable extension. (NOTE: Will overhang the front of HR100 fabricated turntable).	\$ 4,095.00
AERIAL EQUIPMENT	6500-0250	Stokes basket storage box fabricated from diamond plate aluminum for CMC Model 726100 or 726101 stokes basket. Includes hinged lid with gas springs & notch to clear extension system components. Locate right side on side of base section ahead of sign plate (if equipped).	\$ 5,062.00
AERIAL EQUIPMENT	6500-0252	Diamond plate storage box with hinged lid for miscellaneous storage. Box to be approx 25L x 12W x 13H located on right side of aerial turntable. Includes notch(es) as required for turntable handrail clearance. Requires turntable extension.	\$ 1,257.00
AERIAL EQUIPMENT	6500-0253	(2) PAC TRAC postive locking brackets for Halligan tool. Wedge/pick head end oriented to prevent inhibiting ladder climbing. Location: left side fly section.	\$ 1,297.00
AERIAL EQUIPMENT	6500-0254	Diamond plate storage box with hinged lid for chain saw. Box to be approx 36L x 16W x 16H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes (2) butterfly latches and (1) chrome handle, (1) handrail on driver side of box, (1) handrail on officer side of box, (2) externally mounted gas shocks and louvers for ventilation. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 3,187.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0255	Diamond plate storage box with hinged lid to outside for miscellaneous storage. Box to be approx 72L x 14W x 20D includes thumb latches, gas shock hold-open(s), recessed handles & notch to clear extension system components if applicable. Capacity 100lb. with tag attached to lid. Locate on left side base section to rear of sign plate.	\$ 3,773.00
AERIAL EQUIPMENT	6500-0256	Ladder belt storage box for (6) CMC ladder belts with 6' lanyards located on right side of platform. Approx size: 10W x 15L x 20D.	\$ 1,190.00
AERIAL EQUIPMENT	6500-0257	Diamond plate storage box with hinged lid for backboard. Box to be approx 74L x 5W x 18H located on driver side behind sign plate.	\$ 2,694.00
AERIAL EQUIPMENT	6500-0259	Diamond plate storage box with hinged lid for chainsaw and miscellaneous storage. Box to be approx 40L x 15W x 15H located on right side of aerial turntable. Includes an outwardly hinged lid with rubber hood latches. Includes notch(es) as required for turntable handrail clearance. Requires turntable extension.	\$ 2,243.00
AERIAL EQUIPMENT	6500-0260	Smooth plate storage box with hinged lid to outside for miscellaneous storage. Box to be approx 70" long x 15" wide x 15" deep includes butterfly latch, gas shock hold-open and chrome grab handle(s). Finish to be painted job color. Capacity 100lb. with tag attached to lid. Locate left side of base section forward of sign plate.	\$ 3,773.00
AERIAL EQUIPMENT	6500-0261	Turtle Tile Brand [#COL] floor matting covering in box on aerial turntable.	\$ 121.00
AERIAL EQUIPMENT	6500-0262	Axe bracket mounted on aerial. For use with a 8 lb Pig Axe LSA-NOT32. Location: [#LOC].	\$ 1,153.00
AERIAL EQUIPMENT	6500-0263	Stokes basket storage box for Ferno Washington model 71 stokes on aerial base section. Includes hinged lid with gas springs. Locate right side on base section rearward of sign plate (if equipped).	\$ 4,802.00
AERIAL EQUIPMENT	6500-0264	Bolt-on diamond plate cover to conceal dealer supplied lubrication system. Cover to be three-sided (no top and no bottom) and bolted to the aerial turntable console. Finish to match turntable console. Dimensions provided on layout and photos of requested replication in the prebuild folder.	\$ 554.00
AERIAL EQUIPMENT	6500-0265	Standard mask box for breathing air system to have specific dimensions for additional mask storage. Custom depth to be 22" deep in place of standard depth.	\$ 435.00
AERIAL EQUIPMENT	6500-0266	Handrail up to 12". Location: At turntable on officer side of diamond plate access step to ladder base section. To assist in gaining access to turntable when ladder is rotated off back of vehicle.	\$ 236.00
AERIAL EQUIPMENT	6500-0267	PAC TRAC positive locking brackets with aluminum tubes for vertical pike pole storage (PR). Includes (2) Two PAC TRAC positive locking brackets and (2) Two 2.375" OD aluminum tubes. Mounting brackets for use only at scene and not for permanent storage. Locate inside of platform bucket against rear wall.	\$ 1,601.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0268	Saw scabbard mounting bracket for chain saw. Mounting bracket for use only at scene not for permanent storage. Design to include an angled pocket for inserting the saw. Located at tip of aerial device on right side (left side N/A).	\$ 1,730.00
AERIAL EQUIPMENT	6500-0269	PAC TRAC Ironslok Halligan/Axe tool mounting bracket model# K50030-HD. Does not include halligan or Axe. Location: right side corner inside of platform.	\$ 1,180.00
AERIAL EQUIPMENT	6500-0270	Smooth plate storage box with hinged lid to outside for miscellaneous tool storage. Box to be approx 16.5" long x 8" wide x 27" deep includes rubber latch. Locate right side of platform offset to rear. Capacity 10lb. with tag attached to lid.	\$ 1,319.00
AERIAL EQUIPMENT	6500-0271	Diamond plate storage box with hinged lid for chain saw and ladder belt storage. Box to be approx 36L x 18W x16H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes partition offset 13" offset from forward wall for chain saw storage, on rearward side of partition for ladder belt storage, (2) rubber hood latches and (1) chrome handle, (1) handrail on driver side of box, (2) externally mounted gas shocks and louvers for ventilation. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 4,625.00
AERIAL EQUIPMENT	6500-0272	Diamond plate storage box with hinged lid for chain saw. Box to be approx 36L x 16W x16H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes (2) rubber hood latches and (1) chrome handle, (1) handrail on driver side of box, (2) externally mounted gas shocks and louvers for ventilation. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 3,187.00
AERIAL EQUIPMENT	6500-0273	PAC TRAC positive locking brackets (PR) for 10' ventilation hook w/D-ring on inside of left side of ladder fly section. Includes aluminum smooth plate boot for ventilation hook head storage.	\$ 1,201.00
AERIAL EQUIPMENT	6500-0274	Diamond plate storage box with hinged lid for chain saw. Box to be approx 36L x 16W x20H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes (2) butterfly latches and (1) chrome handle, (1) handrail on driver side of box, (2) externally mounted gas shocks and louvers for ventilation. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 3,586.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0275	Diamond plate storage box with hinged lid for chain saw. Box to be approx 36L x 16W x16H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes (2) butterfly latches and (1) black grab handle, (1) knurled grip handrail powder coated black on driver side of box, (2) externally mounted gas shocks and louvers for ventilation. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 3,325.00
AERIAL EQUIPMENT	6500-0276	Storage box with hinged lid & butterfly latch for miscellaneous items. Approx size: 6W x 18L x 12D. Box location: right side of turntable handrail for HP75/78 aerial.	\$ 1,156.00
AERIAL EQUIPMENT	6500-0277	Pike pole tube for 6' Boston Rake Hook on ladder. Location: [#LOC].	\$ 538.00
AERIAL EQUIPMENT	6500-0278	PAC TRAC postive locking bracket (PR) for 6' Lockwood hook pike pole on ladder includes stop plate to prevent the pole from sliding. location: left side of base horizontally mounted behind sign plate.	\$ 712.00
AERIAL EQUIPMENT	6500-0279	Stokes basket diamond plate storage box for CMC Rectangular Stokes Basket Model# 726101 on aerial base section. Includes hinged lid with gas springs & notch to clear extension system components. Locate right side on side of base section ahead of sign plate (if equipped). HP100 platform only.	\$ 5,287.00
AERIAL EQUIPMENT	6500-0280	Diamond plate storage box with hinged lid for chain saw. Box to be approx 40L x 18w x18H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes (2) rubber hood latches and (1) chrome handle, (1) handrail on driver side of box, (1) handrail on officer side of box, (2) externally mounted gas shocks and louvers for ventilation. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 3,770.00
AERIAL EQUIPMENT	6500-0281	Storage box with hinged lid for chain saw fabricated from smooth plate aluminum. Box to be approx 36L x 16W x40H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes butterfly latch and chrome handle, handrails on driver and officer side of box, externally mounted gas shock and louvers for ventilation. Facing rearward on turntable, right side to include poly subfloor for chainsaw and lower compartment access for misc. storage. Left side to include tall access door with handrail extrusion centered up high in compartment to hang ladder belts. Exterior of box to be painted specified color. Note requires straight upper rear turntable handrail and w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 8,005.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0282	Diamond plate storage box with hinged lid on driver side aerial ladder behind sign plate. Box to be approx 120L x 14W x 12D includes butterfly latch, gas shock hold-upen, recessed handle. There shall be a divider approximately 60" off forward wall & notch to clear extension system components if applicable. Includes additional louvers on the sides of the box for additional ventilation.	\$ 4,255.00
AERIAL EQUIPMENT	6500-0283	Saw scabbard mounting bracket for chain saw. Mounting bracket for use only at scene not for permanent storage. Design to include an angled pocket for inserting the saw. Located at tip of aerial device on left side. (depend on engineering approval only).	\$ 1,730.00
AERIAL EQUIPMENT	6500-0284	Diamond plate storage box with hinged lid for chain saw. Box to be approx 36L x 16W x20H located rearward on an integral extension of the fabricated turntable with diamond plate overlay. Includes (2) thumb latches and (1) chrome handle, (1) handrail on driver side of box, (2) externally mounted gas shocks and louvers for ventilation. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 3,586.00
AERIAL EQUIPMENT	6500-0285	Saw scabbard mounting bracket for chain saw. Mounting bracket for use only at scene not for permanent storage. Includes an adjustable bracket for securing saw while mounted at platform. Located inside rear of platform on officer side.	\$ 1,730.00
AERIAL EQUIPMENT	6500-0286	Stokes basket diamond plate storage box on aerial base section for Junkin model JSA-200 stokes basket. Includes outboard hinged lift-up lid with (2) push button latches, recessed finger pulls and gas shock hold open(s). Locate right side forward of sign plate on base section.	\$ 5,062.00
AERIAL EQUIPMENT	6500-0287	Ladder belt storage box located on left side behind platform bucket. Approx size: 10W x 15L x 20D.	\$ 1,190.00
AERIAL EQUIPMENT	6500-0288	Diamond plate storage box with hinged lid for chain or power cut saw. Box to be approx 34L x 14W x 16H located on right side of aerial turntable. Includes notch(es) as required for turntable handrail clearance. CR100/92Pltfrm/110/100 with full T/T only.	\$ 1,564.00
AERIAL EQUIPMENT	6500-0289	Stokes basket storage box / misc. equipment storage on aerial base section. Includes storage box for Ferno Model 71 stokes basket and an identical sized box on the opposite side. Includes outboard lift-up lid with push button latches, recessed finger pulls, gas shock hold opens & notch to clear extension system compenents (if applicable). Locate misc. storage box on the left side of base and stokes basket storage box on right side of base. The box shall be smooth plate, painted job color.	\$ 8,463.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0290	Smooth plate storage box with hinged lid for chain saw. Box to be approx 36L x 10W x16H located rearward on an integral extension of the fabricated turntable. Includes (2) butterfly latches and (1) chrome handle, (1) handrail on driver side of box, (2) externally mounted gas shocks and louvers for ventilation. Box to be painted job color. Note w/single axle aerial applications will require engineering approval. HP100L/HR100/CR100/92Pltfrm.	\$ 3,830.00
AERIAL EQUIPMENT	6500-0291	Brackets shall be provided to mount a stokes basket to the aerial base section while not in use. Brackets shall hold aTraverse Rescue Titan Tapered SS (Model# 11-0100) stokes. The stokes basket shall mount on the base section on the left side of base towards the front. Stokes not included.	\$ 2,571.00
AERIAL EQUIPMENT	6500-0292	Smooth plate storage box with hinged lid to outside for miscellaneous storage. Box to be approx 38" long x 15" wide x 15" deep includes butterfly latch, gas shock hold-open and chrome grab handle. Finish to be swirled. Locate right side of base section rearward of sign plate.	\$ 1,957.00
AERIAL EQUIPMENT	6500-0293	PAC TRAC postive locking bracket (PR) for 10' dry wall hook on ladder includes stop plate to prevent the pole from sliding. location: right side of base horizontally mounted behind sign plate.	\$ 712.00
AERIAL EQUIPMENT	6500-0294	Stokes basket storage brackets outside the base section. Stokes not included. Specify side (driver / officer), position (offset to front or offset to rear) and make / model of stokes. See specs for list of approved stokes baskets. Other stokes baskets require engineering approval.	\$ 1,295.00
AERIAL EQUIPMENT	6500-0295	Mask style storage box with hinged lid & butterfly latch for (1) chimney scrubber chimney brush. Approximate size is 6W x 14L x 15D. Box location: left side of base tip outboard.	\$ 859.00
AERIAL EQUIPMENT	6500-0296	Diamond plate storage box with hinged lid to outside for miscellaneous storage. Box to be approx 34L x 15W x 16D includes butterfly latches, gas shock(s) hold-upen, chrome grab handle & notch to clear extension system components if applicable. Provide (1) adjustable divider with (2) adjustable shelving tracks installed on floor, divider to adjust front to rear. Capacity 25lb. with tag attached to lid. Locate right side of base section ahead of sign plate(if applicable). See photos in File.	\$ 2,545.00
AERIAL EQUIPMENT	6500-0297	Tie off eye on outrigger (4). Includes 1" x 2.5" slot on each tie off eye. Locate on pivot side of outer jack tube. Rated at 9000lbs. each. For use with 12' crisscross underslung jacks with outrigger pad extension option only. Note requires fixed outrigger cover's bottom edge raised to match bottom of body.	\$ 3,256.00
AERIAL EQUIPMENT	6500-0298	PAC TRAC postive locking bracket (PR) for 6' Lockwood hook pike pole on ladder includes stop plate to prevent the pole from sliding. location: right side of base horizontally mounted behind sign plate.	\$ 712.00
AERIAL EQUIPMENT	6500-0299	Pike pole tube for 6' Lockwood hook pike pole on ladder. Location: left side fly section.	\$ 538.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL EQUIPMENT	6500-0300	Stokes basket storage box on aerial base section. The box shall be smooth plate, painted, and will have a hinged lid. Locate right side to the rear of sign plate. Color to be specified by sales.	\$ 5,062.00
AERIAL EQUIPMENT	6500-0301	Storage box diamond plate with hinged lid & butterfly latch for 100' of 1.75" DJ hose, rated for 100lb. capacity. Approx size: 12W x 25L x 12D. Floor to have extruded alum slats. Locate driver side ahead of aerial sign plate on side of base section.	\$ 2,042.00
AERIAL EQUIPMENT	6500-0302	Miscellaneous small tool storage box located on right side of platform. Approx size: 9W x 13L x 15D.	\$ 894.00
AERIAL EQUIPMENT	6500-0303	Diamond plate miscellaneous small tool storage box located right side of platform. Approx size: 7W x 14L x 16D. Capacity 10lb. with tag attached to lid.	\$ 894.00
AERIAL EQUIPMENT	6500-0304	Hose box for 75' of 1.75" DJ hose located left side of platform offset to rear. Approximate dimensions 18L x 10W x 22D.	\$ 1,349.00
AERIAL EQUIPMENT	6500-0305	Smooth plate storage box with hinged lid to outside for miscellaneous tool storage. Box to be approx 18" long x 10" wide x 22" deep includes rubber latch. Locate right side of platform offset to rear. Capacity 10lb. with tag attached to lid.	\$ 1,319.00
AERIAL EQUIPMENT	6500-0306	Stokes basket storage box fabricated from smooth plate aluminum painted job color for Junkin MIL-8131 stokes basket. Includes hinged lid with gas springs & notch to clear extension system components. Locate right side on side of base section behind sign plate (if equipped). HP100 platform only.	\$ 5,889.00
AERIAL EQUIPMENT	6500-0307	JA Lube auto lube system for aerial device (up to 8 points). Includes diamond plate cover w/slot to view grease level.	\$ 5,398.00
AERIAL EQUIPMENT	6500-0308	Smooth plate aluminum storage box with hinged lid for Stihl MS500i (or similar) chain saw. Includes sub floor that will be cut by the dealer/customer. Located outside to left rear of platform on handrails. See sketch in file for dimensions.	\$ 3,555.00
AERIAL EQUIPMENT	6500-0309	PAC TRAC Ironslok Halligan/Axe tool mounting bracket model# K5003. Does not include halligan or Axe. Location: left side corner inside of platform.	\$ 1,105.00
AERIAL EQUIPMENT	6500-0310	Hose box for 50' of 2.5" DJ hose located [#LOC]. Drain holes on the bottom only.	\$ 1,369.00
AERIAL EQUIPMENT	6500-0312	Stokes basket storage box fabricated from smooth plate aluminum. Box sized to accommodate stokes basket receiver brackets. Includes hinged lid with gas springs. Box to be notched to clear extension system components if applicable. Exterior of box to have a swirl finish. Box location: [#LOC]	\$ 5,466.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0000	Cold weather package for aerial hydraulic system.	\$ 5,379.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0001	Aerial hydraulic filter isolation kit.	\$ 509.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0002	Aerial hydraulic reservoir to be located in lower L1 compt.	\$ 1,987.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0003	Gauge aerial hydraulic oil level. Electronic display to be located [#LOC].	\$ 1,176.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL HYDRAULIC SYSTEM OPT	6150-0005	Aerial hydraulic oil reservoir to be stainless steel IPOS. Includes flange type hyd fittings. Not for use in southern climates.	\$ 3,503.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0006	Gauge aerial hydraulic oil level. Electronic display to be located on upper rear surface of turntable control console.	\$ 1,633.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0007	Aerial hydraulic reservoir to be located front center of body on "H" style bracket.	\$ 1,987.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0008	Integral outrigger pad extensions (4). 15" x 20" x .5" steel plate welded to std jack foot plates. N/A on HP75/78, 4-jack HP95 MM or HP100 Platform with short jack.	\$ 887.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0009	Cold weather package for shared aerial hydraulic system.	\$ 559.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0011	Aerial hydraulic sight level gauge IATS. To be located on forward face of aerial reservoir viewable from a hinged door facing outboard behind compartment plate work.	\$ 1,262.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0012	Extended length outrigger foot (4). Required with >54k rear axle on HP100 Platform.	\$ 302.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0014	Aerial hydraulic pump to be upgraded to a variable displacement style pump	\$ 5,239.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0015	Aerial hydraulic pump to have drive through provision. For use with up to 12kw Harrison, 10kw Smartpower and 15kw Onan.	\$ 1,035.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0016	Special aerial hydraulic reservoir/location due to customer's requirements.	\$ 2,332.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0017	Aerial hydraulic reservoir to be located in lower L2 compt.	\$ 1,987.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0018	Aerial hydraulic reservoir to be located in lower L3 compt.	\$ 1,987.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0019	Forward drop down and lock jacks shall be provided with same larger ground pads (PR) as those provided for rear drop down jacks. Only applies to 95' mid mount platform.	\$ 634.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0020	Aerial hydraulic pump to be upgraded to a variable displacement style pump with a drive through provision. For use with Harrison and Smartpower up to 10kw and Onan up to 15 kw. On 6-jack HP95MM up to 10kw Harrison generator only and requires 260" WB.	\$ 5,239.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0021	Relocate ladder / jack and individual jack leg override valves closer to rear of body (HP75/78 only)	\$ 306.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0022	Integral outrigger pad extensions w/2" radius corners (4). 15" x 20" x .5" steel plate welded to std jack foot plates. N/A on HP75/78, 4-jack HP95 MM or HP100 Platform with short jack.	\$ 887.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0023	Aerial hydraulic reservoir to be located rearward in pump compartment on "H" style bracket.	\$ 1,987.00
AERIAL HYDRAULIC SYSTEM OPT	6150-0026	Manual ball valve for aerial hydraulic reservoir's drain, extend drain to bottom of frame.	\$ 612.00
AERIAL LADDER BRACKETS	6600-0000	Folding ladder bracket. Locate inside the right side fly section for a FL-10.	\$ 1,198.00
AERIAL LADDER BRACKETS	6600-0001	Slide out roof ladder bracket. Locate outside base section for a [#LOC]. Available on 95RM, 110, CR100 and HM100.	\$ 3,627.00
AERIAL LADDER BRACKETS	6600-0002	Roof ladder bracket J style mount. Locate outside base section for a [#LOC]. Available on HP75/78, HP100, and HP95. Requires engineering review and approval on HP75 with split raised roof.	\$ 3,736.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL LADDER BRACKETS	6600-0003	Roof ladder bracket lift out. Locate inside the left side fly section for a PRL-12. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0004	Lift out style roof ladder bracket. Locate outside base section for a [#LOC]. Available on 95-Platform, 110, CR100/137 and HR100.	\$ 3,627.00
AERIAL LADDER BRACKETS	6600-0005	Roof ladder bracket lift out. Locate inside the left side fly section for a PRL-14. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0006	Roof ladder bracket lift out. Locate inside the left side fly section for a PRL-16. Avail on 95-Platform, HP95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0008	Roof ladder bracket lift out. Locate inside the left side fly section for a 775A-12. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0009	Parapet roof ladder bracket for platform. For use with Alcolite and Duo Safety roof ladders (not included). Available on HP100 Platform, HP95MM Platform and 95-Platform with angle corners. Note: Option is not compatible with Duo Safety fiberglass ladders.	\$ 3,758.00
AERIAL LADDER BRACKETS	6600-0011	Roof ladder bracket lift out. Locate inside the right side fly section for a 775A-10. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0012	In addition to the lift-out ladder bracket in the fly section a guard plate shall be installed on the inside of the fly section. To guard against the roof ladder hooks from accidentally following into the ladder fly structure when the aerial is extending or retracting.	\$ 297.00
AERIAL LADDER BRACKETS	6600-0013	Roof ladder bracket lift out. Locate inside the right side fly section for a PRL-14. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0015	Lift out style roof ladder bracket. Locate outside base section for a 16' roof ladder PRL-16 on left side of base section. Includes additional bracket for ladder support. Available on 95RM, 110, CR100 and HM100.	\$ 4,845.00
AERIAL LADDER BRACKETS	6600-0016	Roof ladder bracket lift out. Locate inside the left side fly section for a 775-DR 12'. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0017	Roof ladder bracket lift out. Locate inside the left side fly section for a 775A-14. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0018	Roof ladder bracket lift out. Locate inside the right side fly section for a PRL-20. Avail on HP100 Platform only due to reduced calculated weight..	\$ 691.00
AERIAL LADDER BRACKETS	6600-0019	Roof ladder bracket lift out. Locate inside the left side fly section for a 775A-14. Available on HP100 platform only for modified tip weight.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0020	Lift out style roof ladder bracket. Locate outside base section for a 16' roof ladder PRL-16 on right side of base section. Includes additional bracket for ladder support. Available on HP75/78.	\$ 4,845.00
AERIAL LADDER BRACKETS	6600-0022	Roof ladder bracket lift out. Locate inside the right side fly section for a PRL-14. Avail on HP100 Platform only due to reduced calculated weight.	\$ 691.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL LADDER BRACKETS	6600-0023	Roof bracket for surf board. Locate driver side base section behind sign plate for a Performer Rescue Board, approximate dimensions to be 11' long x 25.5" high x 4.5" thick. Available on HP75/78, HP100, and HP95.	\$ 4,457.00
AERIAL LADDER BRACKETS	6600-0024	Lift out style roof ladder bracket. Locate outside base section for a 16' roof YGR-16 on left side of base section. Available on 95RM, 110, CR100 and HM100.	\$ 3,627.00
AERIAL LADDER BRACKETS	6600-0025	Roof ladder bracket J style mount. Locate outside base section for a [#LOC]. Note sign plate to not extend past front mounting bracket (if applicable). Available on HP75/78, HP100, and HP95. Requires engineering review and approval on HP75 with split raised roof.	\$ 3,736.00
AERIAL LADDER BRACKETS	6600-0026	Roof ladder bracket lift out. Locate inside the left side fly section for a 875A-16. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0027	PAC TRAC positive locking bracket (PR) for storing 10' attic ladder on ladder fly section includes stop plate to prevent the attic ladder from sliding. Location: inside the right side fly section for a FL-10.	\$ 1,081.00
AERIAL LADDER BRACKETS	6600-0028	Roof ladder bracket lift out. Locate inside the right side fly section for a PRL-10. Avail also on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0029	Roof ladder bracket lift out. Locate inside the right side fly section for a 775A-14. Available on HP100 platform only for modified tip weight.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0030	Right side base section ladder bracket to have mounting provisions for a Duo Safety Model 701 Fresno 14' ladder. Fresno to store between roof ladder and sign plate. Requires roof ladder bracket and sign plate options.	\$ 1,730.00
AERIAL LADDER BRACKETS	6600-0031	Roof ladder bracket lift out (PR). Includes (2) two lower fabricated brackets for side rail of ladder to store in, with pin assembly to secure upper rail against side of base. Locate outside base section for a [#LOC]. Note ladder to be as close as possible next to side of base. Available on HM100.	\$ 835.00
AERIAL LADDER BRACKETS	6600-0032	Roof ladder bracket lift out. Locate inside the right side fly section for a DRL-14. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0033	Roof ladder bracket lift out. Locate inside the right side fly section for a 875A-18. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0034	Roof ladder bracket lift out. Locate inside the left side fly section for a DRL-14. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0035	Lift out slim profile style roof ladder bracket. Locate outside base section for a [#LOC]. Available on 95RM, 110, CR100, HR100 and HM100.	\$ 3,627.00
AERIAL LADDER BRACKETS	6600-0036	Roof ladder bracket lift out. Locate inside the left side fly section for a DRL-16. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0037	Lift out slim profile style roof ladder bracket. Locate outside base section for a [#LOC] on right side of base section. Available on 95RM, 110, CR100, HR100 and HM100.	\$ 3,627.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL LADDER BRACKETS	6600-0038	Roof ladder staging bracket, lift out. Locate inside the right side fly section. Available on 110, HR100, HP100P, HP95MM.	\$ 771.00
AERIAL LADDER BRACKETS	6600-0039	Lift out style roof ladder bracket. Locate outside base section for a DRL-18 on left side of base section. Available on 95RM, 110, CR100 and HM100.	\$ 3,627.00
AERIAL LADDER BRACKETS	6600-0040	Roof ladder bracket lift out. Locate inside the left side fly section for a 875-DR 16' roof. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0041	Roof ladder bracket lift out. Locate inside the right side fly section for a 775DR-10. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0042	Roof ladder bracket lift out. Locate inside the right side fly section for a DRL-12. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0043	Roof ladder bracket lift out. Locate inside the left side fly section for a 23lb. customer installed ladder (see Sales folder for futher specifications).	\$ 691.00
AERIAL LADDER BRACKETS	6600-0044	Roof ladder bracket lift out. Locate inside the right side fly section for a 775-DR 14' roof. Avail on 95-Platform, 95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0045	Roof ladder staging bracket, lift out. Locate inside the left side fly section. Available on 110, HR100, HP100P, HP95MM.	\$ 771.00
AERIAL LADDER BRACKETS	6600-0046	Lift out style roof ladder bracket. Locate outside base section for a 20' roof ladder PRL-20 on left side of base section. Includes additional bracket for ladder support. Available on 95RM, 110, CR100 and HM100.	\$ 4,845.00
AERIAL LADDER BRACKETS	6600-0047	Additional lift out style roof ladder bracket outside base section for ladders longer than 16'. Requires engineering review and approval with split raised roof.	\$ 1,082.00
AERIAL LADDER BRACKETS	6600-0048	Ladder bracket modification for a double roof ladder bracket mounted to side of base section. Provide additional ladder to single roof ladder bracket. Additional ladder and which side of the base section as specified:	\$ 3,181.00
AERIAL LADDER BRACKETS	6600-0049	Folding ladder bracket. Locate inside the left side fly section for a FL-10.	\$ 1,198.00
AERIAL LADDER BRACKETS	6600-0050	Roof ladder bracket lift out. Locate inside the right side fly section for a 775-DR 12'. Avail on HP100P, 95RM and 95MM.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0051	Roof ladder bracket lift out. Locate inside the right side fly section for a PRL-16. Avail on 95-Platform, HP95MM and HP100 Platform.	\$ 691.00
AERIAL LADDER BRACKETS	6600-0052	Folding ladder bracket. Locate inside the right side fly section for a 10' 585-A attic ladder with shoes.	\$ 1,543.00
AERIAL LIGHTING	6560-0002	Spot light 12V located [#LOC].	\$ 881.00
AERIAL LIGHTING	6560-0003	Flood light 12V located [#LOC].	\$ 881.00
AERIAL LIGHTING	6560-0005	Flood lights Unity at base (PR).	\$ 1,029.00
AERIAL LIGHTING	6560-0008	Quartz light 500W with pole platform. Hardwired. Requires 110V twist lock at tip option. The light shall be located [#LOC].	\$ 1,355.00
AERIAL LIGHTING	6560-0009	Quartz light 500W at tip. Hardwired. Requires 110V twist lock at tip option. The light shall be located [#LOC].	\$ 727.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL LIGHTING	6560-0016	Quartz light Fire Research Focus 750W/110V model FCA540-S75-CLP37-ON-SW with 37" pull up pole. The light shall be located [#LOC].	\$ 3,200.00
AERIAL LIGHTING	6560-0017	Quartz light Fire Research Focus 750W/110V model FCA300-S75 with aerial mount. The light shall be located [#LOC].	\$ 2,080.00
AERIAL LIGHTING	6560-0018	Quartz light Fire Research Focus 750W/110V model FCA570-S75-ON without pole. The light shall be located [#LOC].	\$ 2,456.00
AERIAL LIGHTING	6560-0019	Quartz light Fire Research Optimum 750W/110V model OPA570-S75-ON without pole. The light shall be located [#LOC].	\$ 2,600.00
AERIAL LIGHTING	6560-0026	Quartz light Fire Research Optimum 750W/110V model OPA540-S75-CLP37-ON-SW with 37" pull up pole. The light shall be located [#LOC].	\$ 3,333.00
AERIAL LIGHTING	6560-0029	Ladder climbing lights Truck-lite LED. Lens colors shall be [#COL]. Lights are only offered in red or amber.	\$ 5,932.00
AERIAL LIGHTING	6560-0030	Grille guard for Optimum light(s) on aerial.	\$ 307.00
AERIAL LIGHTING	6560-0033	Quartz light Fire Research Focus 750W/110V model FCA200-S75 (PR) permanently mounted recessed in the front corners of the bottom heat shield on the platform. Requires 110 receptacle at tip option. Includes hardwired switch on platform console. Midmount only.	\$ 4,146.00
AERIAL LIGHTING	6560-0034	Three way switching for quartz light on front of platform to allow light to be controlled from platform console, turntable console or cab. Includes 12v/110v relay and switches at platform and base consoles. Requires add'l 12v switch option in cab.	\$ 1,454.00
AERIAL LIGHTING	6560-0038	Additional turntable console lights (PR). Locate (1) each side ahead of aerial controls. HP100 platform only.	\$ 227.00
AERIAL LIGHTING	6560-0039	Additional floor strip light in platform (EA). Location: [#LOC].	\$ 232.00
AERIAL LIGHTING	6560-0040	Whelen model PSBP12C LED spot light located [#LOC].	\$ 1,174.00
AERIAL LIGHTING	6560-0041	Whelen LED model PFBP12C at base (PR).	\$ 2,160.00
AERIAL LIGHTING	6560-0043	Quartz light Fire Research Focus 500W/110V model FCA200-S50 permanently mounted recessed in the center of the bottom heat shield on the platform. Requires 110 receptacle at tip option. Midmount only.	\$ 1,892.00
AERIAL LIGHTING	6560-0044	Quartz light Fire Research Optimum 750W/110V model OPA200-S75 recess mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$ 2,376.00
AERIAL LIGHTING	6560-0051	Quartz light Fire Research Focus 1000W/240V model FCA570-M12-ON without pole. The light shall be located [#LOC].	\$ 2,616.00
AERIAL LIGHTING	6560-0053	(No longer used; See sales code 6560-0040) Whelen PSBP12C LED spot light located [#LOC].	\$ 1,083.00
AERIAL LIGHTING	6560-0057	Outrigger flood lights LED (4) IPOS. Whelen model PFBS6.	\$ 2,448.00
AERIAL LIGHTING	6560-0058	Light Whelen Pioneer model KR-14PFP2AC platform mounted. Requires 110 volt twistlock receptacle at tip option. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$ 4,002.00
AERIAL LIGHTING	6560-0059	Light Whelen 12V Pioneer Plus model PSP1 spot light with PBAPED pedestal mount. Location: [#LOC].	\$ 3,266.00
AERIAL LIGHTING	6560-0061	Flood lights Whelen PFP1 at base (PR).	\$ 6,515.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

AERIAL LIGHTING	6560-0262	FireTech model FT-SL-GESM-W 12 volt LED scene light. Includes Kwik-Raze 600 Series pedestal mount with switch on turntable console. Location: [#LOC].	\$ 3,884.00
AERIAL LIGHTING	6560-0263	FireTech model FT-SL-15-FT-W 12 volt LED flood light. Includes Kwik-Raze 600 Series pedestal mount with switch on the turntable console. Location: [#LOC].	\$ 3,884.00
AERIAL LIGHTING	6560-0264	FireTech FT-SL-GESM-W LED Pole Mount Guardian Elite Scene Light. Head only (Requires separate pole option). Location: [#LOC].	\$ 2,666.00
AERIAL LIGHTING	6560-0265	FireTech model FT-WL-X-9-FT-W LED flood/spot light with white housing. Includes switch at platform and turntable console. Location: [#LOC].	\$ 2,025.00
AERIAL LIGHTING	6560-0266	FireTech model FT-SL-GSM-W 12 volt LED flood light. Requires separate pole option. Location: [#LOC].	\$ 2,507.00
AERIAL LIGHTING	6560-0267	Light Firetech WL-2000 LED flood light with a white powder coat finish, platform mounted (PR). Includes mounts and hardwired switch on platform console. Locate one each side below front platform step.	\$ 1,266.00
AERIAL LIGHTING	6560-0268	Light Fire Research Spectra 12V LED model SPA540-Q15-CLP37-ON-SW with 37" pull up pole powder coated white. The light shall be located [#LOC].	\$ 6,416.00
AERIAL LIGHTING	6560-0269	Light Fire Research Spectra LED 120V model SPASB600-B28 permanent mount (PR). Includes switches at lightheads. Requires 110-volt twist lock receptacle at tip option. Location one each side, 100 foot platform base section tip.	\$ 9,971.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL LIGHTING	6560-0270	Light Fire Research Mini Spectra LED 120V model SPASB600-T14 permanent mount. Includes switch at lighthouse. Requires 110-volt twist lock receptacle at tip option. Location(s): [#LOC].	\$ 4,359.00
AERIAL LIGHTING	6560-0271	Akron Revel 12V LED model ELRE-XLDC-PU-SM2-UI-TL-WO. The light shall be fitted with a weather-resistant switch and hard-wired to the aerial tip power circuit. Location: [#LOC].	\$ 3,828.00
AERIAL LIGHTING	6560-0272	FireTech 21" 12V double stack brow light powder coated white with combo spot/flood optics. Includes switch on platform or turntable console. The light assembly shall be located: [#LOC].	\$ 4,108.00
AERIAL LIGHTING	6560-0273	FireTech model FT-SL-GESM-W-110 110 volt LED scene light. Includes Kwik-Raze 600 Series pedestal mount with switch on turntable console. Location: [#LOC].	\$ 3,884.00
AERIAL LIGHTING	6560-0274	FireTech model FT-SL-15-FT-W-110 110 volt LED flood light. Includes Kwik-Raze 600 Series pedestal mount with switch on the turntable console. Location: [#LOC].	\$ 4,015.00
AERIAL LIGHTING	6560-0275	Light Whelen Pioneer Plus 12V model PCH1B powder coated black with PH1LPED pedestal mount. Switched at base console. Location(s): [#LOC].	\$ 3,036.00
AERIAL LIGHTING	6560-0276	Whelen LED model PFBP12 at base (PR).	\$ 2,160.00
AERIAL LIGHTING	6560-0277	Whelen Pioneer Summit 12V 16" bracket mounted light at tip. Includes switch on turntable console. Location: [#LOC].	\$ 2,194.00
AERIAL LIGHTING	6560-0278	Light Rigid Industries D-XL Pro model 321613 LED w/bail mount. Note: More than (2) at tip requires engineering approval. Location(s): [#LOC].	\$ 1,220.00
AERIAL LIGHTING	6560-0279	Rigid Industries model 244213 LED spot light. Includes hardwired switch on turntable console. Location: left and right side of base section.	\$ 3,813.00
AERIAL LIGHTING	6560-0280	Light Rigid Industries model 244113 LED flood light w/bail mount mounted at tip or on platform as applicable. Includes hardwired switch on console. Location(s): [#LOC].	\$ 1,914.00
AERIAL LIGHTING	6560-0281	FireTech model FT-WL-X-12-FT-W 12 volt LED flood light with white housing. Includes switch on lighthouse and turntable console. Location: [#LOC].	\$ 1,930.00
AERIAL LIGHTING	6560-0282	FireTech 35" 12V brow light powder coated white with combo spot/flood optics. Includes switch on platform or turntable console. The light assembly shall be located: [#LOC].	\$ 4,108.00
AERIAL LIGHTING	6560-0283	Monitor mounted light kit. Requires separately added Elkhart EXM monitor. Requires engineering approval.	\$ 1,540.00
AERIAL LIGHTING	6560-0284	Light Whelen Pioneer Plus model PCPSM1AC spot/flood surface mounted on platform. Requires 110-volt receptacle at tip option. Includes hardwired switch on platform console. Location(s): [#LOC].	\$ 2,721.00
AERIAL LIGHTING	6560-0285	Converter 120V/12V sized for the FireTech scene light(s) at tip of aerial.	\$ 597.00
AERIAL LIGHTING	6560-0286	Flood lights Whelen Micro Pioneer model MPBB at base (PR).	\$ 3,115.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL LIGHTING	6560-0287	Light Fire Research Spectra MS LED 120V model SPA570-T14 powder coated black, permanent mount. The light shall be fitted with a weather-resistant switch and hard-wired to the aerial tip power circuit. Location(s): [#LOC].	\$ 4,429.00
AERIAL LIGHTING	6560-0288	FRC LED SOBRITE powder coated black at base (PR).	\$ 2,918.00
AERIAL LIGHTING	6560-0289	FireTech 8" 12V double stack bracket mounted light at tip with black housing. Includes switch on platform or turntable console. The light assembly shall be located: [#LOC].	\$ 2,046.00
AERIAL LIGHTING	6560-0290	FRC SoBrite LED spot light model SRA110-07C with CD-BS-2 square mount base. Includes switch on turntable console. Location of light(s) shall be: [#LOC].	\$ 1,463.00
AERIAL LIGHTING	6560-0291	FireTech model FT-WL-X-20-F-B LED flood light. Includes switch on the turntable console. Location: [#LOC].	\$ 2,171.00
AERIAL LIGHTING	6560-0292	Whelen PBAPEDD pedestal mount adaptor. Requires seperate light head option. Location: [#LOC].	\$ 958.00
AERIAL LIGHTING	6560-0293	Akron Revel 12V LED model ELRE-XLDC-W-SF with a surface mount. The light shall be fitted with a weather-resistant switch at the platform console. The light shall be located [#LOC].	\$ 4,070.00
AERIAL LIGHTING	6560-0295	Light Rigid Industries 12V SR-Series 10" LED (PR). Includes aluminum plate shields. Switched at turntable console. Location: One each side at tip of fly section mounted parallel to main rail facing down.	\$ 3,121.00
AERIAL LIGHTING	6560-0296	Akron Revel 12V LED model ELRE-SLDC-W-PS-TO3611S2U-NP. The light shall be fitted with a weather-resistant switch and hard-wired to the aerial tip power circuit. Custom length pole specifically used on Aerial Platforms. (47 inch OAL) Location: [#LOC].	\$ 3,236.00
AERIAL LIGHTING	6560-0297	Akron Revel 12V LED model ELRE-SLDC-SF with surface mount and on/off sw on platform console. The light shall be located center front of platform.	\$ 1,795.00
AERIAL LIGHTING	6560-0298	Akron Revel 12V LED model ELRE-SLDC-W-PU-TO2836S2U-NP. The light shall be fitted with a weather-resistant switch and hard-wired to the aerial tip power circuit. Custom length pole specifically used on Aerial Platforms. (47 inch OAL) Location: [#LOC].	\$ 3,236.00
AERIAL LIGHTING	6560-0299	FireTech 14" 12V mini single stack trunnion mount light powder coated white. Includes switch on platform console. Location: [#LOC].	\$ 1,510.00
AERIAL LIGHTING	6560-0300	FireTech model FT-GSM 12 volt LED surface mount flood light. Location: [#LOC].	\$ 1,872.00
AERIAL LIGHTING	6560-0301	Light Whelen Pioneer Plus model PFH2 12V with recess mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$ 4,694.00
AERIAL LIGHTING	6560-0304	Whelen model PFBP12 LED flood light located [#LOC].	\$ 1,082.00
AERIAL LIGHTING	6560-0305	Light Whelen Pioneer Slimline model PSL1B 12V powder coated white with universal bail mount. Includes hardwired switch on platform console. The light shall be located [#LOC].	\$ 1,343.00
AERIAL LIGHTING	6560-0306	FireTech model FT-SL-15-FT-B-SW 12 volt LED flood light. Includes Kwik-Raze 600 Series pedestal mount with switch on lighthouse and turntable console. Location: [#LOC].	\$ 3,884.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

AERIAL MODEL	6100-0010	Ladder CR100 SideStacker with waterway. Includes left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 552,972.00
AERIAL MODEL	6100-0011	Platform 95 SideStacker. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$ 726,921.00
AERIAL MODEL	6100-0018	Platform HP100 with SideStacker T/T. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$ 756,001.00
AERIAL MODEL	6100-0019	Platform HP100 with full turntable. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$ 756,001.00
AERIAL MODEL	6100-0025	Aerial chassis components for 95-Platform/CR100/110H/135. Requires customer supplied aerial and aerial overhaul/upgrade package.	\$ 301,002.00
AERIAL MODEL	6100-0026	Raise aerial turntable pedestal and boom support 1" (Required on HP100 Platform with long or extended cab).	\$ 5,718.00
AERIAL MODEL	6100-0027	Ladder HP78 500 lb tip load with waterway. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$ 389,713.00
AERIAL MODEL	6100-0028	Ladder HP78 750 lb tip load with waterway. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$ 389,713.00
AERIAL MODEL	6100-0030	Lower aerial turntable pedestal and boom support 6in (110 / LTH100). Top of turntable support to top of torque box to be 36.25in.	\$ 1,739.00
AERIAL MODEL	6100-0031	Ladder 110' SideStacker with waterway to 87'. Includes partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 475,274.00
AERIAL MODEL	6100-0033	Ladder CR137 with waterway to 110'. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$ 605,321.00
AERIAL MODEL	6100-0034	Ladder CR137 SideStacker with waterway to 110'. Includes left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 607,225.00
AERIAL MODEL	6100-0035	Lower aerial turntable pedestal and boom support (CR100/95-Platform). Top of turntable support to top of torque box to be 32.875" (for use with a 58" high body).	\$ 1,739.00
AERIAL MODEL	6100-0037	Ladder HP100. For use with center rear staircase body. Includes pinned waterway, rear handrail extension (PR) on turntable, left side console with cover, split steps at tip and jack leg flood lights.	\$ 552,605.00
AERIAL MODEL	6100-0038	Lower aerial turntable pedestal and boom support 3in (110 / LTH100). Top of turntable support to top of torque box to be 39.25in.	\$ 1,739.00
AERIAL MODEL	6100-0039	Lower aerial turntable pedestal and boom support 4". For use with 65" high body.	\$ 1,097.00
AERIAL MODEL	6100-0040	Platform HP100 (2000 GPM capacity) with SideStacker T/T. Includes perimeter flow w/way pipe, 5" swivel, 5" lower w/way piping, left side console, turntable mansaver bars and jack leg flood lights.	\$ 759,981.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0041	Raise aerial turntable pedestal and boom support 2". Top of turntable support to top of torque box to be 36". (Required on Industrial HP100 Platform 750 gallon or greater tank).	\$ 5,832.00
AERIAL MODEL	6100-0042	Ladder LTH100 without waterway. Includes left side console with cover, adjustable height turntable handrails, split steps at tip and jack leg flood lights.	\$ 413,173.00
AERIAL MODEL	6100-0043	Lower aerial turntable pedestal and boom support 2" (HP100 Platform). Top of turntable support to top of torque box to be 32".	\$ 1,739.00
AERIAL MODEL	6100-0044	Ladder LTH100 with waterway to tip. Includes left side console with cover, adjustable height turntable hand rails, split steps at tip and jack leg flood lights.	\$ 478,294.00
AERIAL MODEL	6100-0045	Ladder HP75 with waterway. Includes left side console with smooth plate cover, split steps at tip and jack leg flood lights.	\$ 370,217.00
AERIAL MODEL	6100-0047	Ladder LTH100 with waterway to 80 ft. Includes left side console with cover, adjustable height turntable hand rails, split steps at tip and jack leg flood lights.	\$ 471,054.00
AERIAL MODEL	6100-0048	Lower aerial turntable pedestal and boom support 7". For use with 62" high body.	\$ 1,097.00
AERIAL MODEL	6100-0050	There shall be no visible raw diamond plate (unpainted) on the aerial turntable. The following items on the turntable to be diamond plate painted black durabak: turntable console, turntable deck and access step.	\$ 1,615.00
AERIAL MODEL	6100-0051	Raise aerial turntable pedestal and boom support 1". Top of turntable support to top of torque box to be 36.875". (Applicable to 95P/CR100/CR137 w/sidestacker style frame cut).	\$ 5,718.00
AERIAL MODEL	6100-0052	Raise aerial turntable pedestal and boom support 2". Top of turntable support to top of torque box to be 37.875". (Applicable to 95P/CR100/CR137 w/sidestacker style frame cut).	\$ 5,718.00
AERIAL MODEL	6100-0053	Hinged turntable console cover IPOS. Cover to be diamond plate with hinge on outboard side mounted to tube style pedestal mount. Includes modified left side turntable handrail.	\$ 987.00
AERIAL MODEL	6100-0061	Ladder HP100 SideStacker w/o waterway. Includes left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 501,168.00
AERIAL MODEL	6100-0064	Aerial turntable control console's exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color.	\$ 2,293.00
AERIAL MODEL	6100-0065	Lower aerial turntable pedestal and boom support 1" (HP100 Platform). Top of turntable support to top of torque box to be 33".	\$ 928.00
AERIAL MODEL	6100-0066	Platform HP100 with full turntable. Includes OEM controls, left side roll top console, turntable mansaver bars and jack leg flood lights.	\$ 735,879.00
AERIAL MODEL	6100-0067	Turntable control pedestal to be full diamond plate IPO tube style pedestal mount. Includes diamond plate cover hinged to front with gas shock and access door at lower area.	\$ 2,968.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0068	Platform 95 Rear-Mount. Includes platform with angled corners, left side turntable console and jack leg flood lights.	\$ 725,042.00
AERIAL MODEL	6100-0069	Platform 95 SideStacker. Includes platform with angled corners, left side turntable console and jack leg flood lights.	\$ 726,921.00
AERIAL MODEL	6100-0070	Aerial turntable rotation drive motor cover exterior aluminum plate work to be smooth plate IPO diamond plate and painted job color.	\$ 1,151.00
AERIAL MODEL	6100-0071	Platform HP100 with SideStacker T/T. Includes OEM controls, left side roll top console, turntable mansaver bars and jack leg flood lights.	\$ 735,879.00
AERIAL MODEL	6100-0074	Turntable control pedestal to be full diamond plate IPO tube style pedestal mount. Includes diamond plate cover hinged to side and access door at lower area.	\$ 2,968.00
AERIAL MODEL	6100-0075	Platform HP100 with full turntable. Includes left side roll top console and jack leg flood lights. Note chains IPO mansaver bars at turntable handrails.	\$ 754,757.00
AERIAL MODEL	6100-0076	Locate aerial rotation drive on driver side IPOS. Includes modified turntable control console to incorporate the rotation drive cover.	\$ 784.00
AERIAL MODEL	6100-0077	Extensions for aerial and aerial jack grease fittings. Extensions to be routed to three groups (left torque box, right torque box and aerial).	\$ 2,237.00
AERIAL MODEL	6100-0078	Raise aerial turntable pedestal and boom support 3". Top of turntable support to top of torque box to be 41.812". (Applicable to HP100 w/sidestacker style frame cut).	\$ 5,718.00
AERIAL MODEL	6100-0079	Diamond plate catwalk w/gator grip each side of HP95 mid-mount platform bucket.	\$ 2,861.00
AERIAL MODEL	6100-0080	Platform HP95 Mid-Mount. Console in platform to be on right side offset to rear. Includes driver side roll top turntable console, level assist and jack leg flood lights.	\$ 802,766.00
AERIAL MODEL	6100-0082	Top of turntable support to top of torque box to be 42.25in. (Metro 100).	\$ 5,942.00
AERIAL MODEL	6100-0083	Aerial turntable control console's exterior aluminum plate work to be smooth plate IPO diamond plate and painted two-tone job color.	\$ 2,959.00
AERIAL MODEL	6100-0085	Hinged turntable console cover IPOS. Cover to be smooth plate, painted FLNA 4145 black, with hinge on outboard side mounted to tube style pedestal mount. Includes modified left side turntable handrail.	\$ 1,222.00
AERIAL MODEL	6100-0087	Raise aerial turntable pedestal and boom support 3" (HM100/110). Top of turntable support to top of torque box to be 45.25".	\$ 5,942.00
AERIAL MODEL	6100-0088	Diamond plate catwalk along sides, front and to wrap around angled corners w/gator grip on HP95 mid-mount platform bucket.	\$ 3,111.00
AERIAL MODEL	6100-0089	Platform HP95 Mid-Mount. Console in platform to be on left side offset to rear. Includes driver side roll top turntable console, level assist and jack leg flood lights.	\$ 802,766.00
AERIAL MODEL	6100-0090	**OBS** (use 6100-0105, 0128 or 0133 depending on application) Ladder HR100 with waterway to tip. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$ 506,545.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0091	Lower aerial turntable pedestal and boom support 12". HP95 Mid-Mount Platform for low travel height application.	\$ 1,739.00
AERIAL MODEL	6100-0092	Rubber guard(s) for front, side and angled diamond plate skirt below opening to left and right access doors on platform bucket. Applies only to platform buckets with angled front.	\$ 1,670.00
AERIAL MODEL	6100-0093	Ladder LTH100 with waterway to 80 ft. Includes fabricated SideStacker style turntable deck, left side console with cover, adjustable height turntable hand rails, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 472,959.00
AERIAL MODEL	6100-0094	Ladder LTH100 with waterway to tip. Includes fabricated SideStacker style turntable deck, left side console with cover, adjustable height turntable hand rails, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 480,200.00
AERIAL MODEL	6100-0097	Ladder 110 with waterway to 87'. Includes fabricated SideStacker style turntable deck, partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 475,274.00
AERIAL MODEL	6100-0098	Ladder 110 with waterway to 87'. Includes partial fly section K-bracing, left side console with cover, adjustable height turntable handrails, split steps at tip and jack leg flood lights.	\$ 473,372.00
AERIAL MODEL	6100-0099	Platform HP100 with SideStacker T/T. Includes fabricated turntable, left side console, turntable mansaver bars and jack leg flood lights.	\$ 756,001.00
AERIAL MODEL	6100-0103	Upper turntable handrails to be installed on right and left sides of the turntable platform with 2 ManSaver bars in the center.	\$ 644.00
AERIAL MODEL	6100-0104	Raise aerial turntable pedestal and boom support 4". Top of turntable support to top of torque box to be 38". (Applicable to HP100 Platform).	\$ 7,224.00
AERIAL MODEL	6100-0105	Ladder HR100 with -6 degree travel, waterway to tip, fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 11' jack spread for use with single axle NPNT models and Quint with 470 or less tank.	\$ 506,545.00
AERIAL MODEL	6100-0106	Platform 95 Rear-Mount. Includes platform with angled corners, left side turntable console and jack leg flood lights. Not equipped with an oil cooler.	\$ 722,360.00
AERIAL MODEL	6100-0108	Lower aerial turntable pedestal and boom support 1". For use with 68" high body.	\$ 1,097.00
AERIAL MODEL	6100-0109	Ladder HP78 500 lb tip load with special load ratings on a slope. Includes waterway, left side console with cover, split steps at tip and jack leg flood lights.	\$ 393,329.00
AERIAL MODEL	6100-0112	Turntable extension on right side of aerial. Includes additional handrail. For use on aerials with fabricated turntable only.	\$ 4,562.00
AERIAL MODEL	6100-0113	Rotation drive motor cover to be .187" diamond plate IPOS .125".	\$ 727.00
AERIAL MODEL	6100-0114	Turntable handrails on driver and officer side only to be adjustable IPO standard.	\$ 2,267.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0117	Platform HP100 with -10 degree travel and fabricated SideStacker style turntable. Includes left side console, turntable mansaver bars and jack leg flood lights.	\$ 756,001.00
AERIAL MODEL	6100-0118	Short jack upgrade for HP 100 Platform and 95-Platform/CR100/CR137 with Deluxe AACS. Includes additional lift cylinders at each end of crisscross under-slung jacks. Requires unique body sides with larger jack leg openings.	\$ 33,148.00
AERIAL MODEL	6100-0121	Ladder HR100 with waterway to 80 ft. Includes -6 below grade sweep, fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 11' jack spread for use with single axle NPNT and Quint with 470 or less tank.	\$ 499,248.00
AERIAL MODEL	6100-0122	Turntable handrails on driver, officer and center to be adjustable IPO standard.	\$ 3,100.00
AERIAL MODEL	6100-0123	Raise aerial turntable pedestal and boom support 2.5". Top of turntable support to top of torque box to be 40.75". (For use with HR100 single axle w/long cab).	\$ 5,718.00
AERIAL MODEL	6100-0125	Raise aerial turntable pedestal and boom support 3" (HP95MM). Top of turntable support to top of torque box to be 22.625".	\$ 5,942.00
AERIAL MODEL	6100-0126	Seat for turntable console operator. For use while resting (not operating the aerial). Includes modified turntable handrail.	\$ 3,456.00
AERIAL MODEL	6100-0127	Aerial turntable pedestal and rear outrigger modifications for 42" wide ladder tunnel. For use with rear mount ladders and platforms only. Configurations with saddle type fuel tanks require 100" wide body and special saddle tank mounting sales code (1350-0087).	\$ 10,786.00
AERIAL MODEL	6100-0128	Ladder HR100 with -6 degree travel, waterway to tip, fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 512,831.00
AERIAL MODEL	6100-0129	Ladder LTH100 with waterway to 80 ft. For use with single axle Quint only (85' horz reach). Requires AACS. Includes fabricated SideStacker style turntable deck, left side console with cover, adjustable height turntable hand rails, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 472,959.00
AERIAL MODEL	6100-0130	Ladder LTH100 with waterway to tip. For use with single axle Quint only (85' horz reach). Requires AACS. Includes fabricated SideStacker style turntable deck, left side console with cover, adjustable height turntable hand rails, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 480,200.00
AERIAL MODEL	6100-0133	Ladder HR100 with 750 lb tip load, -6 degree travel, waterway to tip, fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 11' jack spread for use with single axle Quint only (85' horz reach). Requires AACS.	\$ 506,545.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0134	Ladder 110' with waterway to 87'. For use with single axle Quint only (85' horz reach). Requires AACS. Includes fabricated SideStacker style turntable deck, partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 475,274.00
AERIAL MODEL	6100-0135	Turntable control pedestal to be Chicago style diamond plate forward hinged lid console IPO standard side hinged lid. Includes gas shock and access door at lower area.	\$ 835.00
AERIAL MODEL	6100-0136	Raise aerial turntable pedestal and boom support 3". Top of turntable support to top of torque box to be 37". (Applicable to HP100 Platform).	\$ 5,419.00
AERIAL MODEL	6100-0137	Ladder LTH100 HD without waterway. Includes additional fly handrail uprights, left side console with cover, adjustable height turntable handrails, split steps at tip and jack leg flood lights.	\$ 413,173.00
AERIAL MODEL	6100-0138	Ladder HM100 without waterway. Includes partial fly section K-bracing, full width fabricated turntable deck, left side console with cover, split steps at tip and jack leg flood lights. Includes top access turntable bearing bolts IPOS.	\$ 415,398.00
AERIAL MODEL	6100-0139	Platform HP95 Mid-Mount. Includes (4) outriggers, fabricated turntable deck, side catwalks on bucket, driver side console and jack leg flood lights.	\$ 797,701.00
AERIAL MODEL	6100-0140	Ladder HR100 with 750 lb tip load, -6 degree travel, waterway to 80 ft. Includes -6 below grade sweep, fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 11' jack spread for use with single axle Quint only (85' horz reach). Requires AACS.	\$ 499,248.00
AERIAL MODEL	6100-0141	Platform HP100 with full turntable. Includes fabricated turntable, OEM controls, left side roll top console, turntable mansaver bars and jack leg flood lights.	\$ 735,879.00
AERIAL MODEL	6100-0142	Aerial outrigger and turntable pedestal modifications for wide ladder tunnel. Includes front and rear outriggers. LTH100 and HM100/110 only. Requires special saddle tank mounting sales code (1350-0087) when body is 100" wide.	\$ 13,425.00
AERIAL MODEL	6100-0143	Ladder HP78 750 lb tip load with waterway. Upgraded waterway pipes for 2000GPM flow. Includes left side console with cover, split steps at tip and jack leg flood lights.	\$ 397,992.00
AERIAL MODEL	6100-0144	Aerial jack leg beams and feet to be zinc flame spray coated before paint (4 sets).	\$ 3,382.00
AERIAL MODEL	6100-0145	Extensions for aerial grease fittings. Extensions to be routed to group together at a shared location on the aerial turntable.	\$ 748.00
AERIAL MODEL	6100-0146	Platform HP100 with -10 degree travel and full turntable. Special version for airport use with large front door. Includes OEM controls, left side console, turntable mansaver bars and jack leg flood lights.	\$ 826,319.00
AERIAL MODEL	6100-0147	Platform HP95 Mid-Mount. Includes fabricated turntable deck, side catwalks on bucket, driver side console and jack leg flood lights.	\$ 793,106.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

AERIAL MODEL	6100-0148	Branch deflector provided at rearmost vertical on officer side of base section.	\$ 1,204.00
AERIAL MODEL	6100-0149	Ladder HF90 SideStacker. Includes fabricated turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 585,602.00
AERIAL MODEL	6100-0150	Ladder HR100 without waterway. Includes -6 below grade sweep, full width fabricated turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 11' jack spread for use with single axle NPNT models only.	\$ 441,428.00
AERIAL MODEL	6100-0151	Aerial turntable control console's exterior aluminum plate work to be smooth plate IPO diamond plate and painted three-tone metallic color.	\$ 4,184.00
AERIAL MODEL	6100-0152	Ladder HP100 with fabricated SideStacker style turntable deck. Includes pinned waterway to tip, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 553,909.00
AERIAL MODEL	6100-0154	Ladder LTH100 without waterway. Includes full width fabricated turntable deck, left side console with cover, adjustable height turntable handrails, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 415,078.00
AERIAL MODEL	6100-0156	Ladder 110 without waterway. Includes full width fabricated turntable deck, partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 417,453.00
AERIAL MODEL	6100-0157	Platform 95 Rear-Mount. Includes fabricated SideStacker style turntable deck, platform with angled corners, left side turntable console, turntable mansaver bars and jack leg flood lights.	\$ 726,921.00
AERIAL MODEL	6100-0158	Platform HP95 Mid-Mount for low travel height applications with a tiller handled monitor. Includes fabricated turntable deck, driver side turntable console, reduced profile console on right side of platform and jack leg flood lights.	\$ 793,106.00
AERIAL MODEL	6100-0159	Platform console modification. Locate console on right side offset to rear. Requires engineering approval.	\$ 3,522.00
AERIAL MODEL	6100-0160	Extended length cradle support ears.	\$ 1,699.00
AERIAL MODEL	6100-0161	Ladder HP100 w/o waterway with fabricated SideStacker style turntable deck. Includes left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 501,168.00
AERIAL MODEL	6100-0162	Raise aerial turntable pedestal and boom support 3" (Metro 100 single axle with HR100 ladder and long cab). Top of turntable support to top of torque box to be 41.25".	\$ 5,718.00
AERIAL MODEL	6100-0163	Platform HP95 Mid-Mount with -11 degree travel. Includes (4) outriggers, short jack capability, fabricated turntable deck, side catwalks on bucket, driver side turntable console and jack leg flood lights.	\$ 797,701.00
AERIAL MODEL	6100-0164	Aerial jack leg beams, fixed jack beams, jack feet and ballast straps to be zinc flame spray coated before paint (for use with 6-Jack HP95 Mid-mount).	\$ 5,093.00
AERIAL MODEL	6100-0165	Larger aerial turntable for increased operator room. Only available on 4-jack Mid-Mount.	\$ 3,305.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0167	Platform HP100 with fabricated SideStacker style turntable. Includes OEM controls, left side roll top console, turntable mansaver bars and jack leg flood lights.	\$ 735,879.00
AERIAL MODEL	6100-0168	Lower aerial turntable pedestal and boom support 3" (For use with tandem HR100). Top of turntable support to top of torque box to be 37.25".	\$ 1,739.00
AERIAL MODEL	6100-0169	Platform HP100 (2500 GPM capacity) with fabricated SideStacker style turntable. Includes perimeter flow w/way pipe, 6/5.5/5" aerial waterway, 5" lower w/way piping, 5" swivel, left side console, turntable mansaver bars and jack leg flood lights. Requires 2500 GPM dual monitor option and 2" aerial raise.	\$ 767,382.00
AERIAL MODEL	6100-0170	Ladder CR100 SideStacker with waterway. Includes fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 552,972.00
AERIAL MODEL	6100-0171	Ladder CR137 SideStacker with waterway to 110'. Includes fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 607,225.00
AERIAL MODEL	6100-0172	Tag listing aerial major service components. (see spec for details). Locate inside driver's door next to fluid type/capacity tag.	\$ 520.00
AERIAL MODEL	6100-0173	Platform HP95 Mid-Mount for use with a tiller handled monitor. Includes fabricated turntable deck, driver side turntable console, reduced profile console on right side of platform and jack leg flood lights.	\$ 793,106.00
AERIAL MODEL	6100-0174	LINE-X package for Aerial Turntable: Includes turntable console and hinged cover only, installed on the turntable.	\$ 1,204.00
AERIAL MODEL	6100-0175	Ladder HR100 Tiller without waterway. Includes -6 degree travel, fabricated turntable deck, left side console with cover, turntable mansaver bars and split steps at tip. For use with Ephrata design Tiller trailer / outriggers only.	\$ 391,229.00
AERIAL MODEL	6100-0176	Ladder HR100 Tiller with -6 degree travel, pinned waterway to tip, fabricated turntable deck, left side console with cover, turntable mansaver bars and split steps at tip. For use with Ephrata design Tiller trailer / outriggers only.	\$ 430,516.00
AERIAL MODEL	6100-0177	Lower aerial turntable pedestal and boom support 3" (For use with single axle HR100). Top of turntable support to top of torque box to be 35.25".	\$ 1,739.00
AERIAL MODEL	6100-0178	Ladder CR100 SideStacker without waterway. Includes fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights.	\$ 487,850.00
AERIAL MODEL	6100-0179	Ladder HP75 with 2000 GPM waterway. Includes left side console with cover, split steps at tip and jack leg flood lights. Requires 2000 monitor / nozzle, 4" waterway discharge, 2000 GPM pump and 5" aux wway inlet. N/A with wway shut-off vlv.	\$ 378,485.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0180	Ladder 110 with waterway to 87'. Includes fabricated SideStacker style turntable deck, partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 481,559.00
AERIAL MODEL	6100-0181	Short jack upgrade for CR100/137 with direct hydraulic controls. Includes additional lift cylinders at each end of crisscross underslung jacks. Requires unique body sides with larger jack leg openings.	\$ 50,094.00
AERIAL MODEL	6100-0182	Ladder 110 without waterway. Includes full width fabricated turntable deck, partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 423,737.00
AERIAL MODEL	6100-0183	Platform upgrade for tiller arm monitor. Includes lowered platform console and relocating to left side offset to rear in platform. Requires engineering approval.	\$ 7,742.00
AERIAL MODEL	6100-0184	Raise aerial turntable pedestal and boom support 4" (HP95MM). Top of turntable support to top of torque box to be approximately 23".	\$ 7,224.00
AERIAL MODEL	6100-0185	Ladder HR100 without waterway. Includes -6 below grade sweep, full width fabricated turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 447,712.00
AERIAL MODEL	6100-0186	Platform 95 Rear-Mount. Includes fabricated SideStacker style turntable deck, platform with square front corners, left side turntable console, turntable mansaver bars and jack leg flood lights. For use with dual monitors only.	\$ 726,921.00
AERIAL MODEL	6100-0188	Ladder LTH100 without waterway. Includes full width fabricated turntable deck, left side console with cover, adjustable height turntable handrails, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 421,362.00
AERIAL MODEL	6100-0189	Ladder LTH100 with waterway to 80 ft. Includes fabricated SideStacker style turntable deck, left side console with cover, adjustable height turntable hand rails, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 479,243.00
AERIAL MODEL	6100-0190	Ladder LTH100 with waterway to tip. Includes fabricated SideStacker style turntable deck, left side console with cover, adjustable height turntable hand rails, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 486,485.00
AERIAL MODEL	6100-0192	Lower LTH100 / 110 aerial 3". Includes lowering the standard HR100 aerial turntable pedestal height 1" and boom support height 3" (For use with Metro Quint or tandem with 12' jacks). Top of turntable support to top of torque box to be 39.25" on a tandem and 37.25" on a Metro Quint. Requires cab roof modification based on configuration.	\$ 1,739.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AERIAL MODEL	6100-0193	Lower LTH100 / 110 aerial 6". Includes lowering the standard tandem HR100 aerial turntable pedestal height 4" and boom support height 6" (For use with tandem LTH100 / 110 with 12' jacks and no waterway). Top of turntable support to top of torque box to be 36.25". Requires LTH aerial cab with 4.5" deep trough.	\$ 1,739.00
AERIAL MODEL	6100-0194	Ladder HR100 with waterway to 80 ft. Includes -6 below grade sweep, fabricated SideStacker style turntable deck, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 505,533.00
AERIAL MODEL	6100-0196	Raise aerial 2.5" due to long cab. Includes raising standard HR100 single axle Quint turntable pedestal height 4.5" (2" for LTH100/110 aerial + 2.5" for long cab) and boom support height 2.5". Top of turntable support to top of torque box to be 42.75". (For use with LTH100/110 single axle Quint w/long cab).	\$ 5,718.00
AERIAL MODEL	6100-0197	Ladder LTH100 without waterway. Includes fabricated SideStacker style turntable deck, left side console with cover, adjustable height turntable handrails, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 421,362.00
AERIAL MODEL	6100-0198	Ladder 110 without waterway. Includes fabricated SideStacker style turntable deck, partial fly section K-bracing, left side console with cover, turntable mansaver bars, split steps at tip and jack leg flood lights. 12' jack spread for use with tandem axle models only.	\$ 423,737.00
AERIAL MODEL	6100-0199	Turntable handrails shall be modified to have Mansaver bar(s) reverse mounted (hinge to side handrail IPO rear handrail). Applies to Mansaver bars on same side(s) as turntable access staircase (Will not apply to right side of SideStacker body with folding step access to turntable).	\$ 1,038.00
AERIAL MODEL	6100-0200	Ladder LTH100 HD without waterway. Includes additional fly handrail uprights, full width fabricated turntable deck, left side console with cover, adjustable height turntable handrails, split steps at tip and jack leg flood lights.	\$ 415,078.00

ALTERNATOR	1700-0015	Alternator / battery / battery charger package. Includes 320AMP Leece Neville alternator, (4) Group 31 batteries, E-ONE battery charger with receptacle (located outside driver door area), and jumper studs. Custom ES with DEF tank below cab	\$ 976.00
ALTERNATOR	1700-0016	Alternator Niehoff 350 amp (350 amp SAE/320 NFPA rating). Available on Cummins ISM.	\$ 7,489.00
ALTERNATOR	1700-0017	Noise filter for Niehoff alternator.	\$ 440.00
ALTERNATOR	1700-0019	Alternator Niehoff 360 amp (360 amp SAE/320 NFPA rating). Available only on ISX12 and ISX15.	\$ 6,498.00
ALTERNATOR	1700-0020	Alternator Niehoff (420 Amp SAE/385 NFPA rating). Cyclone II w/Cummins ISM. Not available on Detroit Diesel Engines Recycle requires Eng. Review.	\$ 11,352.00
ALTERNATOR	1700-0021	Alternator Niehoff 360 amp (360 amp SAE/320 NFPA rating). Available only on ISL/L9.	\$ 6,498.00
ALTERNATOR	1700-0022	Alternator Delco-Remy 430 amp (430 Amp SAE/363 NFPA rating). Available on Cummins ISX12, ISX15, X12 and X15 only.	\$ 6,752.00
ALTERNATOR	1700-0023	Alternator 320 amp for Freightliner - in place of 275 amp.	\$ 399.00
ALTERNATOR	1700-0024	Alternator Delco Remy 320 amp. (320 Amp SAE/253 NFPA rating)	\$ 6,363.00
ALTERNATOR	1700-0025	Alternator Leece Neville dual 320 amp. The first alternator rated at 320 amp SAE/275 amp NFPA, is for the main (chassis) batteries, and the second alternator is for charging the lithium battery. Available only on ISX12.	\$ 10,494.00
ALTERNATOR	1700-0026	Alternator Leece Neville 350 amp. 350 amp SAE/318 amp NFPA.	\$ 7,008.00
ALTERNATOR	1700-0027	Alternator Leece Neville 420 amp. 420 amp SAE/369 amp NFPA.	\$ 8,592.00
ARFF AERIAL	6200-0001	Hydro-Chem package to include reel, all plumbing to the end of the Snozzle and Williams Hydro-Chem nozzle.	\$ 20,993.00
ARFF AERIAL	6200-0003	Piercing nozzle assembly for Snozzle high reach boom.	\$ 18,753.00
ARFF AERIAL	6200-0027	Camera color 26x zoom Apollo RR-CZ26 installed on Snozzle.	\$ 3,223.00
ARFF AERIAL	6200-0038	High Reach Extendable Turret (HRET) 54' working height 24v	\$ 108,540.00
ARFF AERIAL	6200-0039	High Reach Extendable Turret (HRET) 65' working height 24v	\$ 132,661.00
ARFF AERIAL	6200-0040	A steel structural support shall be placed above the plumbing area to support the installation of the high reach extendable turret (HRET).	\$ 37,460.00
ARFF AERIAL	6200-0041	A 250 GPM fuselage penetration nozzle shall be installed with ultra motion power system	\$ 12,786.00
ARFF AERIAL	6200-0042	An optical positioning device shall be installed to assist with operation of the fuselage penetration system	\$ 1,585.00
ARFF AERIAL	6200-0043	Dry chemical/secondary agent routed to the Akro-Chem dual agent master stream nozzle at the tip of the HRET. Includes Akro-Chem nozzle.	\$ 9,984.00
ARFF AERIAL	6200-0044	A thermal imaging camera shall be installed at the tip of the HRET	\$ 14,997.00
ARFF AERIAL	6200-0048	Orlaco 12" monitor shall be mounted in the center of dash for use with camera(s) on HRET.	\$ 282.00
ARFF AERIAL	6200-0051	12" penetrating nozzle extension.	\$ 445.00
ARFF AERIAL	6200-0052	18" penetrating nozzle extension.	\$ 585.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

AXLE OPTIONS	1025-0101	Chassis axle package with FL-941 front axle with 18,000lb. suspension and RS-24-160 rear axle with 24,000lb. suspension. Includes front disc and rear cam brakes, Electronic Stability Control (ESC), and air inlet located inside the driver side door area. 180" and 194" WB Custom ES.	\$ 6,363.00
AXLE OPTIONS	1025-0102	Chassis axle package with FL-941 front axle with 18,000lb. suspension and RS-24-160 rear axle with 24,000lb. suspension. Includes front disc and rear cam brakes, Electronic Stability Control (ESC), and air inlet located inside the driver side door area. 202", 206", and 214" WB Custom ES.	\$ 6,363.00
AXLE OPTIONS	1025-0104	Driver Controlled Dif Lock. International chassis with 23,000 rear axle.	\$ 672.00
AXLE OPTIONS	1025-0105	Driver Controlled Dif Lock. International chassis with 26,000 rear axle.	\$ 826.00
AXLE OPTIONS	1025-0106	Driver Control Differential for M2.	\$ 615.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AXLE OPTIONS	1025-0107	Synthetic 75w90 gear oil for front axle.	\$ 253.00
AXLE OPTIONS	1025-0108	Meritor RS-30-185 single rear axle 30,000lb capacity	\$ 29,257.00
AXLE OPTIONS	1025-0109	Re-install single rear axle. Must meet GVW requirements. Specify model and GVWR:_____.	\$ 2,661.00
AXLE OPTIONS	1025-0110	Meritor RT-50-160 rear tandem axle 50,000lb capacity	\$ 78,833.00
AXLE OPTIONS	1025-0114	Meritor FL943 front axle 18,700lb with multi-leaf front springs.	\$ 37,750.00
AXLE OPTIONS	1025-0119	3 year extended parts and labor warranty (total of 4 year warranty) on Timoney Independant Front Axle. Does not include steering components.	\$ 5,269.00
AXLE OPTIONS	1025-0120	Driver controlled rear differential. Includes guarded toggle switch located on driver side diagnostic panel.	\$ 1,680.00
AXLE OPTIONS	1025-0121	2 year extended parts and labor warranty (total of 3 year warranty) on Timoney Independent Suspension Front Axle. Does not include steering components.	\$ 3,518.00
AXLE OPTIONS	1025-0122	Stemco Hubometer on driver side of rear axle.	\$ 297.00
AXLE OPTIONS	1025-0124	Meritor FL943 front axle 20,000 lb. Springs to have Berlin style eyes with rubber bushings.	\$ 39,060.00
AXLE OPTIONS	1025-0127	Meritor FL941 front axle 18,000 lb with multi-leaf front springs.	\$ 24,259.00
AXLE OPTIONS	1025-0132	Koni shock absorbers for front axle - non-adjustable. For use with IFS front axle only.	\$ 733.00
AXLE OPTIONS	1025-0133	Meritor FL943 front axle 20,000 lb with multi-leaf front springs.	\$ 39,254.00
AXLE OPTIONS	1025-0134	Meritor MT-40-14X rear tandem axle 40,000 lb. capacity.	\$ 53,406.00
AXLE OPTIONS	1025-0135	AxleTech FS25 front axle 18,700 lb. Includes sight guage. S-Cam brakes only.	\$ 39,049.00
AXLE OPTIONS	1025-0137	Meritor FL943 front axle 19,220 lb.	\$ 36,884.00
AXLE OPTIONS	1025-0138	AxleTech FS25 front axle 20,000 lb. Includes sight guage. S-Cam brakes only.	\$ 39,049.00
AXLE OPTIONS	1025-0140	Spicer 232S4 single rear axle 24,000 lb. capacity with power divider (model 232D4) (Requires DCDL option 1025-0027). Includes drivelines to front axle.	\$ 35,054.00
AXLE OPTIONS	1025-0141	Spicer 301S4 single rear axle 31,000 lb. capacity with power divider. Includes drivelines to front axle.	\$ 44,234.00
AXLE OPTIONS	1025-0142	Chicago oil seal front axle. Chicago Rawhide seal with Chicago Rawhide sight glass (model 1743) will be supplied when front disc brakes are selected.	\$ 247.00
AXLE OPTIONS	1025-0144	The front axle shall be fitted with a minimum of 1" spacer block per customer request. The spacer block shall not compromise step height requirements or impose unacceptable rake characteristics when added. Chassis engineering approval required.	\$ 440.00
AXLE OPTIONS	1025-0146	Reyco Granning independent front suspension - 18,000 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00
AXLE OPTIONS	1025-0147	Reyco Granning independent front suspension - 18,700 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00
AXLE OPTIONS	1025-0148	Reyco Granning independent front suspension - 19,840 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00
AXLE OPTIONS	1025-0149	Reyco Granning independent front suspension - 20,000 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00
AXLE OPTIONS	1025-0150	Reyco Granning independent front suspension - 21,000 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00

AXLE OPTIONS	1025-0151	Reyco Granning independent front suspension - 21,500 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00
AXLE OPTIONS	1025-0152	Reyco Granning independent front suspension - 22,800 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00
AXLE OPTIONS	1025-0153	Reyco Granning independent front suspension - 24,000 lb. Includes shocks and sight glass on hubs.	\$ 62,578.00
AXLE OPTIONS	1025-0158	Stemco sight glass guards.	\$ 212.00
AXLE OPTIONS	1025-0161	Upgrade rear axle for Freightliner commercial chassis to 26,000 lb. rating. Includes 16 ply 12R22.5 tires.	\$ 3,628.00
AXLE OPTIONS	1025-0162	Upgrade rear axle for International commercial chassis to 26,000 lb. rating. Includes Goodyear (or equal) 12R22.6 G622 16 ply tires.	\$ 1,118.00
AXLE OPTIONS	1025-0163	Rear axle high water ventilation tube. Qty (2) required if tandem axle.	\$ 469.00
AXLE OPTIONS	1025-0164	Meritor MFS-20 front axle rated at 16,000 lb.	\$ 23,071.00
AXLE OPTIONS	1025-0169	Dana Spicer single rear axle with 27,000 lb capacity with power divider. Includes drivelines to front axle.	\$ 44,234.00
AXLE OPTIONS	1025-0171	Dana D-2200W 24,000 lb. front axle. Includes maintenance free bushings. For use with disc brakes only.	\$ 39,438.00
AXLE OPTIONS	1025-0172	Meritor MX-23-160 front drive axle rated at 22,800#. Includes multi-leaf suspension with maintenance free bushings. Requires S-Cam front brakes.	\$ 89,380.00
AXLE OPTIONS	1025-0174	Meritor FL941 front axle 18,000 lb.	\$ 23,411.00
AXLE OPTIONS	1025-0175	Meritor RS-25-160 single rear axle at 24,000 lb. rated capacity.	\$ 26,203.00
AXLE OPTIONS	1025-0178	Meritor FL941 front axle 21,200lb	\$ 36,376.00
AXLE OPTIONS	1025-0181	Dana S35-590 single rear axle 33,000lb capacity. Requires Bendix rear brakes.	\$ 37,221.00
AXLE OPTIONS	1025-0185	Pressurized lube system for Meritor tandem axle. Includes pump and filter for forward axle. For use with RT-46-160, RT-50-160 and RT-58-185 axles only.	\$ 682.00
AXLE OPTIONS	1025-0186	Meritor RS-30-185 single rear axle 28,450lb capacity	\$ 29,257.00
AXLE OPTIONS	1025-0187	Meritor RS-30-185 single rear axle 28,000lb capacity.	\$ 29,257.00
AXLE OPTIONS	1025-0188	Switch accessible to driver for kneeling of front air ride suspension.	\$ 1,204.00
AXLE OPTIONS	1025-0189	Meritor RS-30-185 single rear axle 29,500lb capacity	\$ 29,257.00
AXLE OPTIONS	1025-0190	Meritor FL-943 front axle 21,000 lb with multi-leaf front springs.	\$ 39,737.00
AXLE OPTIONS	1025-0193	Front axle Kessler rated at 31,000 lb. Use for ARFF 4x4 and 6x6 configurations.	\$ 55,206.00
AXLE OPTIONS	1025-0194	Rear axle for 4x4 ARFF configurations rated at 31,000 lbs.	\$ 39,172.00
AXLE OPTIONS	1025-0195	Rear Kessler non steering ARFF bogey axles each rated at 29,000 lbs. for 6x6 configurations only.	\$ 78,337.00
AXLE OPTIONS	1025-0196	Rear Kessler steering ARFF bogey axles each rated at 29,000 lbs. for 6x6 configurations only. The rearmost axle will be the steering axle.	\$ 106,134.00
AXLE OPTIONS	1025-0198	Driver controlled rear differential. Includes guarded toggle switch located within reach of the driver.	\$ 1,553.00
AXLE OPTIONS	1025-0200	4 leaf front spring suspension IPOS.	\$ 840.00
AXLE OPTIONS	1025-0202	Spicer 301S4 single rear axle 29,000 lb. capacity with power divider. Includes drivelines to front axle.	\$ 44,234.00
AXLE OPTIONS	1025-0203	Stemco Sentinel ESP Filtered Drive Axle Vent (per axle).	\$ 509.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
AXLE OPTIONS	1025-0204	EZ TRAC 20,000 lb. hyd drive front axle. Includes steering, taper leaf spring suspension, hyd system PTO and pump, res and cooler. Requires Bendix brakes and engineering approval.	\$ 123,900.00
AXLE OPTIONS	1025-0206	Meritor FL-943 front axle 21,500 lb with multi-leaf front springs.	\$ 39,737.00
AXLE OPTIONS	1025-0207	Meritor FL-943 front axle 22,100 lb with multi-leaf front springs.	\$ 44,169.00
AXLE OPTIONS	1025-0208	Meritor FL-943 front axle 18,700 lb. Includes maintenance free bushings.	\$ 36,884.00
AXLE OPTIONS	1025-0209	Meritor FL-943 front axle 20,000 lb. Includes maintenance free bushings.	\$ 38,410.00
AXLE OPTIONS	1025-0210	Meritor FL-943 front axle 21,000 lb. Includes maintenance free bushings.	\$ 38,915.00
AXLE OPTIONS	1025-0211	Meritor FL-943 front axle 21,500 lbs. Includes maintenance free bushings.	\$ 39,677.00
AXLE OPTIONS	1025-0214	Driver controlled locking differential for single rear axle chassis.	\$ 615.00
AXLE OPTIONS	1025-0215	Meritor RS-35-185 single rear axle 35,000 lb. capacity. Requires 16.5" x 8.625" cast shoe brakes. Note: Unit may have an intermittent speed rating due to rear tires.	\$ 31,768.00
AXLE OPTIONS	1025-0216	Front axle Kessler for 4x4 AT ARFF configurations rated at 21,000 lbs.	\$ 34,364.00
AXLE OPTIONS	1025-0217	Rear axle Kessler for 4x4 AT ARFF configurations rated at 21,000 lbs.	\$ 26,213.00
AXLE OPTIONS	1025-0218	Dana D-2200W 24,000 lb. front axle with multi-leaf front springs. For use with disc brakes only.	\$ 41,395.00
AXLE OPTIONS	1025-0221	Dana I-220W 24,000 lb. front axle. For use with S-Cam brakes only. Note: I-220W axle raises OAH approx .5" compared to the D-2200W.	\$ 39,438.00
AXLE OPTIONS	1025-0222	Marmon-Herrington MT-22 front drive axle and suspension 21,000 lb. Includes 21K springs with rubber bushings.	\$ 79,733.00
AXLE OPTIONS	1025-0224	Meritor FL941 front axle 18,000 lb. Includes maintenance free bushings.	\$ 23,411.00
AXLE OPTIONS	1025-0225	Meritor FL-941 front axle 18,700 lb. Includes maintenance free bushings.	\$ 35,104.00
AXLE OPTIONS	1025-0227	Meritor FL941 front axle 20,000 lbs. Includes maintenance free bushings.	\$ 36,376.00
AXLE OPTIONS	1025-0228	Meritor FL941 front axle 21,000lb. Includes maintenance free bushings.	\$ 36,376.00
AXLE OPTIONS	1025-0229	Meritor FL941 front axle 21,500lb. Includes maintenance free bushings.	\$ 36,884.00
AXLE OPTIONS	1025-0230	Meritor MFS-20 front axle rated at 18,000 lb. For use on 100" wide cabs with L9 engine only. Includes maintenance free bushings.	\$ 23,411.00
AXLE OPTIONS	1025-0231	Meritor MFS-20 front axle rated at 18,700 lb. For use on 100" wide cabs with L9 engine only. Includes maintenance free bushings.	\$ 35,104.00
AXLE OPTIONS	1025-0232	Meritor MFS-20 front axle rated at 20,000 lb. For use on 100" wide cabs with L9 engine only. Includes maintenance free bushings.	\$ 36,376.00

BATTERIES	1400-0065	(2) additional batteries located in dunnage pan shall be isolated for use with 12/24V winch. The (2) batteries are not to be hooked up to the 12 Volt electric bus.	\$ 1,902.00
BATTERIES	1400-0067	Six (6) group 31 AGM 1150 CCA Odyssey PC-2150 batteries.	\$ 8,640.00
BATTERIES	1400-0069	Battery jump start system. Includes Anderson receptacle located: [#LOC], and 25' jumper cables with alligator clips and Anderson connector.	\$ 1,222.00
BATTERIES	1400-0071	Voltmeter installed near battery compartment on [#LOC] ARFF.	\$ 233.00
BATTERIES	1400-0075	Six (6) group 31 AGM 1150 CCA Odyssey PC-2150 batteries. For use with 67.5"/80" cab with 5G/10G DEF under driver side of cab.	\$ 8,640.00
BATTERIES	1400-0076	Four(4) group 31 AGM 1150 CCA Odyssey PC-2150 batteries. One battery left side (with DEF) and three on right side. For use with 44.5" cab only.	\$ 5,766.00
BATTERIES	1400-0080	Battery covers made out of 1/2" Poly material.	\$ 1,221.00
BATTERIES	1400-0081	Battery jumper studs and NATO 500a Intervehicle power receptacle to be located in recessed box on officer side of body just forward of rear axle.	\$ 1,090.00
BATTERIES	1400-0082	The battery cover hardware shall use knobs in place of wing nuts.	\$ 104.00
BATTERIES	1400-0083	Battery brackets shall be zinc plated (galvanized) IPOS.	\$ 1,071.00
BATTERIES	1400-0084	Officer side front 2 batteries isolated for use with 12V accessory system. The batteries are not to be hooked up to the 12 Volt electric bus.	\$ 1,306.00
BATTERIES	1400-0085	Battery 4 Optima model D31T 900CCA.	\$ 4,744.00
BATTERIES	1400-0086	Idle Mitigation System Eco Idle-Tec IMS4HAC12-M. Includes EM 200-IC energy module, AC 40-24-12K air conditioning unit and Intellimetrics. Includes display in cab. Requires dual voltage charger, auto eject receptacle and 400a minimum alternator. For use with E-ONE chassis with A/C (requires rooftop condenser). When mounted on top of body a cover is required in cold climates (3305-0893 or equivalent). Requires SAE review relative to location.	\$ 69,470.00
BATTERIES	1400-0088	Idle Mitigation System Eco Idle-Tec model IMS3. Includes EM 200-IC energy module and Intellimetrics. Includes display in cab. Requires dual voltage charger, auto eject receptacle and 400a minimum alternator. When mounted on top of body a cover is required in cold climates (3305-0893 or equivalent). Requires SAE review relative to location.	\$ 44,165.00
BATTERIES	1400-0089	Insulation on under side of battery tray assembly. P8AT ARFF.	\$ 225.00
BATTERIES	1400-0090	Battery four group 31 1000CCA. Deka model 1231MF.	\$ 2,490.00
BATTERIES	1400-0091	Additional EM 200-12 energy module for IMS system. Requires SAE review relative to location.	\$ 11,806.00
BATTERIES	1400-0092	A pair of jumper studs shall be located near the batteries with color coded covers and an engraved tag to indicate positive and negative terminals.	\$ 440.00
BATTERIES	1400-0093	Battery two group 31. For use with Vector chassis only.	\$ 1,014.00
BATTERIES	1400-0094	Group 31 AGM battery for powertrain control system of Vector chassis.	\$ 1,446.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BATTERIES	1400-0095	Electric Vehicle (EV) package. Includes dual drive motor, (6) HC batteries, air compressor / power steering module, digital dash, pump panel display and charging socket.	\$ 789,669.00
BATTERIES	1400-0096	Relocate commercial chassis batteries to the dunnage pan offset to the officer side. Mounted inside a treadplate battery box.	\$ 1,604.00
BATTERIES	1400-0098	Battery four group 31 1000 CCA. One battery left side (with PDM) and three on right side. For use with 44.5" T19 / 20 cabs only. N/A with front intake.	\$ 2,021.00
BATTERIES	1400-0099	Stainless steel battery trays and stainless steel covers. Trays and covers to be made of 10 gage thick material. Includes stainless steel quick release type latches.	\$ 3,181.00
BATTERIES	1400-0101	(1) additional battery shall be isolated for use with the diesel generator. The battery to be hooked up via an isolator to the trucks battery system for charging only. Location: upper storage area adjacent to the generator. Includes diamond plate cover.	\$ 1,481.00
BATTERIES	1400-0102	Electric Vehicle (EV) package. Includes tandem drive motor, (3) HC batteries, air compressor / power steering module and charging socket.	\$ 789,669.00
BATTERIES	1400-0104	Electric Vehicle (EV) package. Includes tandem drive motor, (3) HC batteries, air compressor / power steering module and charging socket.	\$ 1,149,999.00
BATTERIES	1400-0106	Two (2) group 31 AGM 1150 CCA Odyssey PC-2150 batteries.	\$ 2,883.00
BATTERIES	1400-0107	Replace chassis OEM batteries with (3) Deka G311000CCA batteries.	\$ 1,295.00
BATTERIES	1400-0108	Battery package for Vector EV. Includes (3) high capacity batteries with total of 327 kWh energy.	\$ 276,403.00
BATTERIES	1675-0052	Relocate commercial chassis batteries, location [#LOC].	\$ 2,261.00
BODY	3000-0004	Diamond plate body for use with wide water tank, tandem axle chassis and driver side frame mounted pump. Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$ 13,824.00
BODY	3000-0005	Diamond plate body for use with wide water tank, tandem axle chassis and individual SM pump module. Includes driver and officer side forward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$ 14,257.00
BODY	3000-0012	Diamond plate body for use with narrow water tank, tandem axle chassis with driver side under mount pump and officer side forward discharge/intake panel. Includes driver and officer side forward and rearward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 10" tailboard.	\$ 15,556.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

BODY	3000-0014	Diamond plate body for use with wide water tank, single axle chassis and driver side frame mounted pump. Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$ 13,177.00
BODY	3000-0015	Diamond plate body for use with narrow water tank, tandem axle chassis with driver side under mount pump and officer side forward discharge/intake panel. Includes driver side forward and rearward lower body compartments, officer side (2) forward and (1) rearward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$ 15,556.00
BODY	3000-0016	Diamond plate body for use with narrow water tank, tandem axle chassis and driver side frame mounted pump with enclosed pump panel. Includes driver and officer side forward lower body compartments (drivers narrow), framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard. Oklahoma City.	\$ 17,436.00
BODY	3000-0017	Diamond plate body for use with wide water tank, single axle chassis and individual SM pump module. Includes driver and officer side forward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$ 20,199.00
BODY	3000-0018	Diamond plate body for use with wide water tank, single axle chassis and individual SM pump module. Includes driver and officer side forward lower body compartments, framed wheel well area with diamond plate corners and flat back style rearend with 12" tailboard.	\$ 20,199.00
BODY	3000-0021	304L Stainless Steel formed body construction for Wetside tanker. Includes driver and officer side forward and rear lower body compartments and flat back style rearend with tailboard.	\$ 8,367.00
BODY COMPT FRONT	3105-0001	Enhanced extended forward compartmentation for Rescue Pumper. Includes 14" of additional interior width to the forward side compartments and 25" of additional depth in the forward 14" wide section (as applicable). Overall interior height will vary depending on additional option selections.	\$ 4,306.00
BODY COMPT FRONT	3105-0002	Rear Mount forward body. Includes main side body structures and compartment L1/R1, L2/R2.	\$ 29,236.00
BODY COMPT FRONT	3105-0005	Hosebed walkway. Includes forward body headboard mod and rear body module walkway end partition. Walkway to be a slip resistant material. Walkway location: [#LOC] of the hosebed.	\$ 3,629.00
BODY COMPT FRONT	3105-0006	Rear Mount forward body compartments. Includes L1/R1 54" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area.	\$ 2,905.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

BODY COMPT FRONT	3105-0053	Preconnect module to be capable of holding the following contents: Upper preconnect area to hold (2) 200' of 1.75" DJ with removable trays. Lower preconnect area to hold (2) 200' of 1.75" DJ with removable trays.	\$ 3,406.00
BODY COMPT FRONT	3105-0054	Rear Mount forward body. Includes main side body structures and compartment L1/R1, L2/R2.	\$ 38,548.00
BODY COMPT FRONT	3105-0055	Rear Mount Body Assembly. Includes driver side, officer side and rear end assemblies. Driver side body with full height 48" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Officer side body with full height 48" wide forward and 60" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel. Rear end for rear mount pump application. Includes smooth plate panels and storage access door with push button latch.	\$ 59,529.00
BODY COMPT FRONT	3105-0056	Preconnect module (stacked). Includes area for (2) stacked preconnect, lower storage compartments with push button latches, running boards, upper area dunnage pan and horizontal backboard storage with drop down diamond plate access door (wired to door ajar).	\$ 16,102.00
BODY COMPT FRONT	3105-0057	Preconnect/Transverse module (full width and height of body). Includes (2) full width stacked speedlays (make standard size opening as used on normal width speedlay module). Each speedlay to be plumbed for use with 1.75" DJ hose. Area directly behind speedlays to have a transverse compartment (opening height to match body compartments). Transverse to include full width floor. Upper area to include a full width storage pan (forward of roof top compartments) and (1) pan located between the roof top compartments. Make pans as deep as practical.	\$ 20,407.00
BODY COMPT FRONT	3105-0058	Transverse module (full width and height of the body) located forward of the body. Includes single 30" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Lower transverse compartment area to have triple preconnects with removable trays (side by side). Above the speedlay area to be storage for stokes basket. Upper area of transverse module to have diamond plate dunnage pan.	\$ 22,868.00
BODY COMPT FRONT	3105-0059	The outboard panels of the full width transverse module to be smooth plate overlays. These areas are to be seamless and painted job color.	\$ 603.00
BODY COMPT FRONT	3105-0060	Transverse module (full width and height of the body) located forward of the body. Includes single 30" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (stacked, (2) 1.5" on top and (1) 2.5" on bottom). Upper area of transverse module to have diamond plate dunnage pan.	\$ 25,156.00
BODY COMPT FRONT	3105-0061	Backboard storage sleeve with retaining strap. Located in LT/RT compartment forward of the speedlays to be 5" wide x 20" high.	\$ 1,854.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT FRONT	3105-0062	Rear Mount body. Includes main side body structures and compartments L1/R1, L2/R2, L3/R3 and L4/R4. Includes interior compartment offset for pump panel location and mounting, rear body structure for rear mounted pump application.	\$ 71,240.00
BODY COMPT FRONT	3105-0066	Rear Mount forward body compartments. Includes L1/R1 - 72" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area. An externally-mounted compartment top shall be provided and constructed of a 1/8" (.125") aluminum smooth plate with black Scorpion coating (IPOS diamond plate).	\$ 9,197.00
BODY COMPT FRONT	3105-0067	Transverse module (full width and height of the body) located forward of the body. Includes single 30" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (stacked, (2) 1.5" on top and (1) 2.5" on bottom). Upper area of transverse module to have a dunnage pan made of aluminum smooth plate with black Scorpion coating (IPOS diamond plate). The running boards shall be constructed of aluminum smooth plate with black Scorpion coating (IPOS diamond plate)	\$ 26,301.00
BODY COMPT FRONT	3105-0068	Preconnect module to be capable of holding the following contents: Upper preconnect area to hold (2) 200' of 1.75" DJ with removable poly trays. Lower preconnect area to hold 200' of 2.5" DJ with removable poly tray.	\$ 2,558.00
BODY COMPT FRONT	3105-0069	Preconnect module (stacked)for use with Poly trays. Includes area for (2) stacked preconnect, lower storage compartments with push button latches, running boards and upper area dunnage pan.	\$ 22,670.00
BODY COMPT FRONT	3105-0071	Rear Mount forward body compartments. Includes L1/R1 - 44" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L2/R2 - 44" wide x 26" deep in the 56" lower area and 12" deep in the 12" upper area, L3/R3 - 56" wide x 26" deep in the 22" lower area and 12" deep in the 12" upper area, L4 - (pump panel location upper section) - 46" wide x 24" high x 24" deep in the lower section and R4 - 46" wide x 24" deep in the 56" lower area and 12" deep in the 12" upper area.	\$ 72,591.00
BODY COMPT FRONT	3105-0072	Transverse module (full width and height of the body) located forward of the body. Includes single 24" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$ 20,620.00
BODY COMPT FRONT	3105-0073	Backboard storage sleeve with retaining strap(s). Located in LT/RT compartment in transverse area horizontally mounted. 5"H x 22"W x 76"L.	\$ 1,854.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT FRONT	3105-0074	Transverse module (full width and height of the body) located forward of the body. Includes single 24" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$ 20,620.00
BODY COMPT FRONT	3105-0075	Preconnect module (stacked). Includes area for (2) preconnect, (1) transverse storage area, lower storage compartments with push button latches, running boards, upper area dunnage pan and horizontal backboard storage with drop down diamond plate access door (wired to door ajar).	\$ 20,620.00
BODY COMPT FRONT	3105-0076	Transverse module (full width and height of the body) located forward of the body. Includes single 32" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$ 22,426.00
BODY COMPT FRONT	3105-0077	A pre-connect storage area will be located inside the transverse module towards the rear that will accommodate double pre-connects with removable trays (trays listed separately).	\$ 3,976.00
BODY COMPT FRONT	3105-0078	Transverse module (full width and height of the body) located forward of the body. Includes single 38" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Rearward transverse compartment area to have triple preconnects with removable trays (side by side). Upper area of transverse module to have diamond plate dunnage pan.	\$ 19,366.00
BODY COMPT FRONT	3105-0079	Backboard storage sleeve with retaining strap. Located in LT/RT compartment forward of the speedlays to be 5" high x 20" wide.	\$ 1,854.00
BODY COMPT FRONT	3105-0080	Preconnect module (stacked) for use with aluminum speedlay trays. Includes area for (2) stacked preconnect, lower and upper storage compartments with push button latches, running boards.	\$ 21,764.00
BODY COMPT FRONT	3105-0081	Front transverse preconnect module approximately 27" wide includes running boards and lower storage compartments each side with vertically hinged diamond plate door and thumb latch. Double speedlays (size per plumbing selection). Upper transverse storage area with back board sleeve and lift up diamond plate door with thumb latch. Top mounted dunnage pan area.	\$ 20,620.00
BODY COMPT FRONT	3105-0082	Front transverse preconnect module approximately 27" wide includes running boards and lower storage compartments each side with vertically hinged diamond plate door and thumb latches. Double speedlays (size per plumbing selection). Upper transverse speedlay (size per plumbing section) with back board sleeve and lift up diamond plate door with thumb latch. Top mounted dunnage pan area.	\$ 20,620.00

BODY COMPT FRONT	3105-0083	Front transverse preconnect module approximately 27" wide includes running boards and lower storage compartments each side with vertically hinged diamond plate door and thumb latch. Double speedlays (size per plumbing selection). Extruded boxed out upper transverse storage area with Stokes basket sleeve (84.5" long x 24" high x 7.5" wide) and lift up diamond plate door with thumb latch. Top mounted dunnage pan area.	\$ 20,620.00
BODY COMPT FRONT	3105-0084	Front transverse preconnect module approximately 27" wide includes running boards and lower storage compartments each side with vertically hinged diamond plate door and thumb latch. Double speedlays (size per plumbing selection). Extruded boxed out upper transverse storage area with stokes basket sleeve (84.5" long x 24" high x 7.5" wide) and preconnect (size per plumbing selection) includes lift up diamond plate door with thumb latch. Top mounted dunnage pan area.	\$ 20,620.00
BODY COMPT FRONT	3105-0085	Transverse module (full width and height of the body) located forward of the body. Includes single 54" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$ 34,540.00
BODY COMPT FRONT	3105-0086	Transverse module (full width and height of the body) located forward of the body. Includes single 20" wide compartment opening per side (with a shallow lower area and a transverse upper area with full width smooth plate flooring). Upper area of transverse module to have diamond plate dunnage pan.	\$ 21,764.00
BODY COMPT FRONT	3105-0087	Transverse module (full width and height of the body) located forward of the body. Includes single 24" wide compartment opening per side (with a shallow lower area and a transverse upper area with smooth plate flooring). Lower transverse compartment area to have double preconnects, 2.50 in. forward and 1.75 in. rearward, with removable trays (side by side). Upper transverse compartment area to have single 2.50 in. preconnect, with removable tray. Upper area of transverse module to have diamond plate dunnage pan.	\$ 22,868.00
BODY COMPT FRONT	3340-0225	Stair case module (full width of body). Includes large compartment area with lower storage area and upper area dunnage pan. Stair case located to [#LOC].	\$ 17,589.00
BODY COMPT FRONT	3340-0259	(1) officer side transverse module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$ 4,505.00
BODY COMPT FRONT	3340-0296	(1) driver side transverse module extra width (inboard side) roof top compartment (offset rearward). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Forward area to be open for general location of items in forward transverse pan.	\$ 4,505.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT FRONT	3340-0299	Transverse module (full width and height of body) with lower storage areas (compartment opening 67" wide and same height as main body compartments). Includes full width forward storage pan and a pan in the rearward center/officer area between the driver roof top compartment. Transverse floor to run full width. Rear headboard to have area for routing of plumbing for preconnects located in rearward area.	\$ 14,462.00
BODY COMPT FRONT	3340-0331	Transverse module (full width and 95" high) with lower storage areas (compartment opening 25" wide and same height as main body compartments). Includes upper dunnage pan, transverse floor to run full width. Rear headboard to have area for routing of plumbing for preconnects located in rearward area.	\$ 17,396.00
BODY COMPT FRONT	3340-0339	(1) driver side transverse module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$ 4,505.00
BODY COMPT FRONT	3340-0355	(1) officer side rear transverse module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$ 2,581.00
BODY COMPT FRONT	3340-0356	(1) driver side rear transverse module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab.	\$ 2,581.00
BODY COMPT LEFT SIDE	3094-0248	Roof compartment for pumper upper side body. A roof compartment shall be provided that spans full length of the upper side body and is flush with the outter skin & top of the hose bed. Design shall accommodate side body mounted lighting and wiring (if applicable). Includes: Top tread plate hinged access lid, hold open device(s), interior lighting & butterfly latches. Lid shall be wired to the door adjar system. Construction is consistent with the body design. Box finish shall be painted smooth aluminum. Locate driver side.	\$ 5,666.00
BODY COMPT LEFT SIDE	3100-0000	Driver side body with full height 24" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$ 16,912.00
BODY COMPT LEFT SIDE	3100-0002	Driver side body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$ 19,376.00
BODY COMPT LEFT SIDE	3100-0003	Driver side body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$ 20,712.00
BODY COMPT LEFT SIDE	3100-0004	Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$ 22,157.00

Category	Option	Long Description	Price
BODY COMPT LEFT SIDE	3100-1031	Driver half side body with 30" wide forward and 50" wide rearward compartmentation. Includes adjustable ladder tracks.	\$ 10,776.00
BODY COMPT LEFT SIDE	3100-1032	Driver side tandem body with full height 60" wide forward, (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments and a 54" wide upper rearward compartmentation. One lower rearward area for locating of side tank dump and a 26" wide compartment.	\$ 30,888.00
BODY COMPT LEFT SIDE	3100-1033	Stainless steel driver side body with full height full depth 48" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well. 25" deep compartments for a 96" wide body. L3 height raised 6" for reel installation. Reduces depth of corresponding roof top compartment. Door height to remain standard.	\$ 54,295.00
BODY COMPT LEFT SIDE	3100-1034	Stainless steel driver side body with full height 44" wide forward and 48" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$ 54,435.00
BODY COMPT LEFT SIDE	3100-1035	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) TecNiq E45 LED strip light and to be wired to door ajar indicator in cab.	\$ 10,650.00
BODY COMPT LEFT SIDE	3100-1036	Driver side body with full height/full depth 66" wide front and 60" wide rear compartment. Includes (1) 60" wide compartment over the wheel well. Side mount SS eMAX only.	\$ 39,089.00
BODY COMPT LEFT SIDE	3100-1038	Driver 3/4 side body with (3) full height, rescue style, (2) forward compartments (48" and 30" wide) and (1) rearward compartment (24"). Includes (1) 56" wide compartment over the wheel well. The lower compartment height to be 30" IPO 34", currently 4" lower than the standard Extruded Alum Tanker; side facing Dump Valves N/A.	\$ 15,578.00
BODY COMPT LEFT SIDE	3100-1039	Driver side tandem body with full height 48" wide forward, (2) 42" wide compartments over the wheel well and overhead rack opening centered between upper compartments and a 54" wide upper rearward compartmentation. One lower rearward area for locating of side tank dump and a 26" wide compartment.	\$ 30,888.00
BODY COMPT LEFT SIDE	3100-1040	Stainless steel driver side body with full height/full depth 54" wide forward and 54" wide rearward compartmentation. Includes (1) 60" wide compartment over the wheel well.	\$ 56,428.00
BODY COMPT LEFT SIDE	3100-1041	Driver 3/4 side tandem stainless steel tanker body with 42" front and 58" rear extended enhanced compartmentation. Includes (2) 60" wide tandem wheel panels with (2) 46" wide compartments over rear tandem wheels. For use with side dump valve.	\$ 25,967.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT LEFT SIDE	3100-1042	Driver side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well and one (1) storage tunnel. Side Mount eMAX only. (Note: limit length of tunnel for pump panel area).	\$ 32,547.00
BODY COMPT LEFT SIDE	3100-1043	Driver side tandem stainless steel body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 60" wide compartments over the wheel well. For use with side dump valve.	\$ 34,145.00
BODY COMPT LEFT SIDE	3100-1044	Driver side tandem body with upper and lower compartmentation. Includes 36" wide forward and 54" wide rearward compartments and (4) opening upper compartments. Includes offsetting upper compartments forward due to deck gun location and access panel on upper rear compartment face to deck gun piping.	\$ 28,446.00
BODY COMPT LEFT SIDE	3100-1045	Driver side body with full height 30" wide forward and 45" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$ 19,839.00
BODY COMPT LEFT SIDE	3100-1046	Stainless steel driver side (4) compartment body with 40" wide forward and 48" wide rearward compartmentation. Includes (2) equal width upper compartments. Includes 60" wide wheel well.	\$ 52,314.00
BODY COMPT LEFT SIDE	3100-1047	SPECIAL eMAX side mount driver side body with full height 60" wide forward and 56" wide rearward compartmentation. Includes (1) 33" wide compartment over the wheel well and (1) Zico Overhead Ladder Rack.	\$ 48,514.00
BODY COMPT LEFT SIDE	3100-1048	Driver side tandem body with full height 42" wide forward and 42" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well. Pumper/Rescue Pumper compartment heights and depths. No Side Newton Dumps in W/Well allowed.	\$ 27,227.00
BODY COMPT LEFT SIDE	3100-1049	Flat back Driver side body with full height 48" wide forward and 48" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well.	\$ 23,706.00
BODY COMPT LEFT SIDE	3100-1050	Driver side body with full height 34" and 42" wide forward compartments and 56" wide rearward compartmentation. Includes (1) 56" wide compartment over the wheel well. Side Mount eMAX only.	\$ 29,016.00
BODY COMPT LEFT SIDE	3100-1051	Driver half side body with 42" wide forward and 56" wide rearward enhanced extended compartmentation. Includes adjustable ladder tracks.	\$ 16,683.00
BODY COMPT LEFT SIDE	3100-1284	Driver half side body with 36" wide forward and 36" wide rearward compartmentation.	\$ 9,689.00
BODY COMPT LEFT SIDE	3120-1032	Driver 3/4 side tandem body with full height 36" wide forward and 36" wide rearward compartmentation. Includes (2) 51.5" wide compartments over the wheel well. Wheel well compartment openings to be 20" high.	\$ 19,018.00
BODY COMPT LEFT SIDE	3120-1290	(2) driver side roof top compartments inboard. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (3) bracket mounted EON LED lights and to be wired to door ajar indicator in cab. Includes rear access door with D-Ring latch.	\$ 5,152.00
BODY COMPT LEFT SIDE	3134-0041	Pump operator panel in L1 forward area. Includes stainless steel panel with vertical hinge.	\$ 1,272.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT LEFT SIDE	3340-0045	(2) driver side roof top compartments. Includes hinged raised compartment lids with turn latches and grab handle(s). Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$ 5,152.00
BODY COMPT LEFT SIDE	3340-0096	(2) driver side roof top compartments with extra width to inboard side. Includes hinged raised compartment lids with turn latches, grab handle(s) and gas shock hold open and drain line(s) ran to below body. Each lid to have (1) bracket mounted LED light and to be wired to door ajar indicator in cab.	\$ 10,290.00
BODY COMPT LEFT SIDE	3340-0121	Full length driver side tunnel. Reduces driver side upper compartment depths to 12" deep IPO 26". Tunnel includes access door at rear.	\$ 2,891.00
BODY COMPT LEFT SIDE	3340-0122	Half length driver side tunnel. Reduces driver side upper compartment depths of L2 and L3 to 12" deep IPO 26".	\$ 1,804.00
BODY COMPT LEFT SIDE	3340-0198	Rear diamond plate vertical hinged door on driver side roof top compartments. Includes thumb latch and wiring for door ajar switch.	\$ 377.00
BODY COMPT LEFT SIDE	3340-0251	Half length driver side tunnel. Reduces driver side upper compartment depths of L2 and L3 to 12" deep IPO 26". Includes cut-out in hosebed side wall in forward area of L2. Cut-out to forward of Little Gaint sleeve. Includes cover plate with push button latches.	\$ 4,132.00
BODY COMPT LEFT SIDE	3365-0046	The driver side full length tunnel to store (2) 6" x 10' hardsuction hoses. Each to be stored individually and accessed by a vertically hinged diamond plate door with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$ 1,160.00
BODY COMPT LEFT SIDE	3365-0047	The driver side half length tunnel to store (3) backboards. Each to be stored individually with stop bracket 75" back from opening, composite material on floor and accessed by a vertically hinged door at rear with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$ 1,244.00
BODY COMPT LEFT SIDE	3365-0057	The driver side full length tunnel to store (3) 6" x 10' hardsuction hoses. Each to be stored individually and accessed by a vertically hinged access door with a push-button latch. Door to wired to the door ajar indicator in the cab.	\$ 1,735.00
BODY COMPT LEFT SIDE	3365-1196	2 - arm portable tank rack on driver side. The rack includes amber lights on each end to visually indicate when the rack is in motion. Restricts the top folding step (if optioned) from closing completely. Includes mounting bracket (if required, matching rear compartment face or compartment wrap finish) for components mounted on rear compartment face. Rack sized for [#COL] gallon aluminum frame portable tank.	\$ 25,042.00
BODY COMPT REAR	3110-0000	Center Slam Strip Rear End with (3) compartments- (2) lower and (1) upper and a diamond plate center strip for a Jet or Newton Dump application. Includes diamond plate panels.	\$ 4,506.00
BODY COMPT REAR	3110-0001	Center Slam Strip Rear End with (3) compartments- (2) lower and (1) upper and a smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate panels.	\$ 4,506.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0002	Upper and Lower Rear Compartment. Includes diamond plate panels.	\$ 3,476.00
BODY COMPT REAR	3110-0003	Upper and Lower Rear Compartment. Includes smooth plate panels.	\$ 3,476.00
BODY COMPT REAR	3110-0004	Full Height Rear Compartment. Includes diamond plate panels.	\$ 2,444.00
BODY COMPT REAR	3110-0005	Full Height Rear Compartment. Includes smooth plate panels. This compartment shall be transverse through to the side rear compartments.	\$ 2,444.00
BODY COMPT REAR	3110-0006	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with locking push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0007	Full Height Rear Compartment. Includes diamond plate panels, 30 degree angle of departure with flip down tailboard and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 5,325.00
BODY COMPT REAR	3110-0008	Full Height Rear Compartment. Includes smooth plate panels, angled rear body with flip down tailboard and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 5,325.00
BODY COMPT REAR	3110-0010	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0011	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes smooth plate panels and storage access doors with push button latches.	\$ 4,326.00
BODY COMPT REAR	3110-0012	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes diamond plate panels and storage access doors with push button latches.	\$ 4,326.00
BODY COMPT REAR	3110-0013	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 2,272.00
BODY COMPT REAR	3110-0014	Full Height Rear Compartment with Officer Side Ladder Tunnel and Recessed Traffic Advisor. Includes smooth plate panels and storage door with push button latch..	\$ 3,003.00
BODY COMPT REAR	3110-0015	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes diamond plate panels and storage access door with push button latch.	\$ 2,201.00
BODY COMPT REAR	3110-0016	Full Height Rear Compartment with Officer Side Ladder Tunnel and Recessed Traffic Advisor. Includes diamond plate panels and storage door with push button latch.	\$ 3,003.00
BODY COMPT REAR	3110-0017	Full Height Rear Compartment with diamond plate panels.	\$ 2,041.00
BODY COMPT REAR	3110-0018	Full Height Rear Compartment with smooth plate panels.	\$ 2,041.00
BODY COMPT REAR	3110-0019	Full Height Rear Compartment with recessed traffic advisor and smooth plate panels.	\$ 2,842.00
BODY COMPT REAR	3110-0020	Full Height Rear Compartment with recessed traffic advisor and diamond plate panels.	\$ 2,842.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0021	Rear mount rear end with upper storage area and lower pump panel. Includes 12" bolt-on tailboard, smooth plate panels and upper access area door with push button latches.	\$ 3,376.00
BODY COMPT REAR	3110-0023	Rear mount rear end with upper storage area, lower pump panel area and officer side ladder/equipment tunnel. Includes 12" bolt-on tailboard, smooth plate panels, upper access area and ladder/equipment storage doors with push button latches.	\$ 3,534.00
BODY COMPT REAR	3110-0024	Stainless Steel rear end with lower center compartment. Includes 12" bolt-on diamond plate tailboard and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 4,815.00
BODY COMPT REAR	3110-0025	Stainless steel rear end with lower center compartment.	\$ 5,147.00
BODY COMPT REAR	3110-0027	Rear body panels to be un-painted extrusions with un-painted smooth plate body panels or just unpainted smooth plate to facilitate rear body striping.	\$ 509.00
BODY COMPT REAR	3110-0028	Rear body panels to be painted smooth plate.	\$ 1,771.00
BODY COMPT REAR	3110-0029		\$ 2,613.00
BODY COMPT REAR	3110-0030	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged diamond plate door (with 4" gap at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$ 3,488.00
BODY COMPT REAR	3110-0031	Full Height Rear Compartment. Includes diamond plate panels. Opening offset to officer side for special rear compartments. Width to be 31" wide.	\$ 3,658.00
BODY COMPT REAR	3110-0032	Full Height Rear Compartment with Officer and Driver Side Tunnels and Recessed Traffic Advisor. Includes smooth plate panels, storage doors with push button latches.	\$ 3,169.00
BODY COMPT REAR	3110-0033	Single low rear compartment. For use with low hosebed. Includes diamond plate panels.	\$ 1,837.00
BODY COMPT REAR	3110-0035	Upper rear compartment depth to be approximately 25" deep.	\$ 557.00
BODY COMPT REAR	3110-0036	Upper and Lower Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with push button latches.	\$ 5,406.00
BODY COMPT REAR	3110-0037	Full Height Rear Compartment. Includes diamond plate panels, recessed traffic advisor and full width rear intermediate step located below the recessed advisor. B1 compartment to have no louvers. Includes access panel on bottom of compartment break to be 7" wide x 32" long. Panel to be centered front to back and side to side.	\$ 4,456.00
BODY COMPT REAR	3110-0038	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (3) folding steps- (2) low and (1) high officer side with a 12" handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 1,708.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0039	Bolt-on diamond plate tailboard (full width of body). Includes (2) handrails- (1) vertical on officer body and (1) horz below hosebed, aluminum ladder (angled) on offier side from tailboard to top edge of body and (3) Cast Products steps (staggered) on driver side.	\$ 5,923.00
BODY COMPT REAR	3110-0040	Compartment B1 to be 30" deep IPOS 26" deep.	\$ 1,730.00
BODY COMPT REAR	3110-0041	Stainless steel rear end assembly. Includes lower rear compartment, tailboard with slanted beavertails and bolt-on outboard compartments, (4) Cast Products steps- (2) each side, (1) intermediate step above B1 and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 13,915.00
BODY COMPT REAR	3110-0042	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This compartment shall be transverse through to the side rear compartments.	\$ 1,952.00
BODY COMPT REAR	3110-0043	Full Height Rear Compartment with Full Width Upper Storage Compartment. Includes officer side area for storage of (1) 10' Attic, (7) pike poles and a drop down storage access door with push buton latches (wire to door ajar). Includes driver side area for storage of backboards and a drop down storage access door with push buton latches (wire to door ajar). Includes (1) divider located 25" off officer's side wall. Includes diamond plate panels.	\$ 4,946.00
BODY COMPT REAR	3110-0044	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0045	Upper and Lower Rear Compartment with Officer Side Ladder Tunnel. Includes smooth plate panels and storage access door with push button latches.	\$ 5,406.00
BODY COMPT REAR	3110-0046	Enhanced extended rear compartmentation for Rescue Pumper. Includes 14" of additional interior width to the rear side compartments and 25" of additional depth in the rearward 14" wide section. Overall interior height will vary depending on additional option selections.	\$ 3,807.00
BODY COMPT REAR	3110-0047	Full Height Rear Compartment with Full Width Upper Ladder Storage Compartment with smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles, (1) stokes basket, drop down storage access door with push button latches (wire to door ajar) and retaining straps for tunnel contents. Includes channels each side of ladder tunnel for discharges to terminate.	\$ 6,236.00
BODY COMPT REAR	3110-0048	Enhanced extended rear compartmentation for Rescue Pumper. Includes 14" of additional interior width to the rear side compartments and 25" of additional depth in the rearward 14" wide section. Overall interior height will vary depending on additional option selections. Includes bolt-on diamond plate tailboard (full width of rear compartment) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 5,262.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0049	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0050	Upper Storage Compartment to hold (1) stokes basket in place of standard ladder components. Stokes basket to be located on officer side of storage tunnel. Stop bracket included.	\$ 343.00
BODY COMPT REAR	3110-0051	B1 compartment to have no door. Includes removal of compartment lights and door ajar.	\$ 742.00
BODY COMPT REAR	3110-0052	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,188.00
BODY COMPT REAR	3110-0053	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0054	Rear Mount Rear Body. Includes rear body side structures with compartment L3/R3, interior compartment offset for pump panel location and mounting, rear body structure for rear mounted pump application (includes painted job color smooth plate panels outboard of pump access/panel(s) and rear body hosebed.	\$ 27,302.00
BODY COMPT REAR	3110-0056	Compartment preconnect hose feed thru. Includes smooth plate doors with push button latches. Locate to [#LOC] just outboard of the rear pump panel.	\$ 4,091.00
BODY COMPT REAR	3110-0057	Lower Rear Compartment only. Upper section to be diamond plate panel. Includes diamond plate panels.	\$ 2,115.00
BODY COMPT REAR	3110-0058	Rear of body to have flush un-painted smooth plate body panels to facilitate rear body striping.	\$ 2,602.00
BODY COMPT REAR	3110-0060	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes diamond plate panels. Includes area for misc. storage and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0061	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step with integral lights. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,708.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0062	Upper Storage Compartment to hold (1) backboard in place of standard ladder components. Backboard to be located on officer side of storage tunnel. Includes stop bracket located at apporximately 80".	\$ 600.00
BODY COMPT REAR	3110-0063	Full Height Rear Compartment with Upper Storage Compartment. Includes smooth plate panels. Includes area for misc. storage and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0064	Upper Storage Compartment to have (1) bolt-in compartment 24" deep. Compartment for storage of misc. items. Includes holding center divider for lower hosebed short to allow room for compartment.	\$ 1,180.00
BODY COMPT REAR	3110-0065	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes officer side rear tunnel access door with latch (material to match rearend platework).	\$ 2,272.00
BODY COMPT REAR	3110-0066	Full Height Rear Compartment.	\$ 2,041.00
BODY COMPT REAR	3110-0067	Lower Rear Compartment only. Upper section to be diamond plate panel. Includes diamond plate panels. Additional diamond plate area just above compartment for mounting of recessed directional lightbar.	\$ 11,702.00
BODY COMPT REAR	3110-0068	Center Slam Strip Rear End with (3) compartments - (2) lower and (1) upper and a smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate panels. Includes area above upper compartment for directional lightbar.	\$ 9,299.00
BODY COMPT REAR	3110-0069	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes diamond plate panels and storage access doors with Tri-Mark model 030-1300 door latches. The upper tunnel to have on the officer side a stop at 128" and on the driver side a stop at 72" from rear of truck.	\$ 5,265.00
BODY COMPT REAR	3110-0070	Upper and Lower Rear Compartment. Includes smooth plate panels. B1 to be 36" wide due to enhanced extended feature and vertically hinged door(s).	\$ 4,874.00
BODY COMPT REAR	3110-0071	Spacer panel(s) for recess/warning lighting. Located:[#LOC]. Panel(s) tol be painted job color and to iinclude mounting area for any and all lighting mounted in area.	\$ 578.00
BODY COMPT REAR	3110-0072	Rear of body to have flush painted smooth plate body panels.	\$ 3,181.00
BODY COMPT REAR	3110-0073	Upper rear compartment depth to be approximately 29" deep.	\$ 1,024.00
BODY COMPT REAR	3110-0074	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes smooth plate panels and storage access door with push button latch. Includes a 18" channel for (2) tank inlets and (1) 5" jet dump located 16" up from bottom of compartment opening. Includes area above the channel for mounting of a booster reel. The lower opening to have double door and the upper opening to have a dutch door.	\$ 9,252.00

BODY COMPT REAR	3110-0075	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with push button latch(es). Includes stepped upper horizontal tube to reduce hosebed height from ground over tank and driver side hosebed area.	\$ 5,691.00
BODY COMPT REAR	3110-0076	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with D-ring latch.	\$ 2,201.00
BODY COMPT REAR	3110-0077	Provide modification to B1 officer side compartment opening. To include vertical extrusion and smooth plate panel with lower access door with push button latches for access to tow eye in compartment. Interior width of B1 to remain standard.	\$ 2,558.00
BODY COMPT REAR	3110-0078	Lower Rear Compartment only. Upper section to be smooth plate panel. Includes smooth plate panels.	\$ 2,115.00
BODY COMPT REAR	3110-0079	Rear of body to have painted extrusions with un-painted smooth plate body panels to facilitate rear body panel striping.	\$ 509.00
BODY COMPT REAR	3110-0080	Center Slam Strip Rear End with smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate low side panels and diamond plate upper panel.	\$ 3,966.00
BODY COMPT REAR	3110-0081	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes smooth plate panels and storage access door with D-ring latch.	\$ 2,272.00
BODY COMPT REAR	3110-0083	Half length offcir side tunnel. Reduces officer side upper compartment depths of R2 and R3 to 12" deep IPO 26".	\$ 4,132.00
BODY COMPT REAR	3110-0085	Upper and Lower Rear Compartment. Includes upper and lower sanded smooth plate panels. Upper rear compartment door to be offset to driver side constructed of smooth plate. Upper rear compartment to be 56" wide for little giant ladder storage. (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step.	\$ 4,515.00
BODY COMPT REAR	3110-0086	Bolt-on diamond plate 24" tailboard (full width of hosebed). Includes handrails- (2) vertical mounted on trailing edge of body and (1) horizontal mounted handrail(s) below hosebed.	\$ 2,184.00
BODY COMPT REAR	3110-0087	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes smooth plate panels and storage access doors with Tri-Mark door latches.	\$ 5,407.00
BODY COMPT REAR	3110-0088	Full Height Rear Compartment with Officer Side Ladder Tunnel. Includes diamond plate panels and storage access door with push button latch. Officer side to have Rescue Pumper and Driver to have Pumper style enhanced extended.	\$ 8,688.00
BODY COMPT REAR	3110-0090	Handrail above B1 and below the hosebed will be "split". Each handrail to be approximately 18" and installed approximately 6" offset of centerline of B1 to allow for a 12" gap at center.	\$ 1,029.00
BODY COMPT REAR	3110-0093	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 2,272.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0094	Full Height Rear Compartment with Upper Storage Compartment and Driver Side Storage Tunnel. Includes smooth plate panels and storage access doors with push button latches.	\$ 4,326.00
BODY COMPT REAR	3110-0095	Full Height Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with push button latches.	\$ 2,507.00
BODY COMPT REAR	3110-0096	Full Height Rear Compartment with Upper Storage Compartment, Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with push button latches.	\$ 4,843.00
BODY COMPT REAR	3110-0097	Bolt-on smooth plate tailboard (full width of rear compartment). Tailboard to include gator grip and be black duraback painted. Includes the enhanced extended side compartment frame work (2008 design) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed. Handrails to include center stanchion.	\$ 3,305.00
BODY COMPT REAR	3110-0101	Compartment preconnect hose feed thru. Includes smooth plate doors with push button latches. Locate to [#LOC] just outboard of the rear pump panel.	\$ 2,483.00
BODY COMPT REAR	3110-0102	Upper Storage Compartment to hold (2) backboards in place of standard ladder components. Backboard to be located on officer side of storage tunnel. Includes stop bracket located at approximately 74".	\$ 1,180.00
BODY COMPT REAR	3110-0103	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops (embossed IPO Gator Grip due to department mounting of hose storage connectors in this area) and (1) driver and officer side lower area folding step (NO steps on driver or officer side upper areas). Main hosebed access is to be from the driver side of the pump module access ladder). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 1,922.00
BODY COMPT REAR	3110-0104	(2) vertically mounted booster reel roller assemblies. Locate (1) each side inboard side of the enhanced extended area (as far outboard as applicable). For use with rear compartment mounted booster reel.	\$ 965.00
BODY COMPT REAR	3110-0105	Upper Storage Compartment to hold (1) 17' Little Giant ladder and (1) backboard in place of standard ladder components. Little giant ladder to be located on officer side of storage tunnel stop bracket included approximately 113" back from opening, ladder to be stored in unfolded position. Backboard to be located in aluminum box hanging from upper area of officer side tunnel. Tunnel divider to be held 6" short from opening.	\$ 1,180.00
BODY COMPT REAR	3110-0106	Rear Mount pump/ladder tunnel access door. Includes single center mounted D-Ring latch and (2) hold open devices. Door to be [#LOC]. Door to open to 90 degrees and includes pull strap for access from ground.	\$ 972.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0107	Upper and Lower Rear Compartment. Includes smooth plate panels. Includes a 19" channel for (2) tank inlets and (1) 5" jet dump located between the upper and lower non-transverse style compartments. The lower compartment height to be 15".	\$ 7,443.00
BODY COMPT REAR	3110-0109	Upper and Lower Rear Compartment. Includes smooth plate lower panels outboard of B1 and diamond plate upper panels outboard of B2. The B1 compartment to be 42" wide and B2 compartment to be 38" wide. Includes (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step.	\$ 7,260.00
BODY COMPT REAR	3110-0110	Rear Mount Rear Body. Includes rear body side structures with compartment L3/R3, interior compartment offset for pump panel location and mounting, rear body structure for rear mounted pump application. Includes painted job color smooth plate panels (and storage access door with push button latch, if applicable) outboard of pump access/panel(s) and rear body hosebed.	\$ 19,283.00
BODY COMPT REAR	3110-0111	Upper and Lower Rear Compartment. Includes smooth plate lower panels outboard of B1 and diamond plate upper panels outboard of B2. Includes (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step and back-up camera to be mounted centered in front of directional lightbar. The upper compartment to be offset to officer side due to rear discharge options.	\$ 7,260.00
BODY COMPT REAR	3110-0113	Bolt-on diamond plate 12" tailboard with Gator Grip (full width of body). Includes hand rails- (2) vertical on trailing edge of body and horizontal mounted hand rail(s) below hose bed.	\$ 2,053.00
BODY COMPT REAR	3110-0114	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,053.00
BODY COMPT REAR	3110-0115	Bolt-on diamond plate 12" tailboard with Gator Grip (full width of body). Includes (2) squared off beavertails with hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,539.00
BODY COMPT REAR	3110-0116	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of beavertails and horizontally mounted hand rail below hose bed.	\$ 1,539.00
BODY COMPT REAR	3110-0117	Bolt-on diamond plate 20" tailboard with Gator Grip. Includes hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail(s) below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0118	Bolt-on diamond plate 20" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,910.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0119	Bolt-on diamond plate 20" tailboard with Gator Grip (full width of body). Includes (2) squared off beavertails with hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail(s) below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0120	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0121	Bolt-on diamond plate 20" tailboard with Gator Grip (full width of body). Includes (2) slanted beavertails with removable outer panels and hand rails- (2) vertically on trailing edge of body and horizontally mounted hand rail(s) below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0122	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0123	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0124	Lower rear stainless steel tall compartment B1, 46" wide x 45" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0125	Upper Storage Tunnel to have bolt-in side panels to enclose the sides of the tunnel.	\$ 1,180.00
BODY COMPT REAR	3110-0126	Upper and Lower Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels. Includes a 19" area for (1) tank inlet and (1) 5" jet dump located between the upper and lower compartments. The lower compartment height to be 17". The upper compartment to be full height and depth, includes bolt-in floor for access to plumbing components. Driver side tunnel opening to be narrowed to allow non-recessed folding step.	\$ 7,983.00
BODY COMPT REAR	3110-0127	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed. Upper beavertail to be 8.75 due to folding steps.	\$ 2,386.00
BODY COMPT REAR	3110-0128	Full Height Rear Compartment with smooth plate panels. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$ 2,689.00
BODY COMPT REAR	3110-0129	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$ 2,921.00
BODY COMPT REAR	3110-0130	Rear end tanker. Includes smooth plate upper and lower panels and a smooth plate center strip for a Jet or Newton Dump application.	\$ 1,227.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0131	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$ 4,432.00
BODY COMPT REAR	3110-0132	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails - (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0133	Rear end tanker. Includes smooth plate upper and lower panels, a smooth plate center strip for a Jet or Newton Dump application and upper area access door for thru the tank storage.	\$ 1,447.00
BODY COMPT REAR	3110-0136	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (4) pike poles and a lift-up storage access door with push buton latches (wire to door ajar). Lift-up door to use plunger style hold open device. Includes "NO STEP" tags located on outboard ends and positioned to be read from the open position of the door.	\$ 4,162.00
BODY COMPT REAR	3110-0137	Rear body panels to be painted smooth FRP.	\$ 553.00
BODY COMPT REAR	3110-0138	Rearend assembly with 3/4 height rear body compartment. Compartment located directly above chassis frame rails and to be non-transverse. For use with Industrial products and pumpers with large fuel tanks over 65 gallons. only.	\$ 2,444.00
BODY COMPT REAR	3110-0139	Rearend assembly with no rear compartment. For use with Industrial products only.	\$ 1,227.00
BODY COMPT REAR	3110-0140	Rearend assembly with 3/4 height rear end and dual dry chemical access doors. The upper access areas to either side of the center section to provide access to the dry chemical vessel and the nitorgen bottle(s). For use with Industrial products only.	\$ 1,837.00
BODY COMPT REAR	3110-0142	Upper rear compartment stepped for use newton dump.	\$ 389.00
BODY COMPT REAR	3110-0143	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged smooth plate door with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Driver side compartment to be 37" high and officer side compartment to be 31" high. Lower hosebed access step (two driver side and one officer side) to be mounted to inboard side of compartment.	\$ 4,027.00
BODY COMPT REAR	3110-0144	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails - (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed on trailing edge of the intermediate step.	\$ 4,584.00
BODY COMPT REAR	3110-0145	Full Height Rear Compartment with smooth plate panels.	\$ 2,577.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0146	Rear end with full height compartment. Includes diamond plate panels and double upper extrusions below hosebed area. Interior of compartment to be transverse side to side.	\$ 2,985.00
BODY COMPT REAR	3110-0148	Bolt-on tailboard compartments located to the driver and officer side of B1. The bolt-on tailboard compartments to be 64" high with embossed diamond plate compartment tops. The compartments includes hinged smooth plate door with 1/4 turn latch(es). The each compartment to have 4" gap at top of the door. Each door to be wired into door ajar indicator.	\$ 5,873.00
BODY COMPT REAR	3110-0149	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with Tri-Mark latch (wire to door ajar).	\$ 4,316.00
BODY COMPT REAR	3110-0150	Upper Storage Compartment to hold (1) 17' Little Giant ladder. Little giant ladder to be located on driver side of storage tunnel stop bracket included approximately 58" back from opening.	\$ 1,180.00
BODY COMPT REAR	3110-0151	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 5.5" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0152	Upper Storage Compartment divider to be located offset 26" from officer side. Officer side of divider to be enclosed to 86" deep and driver side of divider to be enclosed to 72" deep.	\$ 1,180.00
BODY COMPT REAR	3110-0153	Rear access into the enhanced extended portion of the L2 and R2 compartments. Includes smooth plate access doors with (2) push button latches each (wired to door ajar).	\$ 1,507.00
BODY COMPT REAR	3110-0154	Bolt-on diamond plate 6" tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,121.00
BODY COMPT REAR	3110-0155	Extruded lower rearend for use with Wetside tank. Includes smooth plate panels and area for Newton dump application.	\$ 1,980.00
BODY COMPT REAR	3110-0156	Upper Storage Compartment to hold (1) 17' Little Giant ladder, (1) 24' 2-section ladder, (1) 14' roof ladder, (1) 10' attic ladder and (2) pike poles.	\$ 1,180.00
BODY COMPT REAR	3110-0157	Rear end with Upper Storage Compartment. Includes smooth plate panels. Includes area for misc. storage and vertical hinged double doors with D-ring latch (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0158	Bolt-on diamond plate 16" tailboard (full width of body). Includes handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,372.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0159	Full Height Rear Compartment with smooth plate panels for mini pumper. Compartment width will be 44" wide.	\$ 2,041.00
BODY COMPT REAR	3110-0160	(2) bolt-on compartments. Locate (1) each side of B1 - driver side to have 11.5" wide x 46" high opening and officer side to have 14.5" wide x 29" high opening. Each compartment to be 21" deep. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (two on the driver side and one on the officer side) to be mounted to inboard side of compartment.	\$ 3,757.00
BODY COMPT REAR	3110-0161	Bolt-on diamond plate 25" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and (2) 48" handrails vertical on beavertails and (1) 36" horizontal below hosebed.	\$ 2,352.00
BODY COMPT REAR	3110-0162	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. B1 compartment opening to be 35" wide due to officer side tailboard compartment.	\$ 2,599.00
BODY COMPT REAR	3110-0163	Enhanced extended rear end with tall rear compartment and with officer side storage tunnel. Driver side enhanced extended to be Pumper style and officer to be Recue Pumper style. Officer side hosebed extrusion to be stepped for storage tunnel. Included are diamond plate tailboard full width of the rear compartment, smooth plate panels and storage access door (wired to door ajar) with push button latch.	\$ 4,892.00
BODY COMPT REAR	3110-0164	Bolt-on diamond plate 24" tailboard (full width of body). Includes (2) squared off 12" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. The outer beavertail panels to be aluminum smooth plate to allow for chevron striping. For use with swivel style rear tank dump only.	\$ 2,622.00
BODY COMPT REAR	3110-0165	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$ 2,921.00
BODY COMPT REAR	3110-0166	Full height rear compartment with officer side storage tunnel. Includes bolt-on intermediate step above. SS eMAX only.	\$ 2,709.00
BODY COMPT REAR	3110-0167	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Ladder Tunnel. Includes smooth plate panels and storage access doors with Tri-Mark model 030-1300 door latches. The upper tunnel access door to be horizontally hinged lift-up with gas shock. The upper tunnel to have on the officer side a stop at 128" and on the driver side a stop at 72" from rear of truck.	\$ 5,265.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0168	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 5" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work, (1) officer side lower area folding step and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 3,350.00
BODY COMPT REAR	3110-0169	Right Rear Panel Compartment at the rear face of the body on the right side. The compartment shall be 58" high x 27" wide x 10" deep equipped with a single stainless steel lap style door with D-ring locking latch. The floor will be lined with 1/2" U.H.M.W plastic.	\$ 5,318.00
BODY COMPT REAR	3110-0170	Lower Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 2,507.00
BODY COMPT REAR	3110-0171	Rear of stainless steel aerial body to have un-painted smooth plate panels to facilitate rear body striping.	\$ 591.00
BODY COMPT REAR	3110-0172	Bolt-on diamond plate 14" tailboard full width of body with Bustin tread. Provides flat back body design. Includes rear of body hand rails.	\$ 2,174.00
BODY COMPT REAR	3110-0173	Rear body smooth ladder door be painted job color finish to match body color.	\$ 787.00
BODY COMPT REAR	3110-0175	Lower Rear Compartment only. Upper section to be smooth plate panel. Includes smooth plate panels. Upper section to be set back 8" with diamond plate step with gator grip. This compartment shall be transverse through to the side rear compartments.	\$ 4,928.00
BODY COMPT REAR	3110-0176	Full Height Rear Compartment. Includes smooth plate panels. B1 to be as tall as possible (remove traffic advisor platework).	\$ 2,393.00
BODY COMPT REAR	3110-0177	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and (2) vertical mounted handrails on trailing edge of body.	\$ 1,539.00
BODY COMPT REAR	3110-0178	Full height rear compartment. Includes smooth plate panels. Bolt-on diamond plate tailboard (full width of rear compartment). Includes the driver side rescue style enhanced extended side compartment frame work with diamond plate compartment tops, officer side pumper style enhanced extended side compartment frame work with diamond plate compartment top. Officer side lower rear compartment will be transverse with B1. Handrail included and located: (1) driver upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 5,647.00
BODY COMPT REAR	3110-0179	Upper Storage Compartment to hold (1) 24' 2-section ladder, (1) 14' roof ladder, (1) 12' pike pole, (1) 8' pike pole, (2) 6' pike poles and (2) 6' D-handle trash hooks. Area rearward of pike poles to be closed off just before fill towers.	\$ 1,507.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0180	Bolt-on diamond plate 14" tailboard (full width of body). For use with rear ladder/flat back style application. Includes handrails- (1) mounted vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$ 2,115.00
BODY COMPT REAR	3110-0181	Rear flip down tailboard. Includes indicator in cab when the tailboard is in the down position. Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 7,396.00
BODY COMPT REAR	3110-0182	Full Height Rear Compartment with Upper Storage Compartment. Includes diamond plate panels. Includes area for misc. storage and a drop down storage access door with a D-ring latch (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0183	Full height rear compartment with upper ladder storage compartment. Includes smooth plate panels. Includes area for storage of (1) 24',(1)14',(1)10' attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).note door to open up past 90 degrees.	\$ 4,162.00
BODY COMPT REAR	3110-0184	(2) bolt-on compartments. Locate (1) each side of B1 - driver side to have 13" wide opening and officer side to have 16" wide opening. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$ 3,757.00
BODY COMPT REAR	3110-0185	Upper and Lower Rear Compartment. Includes smooth plate panels. Upper compartment to be as tall as possible (remove traffic advisor platework).	\$ 3,698.00
BODY COMPT REAR	3110-0186	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Area just below hosebed for discharge pipe routing above the rear compartment. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$ 4,921.00
BODY COMPT REAR	3110-0187	Rearend assembly with 3/4 height rear body for dry chemical access. Includes smooth plate panels. Compartment opening located directly above chassis frame rails and vertically hinged access door with D-ring latches. For use with Industrial products only.	\$ 2,444.00
BODY COMPT REAR	3110-0188	Bolt-on diamond plate 10" tailboard (full width of body). For use with rear ladder application. Includes a handrail vertically mounted on trailing edge of body opposite side of ladder.	\$ 1,840.00
BODY COMPT REAR	3110-0189	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch (remove traffic advisor platework).	\$ 2,272.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0190	Lower rear stainless steel short compartment B1, 46" x 35" high x 26" deep. Includes intermediate step above. Side walls removed to allow a Little Giant ladder to be slid in from compartment R3. Provide a stainless steel bolt-on panel to conceal and protect ladder when stored.	\$ 2,613.00
BODY COMPT REAR	3110-0191	Bolt-on diamond plate 14" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,174.00
BODY COMPT REAR	3110-0192	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 3,128.00
BODY COMPT REAR	3110-0193	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 3,128.00
BODY COMPT REAR	3110-0194	Full Height Rear Compartment with smooth plate panels. The B1 compartment to be 40" wide, full depth (no compartment break) and as tall as possible (remove traffic advisor platework).	\$ 3,128.00
BODY COMPT REAR	3110-0195	Full Height Rear Compartment. Includes smooth plate panels. The rear compartment to be 36" due to the enhanced extended compartment and double door options.	\$ 2,256.00
BODY COMPT REAR	3110-0196	Rear end assembly with dual dry chemical access doors. The upper access areas to either side of the center section to provide access to the dry chemical vessel and the nitrogen bottle(s) to include (2) dividers.	\$ 3,795.00
BODY COMPT REAR	3110-0198	B1 floor to be recessed as applicable to allow for booster reel and/or dealer installed equipment to be located below newton dump/applicable dump without interference.	\$ 1,002.00
BODY COMPT REAR	3110-0199	Compartment B1, 24" wide x 10" high x 26" deep, located between full length chassis frame rails. The compartment shall include a bottom hinged drop-down access door using a D-ring latch (wire to door ajar).	\$ 1,916.00
BODY COMPT REAR	3110-0200	Full Height Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with d-ring latches.	\$ 2,562.00
BODY COMPT REAR	3110-0201	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and (1) handrail vertical on trailing edge of driver's side of body and horizontal mounted handrail (driver's side) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0202	Upper and Lower Rear Compartment. Includes upper and lower sanded smooth plate panels. Upper rear compartment door to be offset to driver side constructed of smooth plate. Upper rear compartment to be 56" wide for little giant ladder storage. (2) 1.5" x 4" extrusions to be stacked between upper and lower compartments for directional light mounted under intermediate rear step.	\$ 4,515.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0203	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops raised 12" to cover rear piping, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,352.00
BODY COMPT REAR	3110-0204	Lower rear stainless steel tall compartment B1, 46" wide x 50" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,604.00
BODY COMPT REAR	3110-0205	Full Height Rear Compartment with smooth plate panels for mini pumper. Compartment opening dimensions will be approximately 44" wide x 38" wide. Extra compartment height will reduce the hosebed by approximately 11".	\$ 2,041.00
BODY COMPT REAR	3110-0206	Full Height Rear (no compartment). Includes opening for access to rear mount pump panel and smooth plate panels. Includes openings for preconnects to driver's side of rear pump panel	\$ 2,899.00
BODY COMPT REAR	3110-0207	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0208	Bolt-on diamond plate 10" tailboard (full width of body). For use with a folding step application. Includes handrails- (2) vertical on trailing edge of body and handrail(s) horizontal below hosebed.	\$ 1,415.00
BODY COMPT REAR	3110-0209	Upper and Lower Rear Compartment. Includes smooth plate panels. B1 to be 36" wide due to enhanced extended feature and hinged door(s) as required.	\$ 4,874.00
BODY COMPT REAR	3110-0210	Bolt-on diamond plate 10" tailboard (full width of body). For use with folding step application. Includes handrails- (1) vertical on trailing edge each side of body and handrail(s) horizontal below hose bed.	\$ 1,840.00
BODY COMPT REAR	3110-0211	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (2) recessed folding steps in lower area (1) officer side, (1) driver side. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,201.00
BODY COMPT REAR	3110-0212	Bolt-on diamond plate tailboard (full width of hosebed). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the extended side compartment frame work and handrails- (2) vertical mounted on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0213	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step. Entire rear panel to be smooth stainless steel for Chevron graphics.	\$ 4,187.00
BODY COMPT REAR	3110-0214	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 1,539.00
BODY COMPT REAR	3110-0215	Upper Storage Compartment to hold (1) 10' attic ladder, (4) pike poles, and (2) 6" x 10' hard suction hoses. Includes stop bracket included approximately 130" back from opening. An enclosed frontal area shall be included as part of the tunnel design.	\$ 1,180.00
BODY COMPT REAR	3110-0216	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails with stanchions and removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,539.00
BODY COMPT REAR	3110-0217	(1) Officer side rear pump module roof top compartment. Includes hinged raised aluminum smooth plate with black Scorpion coating (IPOS diamond plate) compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$ 3,242.00
BODY COMPT REAR	3110-0218	(1) Driver side rear pump module roof top compartment. Includes hinged raised smooth plate with black Scorpion coating (IPOS diamond plate) compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$ 3,242.00
BODY COMPT REAR	3110-0219	Bolt-on aluminum smooth plate with black Scorpion coating (IPOS diamond plate) 10" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$ 2,412.00
BODY COMPT REAR	3110-0220	Bolt-on 10" tailboard (full width of body) aluminum smooth plate with black Scorpion coating (IPOS diamond plate). For use with rear ladder application. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$ 2,412.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0221	Full height rear compartment with upper storage compartment. Includes smooth plate panels. Includes area for misc. storage and a lift up storage access door with push button latches (wire to door ajar).	\$ 4,478.00
BODY COMPT REAR	3110-0222	Bolt-on 10" diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work. For use with rear ladder application. Includes handrails (1) vertical mounted on trailing edge of body opposite side of ladder and (1) horizontal mounted handrail(s) below hosebed.	\$ 4,015.00
BODY COMPT REAR	3110-0223	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with d-ring latch.	\$ 2,272.00
BODY COMPT REAR	3110-0224	Rear body panels to be upgraded from smooth aluminum plate to un-painted smooth FRP.	\$ 553.00
BODY COMPT REAR	3110-0225	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a lift up storage access door with push button latches (wire to door ajar). The door shall be held in place with a plunger style hold open device.	\$ 4,162.00
BODY COMPT REAR	3110-0226	Bolt-on diamond plate 22" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,174.00
BODY COMPT REAR	3110-0227	Upper and lower rear compartment. Includes smooth plate panels. For use with raised lower rear body (B1 is 25" high).	\$ 3,476.00
BODY COMPT REAR	3110-0228	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical trailing edge of body and horizontal mounted handrail(s) below hosebed. Beavertails and outer panels to be smooth plate painted job color. Tailboard to diamond plate painted black durabak.	\$ 3,794.00
BODY COMPT REAR	3110-0229	Lower rear stainless steel tall compartment B1, 46" wide x approx. 64" high x 26" deep, but door opening remains in the normal 45" high position. Includes bolt-on intermediate step above the door opening. Entire rear panel to be smooth plate for Chevron graphics.	\$ 2,705.00
BODY COMPT REAR	3110-0230	Bolt-on 10" tailboard (full width of body) aluminum smooth plate with black Scorpion coating (rough finish) IPOS diamond plate. For use with rear ladder application. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$ 2,412.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0231	(1) bolt-on compartment. Locate on the officer side of rear step and to have 16" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access step to be mounted to inboard side of compartment.	\$ 1,886.00
BODY COMPT REAR	3110-0232	Bolt-on diamond plate 22 inch tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,406.00
BODY COMPT REAR	3110-0233	Bolt-on tailboard compartments located to the driver and officer side of B-1. The bolt-on tailboard compartments to be full height just below hosebed. Doors to be (1) Piece full height as applicable and hinged to the outside with push-button latches. Install shelf tracking in each compartment full height	\$ 6,952.00
BODY COMPT REAR	3110-0234	Upper Storage Compartment to hold (1) stokes basket in place of standard ladder components. Stokes basket to be located on officer side of storage tunnel. Stop bracket full width across tunnel shall be included.	\$ 343.00
BODY COMPT REAR	3110-0235	Step full width rear intermediate. Intermediate rear step to be located just below the upper ladder storage compartment.	\$ 1,593.00
BODY COMPT REAR	3110-0236	Step full width rear intermediate. Intermediate rear step to be located just above the upper ladder storage compartment.	\$ 1,593.00
BODY COMPT REAR	3110-0237	Full height rear compartment with upper storage compartment. Includes smooth plate panels. Includes an area for misc. storage and a lift up storage access door with a D-ring latch (wire to door ajar) and a plunger style hold open device. To include a storage sleeve for (2) backboards (72"X16"X2" each) offset to the officer side with a stop at 80".	\$ 4,790.00
BODY COMPT REAR	3110-0238	Bolt-on diamond plate 18" tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and handrail(s) horizontally below hosebed.	\$ 3,498.00
BODY COMPT REAR	3110-0239	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrail - (1) vertically on officer side trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0240	Lower Rear Compartment with access door above to the ladders storage thru tank. Includes smooth plate panels and storage access door with push button latches.	\$ 3,388.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0241	(1) bolt-on compartment 17" W x 40" H x 11" D. Locate on the officer side of rear step and to have 15" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$ 1,995.00
BODY COMPT REAR	3110-0242	Bolt-on diamond plate 25" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,174.00
BODY COMPT REAR	3110-0243	Bolt-on diamond plate 16" tailboard (full width of body). For use with flat back style body. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$ 3,374.00
BODY COMPT REAR	3110-0244	Single Low Rear Compartment with Officer Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with push button latch.	\$ 2,272.00
BODY COMPT REAR	3110-0245	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. Outer panels to be smooth plate painted job color.	\$ 2,293.00
BODY COMPT REAR	3110-0246	Bolt-on diamond plate 18" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$ 3,498.00
BODY COMPT REAR	3110-0247	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Upper compartment to be approx 17" high x 38" wide x 26" deep.	\$ 3,200.00
BODY COMPT REAR	3110-0248	Full Height Rear Compartment. Includes smooth plate panels, angled rear body with flip down tailboard and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 6,488.00
BODY COMPT REAR	3110-0249	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body. Must be used with hosebed dividers that include hand hold cut outs (the horizontally mounted handrail(s) are not included).	\$ 2,053.00
BODY COMPT REAR	3110-0250	Top of body stepping surface plate work (compartment tops and enhanced extended compartment top at rear of body) shall be smooth plate painted black Durabak.	\$ 1,448.00
BODY COMPT REAR	3110-0251	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes flush smooth plate rear facing body panels and storage access door with push button latch.	\$ 2,602.00
BODY COMPT REAR	3110-0252	Enhanced extended exterior inside facing walls at either side of B1 compartment opening shall be smooth plate painted black durabak.	\$ 1,190.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0253	Full Height Rear Compartment with smooth plate panels. Compartment material to be 5083-H321.	\$ 2,634.00
BODY COMPT REAR	3110-0254	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This compartment shall be transverse through to the right rear side compartment only.	\$ 2,256.00
BODY COMPT REAR	3110-0255	Full Height Rear Compartment 44" wide. Includes smooth plate panels.	\$ 2,444.00
BODY COMPT REAR	3110-0256	Bolt-on diamond plate 14" tailboard (full width of body). For use with dual rear ladder application. Includes handrail horizontally mounted below hosebed.	\$ 2,115.00
BODY COMPT REAR	3110-0257	Rear Panel Compartment. Compartment B1, located centered ahead of the rear tailboard, shall be 46" wide x approximately 50" high x 26" deep. Solid walls shall be provided on both sides of the rear compartment. This compartment shall be of 12 gauge 304L stainless steel.	\$ 2,506.00
BODY COMPT REAR	3110-0258	Rear Panel Area. The entire rear panel of the body shall be covered using smooth FRP panels for application of the Chevron graphics. The rear panel area shall be of the flat back body design.	\$ 3,682.00
BODY COMPT REAR	3110-0259	Bolt-on diamond plate 14" tailboard (full width of body). Includes handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,326.00
BODY COMPT REAR	3110-0260	(1) officer side rear pump module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) Amdor LED strip light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$ 5,337.00
BODY COMPT REAR	3110-0261	(1) driver side rear pump module extra width (inboard side) roof top compartment (offset rearward and sized to allow deck gun to stow without interfering with hosebed area). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) Amdor LED strip light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed.	\$ 4,689.00
BODY COMPT REAR	3110-0262	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Upper Storage Compartment to be fully enclosed drop in / bolt in box with top. Compartment to be full height X full width of opening and 86" deep with a vertical partition located 26" from officer side. Driver side of partition to have a stop located 75" from box opening. Includes smooth plate panels and storage access doors with push button latches.	\$ 9,816.00
BODY COMPT REAR	3110-0263	Lower Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Includes bolt-on panel between recessed traffic advisor and lower compartment for rear tank fill.	\$ 2,842.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0264	Lower rear stainless steel tall compartment B1, 46" wide x 60" high x 26" deep. Entire rear panel to be smooth FRP plate for Chevron graphics.	\$ 2,492.00
BODY COMPT REAR	3110-0265	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,245.00
BODY COMPT REAR	3110-0266	Rear end tanker. Includes smooth plate upper and lower panels, a smooth plate center strip for a Jet or Newton Dump application, driver, and officer side access doors for storage tunnels.	\$ 1,597.00
BODY COMPT REAR	3110-0267	Upper and Lower Rear Compartment. Includes smooth plate panels. Upper compartment to be as tall as possible (remove traffic advisor platework).	\$ 4,931.00
BODY COMPT REAR	3110-0268	Bolt-on diamond plate 12" tailboard 98" width Bustin Tread and Chicago style mitered corners. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,466.00
BODY COMPT REAR	3110-0269	Lower rear stainless steel short and narrow compartment B1, 26" wide x 35" high x 26" deep, for use with special lower rear panel plumbing options. Includes 46" wide intermediate rear step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,133.00
BODY COMPT REAR	3110-0273	Full Height Rear Compartment with 4" high permanent diamond plate shelf for a Upper and Lower Rear Compartment design. Includes smooth plate panels. Upper compartment to be as tall as possible (remove traffic advisor platework).	\$ 4,931.00
BODY COMPT REAR	3110-0274	Bolt-on diamond plate 24" tailboard (full width of body). Includes (2) squared off 10" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. For use with swivel style rear tank dump only.	\$ 2,252.00
BODY COMPT REAR	3110-0275	Lower rear stainless steel tall compartment B1, 46" wide x approx. 64" high x 34" deep, door opening 53" high position. Includes bolt-on intermediate step above the door opening. Entire rear panel to be smooth plate for Chevron graphics.	\$ 3,183.00
BODY COMPT REAR	3110-0276	Lower Rear Compartment with access above to the ladders storage thru tank. Includes smooth plate panels and stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$ 3,915.00
BODY COMPT REAR	3110-0277	Lower rear stainless steel short compartment B1, 46" wide x 40.25" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0278	Upper rear body panel below hose bed and above lower compartments to be brushed stainless steel (no chevron). Panel to be full width and includes the area behind the rear discharge pipes.	\$ 382.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0279	Bolt-on diamond plate 20" tailboard (full width of body). Includes (2) slanted beavertails with lowered height approx 5.5" from standard to inhibit interference as stowed with beacon lights as optioned (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,487.00
BODY COMPT REAR	3110-0280	Bolt-on diamond plate 20" full width tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Trailing edge of side compartments include 2" deep aluminum treadplate bumperettes to align tailboard to back of body.	\$ 2,255.00
BODY COMPT REAR	3110-0281	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes smooth plate panels and storage access doors with "D"-ring latches.	\$ 4,326.00
BODY COMPT REAR	3110-0282	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. B1 compartment 28" deep.	\$ 1,952.00
BODY COMPT REAR	3110-0283	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with D-Ring latch (wire to door ajar).	\$ 4,311.00
BODY COMPT REAR	3110-0284	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body.	\$ 2,018.00
BODY COMPT REAR	3110-0285	The rearend area of the extra wide roof top compartment above the access ladder to be recessed in 16". The stepping area to be embossed diamond plate and side and forward plates to be diamond plate.	\$ 1,503.00
BODY COMPT REAR	3110-0286	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Includes smooth plate panels and storage access doors with "D"-ring latches. Divider to be full length and be positioned 27" off of driver side compartment wall or as applicable close to fill tower on water tank. Area to the left of the divider to have a stop and be 84" deep. Area to the right of the divider to have a stop and be 75" deep.	\$ 4,391.00
BODY COMPT REAR	3110-0287	Upper rear stainless steel short compartment B2, 36" wide x 16" high x 26" deep. Entire rear panel to be smooth FRP plate for Chevron graphics.	\$ 1,711.00
BODY COMPT REAR	3110-0288	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread, provides a flat back body design. Center section of step to be able to pull out and provide additional stepping surface. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 4,741.00
BODY COMPT REAR	3110-0289	Pumper rear mount rear end with lower pump panel provisions and upper pump maintenance access door with driver side ladder tunnel. Includes smooth plate panels and storage access doors with D-ring latches.	\$ 2,387.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0290	Bolt-on diamond plate 12" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$ 1,995.00
BODY COMPT REAR	3110-0291	Single Low Rear Compartment with Officer Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with d-ring latch.	\$ 2,272.00
BODY COMPT REAR	3110-0292	Rear Panel Compartment. Compartment B1, located centered ahead of the rear tailboard, shall be 46" wide x approximately 50" high x 32" deep. Solid walls shall be provided on both sides of the rear compartment. This compartment shall be of 12 gauge 304L stainless steel.	\$ 2,506.00
BODY COMPT REAR	3110-0293	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and NO horizontally mounted hand rail below hose bed.	\$ 1,976.00
BODY COMPT REAR	3110-0294	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step for hinged doors. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0295	HS pumper / rescue pumper rear body with officer side storage tunnel. Includes center radiator mesh, smooth plate panels and storage access door with push button latch.	\$ 3,328.00
BODY COMPT REAR	3110-0296	Lower Rear Compartment only. Upper section to be smooth plate panel. Includes smooth plate panels. This compartment shall be transverse through to the side rear compartments.	\$ 2,115.00
BODY COMPT REAR	3110-0297	HS pumper / rescue pumper rear body. Includes center radiator mesh and smooth plate panels.	\$ 3,002.00
BODY COMPT REAR	3110-0298	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 28', (1) 14', (1) 10' Attic, (1) Dry wall hook, (2) pike poles and a drop down storage access door with push buton latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0299	1" X 1.5" extrusion added to lower B1 compartment door opening to form a 10" wide notch offset to officer side for 5" LDH hose connected to customer installed valve stored in B1. This will also require floor mounted rollout tray to be raised to clear lower door opening.	\$ 712.00
BODY COMPT REAR	3110-0300	Full Height Rear Pump Panel Compartment with officer side ladder tunnel storage with smooth plate door secured with D-Ring style latch. Includes smooth plate panels, angled rear body with flip down tailboard and handrails as applicable. Pump Panels to be recessed in the rear body and enclosed on all sides.	\$ 10,365.00
BODY COMPT REAR	3110-0301	Bolt-on diamond plate 10" tailboard (full width of body) with center integral slide-out step. Includes NFPA required handrails.	\$ 4,012.00
BODY COMPT REAR	3110-0302	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) NY Roof Hook style pike poles and a drop down storage access door with push buton latches (wire to door ajar).	\$ 4,162.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0303	Full Height Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with push button latches tied to door ajar. Rear compartment to be dual purpose and equipped with a 22" wide door opening on the driver side and a rear body panel added in the remaining space for a rear slam strip to accommodate a jet dump and a direct tank fill in the lower officer side area of the rear compartment. Upper area above slam strip to include a vertical hinged access door of smooth plate aluminum matching rear of body selected finish with stainless steel hinge, push button latch and rubber impact bumper to cushion door on handrail in open position.	\$ 5,287.00
BODY COMPT REAR	3110-0304	Full Height Rear Pump Panel Compartment. Includes smooth plate panels, angled rear body with flip down tailboard and handrails as applicable. Pump Panels to be recessed in the rear body and enclosed on all sides.	\$ 9,975.00
BODY COMPT REAR	3110-0305	Lower rear stainless steel tall compartment B1, 46" wide x 45" high x 26" deep without intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,018.00
BODY COMPT REAR	3110-0306	Lower Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with "D"-ring.	\$ 2,507.00
BODY COMPT REAR	3110-0307	Rearend assembly with 3/4 height rear end and (3) dry chemical access doors. The upper access areas to the center section to provide access to the dry chemical vessel and two access doors to the nitrogen bottle(s). For use with Industrial products only.	\$ 1,837.00
BODY COMPT REAR	3110-0308	Upper rear stainless steel short compartment B2, 39" wide x 12" high x 26" deep. Entire rear panel to be smooth FRP plate for Chevron graphics.	\$ 1,711.00
BODY COMPT REAR	3110-0309	Bolt-on 3/16" (.1875") smooth plate painted black Durabak 10" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$ 2,299.00
BODY COMPT REAR	3110-0310	Full height rear compartment with upper ladder storage compartment. Includes smooth plate panels. Includes area for storage of (1) 24',(1)14',(1)10' attic, (3) pike poles, including (1) one each 6', 8' and 10' with APH style hooks, a lift up storage access door with hold open springs and push button latches (wire to door ajar) note door to open up 90 degrees. There shall be label 'DO NOT STEP' to be applied "upside down" as viewed from the ground at the bottom of the lift-up door.	\$ 4,564.00
BODY COMPT REAR	3110-0311	Bolt-on diamond plate tailboard (full width of rear compartment). 20" tailboard to run full width of body ("T" shaped tailboard). Includes the extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 3,498.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0312	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer smooth plate panels painted job color and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 3,831.00
BODY COMPT REAR	3110-0313	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with D-ring latch.	\$ 2,354.00
BODY COMPT REAR	3110-0314	Rear flip down tailboard to be painted Durabak black. Includes indicator in cab when the tailboard is in the down position. Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 9,243.00
BODY COMPT REAR	3110-0315	Upper rear compartment depth to be approximately 40" deep.	\$ 557.00
BODY COMPT REAR	3110-0316	Lower Rear Compartment only 46" wide opening. Upper section to be smooth plate panel. Includes smooth plate panels.	\$ 2,439.00
BODY COMPT REAR	3110-0317	Rear flip down tailboard. Includes indicator in cab when the tailboard is in the down position. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$ 7,396.00
BODY COMPT REAR	3110-0318	Upper and lower rear compartment. Includes smooth plate panels. For use with raised lower rear body (B1 is 29" high).	\$ 3,476.00
BODY COMPT REAR	3110-0320	Full Height Rear Compartment with Officer Side Storage Tunnel. Rear tank fill to terminate above rear compartment thru a bolt-on access panel. Includes smooth plate panels and storage access door with push button latch.	\$ 3,002.00
BODY COMPT REAR	3110-0321	Rear end tanker. Includes smooth plate upper and lower panels and a smooth plate center strip for a Newton Dump application.	\$ 1,593.00
BODY COMPT REAR	3110-0322	Lower rear stainless steel short compartment B1, for hose reel.	\$ 2,115.00
BODY COMPT REAR	3110-0323	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,053.00
BODY COMPT REAR	3110-0324	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with "D"-ring latch.	\$ 2,272.00
BODY COMPT REAR	3110-0325	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the rear beavertail compartments and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0326	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 10" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body. Does not include the horizontal handrail.	\$ 4,584.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0327	Rear body panels to be upgraded from smooth aluminum plate to aluminum treadplate. This includes the doors for ladder and storage tunnels (if applicable). For use with dealer/customer installed rear panel chevron.	\$ 1,337.00
BODY COMPT REAR	3110-0328	Bolt-on diamond plate 16" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,800.00
BODY COMPT REAR	3110-0329	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24' / 2section, (1) 16' roof, (1) 10' Attic, (3) pike poles with a drop down storage access door with push button latches (wire to door ajar).	\$ 4,253.00
BODY COMPT REAR	3110-0330	Single low rear compartment. B1 compartment to be 30" deep and non transverse. For use with low hosebed. Includes smooth plate panels.	\$ 1,952.00
BODY COMPT REAR	3110-0331	Lower rear stainless steel short compartment B1 between full length chassis frame rails with drop-down door, 26.5" wide x 14.5" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,728.00
BODY COMPT REAR	3110-0332	Bolt-on diamond plate 10" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. For use on Low Hose Bed body style; CAL.	\$ 3,459.00
BODY COMPT REAR	3110-0333	Enclosed Rear Pump Panel on Rear Mount. Includes 40" wide pump panel opening. Upper module area to have embossed diamond plate top.	\$ 3,407.00
BODY COMPT REAR	3110-0334	Bolt-on diamond plate 14" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) mounted vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed. Gator grip to be on each end outboard of the rear pump panel enclosure.	\$ 2,115.00
BODY COMPT REAR	3110-0335	Rear Compartment between frame rails. Includes bottom hinged drop-down access door using a D-ring latch (wire to door ajar).	\$ 1,916.00
BODY COMPT REAR	3110-0336	The rearend area of the extra wide roof top compartment above the Zico access ladder to be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be sanded smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0337	Full Height Rear Compartment with Officer Side Combination Storage Tunnel. Includes smooth plate panels and storage access doors with d-ring latches.	\$ 5,178.00
BODY COMPT REAR	3110-0338	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (3) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,488.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0339	Bolt-on diamond plate 14" tailboard (full width of body). For use without a rear ladder application. Includes handrails- (2) mounted vertical on trailing edge of body and handrail(s) horizontal below hosebed.	\$ 2,115.00
BODY COMPT REAR	3110-0340	Full Height Rear Compartment with Driver Side Combination Storage Tunnel. Includes smooth plate panels and storage access doors with d-ring latches.	\$ 5,178.00
BODY COMPT REAR	3110-0341	Pumper rear mount rear end with lower pump panel provisions and upper pump maintenance access door with officer side ladder tunnel. Includes smooth plate panels and storage access doors with push button latches.	\$ 2,387.00
BODY COMPT REAR	3110-0342	Lower rear stainless steel compartment B1, 24" wide x 20" high x 26" deep, located between full length chassis frame rails. For use with special lower rear panel plumbing options with a low hose bed design. Entire rear panel to be smooth aluminum plate for Chevron graphics. No intermediate step above.	\$ 1,707.00
BODY COMPT REAR	3110-0343	(1) bolt-on compartment 17" W x 40" H x 11" D. Locate on the driver side of rear step and to have 15" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$ 1,995.00
BODY COMPT REAR	3110-0344	Rear body panels to be upgraded from smooth aluminum plate to painted smooth FRP.	\$ 553.00
BODY COMPT REAR	3110-0345	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. The B1 compartment to be 40" wide, full depth (no compartment break) and as tall as possible.	\$ 2,272.00
BODY COMPT REAR	3110-0346	The rearend area of the extra wide roof top compartment above the access ladder or steps to be recessed in 16in. The stepping area to be embossed diamond plate and side and forward plates to be smooth plate painted job color.	\$ 1,810.00
BODY COMPT REAR	3110-0347	Rear body panels to be unpainted smooth FRP. For use with full width rear chevron applications.	\$ 354.00
BODY COMPT REAR	3110-0348	Bolt-on diamond plate 22" tailboard with Bustin Tread (full width of body). Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,111.00
BODY COMPT REAR	3110-0349	(1) bolt-on compartment 19" W x 36" H x 20" D. Locate on the officer side of rear step and to have 17" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$ 2,450.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0350	((1) bolt-on compartment 17" W x 36" H x 20" D. Locate on the driver side of rear step and to have 15" wide opening. The compartment includes a vertically hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$ 2,383.00
BODY COMPT REAR	3110-0352	Bolt-on diamond plate tailboard (full width of driver side hosebed to officer side rear compartment). Includes the enhanced extended officer side compartment frame work. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 1,708.00
BODY COMPT REAR	3110-0353	Bolt-on diamond plate 22" full width tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Trailing edge of side compartments include 4" deep aluminum treadplate bumperettes to align tailboard to back of body.	\$ 2,255.00
BODY COMPT REAR	3110-0354	Lower rear stainless steel short compartment B1, transverse access, 46" wide x 35" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0355	Angled (Boston style) style tailboard corners. 8" x 8" cutouts to be provided.	\$ 915.00
BODY COMPT REAR	3110-0356	Bolt-on diamond plate tail board 10 in. (full width of Body). Includes hose bed structure extended to rear of body over side enhanced compartments for a smooth back body and provide a max depth B1 compartment as optioned. With handrails- (2) vertical on trailing edge of body or (1) if a Zico ladder is equipped and horizontal mounted handrail(s) below hosebed.	\$ 4,806.00
BODY COMPT REAR	3110-0357	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This compartment shall be transverse through to the side rear compartments.	\$ 1,952.00
BODY COMPT REAR	3110-0358	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0360	Rear of body to have un-painted smooth plate overlay style body panels to facilitate rear body striping.	\$ 2,602.00
BODY COMPT REAR	3110-0361	Lower rear stainless steel short and narrow compartment B1, 46" wide x 30" high x 28" deep, for use with special lower rear panel plumbing options. Left side wall removed to allow for ALS module passage from L3. This compartment shall not have an exterior door opening. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,133.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0362	Upper rear stainless steel short/narrow compartment B2, 23" wide x 10" high x 43" deep. Includes a 3-sided floor mounted 1/2" thick Poly tray, open to the front (door opening).	\$ 2,514.00
BODY COMPT REAR	3110-0363	Full Height Rear Compartment with Full Width Upper Storage Compartment. Includes officer side area for storage of (1) Ice Sled approx. 28"W X 6"H X 86"L with stops set at 88" from inside door opening and a drop down smooth plate storage access door with push buton latches (wire to door ajar). Door to be as wide as B1 compartment opening. Includes driver side area for storage of (2) 6" X 10' Hard Suction Hoses with stops set at 130" from inside door opening and a drop down smooth plate storage access door with push buton latches (wire to door ajar). Includes (1) divider located 30" off officer's side door opening. Includes smooth plate panels.	\$ 4,946.00
BODY COMPT REAR	3110-0364	Bolt-on diamond plate 10" tailboard (full width of body) with center integral slide-out step. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,012.00
BODY COMPT REAR	3110-0365	Bolt-on diamond plate 12" tailboard (full width of body). For use with folding step application. Includes handrails - (1) each side vertically on trailing edge of body/beavertail and handrail(s) horizontal below hose bed.	\$ 1,995.00
BODY COMPT REAR	3110-0366	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep. Includes bolt-on intermediate step above FULL WIDTH BETWEEN HANDRAILS (less 2" each side for grab rail use). Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,406.00
BODY COMPT REAR	3110-0367	Bolt-on diamond plate tail board 14 in. (full width of Body). Includes hose bed structure extended to rear of body over side enhanced compartments for a smooth back body and provide a max depth B1 compartment as optioned. With handrails- (2) vertical on trailing edge of body or (1) if a Zico ladder is equipped and horizontal mounted handrail(s) below hosebed.	\$ 5,187.00
BODY COMPT REAR	3110-0368	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (4) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0369	The rearend area of the extra wide roof top compartment above the access ladder or steps to be recessed in 16". The stepping area to be embossed diamond plate and side plates to be diamond plate and the forward plate to be smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0370	Rear end tanker. Includes smooth plate full width upper and side lower panels and a smooth plate center area for mounting of rear tank inlet(s) as applicable.	\$ 1,227.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0371	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with push button latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$ 3,488.00
BODY COMPT REAR	3110-0372	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with D-ring latches (wire to door ajar).	\$ 4,255.00
BODY COMPT REAR	3110-0373	Bolt-on diamond plate 24" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails with removable outer panels and hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,231.00
BODY COMPT REAR	3110-0374	Full Height Rear Pump Panel Compartment with officer side ladder tunnel storage with smooth plate door secured with D-Ring style latch. Includes smooth plate panels, angled rear body with flip down tailboard and handrails as applicable.	\$ 8,484.00
BODY COMPT REAR	3110-0375	Rear stainless steel extra tall compartment B1, 46" wide x 60" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0376	Lower rear stainless steel compartment B1, 26.5" wide x 14.5" high x 26" deep, located between full length chassis frame rails. Entire rear panel to be smooth aluminum plate for Chevron graphics. Does not include an intermediate step. Includes a smooth aluminum bottom hinged drop-down door and stainless steel bent D-ring latch.	\$ 1,866.00
BODY COMPT REAR	3110-0377	Full Height Rear Compartment. Includes smooth plate panels. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$ 4,162.00
BODY COMPT REAR	3110-0378	Center Slam Strip Rear End with diamond plate center strip for a Jet or Newton Dump application. Includes diamond plate low side panels and diamond plate upper panel(s). Requires rear NFPA striping compatible for diamond plate panels.	\$ 3,966.00
BODY COMPT REAR	3110-0379	Upper Storage Compartment to hold (1) 10' attic ladder, (1) 6' pike pole, (1) 12' pike pole and (1) 8' NY pike pole and (2) 6" x 10' hard suction hoses. Includes stop bracket included approximately 130" back from opening. An enclosed frontal area shall be included as part of the tunnel design. Storage shall be enclosed with drop down door with D-Ring latch(es).	\$ 1,510.00
BODY COMPT REAR	3110-0380	Lower Rear Compartment 40" high with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with D-Ring latch.	\$ 2,507.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0381	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This compartment shall be transverse through to the right rear side compartment only.	\$ 1,952.00
BODY COMPT REAR	3110-0382	(2) bolt-on compartments. Locate (1) each side of B1. Each compartment includes a hinged smooth plate door (with 4" gap at top for connecting of hose stored in compartment) with D-ring style latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step (one each side) to be mounted to inboard side of compartment.	\$ 3,488.00
BODY COMPT REAR	3110-0383	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 25" deep (for fuel tank clearance). Includes bolt-on intermediate step above FULL WIDTH BETWEEN HANDRAILS (less 2" each side for grab rail use). Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,406.00
BODY COMPT REAR	3110-0384	Rear of body to have un-painted extrusions with un-painted smooth plate overlay style body panels to facilitate rear body striping. (For use with HM100/110 NPNT and center hosebed HM100/110, HP100,CR100/137, HPS105, 95-P only)	\$ 509.00
BODY COMPT REAR	3110-0385	2) bolt-on compartments. Locate (1) each side of B1 - driver side to have 13" wide x 34" high opening and officer side to have 17" wide x 29" high opening. Each compartment to be 20" deep. Each compartment includes a hinged smooth plate door (with 4" gap driver side only at top for connecting of hose stored in compartment) with D-Ring latch (wired into door ajar indicator), removable slat flooring and Embossed Diamond Plate compartment top. Lower hosebed access step (one on the driver side and one on the officer side) to be mounted to inboard side of compartment.	\$ 3,757.00
BODY COMPT REAR	3110-0386	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with D-Ring. B1 compartment opening to be 34" wide due to officer side tailboard compartment.	\$ 2,599.00
BODY COMPT REAR	3110-0387	The rearward area of the extra wide roof top compartment above the access ladder to be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0388	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes lower smooth plate panels and upper diamond plate panels and storage access door with "D"-ring latch.	\$ 3,242.00
BODY COMPT REAR	3110-0389	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 16', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0390	The rearend area of the extra wide roof top compartment above the folding steps to be recessed in 16". The stepping area to be embossed diamond plate and side and forward plates to be diamond plate.	\$ 1,503.00
BODY COMPT REAR	3110-0391	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 12" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body as applicable and horizontal mounted handrail(s) below hose bed.	\$ 4,584.00
BODY COMPT REAR	3110-0392	Full Height Rear Compartment with Officer Side Storage Tunnel. Hosebed extrusion to be stepped for storage tunnel if applicable. Includes smooth plate panels and storage access door with D-ring latch.	\$ 2,676.00
BODY COMPT REAR	3110-0393	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and horizontally hinged storage access door with push button latch and rubber bumpers.	\$ 2,272.00
BODY COMPT REAR	3110-0394	Single Low Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with push button latch.	\$ 6,038.00
BODY COMPT REAR	3110-0395	Lower rear stainless steel short compartment B1, transverse access, 46" wide x 35" high x 26" deep without an intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,903.00
BODY COMPT REAR	3110-0396	Rear End with no rear compartment and officer side storage tunnel. Includes smooth plate panels and storage access door with d-ring latch.	\$ 1,582.00
BODY COMPT REAR	3110-0397	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 35', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0398	Bolt-on diamond plate 8" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0399	Upper and lower rear compartment. Includes smooth plate panels. For use with raised lower rear body (B1 is 34" high).	\$ 3,476.00
BODY COMPT REAR	3110-0400	Lower rear stainless steel narrow short compartment B1, 37" wide x 35" high x 26" deep, offset to the driver's side to allow for rear panel plumbing options. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0401	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) squared off 11.25" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,252.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0402	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 7" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails per NFPA requirement.	\$ 4,584.00
BODY COMPT REAR	3110-0403	Handrails, extruded aluminum, installed full length on outboard top edge of driver roof top compartment lids.	\$ 1,113.00
BODY COMPT REAR	3110-0404	Full Height Rear Compartment with Upper Storage Compartment and Officer Side Storage Tunnel. Includes smooth plate panels and storage access doors with push button latches. There shall be smooth plate panels each side of upper storage drop down door for rear discharges. Includes a stop bracket approximately 130" back from opening.	\$ 5,632.00
BODY COMPT REAR	3110-0405	Bolt-on diamond plate 14" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,386.00
BODY COMPT REAR	3110-0406	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 35' 3-section ladder and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0407	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This is a non transverse compartment.	\$ 1,952.00
BODY COMPT REAR	3110-0408	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with D-ring latch. Includes stepped upper horizontal tube to reduce hosebed height from ground over tank area.	\$ 4,432.00
BODY COMPT REAR	3110-0409	Rear Panel Compartment. Compartment B1, located centered ahead of the rear tailboard, shall be 46" wide x approximately 36" high x 26" deep. Solid walls shall be provided on both sides of the rear compartment. This compartment shall be of 12 gauge 304L stainless steel.	\$ 2,128.00
BODY COMPT REAR	3110-0410	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrail - (1) vertically on driver side trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0411	Bolt-on diamond plate 18" tailboard with Bustin Tread (full width of body). Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0412	Rear end tanker. Includes smooth plate upper and lower panels, and driver side access door for storage tunnel with D-ring latch.	\$ 1,597.00
BODY COMPT REAR	3110-0413	The rearward area of the extra wide roof top compartment above the rear panel folding steps on the driver side be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$ 1,503.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0414	Bolt-on diamond plate 15" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Includes a frame mounted structural steel mounting assembly for ease of replacement. Tail board sides into and secures into structure and fastens to body as required.	\$ 2,929.00
BODY COMPT REAR	3110-0415	Angled 10" x 10" (Boston style) style tailboard corners.	\$ 915.00
BODY COMPT REAR	3110-0416	Upper rear stainless steel short/narrow compartment B2, 23" wide x 23" high x 36" deep upper, 27" deep lower. Lower floor area is below door frame opening and to be used as a storage pocket.	\$ 2,256.00
BODY COMPT REAR	3110-0417	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0418	Full Height Rear Compartment with Upper Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) Washington-Ferno Stokes basket offset to officer side with stop set at 86" from opening, storage for (1) backboard above stokes basket with stop set at 74" from opening, misc. storage for long handle tools offset to driver side and a drop down storage access door with push buton latches (wire to door ajar).	\$ 6,240.00
BODY COMPT REAR	3110-0419	Single Low Rear Compartment with Driver Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with d-ring latch. B1 compartment opening to be narrowed and offset to driver side with a rear slam strip offset to officer side for rear plumbing to exit without being inside B1 compartment.	\$ 2,838.00
BODY COMPT REAR	3110-0420	Tanker body rear end sheet metal will be configured with inner plates to be smooth plate, both upper and lower. Outer plates and any storage tunnel doors to be diamond plate.	\$ 761.00
BODY COMPT REAR	3110-0421	Full Height Rear Compartment 42" wide. Includes smooth plate panels.	\$ 2,444.00
BODY COMPT REAR	3110-0422	The rearend area of the extra wide roof top compartment above the Zico access ladder to be recessed in 24". The stepping area to be embossed diamond plate and side and forward plates to be diamond plate.	\$ 1,503.00
BODY COMPT REAR	3110-0423	Bolt-on diamond plate 3" rear of body rub rail. This provides a flat back body design for shortest possible overhang. Includes hand rails, (2) vertically on trailing edge of body and (2) horizontally mounted hand rails below hose bed.	\$ 1,653.00
BODY COMPT REAR	3110-0424	Bolt-on diamond plate 20.5" tailboard (full width of hosebed). Includes handrails- (2) vertical mounted on trailing edge of body and (1) horizontal mounted handrail(s) below hosebed.	\$ 2,184.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0425	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes smooth plate panels and storage access doors with "D"-ring latches.	\$ 4,326.00
BODY COMPT REAR	3110-0426	Upper rear stainless steel short/narrow compartment B2, 23" wide x 10" high x 36" deep. Includes a 3-sided floor mounted 1/2" thick Poly tray, open to the front (door opening).	\$ 2,514.00
BODY COMPT REAR	3110-0427	Lower rear stainless steel short and narrow compartment B1, 30" wide x 30" high x 28" deep, for use with special lower rear panel plumbing options. Left side wall removed to allow for ALS module passage from L3. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,069.00
BODY COMPT REAR	3110-0429	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 28', (1) 16', (1) 10' Attic, (4) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0430	Bolt-on diamond plate 12" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0432	Officer Enhanced Extended Compartmentation raised to include rear intake.	\$ 475.00
BODY COMPT REAR	3110-0433	Outboard rear of body lower and upper compartment assemblies. Driver side; B1, B2 and Officer side; B3, B4. For use with center rear walk-in rescue body. (2) additional vertically hinged brushed stainless steel side access doors, as large as practical for the available space for the (2) upper compartments will be located in the recessed walk-in area.	\$ 4,974.00
BODY COMPT REAR	3110-0434	Walk-in entrance recess with brushed stainless steel overlay on side walls and ceiling.	\$ 1,681.00
BODY COMPT REAR	3110-0435	Bolt-on diamond plate tailboard 12 in. (full width of Body). Includes hose bed structure extended to rear of body over side enhanced compartments for a smooth back body and provide a max depth B1 compartment as optioned. With handrails- (2) vertical on trailing edge of body or (1) if a Zico ladder is equipped and horizontal mounted handrail(s) below hosebed.	\$ 4,806.00
BODY COMPT REAR	3110-0436	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 28", (1) 16', (1) 10' Attic, (2) pike poles and a drop down storage access door with D-Ring latch (wire to door ajar).	\$ 4,311.00
BODY COMPT REAR	3110-0437	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body.	\$ 2,053.00
BODY COMPT REAR	3110-0438	Bolt-on diamond plate 24" tailboard full width of body with Bustin Tread. Includes (2) squared off 12" beavertails with hand rails, (2) vertically on trailing edge of beavertails and horizontally mounted hand rails below hose bed.	\$ 1,814.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0439	The rearward area of the extra wide roof top compartment above the Zico access ladder to be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate. Use when driver header has a rear access door.	\$ 1,503.00
BODY COMPT REAR	3110-0440	Bolt-on diamond plate 8" tailboard (full width of body). For use with folding step application. Includes handrails- (1) vertical on trailing edge each side of body and handrail(s) horizontal below hose bed.	\$ 1,840.00
BODY COMPT REAR	3110-0441	(2) bolt-on rear tailboard compartments 13" W x 31" H x 20" D and to have 10" wide opening. The compartments includes a vertically hinged smooth plate door with D-ring latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$ 5,047.00
BODY COMPT REAR	3110-0442	Rear stainless steel tall compartment B1, 46" wide x 55" high x 26" deep. No intermediate step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0443	Lower rear stainless steel short compartment B1 between full length chassis frame rails with smooth plate drop-down door, 24" wide x 15.25" high x 27" deep.	\$ 1,728.00
BODY COMPT REAR	3110-0444	Full Height Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 2,272.00
BODY COMPT REAR	3110-0445	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 16', (1) 10' Attic, (4) 12' pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0446	Lower Rear Compartment only. Upper section to be diamond plate panel and smooth plate lower.	\$ 2,115.00
BODY COMPT REAR	3110-0447	Upper and Lower Rear Compartment. Includes smooth plate panels. B1 is an individual compartment (not transverse) from the side compartments due to rescue pumper body.	\$ 3,476.00
BODY COMPT REAR	3110-0448	Rear ladder tunnel door. Vertically hinged diamond plate ilo standard. Door to hinge to drivers sides and include D-ring latch.	\$ 1,381.00
BODY COMPT REAR	3110-0449	Single Low Rear Compartment with Officer Side Storage Tunnel. For use with low hosebed. Includes smooth plate panels and storage access door with push button latch.	\$ 2,272.00
BODY COMPT REAR	3110-0450	Single low rear compartment. For use with low hosebed and raised lower rear body. Includes smooth plate panels. This is a non transverse compartment.	\$ 3,476.00
BODY COMPT REAR	3110-0451	Lower Rear Compartment with two (2) lift up access doors above to the ladders storage above tank and to stokes basket storage thru tank. Includes smooth plate panels and two (2) storage lift up access doors with push button latches.	\$ 3,751.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0452	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0453	Full Height Rear Compartment with smooth plate panels and upper area access door for thru the tank storage.	\$ 2,417.00
BODY COMPT REAR	3110-0454	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0455	Rear stainless steel tall compartment B1, 46" wide x 58" high x 26" deep. No intermediate step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0456	Lower Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,577.00
BODY COMPT REAR	3110-0457	Bolt-on diamond plate tailboard for mini pumper (full width of rear compartment). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hose bed as applicable.	\$ 2,937.00
BODY COMPT REAR	3110-0458	Full Height Rear Compartment to accommodate enhanced extended side compartment with smooth panels for mini pumper.	\$ 2,791.00
BODY COMPT REAR	3110-0459	Pumper rear mount rear end with lower pump panel provisions and upper pump maintenance access door. Includes smooth plate panels.	\$ 2,387.00
BODY COMPT REAR	3110-0460	Bolt-on diamond plate 12" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0461	Bolt-on diamond plate 26" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,980.00
BODY COMPT REAR	3110-0462	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails with (2) vertically mounted hand rails on trailing edge of body. No horizontal hand rail below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0463	Full Height Rear Compartment with Upper Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) Washington-Ferno Stokes basket offset to officer side with stop set at 86" from opening, storage for (1) 10' Attic, (2) pike poles offset to driver side and a drop down storage access door with push buton latches (wire to door ajar).	\$ 6,240.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0464	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Lower rear stainless steel short compartment B1, 48" wide x 35" high x 26" deep, without an intermediate rear step. Entire rear panel to be smooth stainless steel for Chevron graphics.	\$ 4,187.00
BODY COMPT REAR	3110-0466	Rear stainless steel tall compartment B1, 46" wide x 58" high x 30" deep. No intermediate step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0467	Lower Rear Compartment 40" high with Driver Side Storage Tunnel and upper area access door for thru the tank storage.. Includes smooth plate panels and storage access doors with D-Ring latch.	\$ 2,507.00
BODY COMPT REAR	3110-0468	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 28', (1) 16', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0469	Bolt-on diamond plate 20" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body.	\$ 1,837.00
BODY COMPT REAR	3110-0470	1" X 1.5" extrusion added to lower B1 compartment door opening to form a 10" wide notch offset to driver side for 5" LDH hose connected to customer installed valve stored in B1. This will also require floor mounted rollout tray to be raised to clear lower door opening.	\$ 712.00
BODY COMPT REAR	3110-0471	Bolt-on diamond plate 20" tailboard between rear side compartments with Bustin Tread. Tailboard extends 10" beyond the rear panel of the side compartments with Bustin inserts. Includes hand rails (2) vertically on trailing edge of body. No horizontal hand rail below hose bed.	\$ 2,634.00
BODY COMPT REAR	3110-0472	2) bolt-on compartments. Locate (1) each side of B1 - to have a 11.5" wide x 28.5" high opening. Each compartment to be as deep as beavertail for selected tailboard. Each compartment includes a hinged smooth plate door with D-Ring latch (wired into door ajar indicator), removable slat flooring and Embossed Diamond Plate compartment top. Lower hosebed access step (one on the driver side and one on the officer side) to be mounted to inboard side of compartment.	\$ 3,757.00
BODY COMPT REAR	3110-0474	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) hand rail officer side on trailing edge of body. For use with tanker body and driver side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0475	Bolt-on diamond plate 20" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,735.00
BODY COMPT REAR	3110-0476	Bolt-on diamond plate 12" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,800.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0477	Bolt-on diamond plate tailboard. Additional 4" of tailboard to run full width of body ("T" shaped tailboard). Includes extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0478	Bolt-on Embossed (0.175") diamond plate 14" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. NO GATOR GRIP	\$ 2,053.00
BODY COMPT REAR	3110-0479	Rear stainless steel 60" tall x 34" deep compartment B1. Includes intermediate step.	\$ 3,183.00
BODY COMPT REAR	3110-0480	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 23" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics. For use with FireMaxx EX rear air suspension.	\$ 2,115.00
BODY COMPT REAR	3110-0481	Rear End with no rear compartment with booster reel access panel with access door above to the ladder storage thru tank. Includes smooth plate panels and storage access door with "D"-ring latch.	\$ 2,576.00
BODY COMPT REAR	3110-0482	Bolt-on diamond plate 10" tailboard (full width of body) with grip strut inserts. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 3,409.00
BODY COMPT REAR	3110-0483	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles,(1) drywall hook and a drop down storage access door with D-Ring latch (wire to door ajar).	\$ 6,133.00
BODY COMPT REAR	3110-0484	Lower rear stainless steel tall compartment B1, 46" wide x 50" high x 26" deep, without an intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,604.00
BODY COMPT REAR	3110-0485	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) horizontally mounted handrail below hose bed. For use with driver side ladder. No vertical handrails.	\$ 2,053.00
BODY COMPT REAR	3110-0486	Rear end tanker. Includes smooth plate upper and lower panels, upper area access door for thru the tank storage., driver, and officer side access doors for storage tunnels.	\$ 1,725.00
BODY COMPT REAR	3110-0487	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (1) vertically on officer side trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,053.00
BODY COMPT REAR	3110-0488	Bolt-on diamond plate 26" tailboard between rear side compartments with Bustin Tread. Tailboard extends 8" beyond the rear panel of the side compartments. Includes hand rails (2) vertically on trailing edge of body and a horizontal hand rail below hose bed.	\$ 2,634.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0489	(1) bolt-on compartment 14" W x 14" H x 14" D. Locate on the officer side of rear step and to have 12" wide opening. The compartment includes a vertically hinged smooth plate door with push button latch (wired into door ajar indicator), removable Duradek flooring and embossed non-skid treadplate compartment top.	\$ 1,995.00
BODY COMPT REAR	3110-0490	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 21 deep, without an intermediate rear step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0491	Driver Enhanced Extended Compartmentation raised to include rear intake / discharge.	\$ 475.00
BODY COMPT REAR	3110-0492	Officer Enhanced Extended Compartmentation raised to include rear deck gun plumbing.	\$ 475.00
BODY COMPT REAR	3110-0493	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes a horizontally mounted hand rail below hose bed. For use with telescoping lights that serve as handrails.	\$ 2,053.00
BODY COMPT REAR	3110-0494	Bolt-on diamond plate 16" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Trailing edge of side compartments include 2" deep aluminum treadplate bumperettes to align tailboard to back of body.	\$ 1,910.00
BODY COMPT REAR	3110-0495	Upper Storage Compartment to fully enclosed includes sides, top, floor and front.	\$ 3,010.00
BODY COMPT REAR	3110-0496	Bolt-on diamond plate 18" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use with rear swivel dump chute.	\$ 2,418.00
BODY COMPT REAR	3110-0497	LINE-X package for welded (exterior surface only), bolt on (exterior surface only) or flip down style (exterior and interior surfaces) tailboards. Includes rear bumper overlay or E-ONE fabricated boxes mounted on the tailboard as applicable.	\$ 521.00
BODY COMPT REAR	3110-0498	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 12" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails - (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed on trailing edge of the intermediate step.	\$ 4,584.00
BODY COMPT REAR	3110-0499	Lower rear stainless steel short compartment B1, 46" wide x 24" high x 26" deep, without an intermediate rear step for hinged doors. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0500	Bolt-on diamond plate 20" tailboard full width of body with Bustin Tread. This provides a 6" Enhanced body design. Includes hand rails (2) vertically on trailing edge of body .	\$ 2,245.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0501	The rearward area of the extra wide roof top compartment above the access ladder to be recessed in 24". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0502	Lower rear stainless steel tall compartment B1, 46" wide x approx. 64" high x 26" deep, door opening to be at 48" high position. Includes bolt-on intermediate step above the door opening. Entire rear panel to be smooth plate for Chevron graphics.	\$ 2,705.00
BODY COMPT REAR	3110-0503	Bolt-on diamond plate 8" tailboard (full width of body). For use with rear ladder application. Includes a handrail vertically mounted on trailing edge of body opposite side of ladder.	\$ 1,840.00
BODY COMPT REAR	3110-0504	Bolt-on diamond plate 15" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,245.00
BODY COMPT REAR	3110-0505	Rear end tanker. Includes smooth plate upper and lower panels, a smooth plate center strip for a Jet or Newton Dump application, and officer side access doors for storage tunnels.	\$ 1,597.00
BODY COMPT REAR	3110-0506	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of the driver side of body and horizontally mounted handrail below hose bed. For use with officer side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0507	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with officer side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0508	Lower rear stainless steel short compartment B1, 46" wide x 30" high x 26" deep, without an intermediate rear step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0509	Bolt-on diamond plate 18" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,245.00
BODY COMPT REAR	3110-0510	Rear End with no rear compartment. Includes smooth plate panels.	\$ 1,582.00
BODY COMPT REAR	3110-0511	Rear end tanker. Includes smooth plate upper and lower panels, a smooth plate center strip for a Jet or Newton Dump application, and officer side access door for storage tunnel.	\$ 1,597.00
BODY COMPT REAR	3110-0512	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,245.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0513	Bolt-on diamond plate tailboard with Bustin Tread (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,970.00
BODY COMPT REAR	3110-0514	Bolt-on diamond plate 20" tailboard (full width of body). Includes (2) squared off 11.25" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,389.00
BODY COMPT REAR	3110-0515	Bolt-on diamond plate 10" tailboard full width of body with Bustin Tread. Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of beavertails and horizontally mounted hand rail below hose bed.	\$ 1,539.00
BODY COMPT REAR	3110-0516	Bolt-on diamond plate 10" tailboard (full width of body). Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0517	Upper Storage Compartment to hold (1) 10' attic ladder, (4) pike poles, and (2) 6" x 10' hard suction hoses. Includes stop bracket included approximately 130" back from opening. An enclosed frontal area shall be included as part of the tunnel design.	\$ 1,180.00
BODY COMPT REAR	3110-0518	Upper Storage Compartment to hold Misc equipment and (2) 6" x 10' hard suction hoses. Includes stop bracket included approximately 130" back from opening. An enclosed frontal area shall be included as part of the tunnel design. Nylatron flooring for hard suction area.	\$ 1,180.00
BODY COMPT REAR	3110-0519	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (1) vertically on trailing edge of body (as required) and horizontally mounted hand rail below hose bed.	\$ 2,053.00
BODY COMPT REAR	3110-0520	Lower Rear Compartment with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 2,507.00
BODY COMPT REAR	3110-0521	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the driver side pumper style enhanced extended side compartment frame work with diamond plate compartment tops, officer side rescue pumper style enhanced extended side compartment frame work with diamond plate compartment top. Handrail included and located: (1) driver upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 5,647.00
BODY COMPT REAR	3110-0522	Bolt-on diamond plate 14" tailboard (full width of body) with center integral slide-out step. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,291.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0523	HS pumper / rescue pumper rear body with driver and officer side storage tunnels. Includes center radiator mesh, smooth plate panels and storage access doors with D-ring latches.	\$ 4,028.00
BODY COMPT REAR	3110-0524	(1) bolt-on compartment 14.5" W x 34.75" H x 14" D. Locate on the driver side of rear step and to have 13" wide opening. The compartment includes smooth plate door with D-ring, removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$ 1,995.00
BODY COMPT REAR	3110-0525	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) horizontally mounted handrail below hose bed. For use with driver and officer side dual ladders.	\$ 2,245.00
BODY COMPT REAR	3110-0526	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Omit hand rail below hose bed. For use with driver and officer side dual ladders.	\$ 2,245.00
BODY COMPT REAR	3110-0527	Lower rear stainless steel short compartment B1, 46" wide x 30" high x 26" deep, without an intermediate rear step for hinged doors. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0528	Outboard rear of body lower and upper compartment assemblies. Driver side; B1, B2 and Officer side; B3, B4. For use with center rear walk-in rescue body.	\$ 4,974.00
BODY COMPT REAR	3110-0529	Bolt-on diamond plate 12" tailboard (full width of body) with center integral slide-out step. For use with rear ladder application. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$ 4,012.00
BODY COMPT REAR	3110-0530	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,186.00
BODY COMPT REAR	3110-0531	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,193.00
BODY COMPT REAR	3110-0532	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This is a non transverse compartment. Includes stepped upper horizontal tubes to reduce hosebed height from ground over tank and driver side and officer side hosebed area.	\$ 1,952.00
BODY COMPT REAR	3110-0534	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) horizontally mounted handrail below hose bed. For use with rear mounted Tele-Lights.	\$ 2,053.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0535	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. Includes (2) 8" deep squared off beavertails with hand rails, (2) vertically on trailing edge of beavertails and horizontally mounted hand rail below hose bed.	\$ 1,539.00
BODY COMPT REAR	3110-0536	Bolt-on diamond plate 10" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body. No horizontal handrail.	\$ 1,957.00
BODY COMPT REAR	3110-0537	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step. Compartment door opening lowered to accommodate rear panel warning lights. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0538	Rearend assembly with 3/4 height rear body compartment. No compartment above the frame rails. For use with Industrial products only.	\$ 1,227.00
BODY COMPT REAR	3110-0539	Angled (Boston style) style tailboard corners. 6" x 6" cutouts to be provided.	\$ 915.00
BODY COMPT REAR	3110-0540	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and a horizontally mounted hand rail as applicable for use with a low hose bed design. Width modified for use with side mounted Poly rub rails.	\$ 2,098.00
BODY COMPT REAR	3110-0541	Bolt-on diamond plate 18" tailboard with Bustin Tread (full width of body). Includes (2) 11" squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use with stainless steel tanker body and rear dump valve.	\$ 1,910.00
BODY COMPT REAR	3110-0542	Bolt-on diamond plate 16" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,386.00
BODY COMPT REAR	3110-0543	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,386.00
BODY COMPT REAR	3110-0544	Bolt-on diamond plate 8" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 2,053.00
BODY COMPT REAR	3110-0545	Lower Rear Compartment with access door above to the hard suction storage thru tank and Officer Side Storage Tunnel. Includes smooth plate panels and storage access doors with push button latches.	\$ 3,388.00
BODY COMPT REAR	3110-0546	Rear bumper; Full width of body 3" square bolt-on stainless steel tube with welded end caps mounted to drop frame extensions. Includes no step tags. No rub rail or cover plate and rear marker lights attached to lower rear body surface. Rear bumper has a non-painted, non-sanded finish. Same as SO 139729 Chicago Platform.	\$ 4,283.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0547	Lower rear stainless steel short compartment B1, 46" wide x 25" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0548	Bolt-on diamond plate tailboard 20". Tailboard to to be "T" shaped and shall be compartment width between enhanced extended compartments and full width of body behind compartments. Includes the extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 3,498.00
BODY COMPT REAR	3110-0550	Lower rear stainless steel tall compartment B1, 46" wide x 35" high x 26" deep. Includes 10" deep (IPO 8" deep) bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0551	Bolt-on diamond plate 20" tailboard between rear side compartments with Bustin Tread. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with drivers side telescoping light that serves as a handrail.	\$ 1,910.00
BODY COMPT REAR	3110-0552	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 12" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0553	Bolt-on diamond plate 15.5" tailboard (full width of body). Includes handrails- (1) vertically on trailing edge of body opposite side of ladder and handrail(s) horizontally below hosebed.	\$ 2,184.00
BODY COMPT REAR	3110-0554	Bolt-on diamond plate 20" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body. Requires underbody support structure for bodies without beavertails.	\$ 2,801.00
BODY COMPT REAR	3110-0555	Bolt-on diamond plate 8" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (2) vertically mounted handrails on trailing edge of body.	\$ 2,053.00
BODY COMPT REAR	3110-0556	Bolt-on diamond plate 10" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,957.00
BODY COMPT REAR	3110-0557	Rear end tanker. Includes smooth plate upper and lower panels, upper area access door for thru the tank storage, and officer side access doors for storage tunnels.	\$ 1,725.00
BODY COMPT REAR	3110-0558	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (3) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0559	Rear end tanker. Includes smooth plate upper and lower panels, and upper area access door for thru the tank storage.	\$ 1,447.00
BODY COMPT REAR	3110-0560	Recessed step surfaces. The rearward area of the extra wide roof top compartment above the access ladder will be recessed to provide a 16" deep lower step and a 12" deep upper step. Step surfaces to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$ 2,254.00
BODY COMPT REAR	3110-0561	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0562	Bolt-on diamond plate 14" tailboard full width of body with Bustin Tread. Includes (2) squared off 12" beavertails with hand rails, (2) vertically on trailing edge of beavertails and horizontally mounted hand rail below hose bed.	\$ 1,539.00
BODY COMPT REAR	3110-0563	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 34" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,783.00
BODY COMPT REAR	3110-0564	Lower Rear Compartment 35" high with Driver Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 2,507.00
BODY COMPT REAR	3110-0565	Bolt-on diamond plate 17" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,910.00
BODY COMPT REAR	3110-0566	Bolt-on diamond plate 28" tailboard (full width of body). Includes (2) squared off 11.25" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,473.00
BODY COMPT REAR	3110-0567	Bolt-on diamond plate 11.5" tailboard (full width of body) with center integral slide-out step. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,012.00
BODY COMPT REAR	3110-0568	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) driver and officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,560.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0569	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,708.00
BODY COMPT REAR	3110-0570	Enhanced Extended Compartmentation stepped down below the level of the tunnel door(s).	\$ 475.00
BODY COMPT REAR	3110-0571	Bolt-on diamond plate 16" tailboard with Bustin Tread (full width of body). Includes (2) squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0572	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of driver side of body and horizontally mounted handrail below hose bed. For use with officer side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0574	Bolt-on diamond plate 8" tailboard (full width of body) with center integral slide-out step. Includes NFPA required handrails.	\$ 4,012.00
BODY COMPT REAR	3110-0575	Bolt-on diamond plate 28" tailboard with Bustin Tread (full width of body). Includes (2) 11" squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use with stainless steel tanker body and swivel dump valve.	\$ 2,285.00
BODY COMPT REAR	3110-0576	Bolt-on diamond plate 15" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and (2) horizontally mounted hand rails below hose bed spaced 5.25" apart. Includes a frame mounted structural steel mounting assembly for ease of replacement. Tail board sides into and secures into structure and fastens to body as required.	\$ 2,929.00
BODY COMPT REAR	3110-0577	Bolt-on diamond plate 18" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0578	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body. Omit hand rail below hose bed.	\$ 2,245.00
BODY COMPT REAR	3110-0579	Bolt-on diamond plate 16" tailboard (full width of body) with center integral slide-out step. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,579.00
BODY COMPT REAR	3110-0580	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. No handrails or intermediate step.	\$ 2,053.00
BODY COMPT REAR	3110-0581	Full Height Non-Transverse Rear Compartment. Includes smooth plate panels.	\$ 2,444.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0583	Rear bumper, full width of body, constructed using 4" square steel tube. Boston style corners cut at 30 degree angle on each end. Attach to rear of body and center tailboard. Spaced 1/4" to provide drainage. Rear marker lights recessed in the intermediate step. Bumper to be painted job color. Skid resistant Scorpion coating applied to the top surface of the bumper between the enhanced extended compartments.	\$ 4,283.00
BODY COMPT REAR	3110-0584	Bolt-on diamond plate 18" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Tailboard design modified to accommodate a full with square tube style bumper (specified separately).	\$ 1,910.00
BODY COMPT REAR	3110-0585	Lower rear stainless steel tall compartment B1, 46" wide x 45" high x 23" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics. For use with FireMaxx EX rear air suspension.	\$ 2,444.00
BODY COMPT REAR	3110-0586	Upper and Lower Rear Compartment with Driver Side Ladder Tunnel. Includes smooth plate panels and storage access door with push button latches.	\$ 5,406.00
BODY COMPT REAR	3110-0587	Bolt-on diamond plate 16" tailboard (full width of body). Includes handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,597.00
BODY COMPT REAR	3110-0588	Bolt-on diamond plate 10" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0589	Angled (Boston style) style tailboard corners. 4" x 4" cutouts to be provided.	\$ 915.00
BODY COMPT REAR	3110-0590	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This is a non transverse compartment.	\$ 1,952.00
BODY COMPT REAR	3110-0591	Full Height Rear Compartment with Upper Storage Compartment. Includes smooth plate panels. Includes area for misc. storage and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0592	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 20" deep, Includes bolt-on intermediate rear step. Entire rear panel to be smooth aluminum plate for Chevron graphics. For use with FireMaxx EX rear air suspension.	\$ 2,115.00
BODY COMPT REAR	3110-0593	The rearward area of the compartment header above the access ladder to be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0594	Outboard rear of body lower compartment assemblies. Driver side; B1 and Officer side; B2. For use with center rear walk-in rescue body. The area above these compartments will be accessible only from interior compartments DS4 and OS4.	\$ 3,678.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0595	Full height rear compartment with officer side storage tunnel and full body height driver side compartment. Includes smooth plate panels and storage access doors with push button latch. Rooftop area behind driver compartment to be diamond plate unless otherwise specified.	\$ 3,304.00
BODY COMPT REAR	3110-0596	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This compartment shall be transverse through to the left rear side compartment only.	\$ 1,952.00
BODY COMPT REAR	3110-0597	Rear End with no rear compartment and driver side storage tunnel. Includes smooth plate panels and storage access door with d-ring latch.	\$ 1,582.00
BODY COMPT REAR	3110-0598	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and NO horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0599	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. Includes (2) 8" deep squared off beavertails with a handrail horizontally mounted below the hose bed. For use with pole lights used as handrails on the rear flange of the beaver tails.	\$ 1,539.00
BODY COMPT REAR	3110-0600	Lower rear stainless steel tall compartment B1, 46" wide x 50" high x 26" deep. Includes 38" wide bolt-on intermediate step above for use with a Sure Step ladder. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,604.00
BODY COMPT REAR	3110-0601	Bolt-on Heavy Duty 14" tailboard (full width of body). Includes handrails- (2) 68" mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. Requires "underbody support" option.	\$ 11,264.00
BODY COMPT REAR	3110-0602	Rear stainless steel extra tall compartment B1, 46" wide x 60" high x 26" deep. Without an intermediate step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0603	1" X 1.5" extrusion added to lower B1 compartment door opening to form a 10.5" wide notch offset to officer side for 5" LDH hose and a 7.5" wide notch offset to driver side for 3" DJ hose connected to customer installed valve stored in B1. This will also require floor mounted rollout tray (if selected) to be raised to clear lower door opening.	\$ 712.00
BODY COMPT REAR	3110-0604	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes smooth plate panels and storage access doors with D-ring latches.	\$ 5,337.00
BODY COMPT REAR	3110-0605	Bolt-on diamond plate 18" tailboard with Bustin Tread (full width of body). Includes (2) 11" squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use rear dump valve.	\$ 1,910.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0606	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) squared off 11.25" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hose bed. Outer panels to be smooth plate painted job color.	\$ 2,293.00
BODY COMPT REAR	3110-0607	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep. Includes bolt-on intermediate step. Compartment door opening lowered to accommodate rear panel plumbing components. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0608	Rear end tanker. Includes smooth plate upper and lower panels, driver, and officer side access doors with push button latches for storage tunnels.	\$ 1,597.00
BODY COMPT REAR	3110-0609	Bolt-on diamond plate 16" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. Outer panels to be smooth plate painted job color.	\$ 2,134.00
BODY COMPT REAR	3110-0610	The rearward area of the extra wide roof top compartment above the rear panel folding steps on the officer side be recessed in 16". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0611	Single Low Rear Compartment with Driver and Officer Side Storage Tunnels. For use with low hosebed. Includes smooth plate panels and storage access doors with push button latches.	\$ 2,589.00
BODY COMPT REAR	3110-0612	Rearend assembly with 3/4 height rear body for dry chemical access. Compartment opening located directly above chassis frame rails with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch.	\$ 2,670.00
BODY COMPT REAR	3110-0613	Bolt-on diamond plate 26" tailboard (full width of body). Includes (2) squared off 11.25" deep beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,569.00
BODY COMPT REAR	3110-0614	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. Vertical Handrails on trailing edges to be lengthened for extended compartment height.	\$ 1,708.00
BODY COMPT REAR	3110-0615	Upper and Lower Rear Compartment. Includes smooth plate panels. Includes recessed area between for tank inlet(s) and rear dump valve located between the rear upper and lower non-transverse style compartments. The lower compartment height to be approximately 15".	\$ 7,443.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0616	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate step. Compartment door opening lowered to accommodate rear panel plumbing components. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0617	Upper Storage Compartment to hold (1) stokes basket in place of standard ladder components. Stokes basket to be located in storage tunnel. Stop bracket included.	\$ 343.00
BODY COMPT REAR	3110-0618	Lower rear stainless steel short compartment B1, 46" wide x 30" high x 26" deep, without a intermediate step for hinged doors. Center solid divider in center of compartment. Officer side to remain open without a door. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0619	Angled 16" x 16" tailboard corners. This will allow the center section of the tailboard to match the 72" hosebed width.	\$ 1,020.00
BODY COMPT REAR	3110-0620	Bolt-on diamond plate 18" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body (no horizontally mounted handrail). For use with driver side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0621	The rearward area of the roof top compartment above the access ladder to be recessed in 24". The stepping surface to be fiberglass decking, side plate(s) to be diamond plate and forward plate to be FRP smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0622	Bolt-on diamond plate 18" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and NO horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0623	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 14" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body as applicable and horizontal mounted handrail(s) below hose bed.	\$ 4,584.00
BODY COMPT REAR	3110-0624	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. Includes (2) squared off beavertails. Hand rails; (1) vertically on trailing edge of officer side beavertail and horizontally mounted hand rail below hose bed. For use with driver side ladder.	\$ 1,539.00
BODY COMPT REAR	3110-0625	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 16', (1) 10' Attic, (2) pike poles, (1) backboard, and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,896.00
BODY COMPT REAR	3110-0626	Outboard rear of body compartment assemblies, 12" deep. Driver side; B1 and Officer side; B2. For use with center rear walk-in rescue body.	\$ 3,678.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0627	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (1) vertically on trailing edge of body on the driver side and a horizontally mounted hand rail below hose bed. For use with officer side rear panel plumbing options.	\$ 2,053.00
BODY COMPT REAR	3110-0628	Rear end tanker. Includes smooth plate upper and lower panels, a smooth plate center strip for a Jet or Newton Dump application, and driver side access door for storage tunnel.	\$ 1,597.00
BODY COMPT REAR	3110-0629	Bolt-on diamond plate 24" full width tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Trailing edge of side compartments include 6" deep aluminum treadplate bumperettes to align tailboard to back of body.	\$ 2,255.00
BODY COMPT REAR	3110-0630	Lower rear stainless steel tall compartment B1, 46" wide x 50" high x 32" deep. Entire rear panel to be smooth FRP plate for Chevron graphics.	\$ 2,492.00
BODY COMPT REAR	3110-0631	Lower rear stainless steel tall compartment B1, 46" wide x 52" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,604.00
BODY COMPT REAR	3110-0632	Rear stainless steel tall compartment B1, 46" wide x approx. 64" high x 35" deep. Includes bolt-on intermediate step above the door opening. Entire rear panel to be smooth plate for Chevron graphics.	\$ 3,183.00
BODY COMPT REAR	3110-0633	Full Height Rear Pump Panel Compartment with officer side ladder tunnel storage with smooth plate door secured with D-Ring style latch. Includes smooth plate panels and handrail(s) as applicable. Pump Panels to be recessed in the rear body and enclosed on all sides.	\$ 10,365.00
BODY COMPT REAR	3110-0634	Outboard rear of body compartment assemblies. Driver side; B1 and Officer side; B2. For use with center rear walk-in rescue body.	\$ 3,678.00
BODY COMPT REAR	3110-0635	Lower Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for ladder storage and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,577.00
BODY COMPT REAR	3110-0636	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0637	The rearend area of the extra wide roof top compartment officer side inboard to have a 14" deep recessed notch. The top, side, and forward surfaces to be painted smooth plate.	\$ 1,503.00
BODY COMPT REAR	3110-0638	Embossed diamond plate lid for center tailboard tray. Includes: seal, thumb latches.	\$ 616.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0639	Rear bumper, full width of body, constructed using 4" square stainless steel tube. Boston style corners cut at 30 degree angle on each end. Attach to rear of body and center tailboard. Spaced 1/4" to provide drainage. Rear marker lights recessed in the intermediate step. Bumper to be supplied with a DA finish. THERE WILL BE NO SCORPION COATING APPLIED ON THE BUMPER OR TAILBOARD.	\$ 3,779.00
BODY COMPT REAR	3110-0640	Bolt-on diamond plate 14" tailboard full width of body with Bustin Tread, provides a flat back body design. Center section of step to be able to pull out and provide additional stepping surface. Includes hand rails, (1) vertically on trailing edge of the officer side body and horizontally mounted hand rail below hose bed.	\$ 4,741.00
BODY COMPT REAR	3110-0641	Lower rear stainless steel tall compartment B1, 46" wide x 50" high x 26" deep (intermediate step if required is selected separately). Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,018.00
BODY COMPT REAR	3110-0642	Tailboard to be spaced 1/4" (unless otherwise specified) off rear body face for clearance of drainage and debris.	\$ 1,162.00
BODY COMPT REAR	3110-0643	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step. Entire rear panel to be stainless steel for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0644	Bolt-on diamond plate 12" tailboard, 96" wide to match body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and NO horizontally mounted hand rail below hose bed.	\$ 1,976.00
BODY COMPT REAR	3110-0645	Lower rear stainless steel short compartment B1, 46" wide x 30" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0646	Upper rear compartment B2, 28" wide x 18" high x 26" deep. Offset to driver side.	\$ 1,711.00
BODY COMPT REAR	3110-0647	Bolt-on diamond plate tailboard (full width of hosebed). Additional 4" of tailboard to run full width of body ("T" shaped tailboard). Includes the extended side compartment frame work and handrails- (2) vertical mounted on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0648	Bolt-on diamond plate 12" tailboard with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and NO horizontally mounted hand rail below hose bed.	\$ 1,976.00
BODY COMPT REAR	3110-0649	Bolt-on diamond plate 15" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Includes a body mounted structural steel mounting assembly for ease of replacement. Tail board slides into and secures into structure (bolted through the sides of the tube) and fastens to body as required.	\$ 2,929.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0650	Upper rear stainless steel short/narrow compartment B2, 26" wide x 11" high x 27-1/4" deep. Includes a 3-sided floor mounted 1/2" thick Poly tray, open to the front (door opening).	\$ 2,514.00
BODY COMPT REAR	3110-0651	Bolt-on diamond plate 14" tailboard with Bustin Tread (full width of body). Includes (2) 11" squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use with stainless steel tanker body with rear dump valve.	\$ 1,910.00
BODY COMPT REAR	3110-0652	Bolt-on diamond plate 20" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and (2) vertical handrails on trailing edge of body. OMIT handrail below hosebed.	\$ 1,910.00
BODY COMPT REAR	3110-0653	Officer side, Side facing at rear body staircase module to have brushed stainless steel overlay.	\$ 884.00
BODY COMPT REAR	3110-0654	(3) 1.125" holes for recessed mounting of TecNiq marker lights at the rear of the tailboard. Includes backing plate behind rear edge of tailboard.	\$ 285.00
BODY COMPT REAR	3110-0655	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 28', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0656	Lower rear stainless steel short and narrow compartment B1, 26" wide x 26-3/4" high x 28" deep, for use with special lower rear panel plumbing options. Left side wall removed to allow for ALS module passage from L3. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,069.00
BODY COMPT REAR	3110-0657	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed.	\$ 1,910.00
BODY COMPT REAR	3110-0658	Bolt-on diamond plate 18" tailboard with Bustin Tread (full width of body). Includes (2) 12" squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use rear dump valve.	\$ 1,910.00
BODY COMPT REAR	3110-0659	Angled 14" x 14" tailboard corners. This will allow the center section of the tailboard to match the 76" hosebed width.	\$ 1,020.00
BODY COMPT REAR	3110-0660	Bolt-on diamond plate 14" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0661	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. B1 compartment opening to be narrowed and offset to driver side with a rear slam strip offset to officer side for rear plumbing to exit without being inside B1 compartment.	\$ 2,838.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0662	Double low rear compartment. For use with low hosebed. Includes smooth plate panels. Two equal sized lower rear compartments divided down the middle.	\$ 2,838.00
BODY COMPT REAR	3110-0663	Rearend assembly with 3/4 height rear end body for dry chemical access. Compartment opening located directly above chassis frame rails and vertically hinged access door with D-ring latches. Includes removable flooring. Also includes smooth plate panels, 30 degree angle of departure with flip down tailboard and handrails - (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 5,673.00
BODY COMPT REAR	3110-0664	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 19 deep, without an intermediate rear step. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0665	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 19" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0666	Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a vertically hinged storage access door with push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0667	Compartment B1, 46" wide x 62" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 3,183.00
BODY COMPT REAR	3110-0668	Bolt-on diamond plate 18" tailboard with Bustin Tread (full width of body). Includes (2) 12" slanted beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use rear dump valve.	\$ 1,910.00
BODY COMPT REAR	3110-0669	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with push button latch. Includes stepped upper horizontal tube on the officer side due to storage items.	\$ 4,432.00
BODY COMPT REAR	3110-0670	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 16" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body as applicable and horizontal mounted handrail(s) below hose bed.	\$ 4,630.00
BODY COMPT REAR	3110-0671	Bolt-on compartment located officer side of rear compartment. Compartment includes a hinged smooth plate door with D-ring style latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step to be mounted to inboard side of compartment.	\$ 1,748.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0672	Bolt-on compartment located driver side of rear compartment. Compartment includes a hinged smooth plate door with D-ring style latch (wired into door ajar indicator), removable slat flooring and Gator Grip compartment top. Lower hosebed access step to be mounted to inboard side of compartment.	\$ 1,748.00
BODY COMPT REAR	3110-0673	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes area for storage of (1) stokes basket with compartment depth at 90" from opening and a drop down storage access door with push button latches (wire to door ajar). Includes smooth plate panels and storage access doors with push button latches.	\$ 6,404.00
BODY COMPT REAR	3110-0674	Upper Storage Compartment to have (1) bolt-in compartment 73" deep. Compartment for storage of (1) backboard 16" x 72" 1.25". The compartment to be bolted into the upper storage from the top of the upper storage compartment and centered.	\$ 1,180.00
BODY COMPT REAR	3110-0675	Rear Compartment between frame rails. Includes vertical hinged access door using a D-ring latch (wire to door ajar).	\$ 1,916.00
BODY COMPT REAR	3110-0676	Lower rear stainless steel short compartment B1, 46" wide x 25" high x 26" deep (without an intermediate step). Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0677	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes a horizontally mounted hand rail below hose bed. For use with telescoping lights that serve as handrails.	\$ 2,245.00
BODY COMPT REAR	3110-0678	Recessed rear bumper single crosslay to hold of 150' of 1.75 DJ hose with attached nozzle. Includes heavy duty wrap-around bumper 14" long, treadplate deck/trim, recessed corner step pockets and a diamond plate cover with latching hardware. Utilizes a rear trailer hitch assembly to provide support (added separately). Installation shortens the height of the B1 compartment rollup door accordingly. Crosslay plumbing specified separately.	\$ 15,008.00
BODY COMPT REAR	3110-0680	Bolt-on diamond plate 16" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Tailboard design modified to accommodate a full with square tube style bumper (specified separately).	\$ 1,910.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0681	Rear bumper, and drop frame assembly. Installed full width of body, attached to a drop frame extension assembly bolted to chassis frame rails. Rear bumper constructed using 3" square steel tube. Boston style corners cut at 30 degree angle on each end. Bumper spaced 1/2" from body the surfaces. Rear lower marker lights recessed in rear surface of the bumper rubrail (specified separately). Bumper assembly painted to match job color. Includes strip of embossed diamond plate on top surface of bumper. Final design subject to customer and engineering approval.	\$ 4,806.00
BODY COMPT REAR	3110-0682	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work and handrails- For use with rear ladder application. Includes a handrail vertically mounted on trailing edge of body opposite side of ladder and horizontal mounted handrail(s) below hosebed.	\$ 2,188.00
BODY COMPT REAR	3110-0683	Single low rear compartment. For use with low hosebed EFT only (raised floor due to battery support structure). Includes smooth plate panels. This compartment shall be transverse through to the side rear compartments.	\$ 1,952.00
BODY COMPT REAR	3110-0685	Outboard rear of body lower compartment assemblies. Driver side; B1 and Officer side; B2. For use with center rear walk-in rescue body. The area above these compartments will be accessible only from interior rear upper cabinets only.	\$ 3,678.00
BODY COMPT REAR	3110-0686	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the driver side pumper style enhanced extended side compartment frame work with diamond plate compartment top, officer side rescue pumper style enhanced extended side compartment frame work without diamond plate compartment top. Driver side lower rear compartment will be transverse with B1. Handrail included and located: (1) driver upper hosebed mounted handrail (as applicable) and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 5,680.00
BODY COMPT REAR	3110-0687	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 18" deep, without an intermediate rear step. Compartment door opening lowered to accommodate rear panel recessed traffic advisor. Entire rear panel to be smooth aluminum plate for Chevron graphics. For use with FireMaxx EX rear air suspension.	\$ 1,691.00
BODY COMPT REAR	3110-0688	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic,(1) 10' Fresno Attic (3) pike poles and a drop down storage access door with push button latches (wire to door ajar).	\$ 4,472.00
BODY COMPT REAR	3110-0689	Bolt-on diamond plate 12" tailboard with Bustin Tread (full width of body). Includes (2) slanted beavertails and hand rails, (2) vertically on trailing edge of body. No horizontal handrail.	\$ 1,800.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0690	Rear bumper; Full width of body 3" square bolt-on stainless steel tube with welded end caps mounted to drop frame extensions. Includes no step tags. No rub rail or cover plate and rear marker lights attached to rear facing bumper surface. Rear bumper has a non-painted, non-sanded finish.	\$ 4,283.00
BODY COMPT REAR	3110-0691	Bolt-on diamond plate 16" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body (no horizontal handrail). For use with driver side ladder.	\$ 2,193.00
BODY COMPT REAR	3110-0692	Bolt-on diamond plate 12" tailboard between rear side compartments with Bustin Tread. Includes hand rails (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. Trailing edge of side compartments include 2" deep aluminum treadplate bumperettes to align tailboard to back of body.	\$ 1,910.00
BODY COMPT REAR	3110-0693	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 20" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0694	Lower Rear Compartment with extra tall Officer Side Storage Tunnel. Includes smooth plate panels and dual storage access doors with push button latches.	\$ 3,048.00
BODY COMPT REAR	3110-0695	Full Height Rear Compartment with Upper Ladder Storage Compartment. Includes smooth plate panels. Includes area for storage of (1) 24', (1) 14', (1) 10' Attic, (2) pike poles and a drop down storage access door with locking push button latches (wire to door ajar).	\$ 4,162.00
BODY COMPT REAR	3110-0696	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (2) driver and officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,652.00
BODY COMPT REAR	3110-0697	Bolt-on diamond plate 14" tailboard with Bustin Tread (full width of body). Includes (2) 11" squared off beavertails with hand rails, (2) vertically on trailing edge of body and horizontally mounted hand rail below hose bed. For use with stainless steel tanker body and rear dump valve.	\$ 1,910.00
BODY COMPT REAR	3110-0698	Bolt-on diamond plate 12" tailboard (full width of body) with grip strut inserts. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 3,409.00
BODY COMPT REAR	3110-0699	Bolt-on diamond plate 12" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of driver side of body. For use with officer side ladder and center entrance that includes a step with a handrail.	\$ 2,053.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0700	Full Height Rear Compartment with smooth plate panels. For use with Vector only (raised floor due to battery support structure). This is a non-transverse compartment.	\$ 2,041.00
BODY COMPT REAR	3110-0701	Lower Rear Compartment with access door above for ladder storage thru tank. B1 compartment opening to be narrowed and offset to driver side with a rear slam strip offset to officer side for rear plumbing to exit without being inside B1 compartment. Includes smooth plate panels and storage access door with push button latches.	\$ 3,834.00
BODY COMPT REAR	3110-0702	Lower rear stainless steel short compartment B1 between full length chassis frame rails with smooth plate drop-down door, 24" wide x 9.25" high x 27" deep.	\$ 1,728.00
BODY COMPT REAR	3110-0703	Outboard rear of body compartment assemblies, 18" deep. Driver side; B1 and Officer side; B2. For use with center rear walk-in rescue body.	\$ 3,678.00
BODY COMPT REAR	3110-0704	Full Height Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with locking push button style latch.	\$ 3,218.00
BODY COMPT REAR	3110-0705	Angled 14" x 14" tailboard corners.	\$ 915.00
BODY COMPT REAR	3110-0706	Bolt-on diamond plate tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,545.00
BODY COMPT REAR	3110-0707	Bolt-on diamond plate tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,545.00
BODY COMPT REAR	3110-0708	Bolt-on diamond plate tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,545.00
BODY COMPT REAR	3110-0709	Bolt-on diamond plate tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,545.00
BODY COMPT REAR	3110-0710	Bolt-on diamond plate 16" tailboard (full width of body). For use with rear ladder application. Includes handrails- (1) vertical on trailing edge of body opposite side of ladder and handrail(s) horizontal below hosebed.	\$ 2,213.00
BODY COMPT REAR	3110-0711	Lower rear stainless steel tall compartment B1, 46" wide x 55" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,444.00
BODY COMPT REAR	3110-0712	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 8" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 4,584.00
BODY COMPT REAR	3110-0713	Bolt-on diamond plate 15" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of body and horizontally mounted hand rail below hose bed. For use with driver side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0714	Single Low Rear Compartment with Upper Storage Compartment. For use with low hosebed. Includes smooth plate panels and storage access door with push button latch. This is a non transverse compartment.	\$ 2,272.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0715	Single low rear compartment. For use with low hosebed Vector only (raised floor due to battery support structure). Includes smooth plate panels. This is a non-transverse compartment.	\$ 1,952.00
BODY COMPT REAR	3110-0716	Lower rear stainless steel short compartment B1, 46" wide x 30" high x 23" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0717	Outboard rear of body compartment B1. 78" tall (includes 9" drop floor) x 26" wide x 16" deep. Includes a 16" high cutout near the base of the compartment into R5. For use with center rear walk-in Stainless Steel rescue body.	\$ 3,678.00
BODY COMPT REAR	3110-0718	Lower Rear Compartment with Officer Side Storage Tunnel. Includes smooth plate panels and storage access door with D-Ring. (narrow body only, 96")	\$ 2,507.00
BODY COMPT REAR	3110-0719	Special Rear of body to have un-painted smooth plate overlay style body panels to facilitate rear body striping and aluminum plate doors for turntable access and ladder tunnel access. Rear vertically hinged ladder tunnel door with two (2) thumb latches. Lift-up horizontally hinged door with 1/4-turn D-ring latch (if applicable) to open 20 degrees past horizontal add tag to read NO STEP on door when in open position (degrees may be reduced due to other options). Doors will match rear body finish.	\$ 3,428.00
BODY COMPT REAR	3110-0720	The rearward area of the extra wide roof top compartment above the access ladder to be recessed in 32". The stepping surface to be embossed diamond plate, side and forward plates to be diamond plate. Includes a vertical inward hinged stainless steel pan door and bent D-ring latch. Door wired to open indicator in the cab.	\$ 3,378.00
BODY COMPT REAR	3110-0721	Upper rear stainless steel short compartment B2 between the top of the tank and the hosebed with painted smooth aluminum bottom hinged drop-down door with trigger latches, 18" wide x 4" high x 78" deep.	\$ 1,728.00
BODY COMPT REAR	3110-0722	Upper rear compartment depth to be approximately 31" deep.	\$ 557.00
BODY COMPT REAR	3110-0723	Lower Rear Compartment with Driver and Officer Side Storage Tunnels. Includes smooth plate panels and storage access doors with push button latches.	\$ 2,507.00
BODY COMPT REAR	3110-0724	Full Height Rear end with driver and officer side storage tunnels. Includes smooth plate panels, (3) storage access doors with push button latches, and a area for tank inlet(s) (as applicable) and rear dump valve bolt-on plate. The lower area to be for the mounting of a booster reel or other options (as applicable).	\$ 6,187.00
BODY COMPT REAR	3110-0725	The rearward area of the extra wide roof top compartment above the access ladder to be recessed in 18". The stepping surface to be embossed diamond plate, side plates to be diamond plate and forward plate to be FRP smooth plate.	\$ 1,503.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0726	Bolt-on Heavy Duty 10" tailboard to be full width of body with angled corners. Topped with a 3/16" diamond plate, gator grip top with a 1" bend over the edge of the tailboard. No rubrail shall be mounted on the tailboard. Includes handrails- (2) 68" mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. Requires "underbody support" option.	\$ 11,264.00
BODY COMPT REAR	3110-0727	Bolt-on diamond plate 15.5" tailboard (full width of body). Includes handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 2,184.00
BODY COMPT REAR	3110-0728	(1) bolt-on compartment 14.5" W x 31" H x 14" D. Locate on the driver side of rear step and to have 13" wide opening. The compartment includes smooth plate door with D-ring, removable Duradek flooring and embossed non-skid treadplate compartment top. Lower hose bed access steps to be mounted to inboard side of compartment.	\$ 1,995.00
BODY COMPT REAR	3110-0729	Center Slam Strip Rear End with (3) compartments- (2) lower and (1) upper and a smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate panels. Includes driver and officer side storage tunnel.	\$ 5,888.00
BODY COMPT REAR	3110-0730	Center Slam Strip Rear End with (3) compartments- (2) lower transverse and (1) upper and a smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate panels.	\$ 4,506.00
BODY COMPT REAR	3110-0731	Bolt-on diamond plate 16" tailboard (full width of body). For use with flat back style body. Includes handrail horizontally below hosebed.	\$ 2,372.00
BODY COMPT REAR	3110-0732	Lower rear stainless steel short compartment B1, 46" wide x 28" high x 26" deep. Includes bolt-on intermediate step above. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,115.00
BODY COMPT REAR	3110-0733	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 26" deep, without an intermediate rear step. This compartment will not have a door. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 1,691.00
BODY COMPT REAR	3110-0734	Rear bumper, tailboard/step and drop frame assembly; Install a full width of body 16" deep 2" x 3" tubular steel wrap around bumper attached to a drop frame extension assembly bolted to chassis frame rails. Bumper spaced 1/2" from rear panel of the body. Includes (2) slanted beavertails and handrails (2) vertically on trailing edge of body and horizontally mounted handrail below hose bed. Rear lower marker lights recessed in rear surface of the bumper rubrail (specified separately). Bumper assembly painted to match frame color. Step surface constructed of aluminum treadplate.	\$ 4,806.00
BODY COMPT REAR	3110-0735	Bolt-on diamond plate 16" tailboard with Bustin Tread (full width between beavertails). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 3,575.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0736	Upper B1 compartment officer door shall be notched 10" wide x 4" high for 5" LDH hose connected to customer supplied and installed valve stored in B1.	\$ 712.00
BODY COMPT REAR	3110-0737	Upper B1 compartment driver door shall be notched 6" wide x 4" high for 2.50" DJ hose connected to customer supplied and installed valve stored in B1.	\$ 712.00
BODY COMPT REAR	3110-0738	Upper rear compartment B2, 18" wide x 27" high x 26" deep. Offset to driver side.	\$ 1,711.00
BODY COMPT REAR	3110-0739	Rear end assembly without tailboard. Includes handrails- (2) mounted vertical on trailing edge of body and horizontal mounted handrail below hosebed.	\$ 2,053.00
BODY COMPT REAR	3110-0740	Rear body to be modified to accommodate a maximum departure angle. NOTE: Modification shall reduce vertical compartment space in L3/R3 and B1 and eliminates stationary tail board option.	\$ 4,575.00
BODY COMPT REAR	3110-0741	(1) bolt-on compartment 14" W x 14" H x 14" D. Locate on the officer side of rear step and to have 12" wide opening. The compartment includes a horizontally hinged embossed treadplate plate lift up door with a grab handle and a butterfly latch (wired into door ajar indicator), and removable Duradek flooring.	\$ 1,995.00
BODY COMPT REAR	3110-0742	Lower rear stainless steel short compartment B1, 46" wide x 35" high x 34" deep. The compartment extends 8" past the floor of the hose bed and includes an aluminum treadplate step surface full width between the extended body side compartments. Entire rear panel to be smooth aluminum plate for Chevron graphics.	\$ 2,708.00
BODY COMPT REAR	3110-0743	Newton or Jet dump and direct tank fill(s) above low rear compartment. Includes bolt on smooth plate panels and access door panel in the top of the B1 compartment for access to dump and direct tank fill(s). Frame work to enclose the rear of the Newton dump with a horizontally top hinged door.	\$ 5,287.00
BODY COMPT REAR	3110-0746	Support structure modifications for extended height B1 compartment.	\$ 2,093.00
BODY COMPT REAR	3110-0747	Rearend assembly with 3/4 height rear body compartment with officer side storage tunnel. Compartment located directly above chassis frame rails and to be non-transverse. For use with Industrial products and pumpers with large fuel tanks over 65 gallons only. Includes smooth plate panels and storage access door with push button latch.	\$ 2,444.00
BODY COMPT REAR	3110-0748	Bolt-on diamond plate 17" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,386.00
BODY COMPT REAR	3110-0749	Rear end tanker. Includes diamond plate upper and lower panels, a diamond plate center strip for a Jet or Newton Dump application and upper area access door for thru the tank storage. Requires rear NFPA striping compatible for diamond plate panels.	\$ 3,966.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0750	Bolt-on diamond plate 18" tailboard full width of body with Bustin Tread. Includes (2) 14" squared off beavertails. Includes (1) hand rail driver side on trailing edge of body. For use with tanker body with rear dump valve and officer side ladder.	\$ 2,245.00
BODY COMPT REAR	3110-0751	Single low rear compartment. For use with low hosebed. Includes smooth plate panels. This is a non transverse compartment.	\$ 1,952.00
BODY COMPT REAR	3110-0752	Bolt-on diamond plate 14" tailboard full width of body with Bustin Tread. This provides a flat back body design. Includes (1) vertically mounted handrail on the trailing edge of officer side of body and NO horizontally mounted handrail below hose bed. For use with driver side ladder.	\$ 2,053.00
BODY COMPT REAR	3110-0753	Outboard rear of body compartment assemblies. Driver side; B1 and Officer side; B2. For use with center rear walk-in rescue body. For use with rear rope anchor points.	\$ 4,339.00
BODY COMPT REAR	3110-0754	Full Height Rear Compartment with smooth plate panels. For use with Vector only (raised floor due to battery support structure). This is a non-transverse compartment.	\$ 2,041.00
BODY COMPT REAR	3110-0755	Full Height Rear Compartment with Upper Storage Compartment and Side Storage Tunnel. Includes area for storage of (1) stokes basket with compartment depth at 90" from opening and a drop down storage access door with push button latches (wire to door ajar). Includes smooth plate panels and storage access doors with push button latches.	\$ 6,404.00
BODY COMPT REAR	3110-0756	Rear end with driver and officer side storage tunnels. Includes smooth plate panels, storage access doors with push button latches, and a recessed area for tank inlet(s) (as applicable) and rear dump valve. The lower area to be for the mounting of a booster reel or other options (as applicable).	\$ 6,187.00
BODY COMPT REAR	3110-0757	Rear End with no rear compartment with officer and driver side storage tunnel. Includes smooth plate panels and storage access doors with d-ring latch.	\$ 1,582.00
BODY COMPT REAR	3110-0758	Bolt-on Heavy Duty 12" tailboard (full width of body). Includes handrails- (2) 68" mounted vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed. Requires "underbody support" option.	\$ 11,264.00
BODY COMPT REAR	3110-0759	Rear compartment to be flush with rear of enhanced extended smooth plate work. Compartment to maintain standard depth. Includes embossed diamond plate step over rear compartment between standard enhanced extended compartmentation stepped down below hosebed level. Requires having additional tailboard depth to maintain rear stepping surface.	\$ 12,005.00
BODY COMPT REAR	3110-0760	Single low rear with no compartment. For use with low hosebed Vector only (raised due to battery support structure). Includes smooth plate panels.	\$ 1,952.00
BODY COMPT REAR	3110-0761	Center Slam Strip Rear End with (2) compartments- (2) lower compartments and a smooth plate center strip for a Jet or Newton Dump application. Includes smooth plate panels.	\$ 4,506.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0762	Bolt-on diamond plate tailboard (full width of rear compartment). Additional 5.5" of tailboard to run full width of body ("T" shaped tailboard). Includes the enhanced extended side compartment frame work and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 3,090.00
BODY COMPT REAR	3110-0763	Outboard rear of body lower and upper compartment assemblies. Driver side; B1, B3 and Officer side; B2, B4. For use with center rear walk-in rescue body. Vertically hinged side access/service doors (specified separately) will be located in the recessed walk-in area for the upper compartments.	\$ 4,974.00
BODY COMPT REAR	3110-0764	Rear end with officer side storage tunnels. Includes smooth plate panels, storage access doors with push button latches, and a recessed area for tank inlet(s) (as applicable) and rear dump valve. The lower area shall have a compartment including bottom hinged door with push button latches.	\$ 7,869.00
BODY COMPT REAR	3110-0765	Lower rear stainless steel compartment B1, 24" wide x 20" high x 26" deep, located between full length chassis frame rails. For use with special lower rear panel plumbing options with a low hose bed design. Entire rear panel to be smooth aluminum plate for Chevron graphics. No intermediate step above.	\$ 2,223.00
BODY COMPT REAR	3110-0766	Upper Storage Compartment to hold (1) 10' attic ladder, (3) pike pole/ hook tubes, and (2) 6" x 10' hard suction hoses. Includes stop bracket included approximately 130" back from opening. An enclosed frontal area shall be included as part of the tunnel design.	\$ 1,339.00
BODY COMPT REAR	3110-0767	Full Height Rear Compartment with Full Width Upper Ladder Storage Compartment with smooth plate panels. Includes area for storage of (1) 35'-3 Section, (1) 14' Roof, (1) 10' Attic, (2) pike poles, and (1) 24'-2 Section, with a drop down storage access door with D-ring latches (wire to door ajar) and retaining straps for tunnel contents. The 14'/35' to be nested together.	\$ 6,236.00
BODY COMPT REAR	3110-0768	Upper Storage Compartment to hold (1) 35' 3-section ladder, (1) 14' roof ladder, (1) 10' attic ladder, (2) pike poles and (1) 24' 2-section ladder.	\$ 2,142.00
BODY COMPT REAR	3110-0769	Outboard rear of body compartment assembly, Driver side B1. For use with center rear walk-in rescue body. For use with rear rope anchor point.	\$ 3,253.00
BODY COMPT REAR	3110-0770	Rear body assembly in addition to selected include area for tank inlet(s) and rear dump valve configuration	\$ 5,039.00
BODY COMPT REAR	3110-0772	Booster reel enclosure. Removable 12 gauge stainless steel enclosure for reel located below the body.	\$ 2,068.00
BODY COMPT REAR	3110-0773	Special step 1/3 width rear intermediate drivers side. Intermediate rear step to be located just below hose bed.	\$ 1,593.00
BODY COMPT REAR	3110-0774	Special step 1/3 width rear intermediate officers side. Intermediate rear step to be located just below hose bed.	\$ 1,593.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3110-0775	Rear bumper and drop frame assembly; Install a full width of body 12" deep 2" x 3" tubular steel wrap around bumper attached to a drop frame extension assembly bolted to chassis frame rails. Bumper spaced 1/2" from body the surfaces. Rear lower marker lights recessed in rear surface of the bumper. Bumper assembly painted to match job color. Step surface constructed of aluminum treadplate. Final design subject to customer and engineering approval.	\$ 4,806.00
BODY COMPT REAR	3110-0776	Angled 12" x 12" tailboard corners.	\$ 915.00
BODY COMPT REAR	3340-0080	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,910.00
BODY COMPT REAR	3340-0081	Bolt-on diamond plate tailboard (full width of body). Includes handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,545.00
BODY COMPT REAR	3340-0082	Bolt-on diamond plate tailboard (full width of hosebed). Includes handrails- (2) vertical mounted on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,441.00
BODY COMPT REAR	3340-0083	Bolt-on diamond plate tailboard (full width of rear compartment). Includes the enhanced extended side compartment frame work with diamond plate compartment tops, (1) officer side lower area folding step. Driver side includes (1) upper hosebed mounted handrail (as applicable) and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,708.00
BODY COMPT REAR	3340-0115	Bolt-on diamond plate 16" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,788.00
BODY COMPT REAR	3340-0116	Bolt-on diamond plate 14" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,664.00
BODY COMPT REAR	3340-0117	Bolt-on diamond plate 12" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal (as applicable) mounted handrail(s) below hosebed.	\$ 1,539.00
BODY COMPT REAR	3340-0118	Bolt-on diamond plate 10" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertical on trailing edge of body and horizontal mounted handrail(s) below hosebed.	\$ 1,415.00
BODY COMPT REAR	3340-0136	Bolt-on diamond plate 20" tailboard (full width of body). Includes (2) squared off beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on beavertails and (1) horizontally below hosebed.	\$ 2,039.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY COMPT REAR	3340-0139	Bolt-on diamond plate 18" tailboard (full width of body). Includes (2) slanted beavertails (no stanchions) with removable outer panels and handrails- (2) vertically on trailing edge of body and horizontally mounted handrail(s) below hosebed.	\$ 2,386.00
BODY COMPT REAR	3340-0194	Bolt-on diamond plate tailboard (full width of rear compartment) for use with low hosebed. Includes driver side (1) upper hosebed mounted handrail (as applicable), handrail(s) mounted horizontally below hosebed and (2) handrails mounted vertically on trailing edge of body.	\$ 1,708.00
BODY COMPT REAR	3340-0214	Smooth plate outboard beavertail panels (PR). Painted job color.	\$ 1,081.00
BODY COMPT REAR	3340-0295	(1) driver side rear pump module extra width (inboard side) roof top compartment (offset rearward and sized to allow deck gun to stow without interfering with hosebed area). Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed.	\$ 4,505.00
BODY COMPT REAR	3340-0298	(1) officer side rear pump module extra width (inboard side) roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$ 5,150.00
BODY COMPT REAR	3340-0300	(1) officer side rear pump module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$ 2,581.00
BODY COMPT REAR	3340-0303	(1) driver side rear pump module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. Outboard side of body to run full width and wrap around the rear and meet with the end of the hosebed end.	\$ 2,581.00
BODY COMPT REAR	3340-0312	(1) driver side rear pump module roof top compartment. Includes hinged raised compartment lid with turn latches and grab handle(s). Compartment to have (1) bracket mounted LED light and wired to door ajar indicator in cab. BODY MODEL	3080-0219	Body aerial single axle Metro 100 without pump (162 C/A for use with vertical SCR aftertreatment). 100" wide with L and R rescue style extended high sides and rear side staircases. Rear of body aft of rear jack legs raised 3". 61" high body. (10'-7" OAH with no wway, 10'10" OAH with wway).	\$ 120,178.00
BODY MODEL	3080-0221	Extruded alum body for 3500/4000 gallon Wetside water tank, tandem axle chassis. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 25,983.00
BODY MODEL	3080-0222	Extruded alum body for 3500/4000 gallon Wetside water tank, tandem axle chassis wtih driver side under tank pump and officer side forward discharge/intake panel. Includes (1) driver and (2) officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 28,860.00
BODY MODEL	3080-0223	Extruded alum body for Wetside water tank, tandem axle chassis and individual pump module forward of body. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 28,860.00
BODY MODEL	3080-0224	Body aerial HM100/110 ladder without pump (172 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and dual rear side staircases. 67" high body for 11'-5" OAH.	\$ 120,178.00
BODY MODEL	3080-0225	Extruded alum body for Wetside water tank, single axle chassis with driver side under tank pump. Includes 4" raised driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard. Compartment opening to be 34" high ipo standard (25" to roll-up door if applicable).	\$ 22,204.00
BODY MODEL	3080-0227	Body aerial HP100 Platform 250" WB 67.5/68 cab without pump (182" C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides, seperate rear side compartments, upper 70" wide open storage beneath aerial and rear side staircases. Rear of body raised 4" for improved angle of departure. The doors on small compts next to rear outrigger to match wheelwell.	\$ 116,609.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY MODEL	3080-0230	Body aerial HP100 Platform 250" WB 67.5/68 cab without pump (182" C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides, compartments L2/R2 divided into upper and lower compartments(L2 lower 25" high opening/R2 lower 28" high opening), seperate rear side compartments, upper 70" wide open storage beneath aerial and rear side staircases. Rear of body raised 4" for improved angle of departure. The doors on small compts next to rear outrigger to match wheelwell.	\$ 116,609.00
BODY MODEL	3080-0231	Body aerial 95/CR100 medium cab without pump (187 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and rear side staircases. 58" high body for 11'-7" +or-1" OAH. Requires troughed cab.	\$ 122,261.00
BODY MODEL	3080-0233	Extruded alum body for Wetside water tank, single axle chassis with tag axle and individual pump module forward of body. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 42,474.00
BODY MODEL	3080-0236	Extruded alum body for Wetside water tank, tandem axle chassis with tank dump provision in wheelwell. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard. Compartment opening to be 36" high ipo standard (27" to roll-up door as applicable).	\$ 28,820.00
BODY MODEL	3080-0237	Extruded alum body for Wetside water tank, tandem axle chassis and individual pump module forward of body. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 28,860.00
BODY MODEL	3080-0238	Body aerial HP100 Platform without pump (192 C/A for use with DPF/SCR after treatment). 100" wide with L and R extended rescue style high sides, left side combined rear compartment with rear side staircase, right side rear compartment IPO rear side staircase . The doors on small compartments next to rear outriggers to match wheel well.	\$ 113,615.00
BODY MODEL	3080-0239	Extruded alum body for Wetside water tank, tandem axle chassis with driver side under tank pump and officer side forward discharge/intake panel. Includes driver and officer side forward lower body compartments, space for newton dump in diamond plate wheel well area and flat back style rearend with 12" tailboard.	\$ 28,935.00
BODY MODEL	3080-0240	Extruded alum body for Wetside water tank, single axle chassis and no pump module. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 24,534.00
BODY MODEL	3080-0242	Extruded alum body for Wetside water tank, tandem axle chassis and individual pump module forward of body. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 24,952.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

BODY MODEL	3080-0243	Extruded alum body for Wetside water tank, single axle chassis and no pump module. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 24,534.00
BODY MODEL	3080-0244	Extruded alum body for Wetside water tank, single axle chassis with driver side under tank pump and officer side forward discharge/intake panel. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard. Use on 4X4 Chassis.	\$ 25,243.00
BODY MODEL	3080-0246	Extruded alum body for Wetside water tank, raised 4" for side dump application, tandem axle chassis, and individual pump module forward of body. Includes driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 29,937.00
BODY MODEL	3080-0250	Body aerial single axle LTH100 without pump (162 C/A for use with vertical SCR aftertreatment). 96" wide with L and R rescue style high sides, combined rear side compartments and an independent rear staircase module to rear of main body with Zico swing out and down access ladders, one each side. Rear staircase module rear corners pinched in for better turning clearance and raised 3" for improved angle of departure. 61" high body. (10'-7" OAH with no wway, 10'10" OAH with wway).	\$ 127,434.00
BODY MODEL	3080-0251	Body aerial HP100 Platform (lowered 2") with hydraulic driven water pump and 200 gallon tank (192 C/A for use with DPF/SCR after treatment). 100" wide with L and R extended rescue style high sides, left side combined rear compartment, left rear side staircase, right side rear compartment IPO right rear side staircase and rear of body raised 4" for improved angle of departure. The doors on small compartments next to rear outriggers to match wheel well.	\$ 117,647.00
BODY MODEL	3080-0252	Body aerial HM100/110/LTH100 with center hose bed. Configured for midship pump and 450 tank. 100" wide with L and R extended rescue style high sides and double beavertails. 64" high body. Requires troughed cab.	\$ 136,345.00
BODY MODEL	3080-0253	Body aerial HM100/110 with center hose bed. Configured for midship pump and 450 tank. 100" wide with L and R extended rescue style high sides, right side hose hose chute only and rear side facing dual staircases. 64" high body for 11'-4" OAH. Requires troughed cab.	\$ 140,376.00
BODY MODEL	3080-0254	Body aerial HP100 Platform (lowered 1") 260"WB 67.5/68 cab without pump (192.5 C/A for use with DPF/SCR after treatment). 100" wide body, L2/R2 transverse and dual rear side staircases. Left side to include recessed area for horizontal ladder storage. Right side to include extended rescue style high sides, combined rear side compartment. The door on small compts next to rear outrigger to match wheel well.	\$ 122,780.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY MODEL	3080-0255	Body aerial HP75 / HP78 with combined extended height front side compartment on driver side and separate extended height front side compartments (R1-36"W / R2 22"W) on officer side, enhanced extended combined rear beavertail compts and center hose bed. Configured for midship pump and 400-500 tank. Single axle 100" wide body. Includes driver and officer side ladder tunnels and hose chutes extended rearward flush with rear of body with standard center style turntable access staircase. The rear turntable access door to match the rear body finish.	\$ 106,719.00
BODY MODEL	3080-0256	Body aerial 95/CR100 with center hose bed. Configured for 240" WB, medium cab, midship pump w/42" PPNL and 300 tank. 100" wide with L and R extended rescue style high sides and double beavertails. 63" high body for 12'-1" OAH	\$ 134,024.00
BODY MODEL	3080-0257	Extruded alum body for Wetside water tank, single axle chassis with driver side enclosed under tank pump panel and officer side enclosed forward discharge/intake panel. Includes 8" raised driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard. For use with enclosed pump panel compartments.	\$ 26,924.00
BODY MODEL	3080-0258	Extruded alum body for Wetside water tank, single axle chassis with driver side enclosed under tank pump panel. Includes 8" raised driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard. For use with enclosed pump panel compartment.	\$ 26,171.00
BODY MODEL	3080-0260	Extruded alum body for Wetside water tank, single axle chassis with driver side enclosed under tank pump panel and officer side enclosed forward discharge/intake panel. Includes raised driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard. For use with enclosed pump panel compartments with hinged doors and upper gauge panel.	\$ 24,597.00
BODY MODEL	3080-0261	Extruded alum body for 2500 Wetside water tank, tandem axle chassis with driver side under tank pump and officer side forward discharge/intake panel. Includes driver and officer side forward lower body compartments, space for newton dump in wheel well area and flat back style rearend with 12" tailboard.	\$ 28,130.00
BODY MODEL	3080-0262	Body aerial HM100/110/LTH100 without pump (162 C/A for use with DPF/SCR aftertreatment), 230" wheelbase, tandem axle with long cab. 100" wide with L and R extended rescue style high sides and dual rear side staircases. 61" high body for low OAH. Requires troughed cab.	\$ 132,781.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BODY MODEL	3080-0263	Body aerial 95/CR100/CR137 with center hose bed. Configured for 250" wheel base, long cab, midship pump and 300 gallon tall tank. 100" wide with L and R extended rescue style high sides and double beavertails. Note hose chutes modified on driver and officer sides to allow 5" LDH hose to pass thru due to 5" lower aerial/body. 58" high body for 11'-7" +or- 1" OAH. Requires troughed cab.	\$ 145,603.00
BODY MODEL	3080-0264	Extruded alum body for Wetside water tank, tandem axle chassis and individual pump module forward of body. Includes (2) driver and officer side forward lower body compartments each side, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 30,630.00
BODY MODEL	3080-0265	Body aerial HP100 Platform without pump with 260" W/B and 80" cab (180" C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides, seperate rear side compartments and rear side staircase (left side only). The door on small compt next to rear outrigger to match wheelwell.	\$ 113,615.00
BODY MODEL	3080-0266	Extruded alum body for Wetside water tank, raised 4" for side dump application, tandem axle chassis, and individual pump module forward of body. Includes the reduction of driver and officer side forward body compartment width, a dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 28,130.00
BODY MODEL	3080-0267	Body aerial 95/CR100 CII/Quest long cab without pump. 250"W/B (182 C/A for use with DPF/SCR aftertreatment). 100" wide with L and R extended rescue style high sides and rear side staircases. 61" high body for 11'-10" OAH.	\$ 113,615.00
BODY MODEL	3080-0269	Body aerial single axle LTH100 without pump for use with a medium cab (162 C/A with vertical SCR aftertreatment). 96" wide, R1 rescue style high side with L and R half sides with recess above for horizontal ladder storage. Upper body storage compartments for storage beneath aerial, (1) one left side forward compartment, (1) one transverse compartment and (2) two rearward compartments with open storage between. Dual rear side staircases includes 1" flex joint separating it from the main body, rear corners pinched in for better turning clearance and raised 3" for improved angle of departure. 61" high body. (10'-7" OAH with no wway, 10'10" OAH with wway). (NOTE: Add 3136-0011 if P-Rubber is required)	\$ 123,080.00
BODY MODEL	3080-0270	Extruded alum body for Wetside water tank, tandem axle chassis with side mount pump module. Includes driver and officer side forward lower body compartments, space for newton dump in wheel well area and flat back style rearend with 12" tailboard.	\$ 28,720.00
BODY MODEL	3080-0271	Extruded alum body for Wetside water tank, tandem axle chassis and individual pump module forward of body. Includes 50" wide driver and officer side forward lower body compartments, dia plt wheel well area and flat back style rearend with 12" tailboard.	\$ 24,952.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

BOOSTER REEL	4405-0075	Booster reel with 200' of .75" red hose. Locate reel in officer side forward area of hosebed mounted to the hosebed floor (no storage pan). Reel to be painted.	\$ 4,693.00
BOOSTER REEL	4405-0076	Booster Reel to hold up to 200' of .75" or 100' of 1" hose. Locate over R1 on compartment top offset forward. (Includes ollers mounted on reel side, and air blowout.	\$ 6,642.00
BOOSTER REEL	4405-0077	Booster Hose Reel 12 Volt. Shall hold 200' of .75" Booster Hose (Hose not included) Reel Location: [#LOC]	\$ 5,414.00
BOOSTER REEL	4405-0078	Booster Reel with 1.5" Air Actuated Valve control at operator panel. Reel to have capacity of 200' of 1" (not included). Locate rear body compartment.	\$ 5,828.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BOOSTER REEL	4405-0079	Booster Reel. Reel to have capacity of 200' of 1" (Reeltex hose). Includes aluminum plate enclosure on lower frame mount and the upper diamond plate panel forward of R1 will be reduced in size for the reel to fit under that area, easily accessible rewind switch, rollers, 200' of 1" reeltex hose (4-50' sections) and air blow-out. Locate officer side lower forward body/pump area.	\$ 9,799.00
BOOSTER REEL	4405-0080	Booster reel, Hannay, 12VDC, capacity of 100' of 1" (hose not included), polished, Wildland	\$ 8,167.00
BOOSTER REEL	4405-0081	Booster Reel. Reel to have capacity of 150' of 1" (not included). Locate officer side of pan.	\$ 5,411.00
BOOSTER REEL	4405-0082	Dunnage area w/hinged cover, option, Wildland	\$ 2,332.00
BOOSTER REEL	4405-0084	Booster hose reel, swing out - for dual agent applications. Shall hold 100' x 1" twinned booster hose (hose not included) installed in [#LOC].	\$ 13,736.00
BOOSTER REEL	4405-0085	Booster Reel Riser for rollers. Locate (1) left, and (1) right side on hose reel pan.	\$ 361.00
BOOSTER REEL	4405-0086	A bracket shall be used to secure the booster reel nozzle to the driver's side of the pump module as mounted. See drawing for location.	\$ 185.00
BOOSTER REEL	4405-0087	Air actuated 1.5" valve and with pump panel mounted controller. For use with dealer installed booster reel and roller assembly in driver side hosebed storage pan area. Connection hose to have extra length so dealer can locate reel to either side of hosebed storage pan. Included to be an air blow-out and (2) panel mounted rewind switches- (1) each side (dealer to make final connections to switches).	\$ 2,562.00
BOOSTER REEL	4405-0088	Booster hose reel for dual agent applications. Shall hold 100' x 1" twinned booster hose (hose not included) installed in dunnage pan offset to driver side.	\$ 13,018.00
BOOSTER REEL	4405-0089	***OBSOLETE*** (USE 4405-0128) Booster Reel. Reel to have capacity of 200' of 1" (not included). Locate under rear body. Includes rewind switch.	\$ 5,828.00
BOOSTER REEL	4405-0090	Booster Reel with air actuated control at pump operator panel. Shall hold 200' of 1" Booster Hose (Hose not included) installed in [#LOC]	\$ 5,177.00
BOOSTER REEL	4405-0091	Booster reel skid plate. For use with booster reel mounted between frame rails.	\$ 934.00
BOOSTER REEL	4405-0092	Booster Hose Reel for Dual Agent applications. ElkHart electric valve (requires valve controller) Location: left side hosebed pan. Shall hold 150' x 1" twinned booster hose.	\$ 10,689.00
BOOSTER REEL	4405-0093	Booster Reel. Reel to have capacity of 200' of 1" (not included). Includes rewind switch mounted on the exterior of compartment (rear body). Locate reel in the rear body compartment.	\$ 5,828.00
BOOSTER REEL	4405-0094	Booster hose reel for dual agent applications. Shall hold 100' x 1" twinned booster hose (hose not included) installed in [#LOC]. Include Gauge and bleeder.	\$ 14,212.00
BOOSTER REEL	4405-0095	Booster Hose Reel 12 Volt located on the floor of B1. Shall hold 200' of .75" Booster Hose (Hose not included). Includes rewind switch officers side of B1 wall close to opening for easy accessibility.	\$ 5,414.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BOOSTER REEL	4405-0096	The booster reel manual crank shall have the crank handle extended an additional 12" beyond standard length.	\$ 202.00
BOOSTER REEL	4405-0097	Booster Reel Aluminum shall hold 200' of 1" flat lay Hose. installed in [#LOC]. A rewind switch shall be provided at the reel.	\$ 5,381.00
BOOSTER REEL	4405-0098	Booster Reel 100' X 1" or 150' x 0.75" hose (Hose not included), model EF4026-19-20-8. Located: [#LOC].	\$ 5,406.00
BOOSTER REEL	4405-0099	Booster Reel. Reel to have capacity of 200' of 1" (not included). Locate under rear body. Includes electric rewind foot switch offset to the officer side of B1 compartment.	\$ 5,828.00
BOOSTER REEL	4405-0100	Booster reel rewind switch. Switch located [#LOC].	\$ 407.00
BOOSTER REEL	4405-0101	Hannay EPFF20-30-31 booster reel. Reel to have capacity of 150' of 1" (not included). Locate pump dunnage offset to officer side. Includes body/beavertail mounted rewind switch located to outboard side of reel location.	\$ 5,411.00
BOOSTER REEL	4405-0102	Booster hose reel. Shall hold 150' x 1.25" booster hose (hose not included) installed in [#LOC].	\$ 6,609.00
BOOSTER REEL	4405-0103	Booster Reel switch panel adjacent to reel with rewind switch and addition Open/Close switch, and non-lighted 2.5" pressure gauge.	\$ 619.00
BOOSTER REEL	4405-0104	Booster Reel. Reel to have capacity of 100' of 1" (not included). Includes rewind switch installed in [#LOC] for Dry Chemical.	\$ 5,381.00
BOOSTER REEL	4405-0105	Air actuated 1.5" valve and with pump panel mounted controller. For use with dealer installed booster reel and roller assembly in officer side hosebed area. Connection hose to have extra length so dealer can locate reel to either side of hosebed area. Included to be an air blow-out and (2) panel mounted rewind switches- (1) each side (dealer to make final connections to switches).	\$ 2,562.00
BOOSTER REEL	4405-0106	Air actuated 1.5" valve and with pump panel mounted controller. For use with dealer installed booster reel and roller assembly in B1. Includes air blow-out.	\$ 2,562.00
BOOSTER REEL	4405-0107	Booster Reel. Reel to have capacity of 200' of 1" (not included). Includes rewind switch on wall adjacent to reel. Locate rear body compartment.	\$ 5,828.00
BOOSTER REEL	4405-0109	Booster Reel. Reel to have capacity of 300' of .75" (hose not included). Locate [#LOC].	\$ 5,411.00
BOOSTER REEL	4405-0110	Booster Reel air actuated 1.5" valve with plumbing to terminate in B1 and control at pump operator panel. For use with dealer installed booster reel and roller assembly in B1.	\$ 2,973.00
BOOSTER REEL	4405-0111	Booster reel for secondary agent application. Shall hold 100' x 1" booster hose (hose not included) installed in [#LOC] for [#COL].	\$ 6,354.00
BOOSTER REEL	4405-0112	Booster Reel. Reel to have capacity of 200' of 1" (not included). Includes rewind switch mounted on the reel. Locate rear body compartment.	\$ 5,828.00
BOOSTER REEL	4405-0113	Booster Hose Reel 12 Volt located dunnage pan offset to officer side. Shall hold 200' of .75" Booster Hose (Hose not included). Includes rewind switch officers side pump panel.	\$ 5,414.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BOOSTER REEL	4405-0114	Booster Reel air actuated valve. Reel to have capacity of 200' of .75" (not included). Includes rewind switch on officer side wall adjacent to reel. Locate rear body compartment.	\$ 5,828.00
BOOSTER REEL	4405-0115	Booster Reel. Reel to have capacity of 150' of 3/4" or 100' of 1" booster hose. Hose is sold seperately. Location: [#LOC].	\$ 5,414.00
BOOSTER REEL	4405-0117	Booster Reel. Reel to have capacity of 100' of 1" (not included). Reel installed in dunnage pan offset to driver side.	\$ 5,381.00
BOOSTER REEL	4405-0118	Hose Reel Dry for 500" X 1" Forestry Collapsible Hose (REEL MODEL SBEP28-23-24).	\$ 5,996.00
BOOSTER REEL	4405-0119	Hose Reel 1.5" manual valve with pump panel mounted controller. For use with dealer installed booster reel in dunnage pan officer side area. Connection hose to have extra length so dealer can locate reel on officer side of dunnage pan. (dealer to make final connections to switches).	\$ 2,175.00
BOOSTER REEL	4405-0123	Booster Reel EF26-23-24-12. Reel to have capacity of 150' of 1" Niedner, or Reeltex (hose not included). Locate driver side of pan.	\$ 5,615.00
BOOSTER REEL	4405-0124	Booster Reel to hold up to 200' of .75" or 100' of 1" hose. Includes rollers and foot mounted rewind switch (if applicable). Locate over R1/R2 on compartment top.	\$ 6,642.00
BOOSTER REEL	4405-0126	Hose Reel Dry for 500' X 1" Forestry Collapsible Hose ((Reel model, SBEC 18-25-26 RT) 26" H x 20.5" W x 25.5"D). Located: [#LOC].	\$ 5,996.00
BOOSTER REEL	4405-0127	Booster Reel with 1.5" Air Actuated Valve control. Reel to have capacity of 200' of 1" (not included). Includes rewind switch on right side wall of comaprtment B1. Locate above the B1 rear body compartment. Includes 4-way captive rollers around the cut out opening in the upper rear panel.	\$ 6,549.00
BOOSTER REEL	4405-0128	Booster Reel. Reel to have capacity of 200' of 1" (not included). Locate under rear body (includes support brkts as applicable). Includes rewind switch.	\$ 8,510.00
BOOSTER REEL	4405-0129	Hose Reel Dry 300' of 1.75" (hose not included). Locate [#LOC].	\$ 4,863.00
BOOSTER REEL	4405-0130	Booster Reel 100' X 1" or 150' x 0.75" hose (Hose not included), blow out valve included, model EF4126-19-20-8. Located: [#LOC].	\$ 5,406.00
BOOSTER REEL	4405-0131	Booster hose 150' long, 1" 800 PSI.	\$ 2,326.00
BOOSTER REEL	4405-0132	Booster reel mounted roller assembly. For use with rear compartment mounted booster reel.	\$ 729.00
BOOSTER REEL	4405-0133	Hose reel blow-out, with Innovative Controls 1/4, control at reel	\$ 490.00
BOOSTER REEL	4405-0134	Hose Reel Dry 300'X 2.0" Hose. (hose not included). Locate [#LOC].	\$ 4,534.00
BOOSTER REEL	4405-0135	Booster Reel w/2" Elkhart Electric Unibody Valve with UICS-2 CAFS Controller with pressure reading. Reel to have capacity of 200' of 1" (not included). Locate driver side of pan.	\$ 11,199.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BOOSTER REEL	4405-0136	Drop down booster reel mounted roller assembly. For use with rear compartment mounted booster reel. To extend outward when deployed to route and guide hose past rescue style ladder mounted to rear of body.	\$ 823.00
BOOSTER REEL	4405-0137	Booster Reel. Reel to have capacity of 100' of 1" (not included). Locate under rear body (includes support brkts).	\$ 8,510.00
BOOSTER REEL	4405-0138	(2) vertical mounted booster reel spool guide roller assemblies. Locate (1) each side on trailing edge of beavertails/body (as applicable). For use with rear compartment mounted booster reel or similar.	\$ 1,059.00
BOOSTER REEL	4405-0139	Booster reel with 200' of 1" red hose. Locate reel in driver side pan. Reel to be painted job color white.	\$ 6,631.00
BOOSTER REEL	4405-0141	Booster reel to have the following bearings added to each side of the reel in place of the standard bearing. 1" S.A. Bronze bearing complete, E-COATED, W/304 SST HOUSING Bearing. Include grease zerk fitting..	\$ 819.00
BOOSTER REEL	4405-0142	Booster Reel with manual hand wheel control Akron valve. Reel to have capacity of 200' of 1" (not included). Locate [#LOC].	\$ 7,673.00
BOOSTER REEL	4405-0143	Rollerless slide out booster reel roller assembly. To extend outward when deployed to route and guide hose past body mounted options like access ladder, etc.	\$ 1,272.00
BOOSTER REEL	4405-0144	Booster Reel. Reel to have capacity of 100' of 1" (not included). Includes aluminum plate enclosure on lower frame mount and the upper diamond plate panel forward of R1 will be reduced in size for the reel to fit under that area, easily accessible rewind switch, rollers and air blow-out. Locate officer side lower forward body/pump area.	\$ 6,567.00
BOOSTER REEL	4405-0146	Booster reel - front bumper. Center between frame rails. Will hold 150' of 1" or 250' of 3/4" booster hose.	\$ 12,542.00
BOOSTER REEL	4405-0147	Booster Reel Hannay w/2" Elkhart Electric Unibody Valve with UBEC2 Controller with pressure reading. Reel to have capacity of 125' of .75" (not included). Locate R2	\$ 8,189.00
BOOSTER REEL	4405-0149	Ultra high pressure booster reel with 2000 psi rating to hold 200' of 1" UHP booster hose. The hose must be rated at a minimum of 1500 psi.	\$ 5,479.00
BOOSTER REEL	4405-0150	Booster Reel. Reel to have capacity of 100' of 3/4" (not included). Includes rewind switch located on left side compartment wall. Locate rear body compartment.	\$ 5,381.00
BOOSTER REEL	4405-0151	Booster Reel. Reel to have capacity of 200' of 1" Niedner, or Reeltex (hose not included). Locate rear body compartment.	\$ 5,828.00
BOOSTER REEL	4405-0152	Booster Reel with air actuated control at pump operator panel. Shall hold 100' of 1" Booster Hose (Hose not included) installed in [#LOC]	\$ 5,177.00
BOOSTER REEL	4405-0153	Booster Reel Air Actuated. Reel to have capacity of 200' of 1" (not included). Locate B1 compartment. Painted job color.	\$ 5,828.00
BOOSTER REEL	4405-0154	Booster Reel 100' X 1" or 150' x 0.75" hose (Hose not included), model SBEF24-23-24. Location officer side.	\$ 5,406.00
BOOSTER REEL	4405-0155	Booster Reel with air actuated. Shall hold 200' of 1" Booster Hose (Hose not included) installed in [#LOC]	\$ 5,177.00

BOOSTER REEL	4405-0202	Ultra high pressure booster reel with 2000 psi rating to hold 200' of 1" UHP booster hose. The hose must be rated at a minimum of 1500 psi. Location dunnage pan. One on driver side and one on officer.	\$ 5,947.00
BOOSTER REEL	4405-0203	Booster Reel EF20-30-31. Reel to have capacity of 150' of 1" (not included). Locate driver side in rear mount pump compartment. Includes rewind switch located to outboard side of reel location.	\$ 5,411.00
BOOSTER REEL	4405-0204	Booster Reel. Reel to have capacity of 200' of 1" with Darley electric auto valve CAFS controller. (hose not included).	\$ 11,361.00
BOOSTER REEL	4405-0205	Booster Reel. Reel to have capacity of 200' of 1" with Electric Valve Control (hose not included). Requires valve controller). Locate [#LOC].	\$ 9,221.00
BOOSTER REEL	4405-0206	Booster Reel 100' X 0.75" hose (Hose not included), model EF20-23-24RB. Location officer side.	\$ 5,406.00
BOOSTER REEL	4405-0207	Booster Reel. Reel to have capacity of 150' of 3/4" or 100' of 1" booster hose. Hose is sold seperately. Location: B1. Reel to be painted job color.	\$ 6,631.00
BOOSTER REEL	4405-0208	Stirrup style hose reel switch. Stirrup bracket to have rubber material added to the flat surface where switch is installed.	\$ 619.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BOOSTER REEL	4405-0209	Booster reel cover plate to protect reel from debris. For use with booster reel mounted between frame rails.	\$ 934.00
BOOSTER REEL	4405-0210	Booster Reel. Reel to have capacity of 150' of 3/4" or 100' of 1" booster hose. Hose is sold separately. Location: As specified. Reel to be painted job color.	\$ 6,631.00
BOOSTER REEL	4405-0211	Booster Reel. Reel to have capacity of 150' of 1.5" (not included). Locate dunnage pan. (EPFF??-23-24) Requires valve controller option.	\$ 9,314.00
BOOSTER REEL	4460-0002	Hose reel blow-out, primary.	\$ 520.00
BRAKE SYSTEMS	1025-0034	Automatic traction control for 4x2/4x4 chassis. In addition to standard ABS system.	\$ 1,262.00
BRAKE SYSTEMS	1100-0000	16-1/2" x 6" S-cam brakes with ArvinMeritor automatic slack adjusters for front axle. (Note: Brake chatter may occur while backing. This is a condition inherent with front S-Cam brakes.)	\$ 650.00
BRAKE SYSTEMS	1100-0001	Meritor EX225H 17" disc brakes for front axle.	\$ 2,513.00
BRAKE SYSTEMS	1100-0002	ArvinMeritor 16-1/2" x 7" S-cam brakes with cast brake drums for a single rear axle.	\$ 650.00
BRAKE SYSTEMS	1100-0003	Meritor EX225H 17" disc brakes for rear axle, maximum capacity 27,000 lbs.	\$ 2,513.00
BRAKE SYSTEMS	1100-0004	Meritor EX225H 17" disc brakes for rear axles, maximum capacity 54,000 lbs.	\$ 3,834.00
BRAKE SYSTEMS	1100-0005	Brake system air 4X2/4X4.	\$ 16,926.00
BRAKE SYSTEMS	1100-0007	Parking brake release mounted center of the engine cover.	\$ 659.00
BRAKE SYSTEMS	1100-0008	Brake system air 6X4/6X6.	\$ 17,536.00
BRAKE SYSTEMS	1100-0009	Front axle parking brake.	\$ 1,080.00
BRAKE SYSTEMS	1100-0010	Brake emergency release for spring.	\$ 1,957.00
BRAKE SYSTEMS	1100-0011	Roll Stability Control, Includes ATC. Not available on commercial chassis, tiller or tandem axle custom chassis.	\$ 4,058.00
BRAKE SYSTEMS	1100-0014	ArvinMeritor 16-1/2" x 7" S-cam brakes with cast brake drums for a tandem rear axle.	\$ 781.00
BRAKE SYSTEMS	1100-0018	Dust Shields. Front and Rear Axle. CAM Brakes only.	\$ 757.00
BRAKE SYSTEMS	1100-0019	Dust Shields. Rear Axle. CAM Brakes only.	\$ 460.00
BRAKE SYSTEMS	1100-0020	Compression fittings for all air brake system lines. Includes cab interior air lines as applicable and accessories (if equipped).	\$ 2,514.00
BRAKE SYSTEMS	1100-0021	HALDEX SLACK ADJUSTERS FOR BRAKE SYSTEM	\$ 792.00
BRAKE SYSTEMS	1100-0022	Dust Shields. Front and rear tandem axle. CAM brakes only.	\$ 1,205.00
BRAKE SYSTEMS	1100-0023	Stainless steel park brake release guard.	\$ 446.00
BRAKE SYSTEMS	1100-0024	G4 Electronic Stability Control (4x2), Includes RSC and ATC. Not available on 4x4, commercial chassis or tiller.	\$ 7,132.00
BRAKE SYSTEMS	1100-0025	ArvinMeritor 16-1/2" x 8.625" Q-Plus S-cam brakes with cast brake drums for a single rear axle. 24K axle only.	\$ 2,646.00
BRAKE SYSTEMS	1100-0026	G4 Electronic Stability Control (6x4), Includes RSC and ATC. Not available on 6x6 or commercial chassis.	\$ 8,501.00
BRAKE SYSTEMS	1100-0027	Knorr-Bremse 17" disc brakes for front axle. Timoney IFS only.	\$ 2,513.00
BRAKE SYSTEMS	1100-0028	ArvinMeritor 18" x 7" P-Type S-cam brakes with cast brake drums for a 33K single rear axle.	\$ 4,633.00
BRAKE SYSTEMS	1100-0030	Brake chambers 30-36 for 24,000# single rear axle. N/A with disc brakes.	\$ 1,120.00
BRAKE SYSTEMS	1100-0031	Dana/Bendix ADB22X 17" disc brakes for front axle.	\$ 2,513.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BRAKE SYSTEMS	1100-0032	Hinged stainless steel park brake release guard.	\$ 591.00
BRAKE SYSTEMS	1100-0033	Bendix 16-1/2" x 7" S-cam brakes for 31,000 - 35,000 Dana axle.	\$ 650.00
BRAKE SYSTEMS	1100-0034	Brake chambers 30-36 for 48K/54K tandem rear axle. N/A with disc brakes.	\$ 2,228.00
BRAKE SYSTEMS	1100-0035	Glad Hands tow option. Location: Front chassis frame.	\$ 1,102.00
BRAKE SYSTEMS	1100-0036	16.5" x 8.625" P-Cast S-cam brakes for 27,000 - 35,000 Meritor axle. N/A with FIREMAAX suspension.	\$ 1,650.00
BRAKE SYSTEMS	1100-0037	Glad Hands tow option. Location: rear chassis frame.	\$ 1,102.00
BRAKE SYSTEMS	1100-0038	Heavy duty 16-1/2" x 6" S-cam brakes with ArvinMeritor automatic slack adjusters for front axle. For use with 22,100 Meritor axle. (Note: Brake chatter may occur while backing. This is a condition inherent with front S-Cam brakes.)	\$ 1,518.00
BRAKE SYSTEMS	1100-0039	Brake disc and shoe wash/flush to include five (5) 1/2" holes in each wheel to assist in rinse and debris removal ARFF.	\$ 13,596.00
BRAKE SYSTEMS	1100-0040	Gauge air brake application additional. Location: officer side overhead console.	\$ 633.00
BRAKE SYSTEMS	1100-0042	Navistar ESP Stability control system, 4 x 4, Option, Wildland	\$ 2,013.00
BRAKE SYSTEMS	1100-0043	Emergency park brake activation valve mounted on the officer's side dash with stainless steel guard.	\$ 1,362.00
BRAKE SYSTEMS	1100-0044	Parking brake release mounted on the driver side electrical access cover (side facing). Severe duty interior only.	\$ 643.00
BRAKE SYSTEMS	1100-0045	2nd parking brake release mounted on the officer's side electrical access cover with stainless steel guard. Severe duty interior only.	\$ 1,830.00
BRAKE SYSTEMS	1100-0046	Brake system air tank to be mounted as high as possible.	\$ 446.00
BRAKE SYSTEMS	1100-0047	Navistar ESP (ESC) Stability control system 4 x 2	\$ 3,319.00
BRAKE SYSTEMS	1100-0048	Emergency park brake activation valve mounted on the center console offset driver side with stainless steel guard.	\$ 1,362.00
BRAKE SYSTEMS	1100-0049	Parking brake release mounted on center dash (not available with ABS dash).	\$ 643.00
BRAKE SYSTEMS	1100-0052	G4 Electronic Stability Control with Wabco OnGuard CMS system (4x2). Includes RSC and ATC. Not available on 4x4, commercial chassis or tiller.	\$ 15,093.00
BRAKE SYSTEMS	1100-0053	G4 Electronic Stability Control with Wabco OnGuard CMS system (6x4). Includes RSC and ATC. Not available on 4x4, commercial chassis or tiller.	\$ 16,462.00
BRAKE SYSTEMS	1100-0054	Bendix SN7 17" disc brakes for front axle. Reyco Granning IFS only.	\$ 2,513.00
BRAKE SYSTEMS	1100-0055	Spring guards on each end of brake lines from wheel to frame.	\$ 350.00
BRAKE SYSTEMS	1100-0056	Parking brake release mounted on the driver's side of upper tier. Severe duty dash only.	\$ 643.00
BRAKE SYSTEMS	1100-0057	Brake chambers to be type 24 front and 30/30 rear. MGM piston style long stroke.	\$ 1,319.00
BRAKE SYSTEMS	1100-0058	Safety Check brake stroke indicators.	\$ 1,457.00
BRAKE SYSTEMS	1100-0059	Stainless steel u-bolt design park brake release guard.	\$ 446.00
BRAKE SYSTEMS	1100-0060	Brake chambers on front axle to be type 24. MGM piston style long stroke.	\$ 664.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BRAKE SYSTEMS	1100-0061	Glad Hands tow option. Location: Front chassis frame, below gravel shield, driver side.	\$ 1,102.00
BRAKE SYSTEMS	1100-0063	ArvinMeritor 16-1/2" x 8.625" Q-Plus S-cam brakes with cast brake drums for a 46k and 48K tandem rear axle.	\$ 5,280.00
BRAKE SYSTEMS	1100-0064	Glad Hands tow option. Location: Front chassis frame, below gravel shield, officer side.	\$ 1,102.00
BRAKE SYSTEMS	1100-0065	Brake chambers 36-36 for 27,000# single rear axle. N/A with disc brakes. Option limited to 20,000 front GAWR.	\$ 1,120.00
BRAKE SYSTEMS	1100-0066	Emergency park brake activation valve mounted on the officer's side upper tier with stainless steel guard.	\$ 1,362.00
BRAKE SYSTEMS	1100-0067	16-1/2" x 7" S-cam brakes with automatic slack adjusters for Marmon-Herrington front drive axle. (Note: Brake chatter may occur while backing. This is a condition inherent with front S-Cam brakes.)	\$ 650.00
BRAKE SYSTEMS	1100-0070	Emergency park brake activation valve mounted on the officer's side dash with stainless steel guard. Includes Weldon model 9186-2300-10 red indicator light and programming for rear brake lights and throttle de-activation.	\$ 1,573.00
BRAKE SYSTEMS	1100-0071	Brake disc and shoe wash/flush to include five (5) 1" holes in each wheel to assist in rinse and debris removal ARFF.	\$ 13,596.00
BRAKE SYSTEMS	1100-0072	Brake system 4x4 ARFF	\$ 12,027.00
BRAKE SYSTEMS	1100-0073	Brake system 6x6 ARFF	\$ 14,121.00
BRAKE SYSTEMS	1100-0074	Emergency park brake activation valve mounted on the officer's side overhead with stainless steel guard. Includes Weldon model 9186-2300-10 red indicator light and programming for rear brake lights and throttle de-activation.	\$ 1,573.00
BRAKE SYSTEMS	1100-0075	Parking brake release mounted on the driver's side next to transmission shift selector.	\$ 643.00
BRAKE SYSTEMS	1100-0076	Emergency park brake activation valve, with black knob, mounted on the officer's side dash.	\$ 1,362.00
BRAKE SYSTEMS	1100-0077	Emergency park brake activation valve mounted on the officer's side dash with stainless steel u-bolt design guard.	\$ 1,362.00
BRAKE SYSTEMS	1100-0078	16-1/2" x 6" S-cam brakes with automatic slack adjusters for front axle. (Note: Brake chatter may occur while backing. This is a condition inherent with front S-Cam brakes.)	\$ 650.00
BRAKE SYSTEMS	1100-0081	Front axle parking brake. Without dash switch, plumbed directly to rear park brake air circuit.	\$ 1,080.00
BRAKE SYSTEMS	1100-0082	Heavy duty 16-1/2" x 7" S-cam brakes with automatic slack adjusters for front axle. For use with 24,000 Dana axle. (Note: Brake chatter may occur while backing. This is a condition inherent with front S-Cam brakes.)	\$ 1,868.00
BRAKE SYSTEMS	1100-0083	Parking brake release mounted on the center dash, upper tier. Severe duty dash only.	\$ 643.00
BRAKE SYSTEMS	1100-0084	Emergency park brake activation valve mounted on center dash panel, within reach of driver and officer, with stainless steel guard.	\$ 1,362.00
BRAKE SYSTEMS	1100-0085	Bendix 16-1/2" x 7" S-cam brakes for 24,000 - 27,000 Dana axle.	\$ 650.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BRAKE SYSTEMS	1100-0086	16.5" x 8.625" P-Cast S-cam brakes for 54,000 - 62,000 Meritor tandem axle.	\$ 3,291.00
BRAKE SYSTEMS	1100-0087	Parking brake release mounted on center dash with stainless scuff plate around bottom of knob (not available with ABS dash).	\$ 762.00
BRAKE SYSTEMS	1100-0088	Glad Hands tow option. Location: Front chassis frame, below gravel shield, driver side close to cab face and not hanging down.	\$ 1,262.00
BRAKE SYSTEMS	1100-0089	Glad Hands tow option. Location: Front approach panel.	\$ 1,102.00
BRAKE SYSTEMS	1100-0090	Air brake system 4x2 tractor with ABS for both tractor and tiller/trailer axle brakes. Requires seperate glad-hands option for connections to detachable trailer.	\$ 17,304.00
BRAKE SYSTEMS	1100-0092	Emergency park brake activation valve, with yellow handle, mounted on the officer's side dash with stainless steel guard. Includes Weldon model 9186-2300-10 red indicator light and programming for rear brake lights and throttle de-activation.	\$ 1,573.00
BRAKE SYSTEMS	1100-0093	Knott PGS 22 17" disc brakes for Dana front axle.	\$ 2,513.00
BRAKE SYSTEMS	1100-0094	Knott PGS 22 17" disc brakes for rear axle. For use with Dana 29K to 31K axles only. Requires a Dana front axle and Knott disc brakes.	\$ 2,513.00
BRAKE SYSTEMS	1100-0095	Emergency park brake activation valve mounted on the officer's side switch panel with stainless steel U-bolt design guard. Includes Weldon model 9186-2300-10 red indicator light and programming for rear brake lights and throttle de-activation.	\$ 1,573.00
BRAKE SYSTEMS	1100-0096	Glad Hands trailer option. Location: rear chassis frame.	\$ 1,102.00
BRAKE SYSTEMS	1100-0097	2nd parking brake release mounted on the officer's side side of upper tier with stainless steel U-bolt design guard. Severe duty interior only.	\$ 1,830.00
BRAKE SYSTEMS	1100-0099	Parking brake release mounted on the engine cover offset to the driver side (as space allows).	\$ 659.00
BRAKE SYSTEMS	1100-0100	Emergency park brake activation valve mounted on the officer's side overhead with stainless steel guard including red reflective tape over guard. Includes Weldon model 9186-2300-10 red indicator light and programming for rear brake lights and throttle de-activation.	\$ 1,780.00
BRAKE SYSTEMS	1100-0103	Air brake system 4x2 Tiller tractor. Includes bulkhead fittings for trailer connections. Requires separate ECU on Tiller trailer.	\$ 17,304.00
BRAKE SYSTEMS	1110-0008	Gauge air brake application mounted in cab	\$ 633.00
BREAKER BOXES	5200-0000	Breaker box 8 place single phase. Includes main breaker. Note: Main breaker occupies 2 places leaving 6 available. Locate [#LOC].	\$ 1,731.00
BREAKER BOXES	5200-0001	Breaker box 12 place single phase. Includes main breaker. Note: If gen is 6KW or less, main will occupy 2 places leaving 10 available. Locate [#LOC].	\$ 1,807.00
BREAKER BOXES	5200-0002	Breaker Box 20 Place Single Phase. Includes main breaker. Locate [#LOC].	\$ 1,841.00
BREAKER BOXES	5200-0003	Breaker box 2 place single phase (70A 110/220V). Location [#LOC].	\$ 772.00
BREAKER BOXES	5200-0006	Breaker box 30 place three phase. Includes main breaker. Only for generator sizes 30KW and up. Location: [#LOC].	\$ 4,308.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BREAKER BOXES	5200-0007	Breaker box 30 place single phase. Includes main breaker. Maximum generator size 48 KW. Location: [#LOC].	\$ 2,847.00
BREAKER BOXES	5200-0008	Breaker box 16 place single phase. Includes main breaker. Locate [#LOC].	\$ 1,815.00
BREAKER BOXES	5200-0013	Breaker Box 20 Place Single Phase. Includes main breaker. Locate inside forward body module, centered on rear wall, up high. Digital readout panel to be located next to breaker box.	\$ 1,841.00
BREAKER BOXES	5200-0014	Breaker box 2 place single phase. For use with up to two options wired through shoreline power with 20A or larger inlet recept. Location [#LOC].	\$ 772.00
BREAKER BOXES	5200-0015	Breaker box 8 place single phase; no main breaker. For use with customer installed inverter. Locate [#LOC].	\$ 2,065.00
BREAKER BOXES	5200-0016	Breaker box 2 place single phase. For use with up to two circuits wired through shoreline power with 20A or larger inlet recept. Location [#LOC]. Breakers to be GFCI for all circuits.	\$ 1,037.00
BREAKER BOXES	5200-0017	Breaker box 8 place single phase; no main breaker. For use with multiple options wired through shoreline power with 30A or larger inlet recept (or per customer request if equipped with 20A inlet). Locate [#LOC].	\$ 1,731.00
BREAKER BOXES	5200-0019	Breaker box 24 place three phase. Includes main breaker. Location: [#LOC].	\$ 2,383.00
BREAKER BOXES	5200-0020	Protective Cover. A cover shall be provided for wiring at breaker box and or Inverter location.	\$ 710.00
BREATHING AIR	6400-0001	Breathing air platform with (2) 444CF cylinders. Includes low air alarm.	\$ 19,997.00
BREATHING AIR	6400-0002	Breathing air platform with (2) 509CF cylinders. Includes low air alarm.	\$ 24,961.00
BREATHING AIR	6400-0003	Breathing air platform with (1) 444CF cylinder. Includes low air alarm.	\$ 15,006.00
BREATHING AIR	6400-0006	Breathing air ladder with (1) 444CF cylinder. Includes low air alarm.	\$ 17,487.00
BREATHING AIR	6400-0010	Additional breathing air outlet at turntable console. Includes filter.	\$ 1,327.00
BREATHING AIR	6400-0011	Breathing air outlets additional in platform (PR).	\$ 499.00
BREATHING AIR	6400-0012	Breathing air ladder with (2) 444CF cylinders. Includes low air alarm.	\$ 23,375.00
BREATHING AIR	6400-0013	Breathing air platform with (1) 509CF cylinder. Includes low air alarm.	\$ 18,652.00
BREATHING AIR	6400-0014	Breathing air ladder with (1) 509CF cylinder. Includes low air alarm.	\$ 21,138.00
BREATHING AIR	6400-0016	Breathing air outlets, additional (PR) on ladder fly section. These outlets shall be piped from the tip manifold back down to the lower end of the fly where the outlets will be mounted. It will align at the monitor when the ladder is fully extended.	\$ 2,872.00
BREATHING AIR	6400-0018	Breathing air platform with (2) 444CF cylinders. Includes low air alarm. Bottles shall be the same model year as the apparatus.	\$ 19,997.00
BREATHING AIR	6400-0020	Fill hose for aerial breathing air system 50' 7000 PSI.	\$ 1,837.00
BREATHING AIR	6400-0021	Fill hose for aerial breathing air system 100' 7000 PSI.	\$ 2,566.00
BREATHING AIR	6400-0022	Breathing air outlets additional in platform (PR). Locate one each side of platform console.	\$ 1,135.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
BREATHING AIR	6400-0023	Breathing air platform with (1) 444CF cylinder. Includes low air alarm. Bottle mounted on right side of base section.	\$ 16,244.00
BRONTO OPTIONS	6700-0018	Turntable extension with handrails.	\$ 9,243.00
BUMPER TRAYS	1150-0007	Tray center of bumper with slats 34x13x10 for 149 feet of 1-3/4" double jacket hose or 57 feet of 5" LDH.	\$ 1,394.00
BUMPER TRAYS	1150-0008	Tray center of bumper with slats 34x13x12 for 182 feet of 1 3/4" double jacket hose or 70 feet of 5" LDH	\$ 1,394.00
BUMPER TRAYS	1150-0009	Tray center of bumper with slats 34x13x14 for 216 feet of 1 3/4" double jacket hose or 83 feet of 5" LDH	\$ 1,394.00
BUMPER TRAYS	1150-0010	Tray center of bumper with slats 34x13x10 with divider running front to back	\$ 1,394.00

CAB ELECTRICAL OPTIONS	1750-0380	35 AMP inline fuse as hot lead for radio installation. Radio circuit with G30060-1CR in-line fuse 35 amp. Fuse wired to ignition side to power the radio head. To be labeled and identified as "HOT". In-line fuse to be clearly labeled. Wiring located behind a face plate in the center overhead also provide ground wire and label wires. Label ground "Chassis Ground". Fuse to be down line from standard fuse and accessible for Motorola Spectra 800 MHz radio.	\$ 1,124.00
CAB ELECTRICAL OPTIONS	1750-0381	Cornering light relay circuits for cab/body lights on side of unit. Includes (2) relays. Interlocked with park brake.	\$ 821.00
CAB ELECTRICAL OPTIONS	1750-0382	Conduit flexible 3/4" from center cab desk raceway to receptacle located at upper center in R1. To include pull string/wire.	\$ 723.00
CAB ELECTRICAL OPTIONS	1750-0384	Light Weldon LED model 2631-000-30 to illuminate cab floor. Horizontally mounted on seat riser. Wire through headlight switch. Location: below each rear wall seat on riser.	\$ 557.00
CAB ELECTRICAL OPTIONS	1750-0385	Cab step lighting package. Includes (2) EON LED lights per side IPOS. (1) Light per door mounted in the cab step well area	\$ 503.00
CAB ELECTRICAL OPTIONS	1750-0388	Handheld Flashlight, black Streamlight SL-20X with 12 VDC charger. Location: driver and officer rear cab wall outboard below seat support channel.	\$ 449.00
CAB ELECTRICAL OPTIONS	1750-0389	Radio speakers pair. Locate (1) above officer and (1) centered in rear crew cab area. Wiring to terminate (1) center dash, (1) center overhead for customer installed radio(s).	\$ 549.00
CAB ELECTRICAL OPTIONS	1750-0390	Radio Poly-Planar AM/FM CD/MP3 with USB port located center overhead console offset to officer side.	\$ 1,720.00
CAB ELECTRICAL OPTIONS	1750-0391	Receptacle inlet 50amp 250V located in air compressor compartment with cover and manual 4 pole 100A transfer switch. Allows Bauer air compressor to be powered by either shore power or 3 phase generator. Locate per customer approval drawing.	\$ 7,142.00
CAB ELECTRICAL OPTIONS	1750-0393	Switch secondary braking three position Jacobs/Off/Telma. Jacobs Brake top position, off center, Telma bottom position.	\$ 416.00
CAB ELECTRICAL OPTIONS	1750-0394	Control push button switch for Q2B on officers side of console.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0395	Light EON LED to illuminate cab floor(EA). Horizontally mounted on seat riser. Wire through door switch. Location: [#LOC].	\$ 308.00
CAB ELECTRICAL OPTIONS	1750-0396	Control push-button switch on officer's overhead for Q2B siren brake.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0399	Control push-button switch driver side of center dash UPPER TIER for Q2B siren.	\$ 193.00
CAB ELECTRICAL OPTIONS	1750-0400	Cyber Dyne digital voltmeter in cab with blue display. Location: Driver side cab dash, side facing, adjacent to park brake release.	\$ 467.00
CAB ELECTRICAL OPTIONS	1750-0401	Cornering light relay circuits for only the side facing gravel shield lights. Includes (2) relays. Requires scene light option. Interlocked with park brake.	\$ 821.00

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0403	Install radio interface cable for Motorola model APX 6500. Run cable from back of driver seat to center of dash. The interface cable shall consist of the following FireCom cables PN 110-5136-30 (4' interface cable), PN 108-0086-00 (15' extension cable), PN 108-0085-00 (10' extension cable) for a total of 29' in length.	\$ 1,242.00
CAB ELECTRICAL OPTIONS	1750-0406	The air horn(s) shall not be included within the Multiplex system (separate switching from Multiplex display required).	\$ 769.00
CAB ELECTRICAL OPTIONS	1750-0407	Control push-button switch for Rumbler/Howler. Location [#LOC].	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0411	Dome Lts Red/White Whelen model 60CREGCS LED. Package includes two lights mounted in the front and four mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$ 3,297.00
CAB ELECTRICAL OPTIONS	1750-0412	Kussmaul deluxe digital battery display Modell 091-194-IND-WT-RD in place of standard. Mount adjacent to the shoreline receptacle.	\$ 688.00
CAB ELECTRICAL OPTIONS	1750-0413	A Blue Sea model 1016 dual USB charger socket in the cab wired battery hot. Location: [#LOC].	\$ 292.00
CAB ELECTRICAL OPTIONS	1750-0414	Warning light Whelen M6R series Linear Super LED (PR) red. Location: interior of canopy doors wired through each door ajar switch only.	\$ 1,415.00
CAB ELECTRICAL OPTIONS	1750-0415	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: Below forward vista medical cabinet.	\$ 412.00
CAB ELECTRICAL OPTIONS	1750-0416	30 AMP inline fuse as hot lead for radio installation. Radio circuit with in-line fuse 30 amp. Fuse wired to ignition side to power the radio head. To be labeled and identified as "HOT". In-line fuse to be clearly labeled. Wiring located in the interior of the center console also provide ground wire and label wires. Label ground "Chassis Ground".	\$ 1,124.00
CAB ELECTRICAL OPTIONS	1750-0417	Flexible 1" conduit with connectors. Location: radio cabinet to center of dash. To include pull string/wire.	\$ 604.00
CAB ELECTRICAL OPTIONS	1750-0418	Conduit, flexible 1" with connectors. Location: Bottom of cab mounted center console to forward corner of counter top on driver side of body. To include pull string/wire.	\$ 604.00
CAB ELECTRICAL OPTIONS	1750-0419	Turn signal TecNiq LED amber strip (PR) located in center of quad headlight bezel (QST2 only).	\$ 225.00
CAB ELECTRICAL OPTIONS	1750-0423	Programming instructions for auxiliary switch 1 on steering wheel switch pod. Switch function: [#LOC].	\$ 185.00
CAB ELECTRICAL OPTIONS	1750-0424	Programming instructions for auxiliary switch 2 on steering wheel switch pod. Switch function: [#LOC].	\$ 185.00
CAB ELECTRICAL OPTIONS	1750-0425	Programming instructions for auxiliary switch 3 on steering wheel switch pod. Switch function: [#LOC].	\$ 185.00
CAB ELECTRICAL OPTIONS	1750-0426	Turn signal Weldon LED amber pair located [#LOC].	\$ 1,080.00
CAB ELECTRICAL OPTIONS	1750-0427	Antenna base Tessco P/N 90942 (NMO Motorola Style - also called MATM style) on cab roof. Location: (4) vista cab roof, (4) front cab roof. See sales for exact location labeling instructions.	\$ 1,680.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0428	Interior courtesy red LED light package. Includes driver / officer side engine cover lighting, center dash wash lights and front / rear floor lights.	\$ 723.00
CAB ELECTRICAL OPTIONS	1750-0429	Dual USB charging ports wired battery hot. Location: [#LOC].	\$ 145.00
CAB ELECTRICAL OPTIONS	1750-0430	Weldon guard model 2034-0000-00 for horizontally mounted seat riser light (EA).	\$ 41.00
CAB ELECTRICAL OPTIONS	1750-0431	Conduit flexible 1" for radio installation center of dash to area behind officer's seat. To include pull string/wire.	\$ 604.00
CAB ELECTRICAL OPTIONS	1750-0432	Flexible 1" conduit with connectors. Location: behind officer seat to antenna rack. To include pull string/wire.	\$ 875.00
CAB ELECTRICAL OPTIONS	1750-0433	Battery charger Kussmaul LPC 80. 120 volt inlet, 80 amp output. Includes bar graph display.	\$ 3,330.00
CAB ELECTRICAL OPTIONS	1750-0434	Radio cabinet ventilation fan (PR). Location: ceiling of radio cabinet wired through ignition.	\$ 440.00
CAB ELECTRICAL OPTIONS	1750-0436	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: center between front cab seats.	\$ 412.00
CAB ELECTRICAL OPTIONS	1750-0437	The chassis shall be pre-wired for installation of tire chains. Includes guarded toggle switch located on the center dash panel.	\$ 844.00
CAB ELECTRICAL OPTIONS	1750-0438	Radio AC Delco model XTA2300 AM/FM CD with weather band located [#LOC]. Includes speakers in ceiling to rear of driver/officer.	\$ 1,604.00
CAB ELECTRICAL OPTIONS	1750-0439	Dome Lt Red/White Whelen model 60CREGCS LED additional (EA). White light wired through door and light assembly switch. Red light through light assembly switch. Location: center rear crew cab ceiling.	\$ 672.00
CAB ELECTRICAL OPTIONS	1750-0440	Switch horn button three position DOT/air horn/electronic siren. Wired through multiplex display screen.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0441	Battery charger Kussmaul model EV40, 40 amp.	\$ 3,027.00
CAB ELECTRICAL OPTIONS	1750-0442	Light EON LED (EA). Horizontally mounted in seat riser. Wire through door switch. Location: officer seat riser.	\$ 308.00
CAB ELECTRICAL OPTIONS	1750-0443	Dome Lts Red/White Whelen model 60CREGCS LED. Package includes two lights mounted in the front of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$ 1,105.00
CAB ELECTRICAL OPTIONS	1750-0444	Battery charger Iota model DLS-45, 45 amp.	\$ 1,176.00
CAB ELECTRICAL OPTIONS	1750-0445	Clamshell controller mounted on center console offset to officer side for air horns.	\$ 253.00
CAB ELECTRICAL OPTIONS	1750-0446	Wire battery charger using cord connectors ipo hardwire.	\$ 178.00
CAB ELECTRICAL OPTIONS	1750-0447	Dome Lts Red/White Whelen model 60CREGCS LED. Package includes two lights mounted in the front and two mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$ 2,200.00
CAB ELECTRICAL OPTIONS	1750-0449	Momentary DPF regeneration override switch.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0451	Steering wheel with switch pods IPOS. Includes wiper functions, master warning sw, air horn sw, aux brake on/off and (3) aux switches. For use only with Typhoon and Cyclone NOT equipped with 4Front. (Requires separate programming options to activate aux switches)	\$ 1,800.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0452	Radio speakers (3). Locate officer ceiling and each side rear cab ceiling. Wiring to terminate in center overhead console for customer installed radio(s).	\$ 934.00
CAB ELECTRICAL OPTIONS	1750-0453	Auto transfer switch 120 volt. Includes 12 place breaker box. Allows interior receptacles to be powered by either shore power or generator.	\$ 2,676.00
CAB ELECTRICAL OPTIONS	1750-0454	Courtesy light for driver and officer located on front of risers wired through marker lights. Whelen model 0SR00SCR light.	\$ 509.00
CAB ELECTRICAL OPTIONS	1750-0455	Block heater connector; 15 amp male. Location: driver side under front bumper adjacent to frame rail.	\$ 209.00
CAB ELECTRICAL OPTIONS	1750-0458	Quad headlight bezels (4) black ipos.	\$ 512.00
CAB ELECTRICAL OPTIONS	1750-0462	Turn signal Whelen M6 LED arrow amber pair with clear lenses located [#LOC].	\$ 1,294.00
CAB ELECTRICAL OPTIONS	1750-0463	Handheld flashlight, Streamlight Vulcan LED Model 44401 flashlight with vehicle mount system. Location: [#LOC].	\$ 443.00
CAB ELECTRICAL OPTIONS	1750-0464	Dome Lt Red/White Whelen model 60CREGCS LED. One (1) light centered between driver/officer in the ceiling. White light wired through door and light assembly switch. Red light through light assembly switch.	\$ 672.00
CAB ELECTRICAL OPTIONS	1750-0466	DEF level gauge adjacent to tank fill area.	\$ 697.00
CAB ELECTRICAL OPTIONS	1750-0468	Relocate driver master power window controls and officer front window control to center upper tier.	\$ 823.00
CAB ELECTRICAL OPTIONS	1750-0469	Flexible 3/4" conduit with connectors. Location: center cab dash to rear medical cabinet upper area.	\$ 875.00
CAB ELECTRICAL OPTIONS	1750-0470	Relocate driver master power window controls to cab dash upper tier offset to driver.	\$ 823.00
CAB ELECTRICAL OPTIONS	1750-0471	Auto-Eject receptacle inlet 20 amp located rear of body driver side with a Yellow cover. Receptacle wired to roof top A.C.	\$ 1,139.00
CAB ELECTRICAL OPTIONS	1750-0473	Siren brake locate center dash	\$ 189.00
CAB ELECTRICAL OPTIONS	1750-0474	Control push button switch center dash upper tier offset to officer side for air horns	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0475	Control push-button switch center dash upper tier offset to officer for Q2B.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0476	Speaker wire for dealer/customer installed radio/speaker. Route wire from driver side 3x3 up high to center dash.	\$ 300.00
CAB ELECTRICAL OPTIONS	1750-0478	Battery charger Kussmaul model 091-216-40/20, 40 amp battery charger / 20 amp battery saver.	\$ 3,938.00
CAB ELECTRICAL OPTIONS	1750-0479	Tire chain activation switch to have a red cover (or bezel / guard).	\$ 87.00
CAB ELECTRICAL OPTIONS	1750-0480	Auto-Eject dual receptacle inlet; 30 amp 120V with air auto eject located [#LOC] with a [#COL] cover.	\$ 2,984.00
CAB ELECTRICAL OPTIONS	1750-0481	Auto-Eject receptacle inlet 20 amp wired to 110V AC. Locate receptacle [#LOC] with a [#COL] cover.	\$ 1,139.00
CAB ELECTRICAL OPTIONS	1750-0482	Control push-button switch officer switch panel for Q2B siren.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0483	Control push-button switch on officer's switch panel for Q2B siren brake.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0484	Control push-button switch officer switch panel for siren.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0485	Control push-button switch officer switch panel for air horns.	\$ 407.00

CAB ELECTRICAL OPTIONS	1750-0579	Relocate driver master power window controls and officer front window control to center of dash electrical cover. (For severe duty dash package with low profile center dash only)	\$ 1,105.00
CAB ELECTRICAL OPTIONS	1750-0580	Light EON LED (EA) mounted in riser height compartment.	\$ 250.00
CAB ELECTRICAL OPTIONS	1750-0581	Dome Lts Blue/White Whelen model 60CBEGCS LED. Package includes two lights mounted in the front and three mounted in the rear of the cab. White light wired through door and light assembly switch. Blue light through light assembly switch.	\$ 2,668.00
CAB ELECTRICAL OPTIONS	1750-0582	Light EON LED (EA) mounted in bench seat riser. The light(s) shall be wired through the compartment door switch(s) or rocker switch as applicable if equipped with cargo nets.	\$ 250.00
CAB ELECTRICAL OPTIONS	1750-0583	Clamshell controller mounted on officer's side of engine cover for EQ2B.	\$ 253.00
CAB ELECTRICAL OPTIONS	1750-0584	Lateral "G" Alert system with Audible and Visual warnings shall be provided and displayed on the Vista screen.	\$ 4,671.00
CAB ELECTRICAL OPTIONS	1750-0585	Dome Lts Red/Clear LED. Package includes two lights mounted in the cab overhead within reach of the driver and officer. Clear light wired through door and light assembly switch. Red light through light assembly switch.	\$ 278.00
CAB ELECTRICAL OPTIONS	1750-0586	Turn signal LED amber strip (PR) located above the headlights each side of cab.	\$ 440.00
CAB ELECTRICAL OPTIONS	1750-0587	English dominant main cab gauge cluster.	\$ 3,680.00
CAB ELECTRICAL OPTIONS	1750-0588	Steering wheel with switch pods IPOS. Includes wiper functions, master warning sw, air horn sw, aux brake on/off (when applicable) and (3) aux switches. (Requires seperate programming options to activate aux switches). For use with ARFF vehicles only	\$ 1,381.00
CAB ELECTRICAL OPTIONS	1750-0589	Four LED cab headlights with bezels shall be provided.	\$ 1,645.00
CAB ELECTRICAL OPTIONS	1750-0590	Auto transfer switch 120 volt. Includes 8 place breaker box. Allows interior receptacles to be powered by either shore power or APU/Generator.	\$ 2,661.00
CAB ELECTRICAL OPTIONS	1750-0593	Louvered cover for air compressor (EA). Finish to match cab interior.	\$ 389.00
CAB ELECTRICAL OPTIONS	1750-0596	The tire chain activation rocker switch shall have a guard.	\$ 108.00
CAB ELECTRICAL OPTIONS	1750-0597	Clamshell controller mounted on side of center console for air horns.	\$ 253.00
CAB ELECTRICAL OPTIONS	1750-0598	Clamshell controller mounted on side of center console for Q2B.	\$ 253.00
CAB ELECTRICAL OPTIONS	1750-0599	Clamshell controller mounted on side of center console for the electronic siren.	\$ 253.00
CAB ELECTRICAL OPTIONS	1750-0600	Conduit flexible 1.5" for radio installation from center of dash, to up high interior of officer EMS cabinet. To include pull string/wire.	\$ 716.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0601	All push buttons on Officer dash are to the rubber covered "EXTERIOR" style buttons.	\$ 189.00
CAB ELECTRICAL OPTIONS	1750-0602	Relocate driver master power window controls to the drivers overhead console IPOS. This shall be the only location to control the windows in the cab of the unit- NO doors are to have window controls.	\$ 1,436.00
CAB ELECTRICAL OPTIONS	1750-0603	Flexible 1.25" conduit with connectors. Location: under officer seat to pump panel area. To include pull string/wire.	\$ 875.00
CAB ELECTRICAL OPTIONS	1750-0605	Master power and ignition switches installed on the exterior driver's side of the cab.	\$ 759.00
CAB ELECTRICAL OPTIONS	1750-0606	Metric dominant main cab gauge cluster.	\$ 3,757.00
CAB ELECTRICAL OPTIONS	1750-0607	Air compressor, SENCO model PC1010, 1/2 HP, 115V.	\$ 1,546.00
CAB ELECTRICAL OPTIONS	1750-0608	Battery charger Professional Mariner TruePower Combi 2000W PS - 110V AC/12V DC.	\$ 4,445.00
CAB ELECTRICAL OPTIONS	1750-0609	Headlight and marker light activation - headlights and marker lights are to be controlled via a virtual button on the multiplex display. The panel lights are be controlled by a dimmer control in the multiplex display.	\$ 1,321.00
CAB ELECTRICAL OPTIONS	1750-0611	Dome Lt Red/White LED additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location: center between rear cab seats.	\$ 412.00
CAB ELECTRICAL OPTIONS	1750-0612	Dome Lts Red/White LED. Package includes two lights mounted in the front and two mounted in the rear of the cab. Red light wired through door and light assembly switch. White light through light assembly switch.	\$ 1,604.00
CAB ELECTRICAL OPTIONS	1750-0614	Xantrex Battery Temperature Sensor PN 808-0232-01. For use with the Xantrex Truecharge battery charger.	\$ 293.00
CAB ELECTRICAL OPTIONS	1750-0616	Auto transfer switch 120 volt. Includes 8 place breaker box. Allows all receptacles to be powered by either shore power or generator.	\$ 2,661.00
CAB ELECTRICAL OPTIONS	1750-0617	Guard. The Regen activation switch shall have a red guard.	\$ 108.00
CAB ELECTRICAL OPTIONS	1750-0619	Dome Lt Red/White Whelen model 60CREGCS LED additional (EA). White light wired through door and light assembly switch. Red light through light assembly switch. Location:[#LOC].	\$ 672.00
CAB ELECTRICAL OPTIONS	1750-0620	Air compressor, Kussmaul model 091-9HP, 120V.	\$ 2,238.00
CAB ELECTRICAL OPTIONS	1750-0621	Battery charger Kussmaul model 091-20/20, 20 amp battery charger / 20 amp battery saver.	\$ 3,493.00
CAB ELECTRICAL OPTIONS	1750-0622	ROM Duro Lumen LED light model RO3696. Includes 3-position switch adjacent to light. Lights will be located on [#LOC].	\$ 798.00
CAB ELECTRICAL OPTIONS	1750-0624	Battery charger Kussmaul 15 amp model 2000 PLC with air compressor.	\$ 4,825.00
CAB ELECTRICAL OPTIONS	1750-0625	Kussmaul battery charger with 110v air compressor and air inlet. The battery charger receptacle and air inlet to include auto-eject. Locate to driver side below the driver door.	\$ 8,114.00
CAB ELECTRICAL OPTIONS	1750-0626	Control push-button switch driver side of center dash UPPER TIER for Q2B brake.	\$ 193.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0627	Conduit flexible .75" for radio installation center of overhead to area behind officer's seat. To include pull string/wire.	\$ 604.00
CAB ELECTRICAL OPTIONS	1750-0629	Control push-button switch on center console for air horns.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0630	Secondary Auto-Eject receptacle inlet 20 amp located [#LOC] with a [#COL] cover. The primary auto-eject will handle the batteries, air compressor, and 120V in cab, the secondary auto-eject will handle only the 120V in the body.	\$ 1,139.00
CAB ELECTRICAL OPTIONS	1750-0631	Speedometer officer's side overhead offset inboard.	\$ 623.00
CAB ELECTRICAL OPTIONS	1750-0632	Radio speakers (4). Locate (1) each side front and rear cab ceiling. Wiring to terminate under the officer seat for customer installed radio(s).	\$ 1,242.00
CAB ELECTRICAL OPTIONS	1750-0635	375W inverter located on interior of cab dash. Includes a single 15A receptacle dash mounted. Custom cabs only.	\$ 915.00
CAB ELECTRICAL OPTIONS	1750-0636	Radio AM/FM CD Sony model MEX-N5100BT located [#LOC].	\$ 1,930.00
CAB ELECTRICAL OPTIONS	1750-0637	Control push-button switch one each side dash upper tier, wire both switches with 12 gauge wiring. Terminate wiring below front bumper with approx 10' of extra wire coiled up. Label switches HORN.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0638	Secondary battery charger E-ONE LPC 40. 120 volt inlet, 40 amp output, for charging the lithium battery. Includes a remote mounted bar graph display.	\$ 2,566.00
CAB ELECTRICAL OPTIONS	1750-0639	Secondary Auto-Eject receptacle inlet 20 amp located [#LOC] with a [#COL] cover. The primary auto-eject will handle the batteries, air compressor etc. The secondary auto-eject will handle only the lithium battery.	\$ 1,139.00
CAB ELECTRICAL OPTIONS	1750-0641	Step light Amdor Lumabar H2O LED strip light on each side of the commercial 2 door cab. Lighting system shall be provided to illuminate the cab step surface area. The strip type lights shall be located below the cab above and directed toward the center of the step surface area. Color: Green. Switched with the marker light circuit.	\$ 2,371.00
CAB ELECTRICAL OPTIONS	1750-0642	Battery charger E-ONE LPC 45. 120 volt inlet (50/60 hz), 24 volt 45 amp output. Kussmaul deluxe digital battery display Model 091-194C-IND-WT-BLK in place of standard. Mount adjacent to the shoreline receptacle.	\$ 2,967.00
CAB ELECTRICAL OPTIONS	1750-0643	Kussmaul deluxe digital battery display Model 091-194C-IND-WT-BLK in place of standard. Mount adjacent to the shoreline receptacle.	\$ 606.00
CAB ELECTRICAL OPTIONS	1750-0644	Battery saver filter, Kussmaul model 091-137.	\$ 421.00
CAB ELECTRICAL OPTIONS	1750-0647	Angled mounting bracket for multiplex display mounted on the center console.	\$ 495.00
CAB ELECTRICAL OPTIONS	1750-0649	Kussmaul Auto Pump Status Center Model 091-198-12-PP. Mount adjacent to the shoreline receptacle.	\$ 964.00
CAB ELECTRICAL OPTIONS	1750-0650	Gauge ambient temperature programmed to multiplex display.	\$ 787.00
CAB ELECTRICAL OPTIONS	1750-0651	Turn signal Whelen C-Series model C6T LED amber arrow pair located [#LOC].	\$ 1,056.00
CAB ELECTRICAL OPTIONS	1750-0652	Auto transfer switch 220 volt. Allows breaker box to be powered by either shore power (or inverter as applicable) or generator.	\$ 2,068.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0653	Kussmaul bar graph battery charger display model 091-200-IND in place of standard. Mount adjacent to the shoreline receptacle.	\$ 485.00
CAB ELECTRICAL OPTIONS	1750-0654	Tesco GPS antenna model #GPSNMO-02 located on the right rear cab roof with coaxial cable routed to center cab dash.	\$ 651.00
CAB ELECTRICAL OPTIONS	1750-0655	Flexible 1" conduit with connectors. From upper rear cab vista cabinet to rear corner of officer's back wall pass thru area. To include pull string/wire.	\$ 604.00
CAB ELECTRICAL OPTIONS	1750-0656	Flexible 1" conduit with connectors. From upper vista cabinet, down both 3 X 3 posts outboard, to the post bottoms. To include pull string/wire.	\$ 604.00
CAB ELECTRICAL OPTIONS	1750-0659	Turn signal Federal Signal FireRay model FR6-ARROW LED amber pair located [#LOC].	\$ 968.00
CAB ELECTRICAL OPTIONS	1750-0660	Super 30 Auto Eject -Air/Electric receptacle inlet 30A, 120V, 175PSI located [#LOC] and with a [#COL] cover.	\$ 2,184.00
CAB ELECTRICAL OPTIONS	1750-0661	Wire battery saver using cord connectors ipo hardwire.	\$ 181.00
CAB ELECTRICAL OPTIONS	1750-0662	Battery charger E-ONE LPC 45. 240 volt inlet (50/60 hz), 24 volt 45 amp output. Kussmaul deluxe digital battery display Model 091-194C-IND-WT-BLK in place of standard. Mount adjacent to the shoreline receptacle.	\$ 3,103.00
CAB ELECTRICAL OPTIONS	1750-0663	JW Speaker LED cab headlights. Model 8800 Evolution 2, heated.	\$ 3,750.00
CAB ELECTRICAL OPTIONS	1750-0664	Radio speakers (4). Locate (1) each side front and rear cab ceiling. Wiring to terminate in center overhead for customer installed radio(s).	\$ 1,242.00
CAB ELECTRICAL OPTIONS	1750-0667	J.W.Speaker brand LED Cab quad headlights recessed in front bumper in addition to standard headlights.	\$ 3,487.00
CAB ELECTRICAL OPTIONS	1750-0668	Blue Sea Sure Eject receptacle inlet 20 amp #7851 located [#LOC] with a [#COL] cover. Includes EV Battery Charger Display #7517.	\$ 1,632.00
CAB ELECTRICAL OPTIONS	1750-0669	Kussmaul bar graph battery charger display model 091-200-IND in place of standard. Mount adjacent to the shoreline receptacle.	\$ 485.00
CAB ELECTRICAL OPTIONS	1750-0670	Battery Charger Blue Sea model P12, 40A.	\$ 2,406.00
CAB ELECTRICAL OPTIONS	1750-0671	Control push-button switch mounted on drivers side rear body, just above drivers side taillight housing for air horns.	\$ 210.00
CAB ELECTRICAL OPTIONS	1750-0672	Control push button switch center dash upper tier offset to officer side for air horns with a red label.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0674	Smooth plate weather proof cover for air compressor located in the pump module. Includes required ventilation.	\$ 907.00
CAB ELECTRICAL OPTIONS	1750-0676	Battery Charger Progressive Dynamics model PD9140A - 40 Amp Electronic Battery Charger.	\$ 1,201.00
CAB ELECTRICAL OPTIONS	1750-0677	Speaker wire for dealer/customer installed radio/speaker. Route wire from center dash to middle of the back wall up high.	\$ 300.00
CAB ELECTRICAL OPTIONS	1750-0678	Light EON red LED to illuminate cab floor(EA). Horizontally mounted under seat riser lip. Wired battery hot. Location: [#LOC].	\$ 308.00

CAB ELECTRICAL OPTIONS	1750-0941	Speaker wire for dealer/customer installed radio to be connected to cab interior mounted speaker. Wiring termination point to be as specified by sales.	\$ 526.00
CAB ELECTRICAL OPTIONS	1750-0942	Auto transfer switch 120 volt. Includes 8 place breaker box. Allows one roof mounted HVAC, and interior receptacles to be powered by either shore power or generator.	\$ 2,661.00
CAB ELECTRICAL OPTIONS	1750-0943	Auto eject receptacle inlet 16amp 240V Euro Style located [#LOC] with a [#COL] cover.	\$ 1,341.00
CAB ELECTRICAL OPTIONS	1750-0944	Roof mounted HVAC interlock. Roof mounted HVAC to be interlocked with cab doors.	\$ 2,873.00
CAB ELECTRICAL OPTIONS	1750-0945	Customer supplied thermal imaging camera charger to be mounted in cab as specified by sales.	\$ 547.00
CAB ELECTRICAL OPTIONS	1750-0948	Flexible 2" conduit with connectors. Location: behind the officer seat to the pump enclosure. To include pull string/wire.	\$ 1,265.00
CAB ELECTRICAL OPTIONS	1750-0949	Auto transfer switch 120 volt. Includes 2 place breaker box. Allows refrigerator and coffee pot to be powered by either shore power or generator.	\$ 2,661.00
CAB ELECTRICAL OPTIONS	1750-0950	Wiring upgrade for seat belt occupant detection system. Includes light and alarm to indicate wiring disconnected, damaged or cut.	\$ 3,305.00
CAB ELECTRICAL OPTIONS	1750-0952	Customer supplied cable. Route customer supplied cable (must be new cable, used cables will not be accepted) leaving a service loop at each end. Terminating locations, cable type, and service loop size to be as specified by Sales. Quantity is per cable to be installed.	\$ 547.00
CAB ELECTRICAL OPTIONS	1750-0953	Turn signal Whelen M6AC LED amber with clear lens additional pair located [#LOC].	\$ 1,294.00
CAB ELECTRICAL OPTIONS	1750-0954	Blue Sea Sure Eject receptacle inlet 20 amp #7851 located [#LOC] with a [#COL] cover.	\$ 1,313.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0955	DEF guage additional. Wired through multiplex display screen.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0956	HAAS Alert R2V + R2R. Includes R2V Responder-to-Vehicle Service and R2R Responder-to-Responder Service with a 5-year Safety Cloud Service subscription. The R2R indicators shall be mounted on the apparatus A-posts in the cab.	\$ 8,484.00
CAB ELECTRICAL OPTIONS	1750-0958	Flexible 1.25" conduit with connectors. Location: behind officer seat to pump panel area. To include pull string/wire.	\$ 875.00
CAB ELECTRICAL OPTIONS	1750-0959	Battery Charger Progressive Dynamics model PD2180 - 80 Amp Electronic Battery Charger.	\$ 2,765.00
CAB ELECTRICAL OPTIONS	1750-0960	The vehicle will be equipped with a vehicle immobilization interlock. The function shall be wired to inhibit the shifting of the transmission into drive range when [#LOC]. The system is disabled utilizing a push-button override switch located per customer requirements. Requires separately added 1200-0441.	\$ 1,335.00
CAB ELECTRICAL OPTIONS	1750-0962	Auto transfer switch 220 volt. Allows breaker box to be powered by either of two generators. The [#COL] generator is to be wired as the primary generator.	\$ 2,068.00
CAB ELECTRICAL OPTIONS	1750-0963	Federal Signal Commander model COM1MC-R indicator light. Mount adjacent to the shoreline receptacle, IPOS.	\$ 153.00
CAB ELECTRICAL OPTIONS	1750-0964	TecNiq D07 LED cab door step area lighting - [#COL]. Includes (2) lights at each door area. Lights to be switched with door ajar.	\$ 396.00
CAB ELECTRICAL OPTIONS	1750-0965	Relocate power window controls to center upper tier. For use with new Typhoon and 100" wide Cyclone cabs.	\$ 417.00
CAB ELECTRICAL OPTIONS	1750-0966	Kussmaul R.F. Control Transmitter model 091-133-T. Includes (1) switch accessible to driver.	\$ 1,204.00
CAB ELECTRICAL OPTIONS	1750-0967	Kussmaul R.F. Control Transmitter model 091-133-T. Includes (2) switches accessible to driver and officer.	\$ 1,597.00
CAB ELECTRICAL OPTIONS	1750-0968	Kussmaul R.F. Control Transmitter model 091-133-T. Includes (1) switch accessible to driver.	\$ 1,204.00
CAB ELECTRICAL OPTIONS	1750-0969	Dome Lts TecNiq Red/White LED. Package includes two lights mounted in the front and four mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$ 1,463.00
CAB ELECTRICAL OPTIONS	1750-0970	Rocker switch cap and guard to be green. Switch: [#LOC].	\$ 132.00
CAB ELECTRICAL OPTIONS	1750-0972	Auto eject block heater receptacle inlet 15 amp 240 volt with a [#COL] cover. Location: [#LOC].	\$ 1,038.00
CAB ELECTRICAL OPTIONS	1750-0973	Switch horn button three position DOT/air horn/Howler.	\$ 407.00
CAB ELECTRICAL OPTIONS	1750-0974	Auto drain, Kussmaul model 091-9-090 120V. For use with air compressor 091-HP only.	\$ 652.00
CAB ELECTRICAL OPTIONS	1750-0975	Dome light TecNiq red/white LED, additional (EA). White light wire through door and light assembly switch. Red light through light assembly switch. Location to be as specified by sales.	\$ 256.00
CAB ELECTRICAL OPTIONS	1750-0976	TecNiq Silho-X 2.75" round green (E13-GB10-1). Light mounted centered in the ceiling of the crew area of the cab. Includes switch accessible to officer labelled "Working Fire".	\$ 823.00
CAB ELECTRICAL OPTIONS	1750-0977	Auto pump timer, Kussmaul model 091-150-115 120V.	\$ 568.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-0978	Clamshell controller mounted on center console within reach of the driver and officer for air horns.	\$ 253.00
CAB ELECTRICAL OPTIONS	1750-0979	Clamshell controller mounted on center console within reach of the driver and officer for Q2B.	\$ 253.00
CAB ELECTRICAL OPTIONS	1750-0981	FireTech LED quad headlights below front bumper in addition to standard headlights. The headlights shall be mounted in a tread plate box.	\$ 3,932.00
CAB ELECTRICAL OPTIONS	1750-0982	TecNiq D07 LED cab door step area lighting - [#COL]. Includes (2) lights at each door area. Lights to be switched with door ajar. For three (3) door cab.	\$ 396.00
CAB ELECTRICAL OPTIONS	1750-0983	Dome Lts United Safety GE DisInFx Red/White LED with UV disinfecting technology. Package includes two lights mounted in the front and two mounted in the rear of the cab. White light wired through door and light assembly switch. Red light through light assembly switch.	\$ 12,547.00
CAB ELECTRICAL OPTIONS	1750-0984	Dome Lts Blue/White Whelen model 60CBEGCS LED. Package includes two lights mounted in the front and two mounted in the rear of the cab. White light wired through door and light assembly switch. Blue light through light assembly switch.	\$ 2,200.00
CAB ELECTRICAL OPTIONS	1750-0985	Flexible 1.5" conduit with connectors each end as required. Locate: Walkin body raceway to roof antenna raceway. Include: wire pull. QTY EA.	\$ 553.00
CAB ELECTRICAL OPTIONS	1750-0986	The chassis shall be pre-wired for customer supplied and installed Roto-Ray. Includes switch accessible to driver.	\$ 844.00
CAB ELECTRICAL OPTIONS	1750-0987	Turn signal Whelen 600 LED amber pair located [#LOC]. Flash pattern will match rear selected pattern.	\$ 1,056.00
CAB ELECTRICAL OPTIONS	1750-0988	Turn signal Whelen 600 LED amber pair with clear lenses located [#LOC]. Flash pattern will match rear selected pattern.	\$ 1,056.00
CAB ELECTRICAL OPTIONS	1750-0989	Turn signal Whelen M6 LED amber pair located [#LOC]. Flash pattern will match rear selected pattern.	\$ 1,294.00
CAB ELECTRICAL OPTIONS	1750-0990	Turn signal Whelen M6 LED amber pair with clear lenses located [#LOC]. Flash pattern will match rear selected pattern.	\$ 1,294.00
CAB ELECTRICAL OPTIONS	1750-0991	Guard. The Regen activation switch shall have a yellow guard.	\$ 108.00
CAB ELECTRICAL OPTIONS	1750-0993	Light EON [#COL] LED (EA) mounted in riser height compartment.	\$ 250.00
CAB ELECTRICAL OPTIONS	1750-0995	Radio Aptiv model PP107200 heavy duty AM/FM/Weatherband with Bluetooth and USB port. Located per dash layout. Includes speakers adjacent to driver and officer seats and remote Bluetooth microphone P6604240.	\$ 1,987.00
CAB ELECTRICAL OPTIONS	1750-0996	Air compressor, Blue Sea Systems model 792*, 120V.	\$ 2,238.00
CAB ELECTRICAL OPTIONS	1750-0997	Wire 110v air compressor using cord connectors ipo hardwire.	\$ 181.00
CAB ELECTRICAL OPTIONS	1750-0998	Air compressor, VIAIR model 330C-IG, 12V.	\$ 2,238.00
CAB ELECTRICAL OPTIONS	1750-1000	Auto-Eject receptacle inlet 30 amp 240 volt 4 wire located [#LOC] and with a [#COL] cover.	\$ 1,659.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS

Category	Option	Long Description	Price
CAB ELECTRICAL OPTIONS	1750-1001	Secondary receptacle inlet 30amp twist-lock with a [#COL] cover. Location: [#LOC]. The primary inlet receptacle will handle the batteries and air compressor (as applicable). The secondary inlet receptacle will handle only the 120V for the receptacles and auto transfer switch as applicable. Only available with black, gray, or yellow cover.	\$ 1,103.00
CAB ELECTRICAL OPTIONS	1750-1002	Dome Lt Blue/White Whelen model 60CBEGCS LED additional (EA). White light wired through door and light assembly switch. Blue light through light assembly switch. Location:[#LOC].	\$ 672.00
CAB ELECTRICAL OPTIONS	1750-1003	Battery charger Kussmaul Chief Series. 120/240 volt inlet, 40 amp output. Includes built-in touch screen display.	\$ 2,128.00
CAB ELECTRICAL OPTIONS	1750-1004	Battery charger Kussmaul Chief Series. 120/240 volt inlet, 40 amp output. Includes remote and built-in touch screen displays.	\$ 2,450.00
CAB ELECTRICAL OPTIONS	1750-1005	Battery charger Kussmaul Chief Series. 120/240 volt inlet, 60 amp output. Includes built-in touch screen display.	\$ 2,694.00
CAB ELECTRICAL OPTIONS	1750-1006	Battery charger Kussmaul Chief Series. 120/240 volt inlet, 60 amp output. Includes remote and built-in touch screen displays.	\$ 3,183.00
CAB ELECTRICAL OPTIONS	1750-1007	A [#COL] Super Auto Eject Deluxe Cover with OLED display, for the auto eject located [#LOC]. 20A receptacles only. Kussmaul Chief chargers only.	\$ 601.00
CAB ELECTRICAL OPTIONS	1750-1008	Air compressor, Kussmaul model 091-9C-12V.	\$ 1,374.00
CAB ELECTRICAL OPTIONS	1750-1009	Air compressor, Kussmaul model 091-9C-12V-HP.	\$ 1,512.00
CAB ELECTRICAL OPTIONS	1750-1010	Radio Aptiv model PP107199 heavy duty AM/FM/Weatherband with front panel aux input and USB port. Located per dash layout. Includes speakers adjacent to driver and officer seats.	\$ 1,573.00
CAB ELECTRICAL OPTIONS	1750-1011	Battery charger Kussmaul LPC 80. 120 volt inlet, 80 amp output. Includes status indicator panel.	\$ 3,250.00
CAB ELECTRICAL OPTIONS	1750-1012	A [#COL] Super Auto Eject Deluxe Cover with OLED display, for the auto eject located [#LOC]. 30A receptacles only. Kussmaul Chief chargers only.	\$ 1,615.00
CAB ELECTRICAL OPTIONS	3360-0101	Refrigerator, Norcold DE-0251T 1.94 cubic feet. Power to be wired to shoreline and have a disconnect to run of chassis 12V. Locate inside cabinet, rear facing on rear engine cover.	\$ 2,800.00
CAB ELECTRICAL OPTIONS	5150-0104	Pair of dual headlights (Hi/Low) with bezel. Locate on extended front bumper as far outboard as possible (recess mounted to protect lights). Lights are IPO commercial chassis bumper mounted lighting.	\$ 1,020.00
CAB ELECTRICAL OPTIONS	5400-0033	Cab Dome Lts Red/White 4" incandescent. White light wired through door and light assembly mounted rocker switch. Red light through light assembly mounted rocker switch.	\$ 1,158.00
CAB ELECTRICAL OPTIONS	5400-0034	Dome Lts Red 4" (Ea) [#LOC]. Includes assembly mounted rocker switch.	\$ 286.00
CAB ELECTRICAL OPTIONS	5400-0035	Dome Lts White 4" incandescent. Includes assembly mounted rocker switch. Requires one for each cab door.	\$ 322.00

SOME OPTIONS MAY NOT BE AVAILABLE WITH ALL MODELS/CONFIGURATIONS
