Temp to Hire Placement	Burnett Specialists   Choice Specialists - Temp to Hire Terms		All Positions	Client may hire a staffing employee at any time by paying a liquidation fee. For Administrative, Call Center/Customer Service, Legal Support and Light Industrial positions, the liquidation fee is 20% of the annual salary less a service credit. For professional roles in Accounting, Supply Chain, Engineering, Manufacturing, Human Resources, Information Technology, Sales and Marketing the liquidation fee is 23% of the annual salary less a service credit. A service credit is available to you when all outstanding staffing invoices are paid in full. The service credit is our billing less payroll and related payroll expenses of the staffing employee. Once the service credit is equal or greater than the liquidated fee to hire the staffing employee, the liquidation fee will be zero.
