

List PricePart No.Special No.**Residential Meters: Neptune T-10® Disc Meters**

E-CODER® and ProCoder™ pit pricing includes potting to an 18" pigtail, a pit receptacle, an R900® pit endpoint, or cellular pit endpoint (see Prewiring and Potting Options below).

All E-CODER and ProCoder pit encoders will be shipped prewired and prepotted to an 18" pigtail unless otherwise specified.

If purchasing E-CODER or ProCoder meters without receptacles, no deduction from List Price will be provided.

**5/8", 5/8" x 3/4"**

**Commercial Meters**

Commercial Meter standard pricing includes an E-CODER® or ProCoder® pit register potted to a pit receptacle or a Nicor 18" wire with quick disconnect.

If purchasing E-CODER or ProCoder meters without receptacles or connectors, no deduction from List Price will be provided.

All E-CODER and ProCoder commercial meters will be shipped with a 25' pigtail, a pit receptacle, an R900® pit endpoint, or cellular pit endpoint.
