

AIRPORT RUNWAY SNOW REMOVAL EQUIPMENT AND RELATED SERVICES

03/01/2025 - 02/28/2029

Keep runways clear and operations moving with equipment built for the job. This contract offers specialized snow and ice removal equipment designed for airport runways, taxiways, and aprons. Available equipment includes self-propelled and towed machines with plows, brushes, and blowers, plus surface management systems, maintenance services, and training plans to keep operations safe and efficient.
